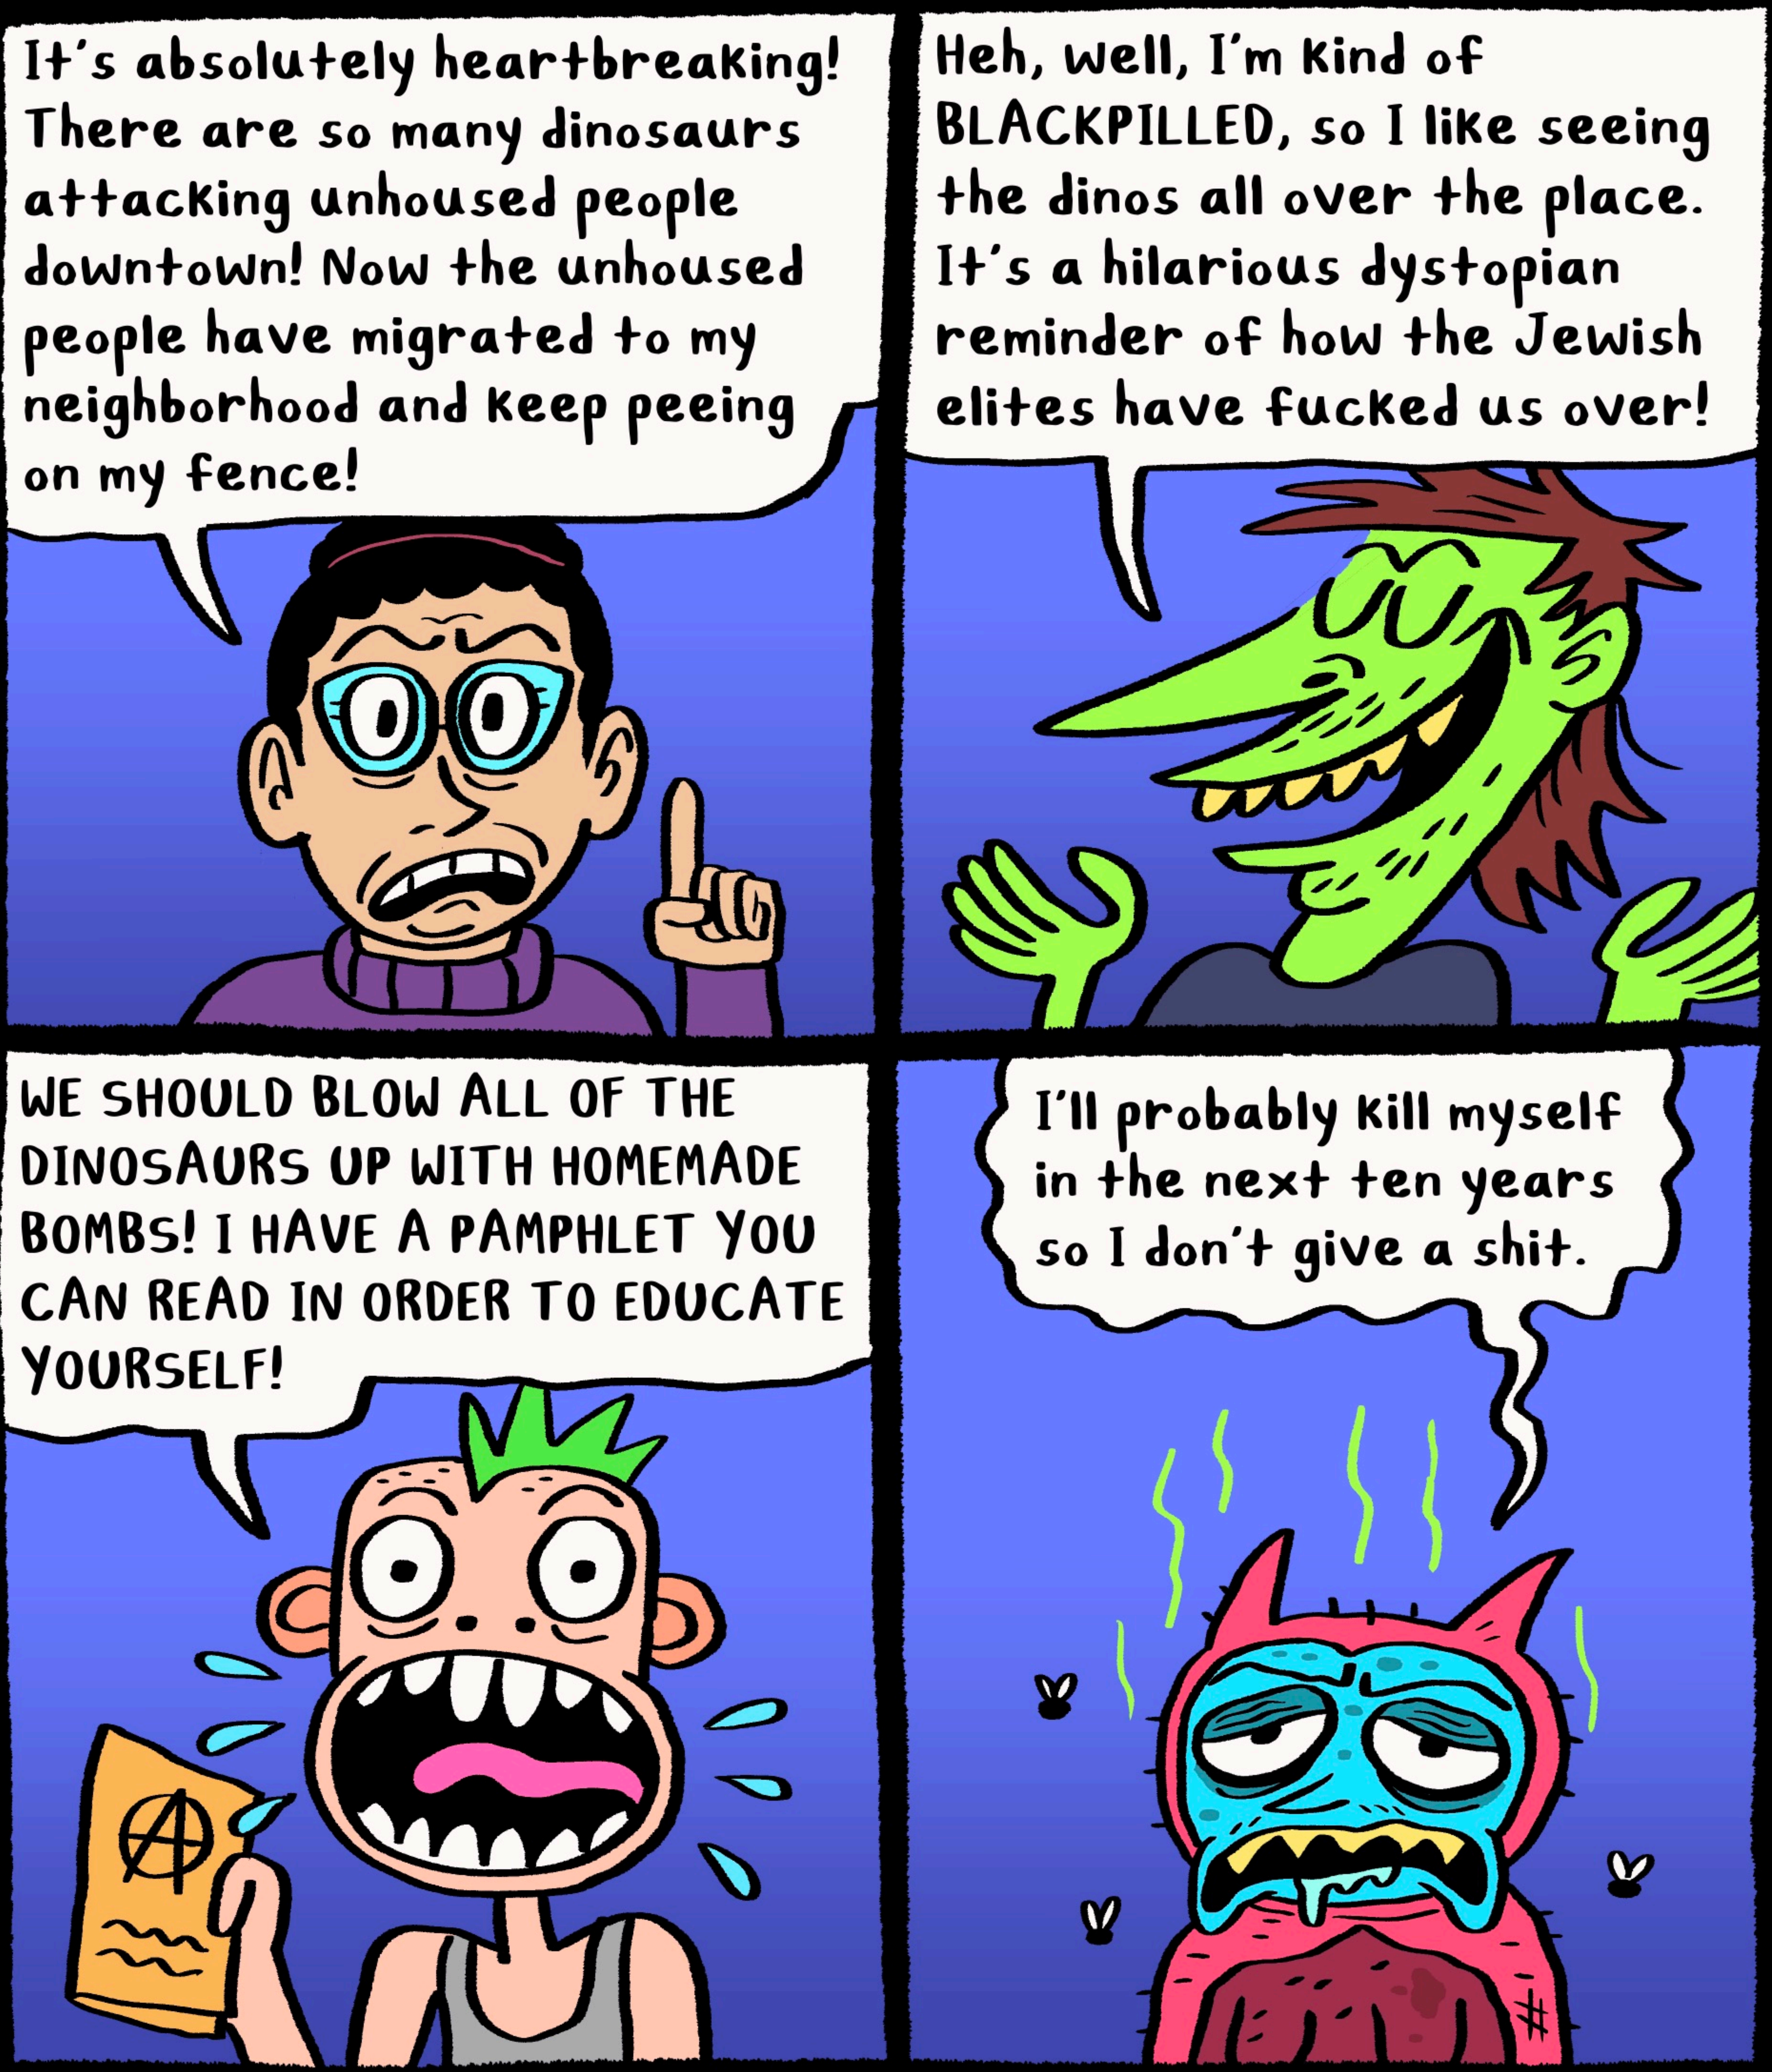
Our Permanent Vacation! Issue#3

RAVEN LYN CLEMENS

THEIR LATEST PASSIONATE ROMANCE

"HOW DO YOU FEEL ABOUT ALL OF THE LITTLE DINOSAURS RUNNING AROUND VANCOUVER?"

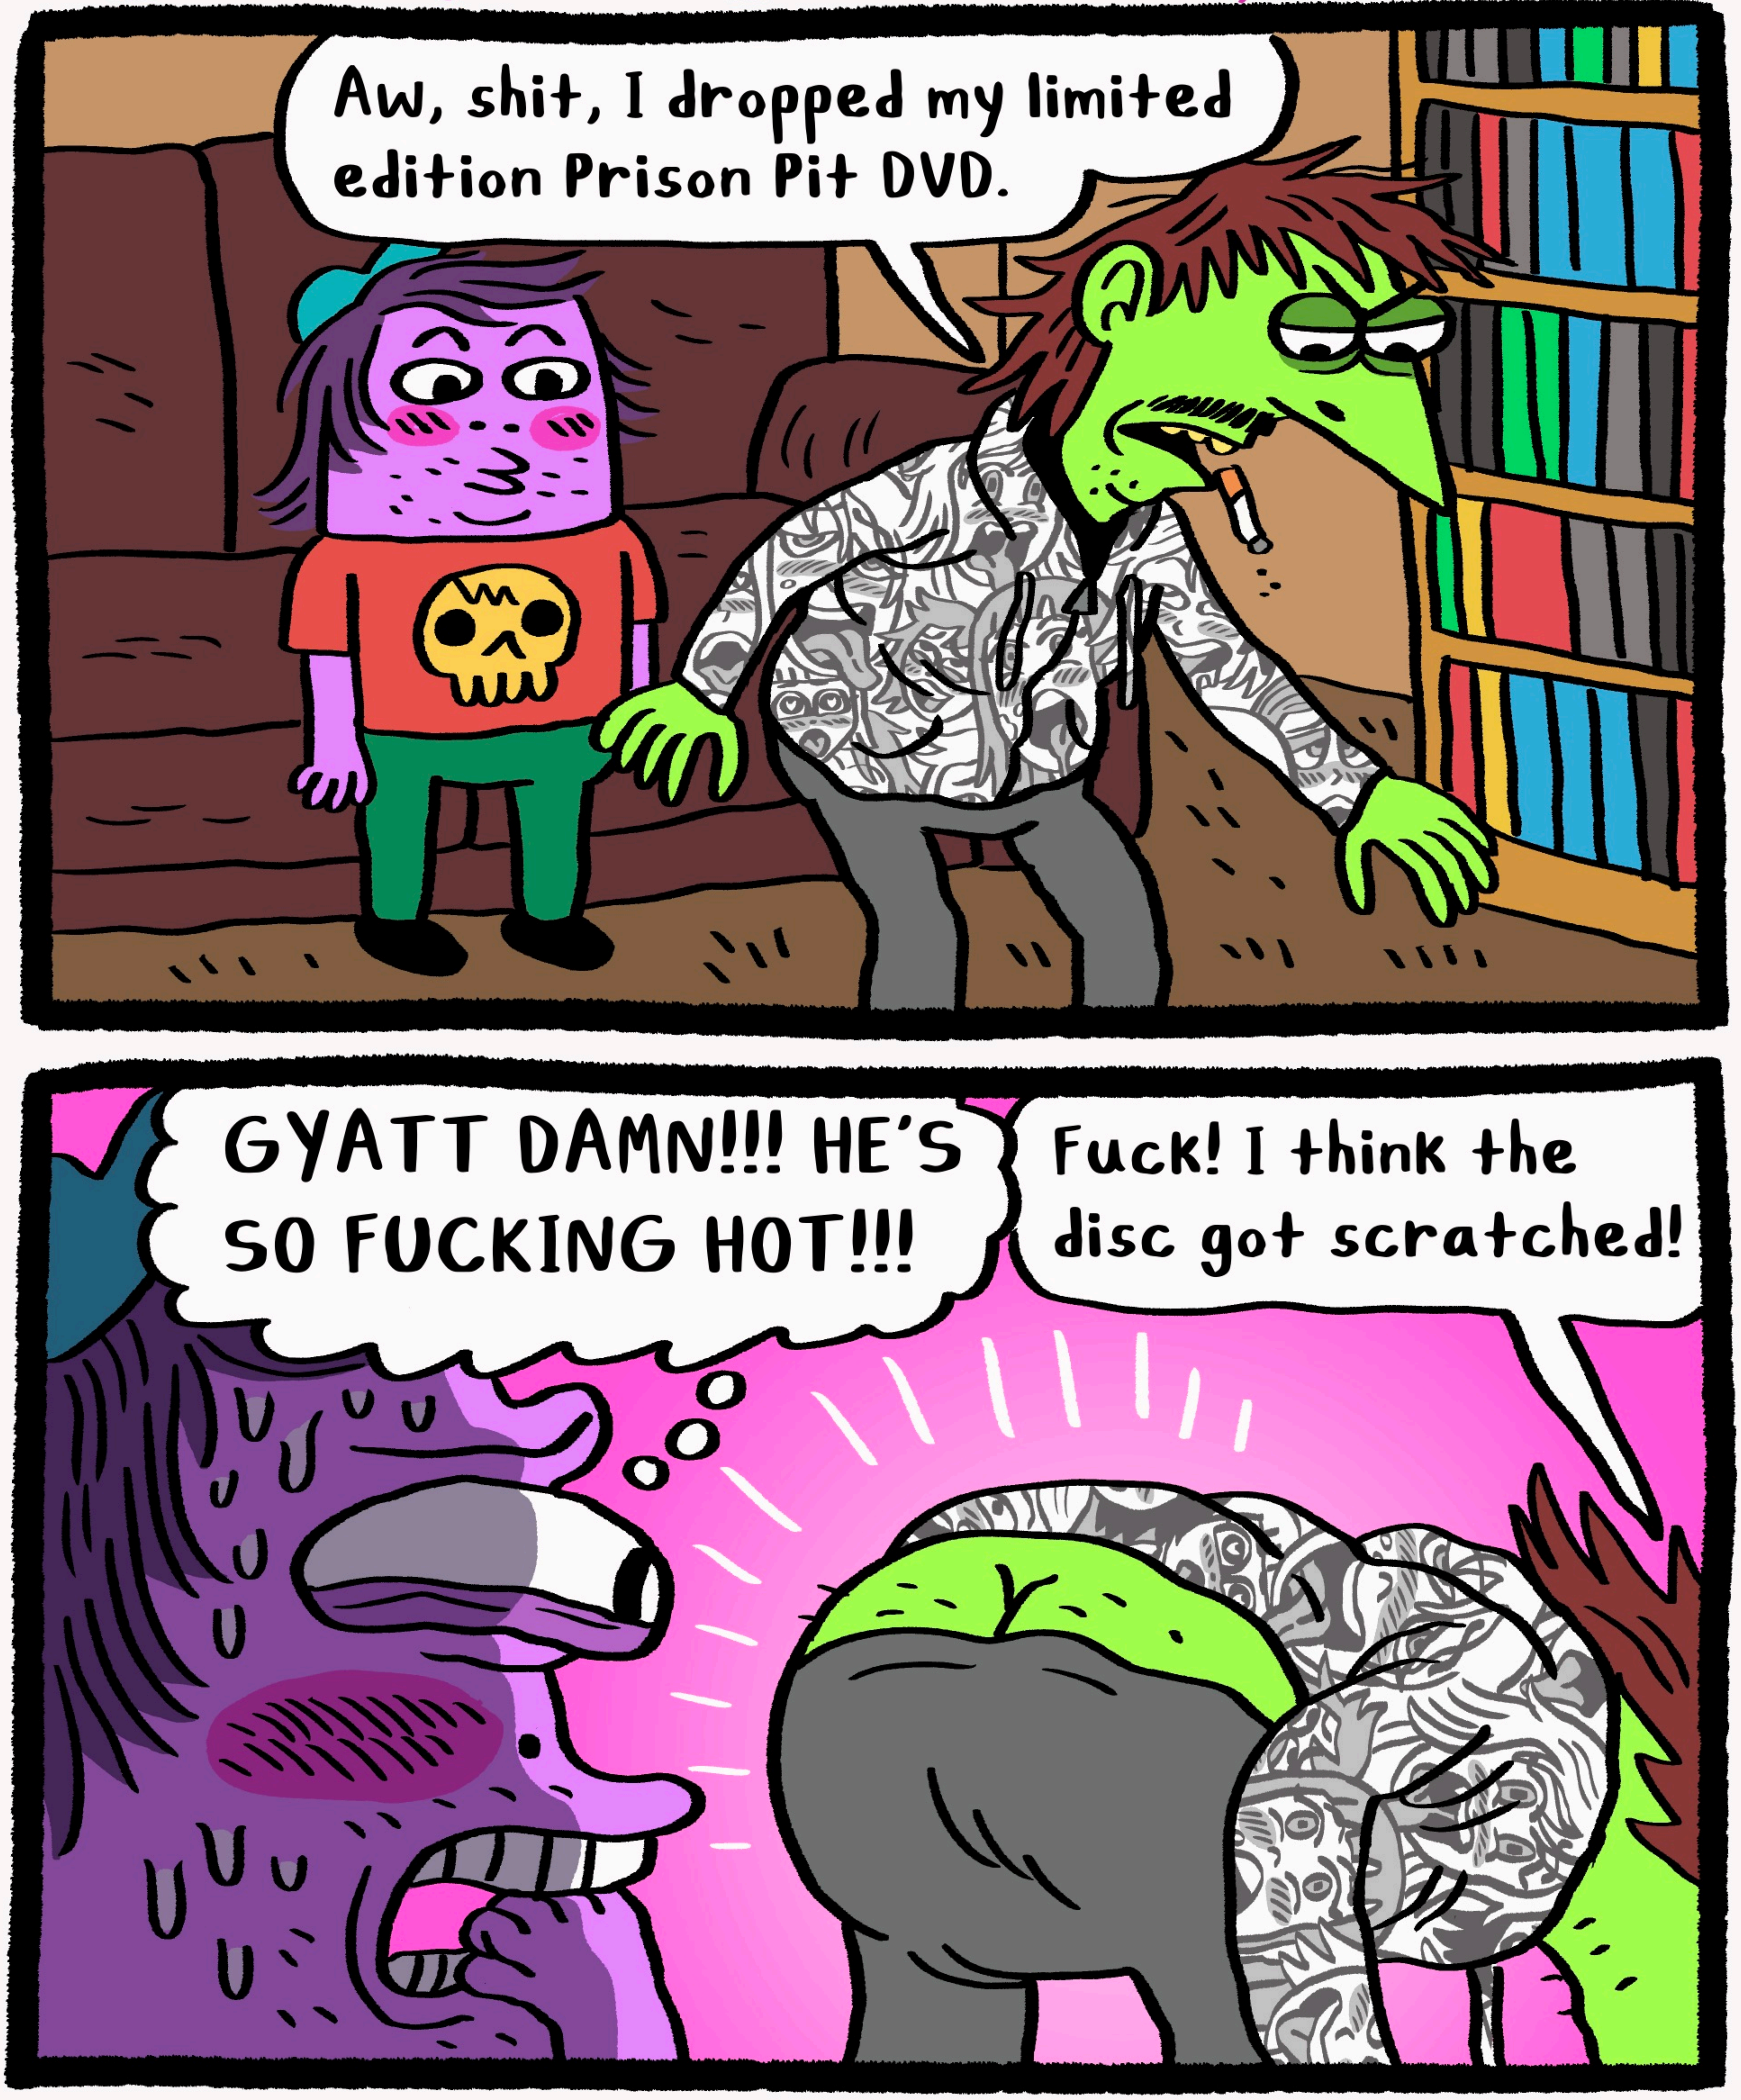
Written and illustrated by Raven Lyn Clemens.



It's absolutely heartbreaking! There are so many dinosaurs attacking unhoused people downtown! Now the unhoused people have migrated to my neighborhood and keep peeing on my fence!
Heh, well, I'm kind of BLACKPILLED, so I like seeing the dinos all over the place. It's a hilarious dystopian reminder of how the Jewish elites have fucked us over!
WE SHOULD BLOW ALL OF THE DINOSAURS UP WITH HOMEMADE BOMBS! I HAVE A PAMPHLET YOU CAN READ IN ORDER TO EDUCATE YOURSELF!
I'll probably kill myself in the next ten years so I don't give a shit.

GAY RACISTS

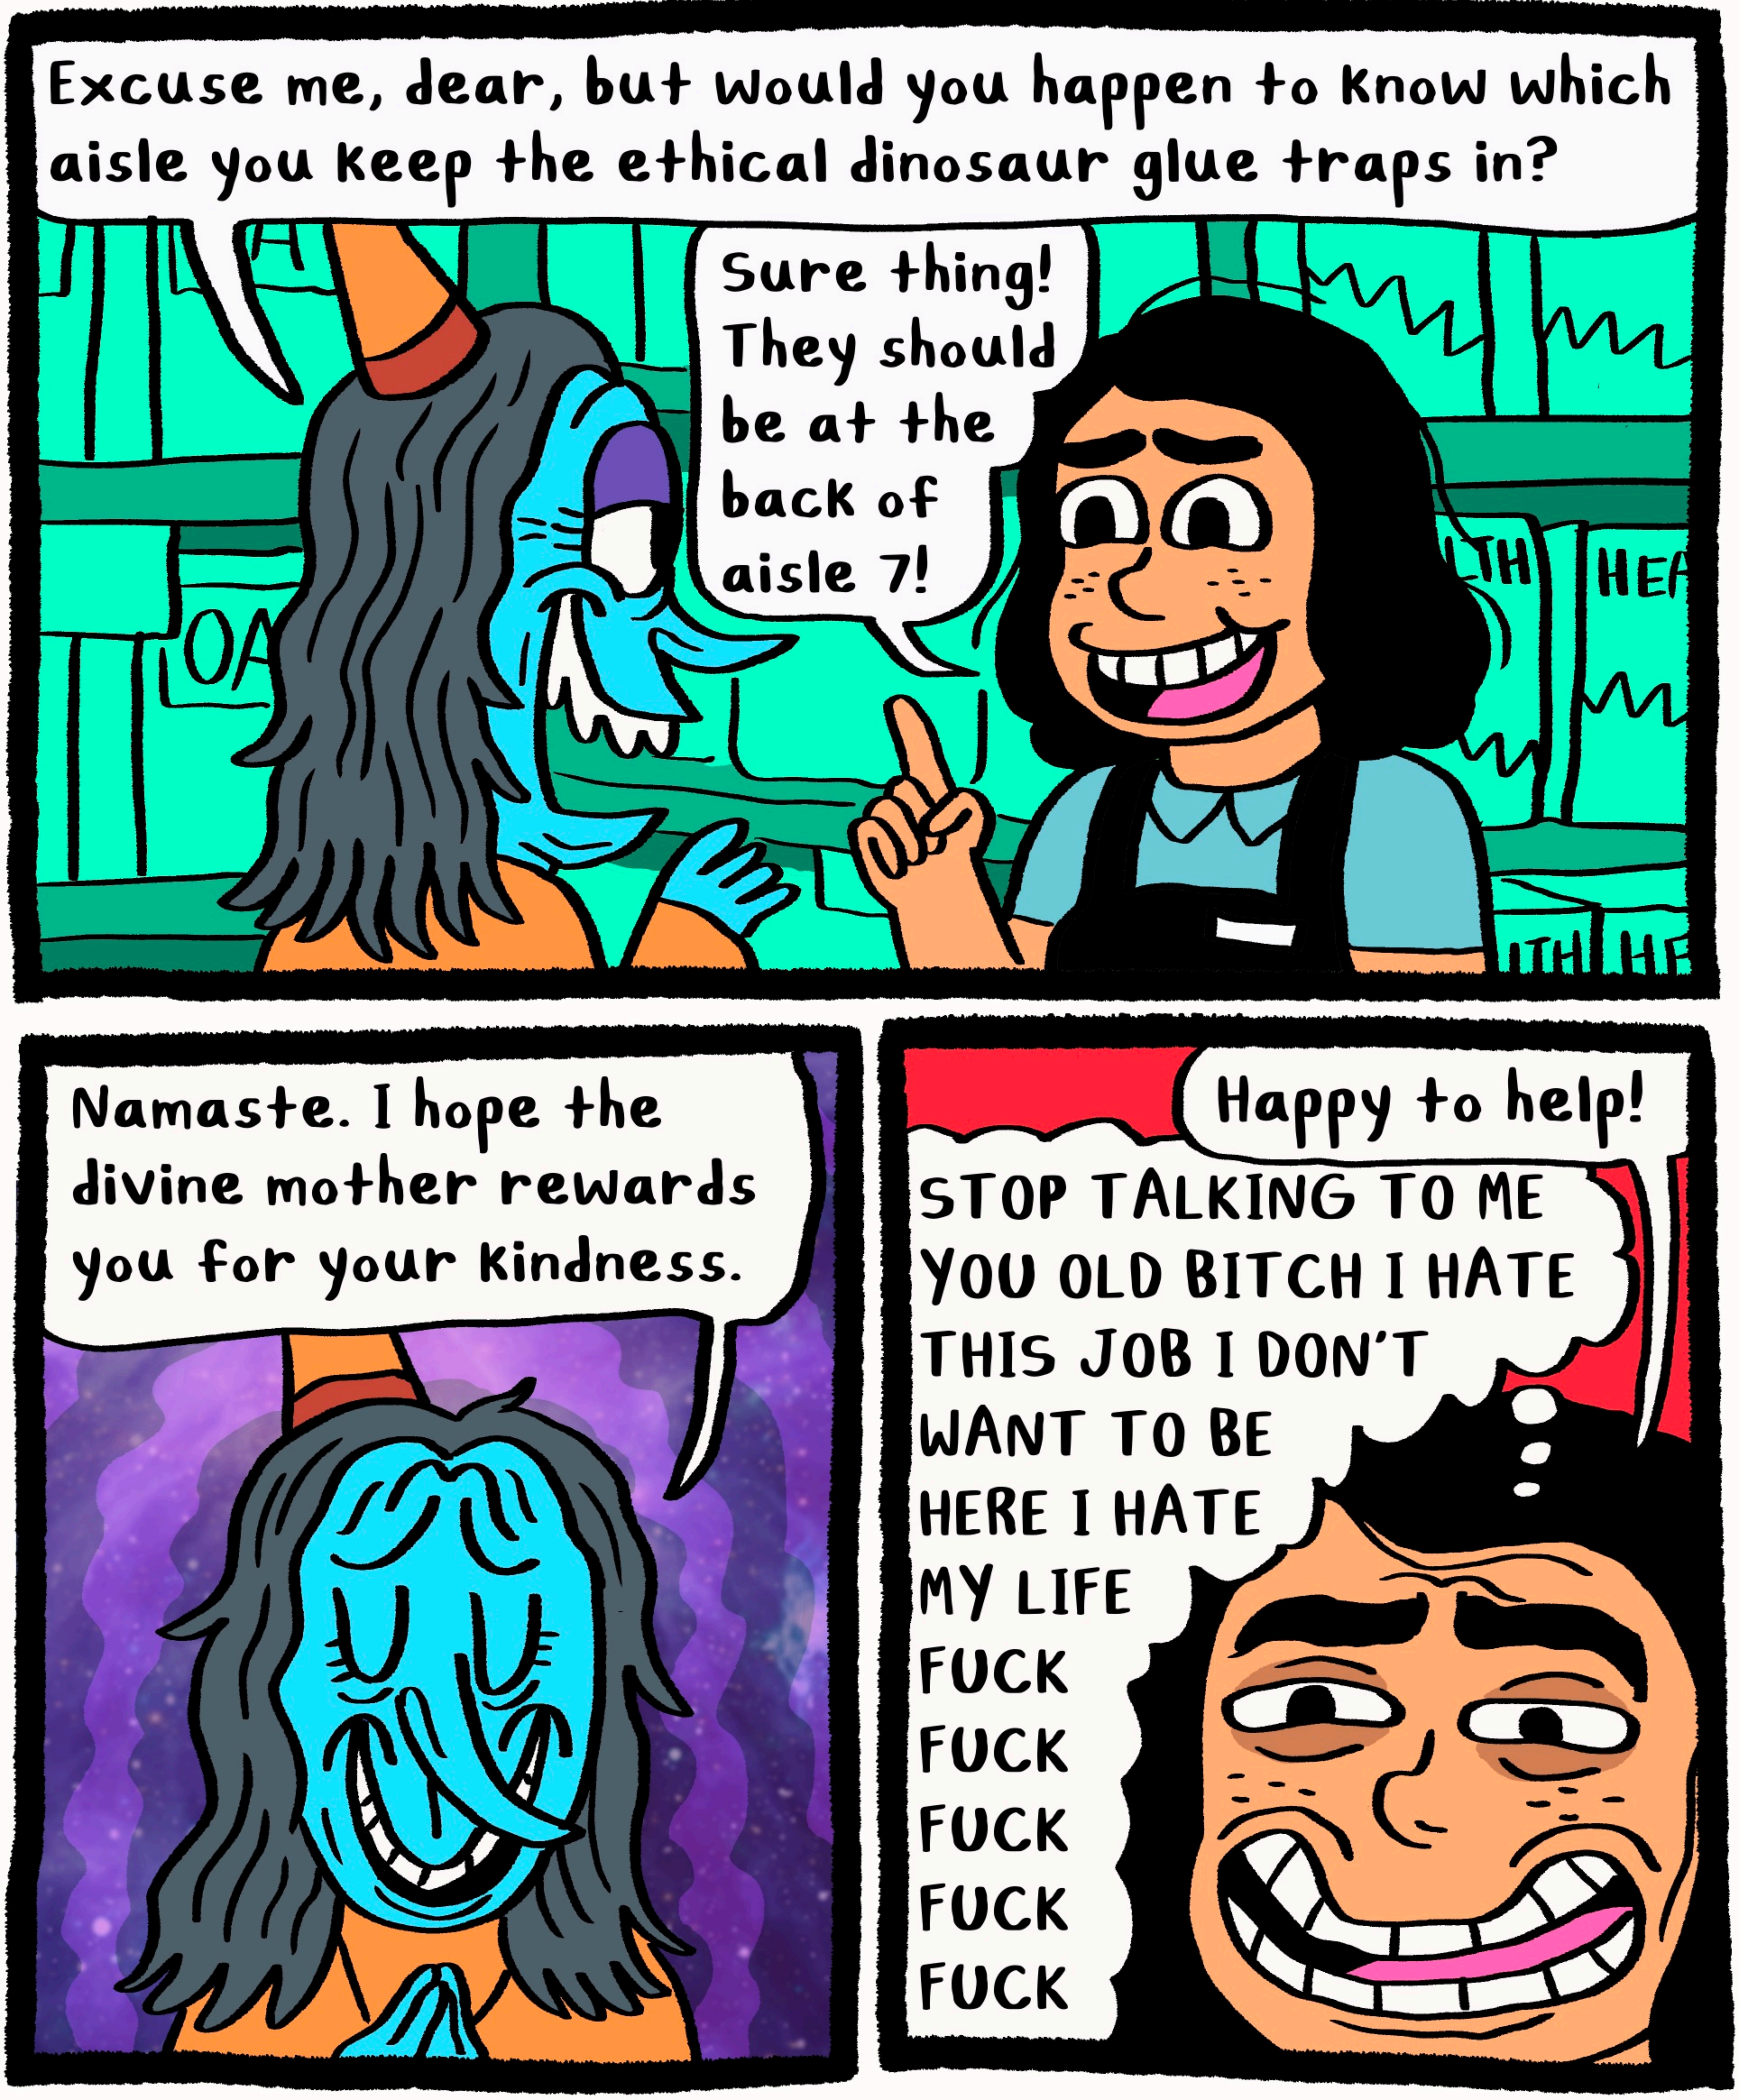
Written and illustrated by Raven Lyn Clemens.



Aw, shit, I dropped my limited edition Prison Pit DVD.
GYATT DAMN!!! HE'S SO FUCKING HOT!!!
Fuck! I think the disc got scratched!

JOHANNA'S DEAD END WHOLE FOODS CAREER

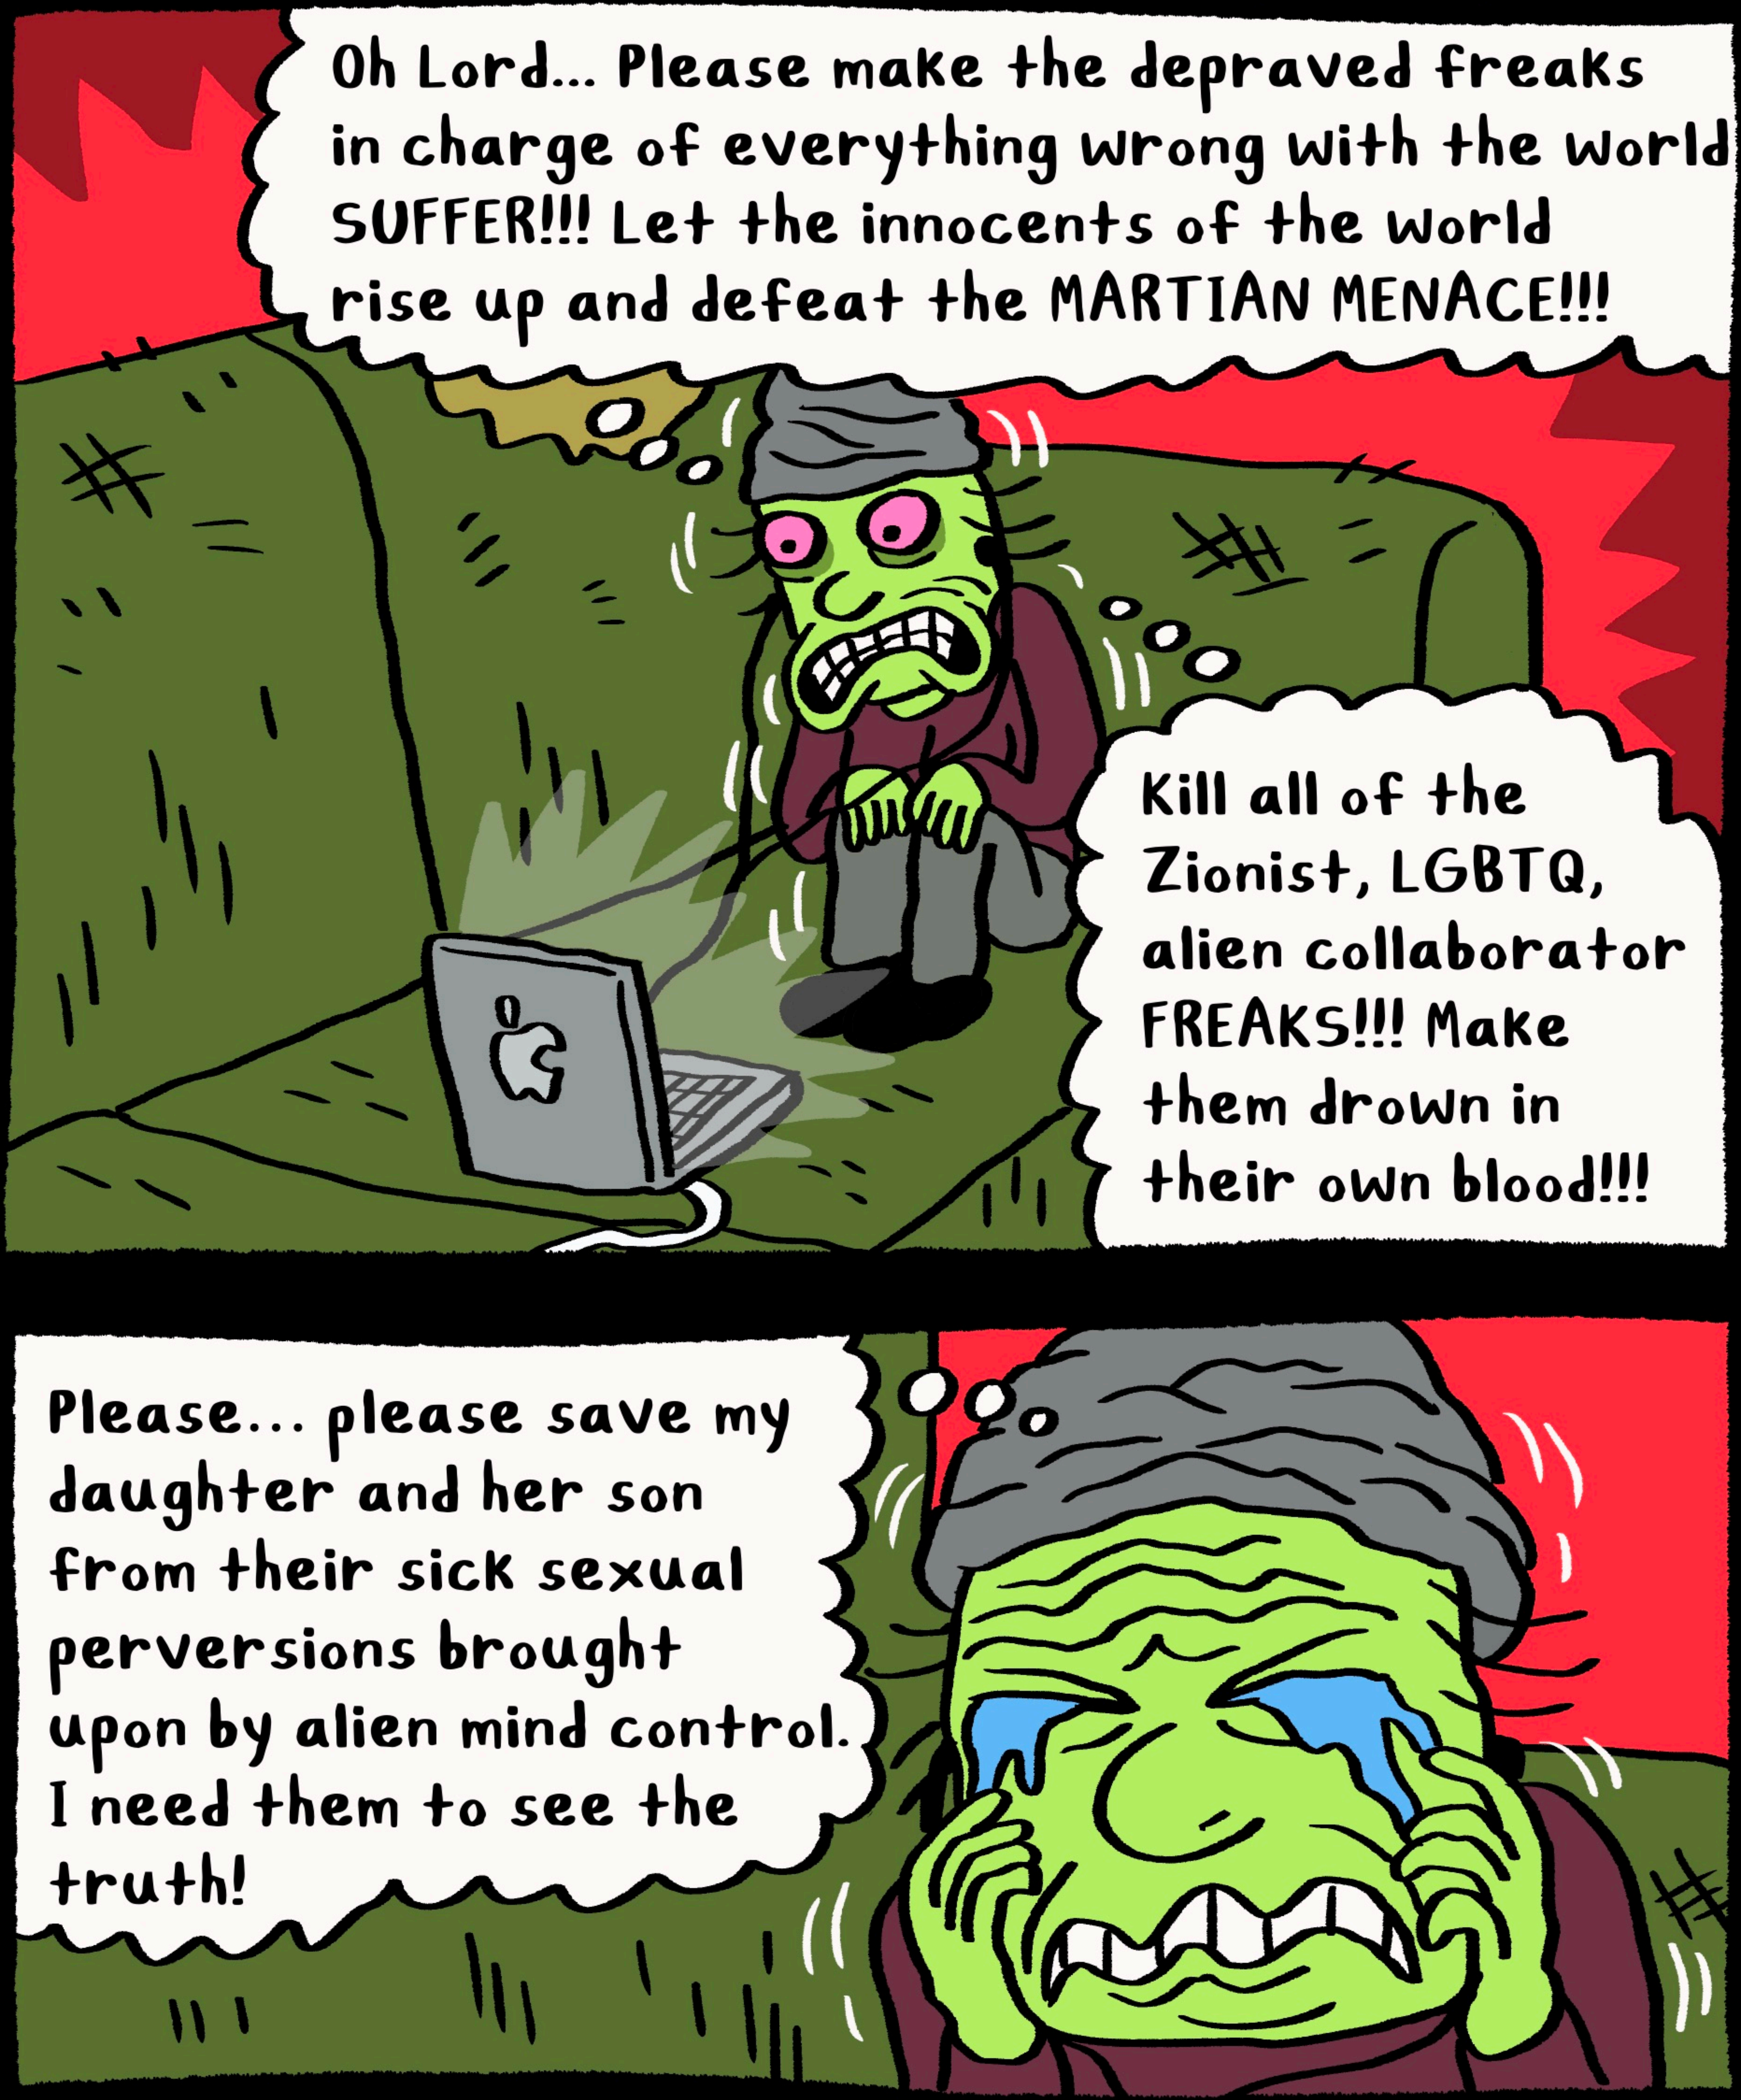
Written and illustrated by Raven Lyn Clemens



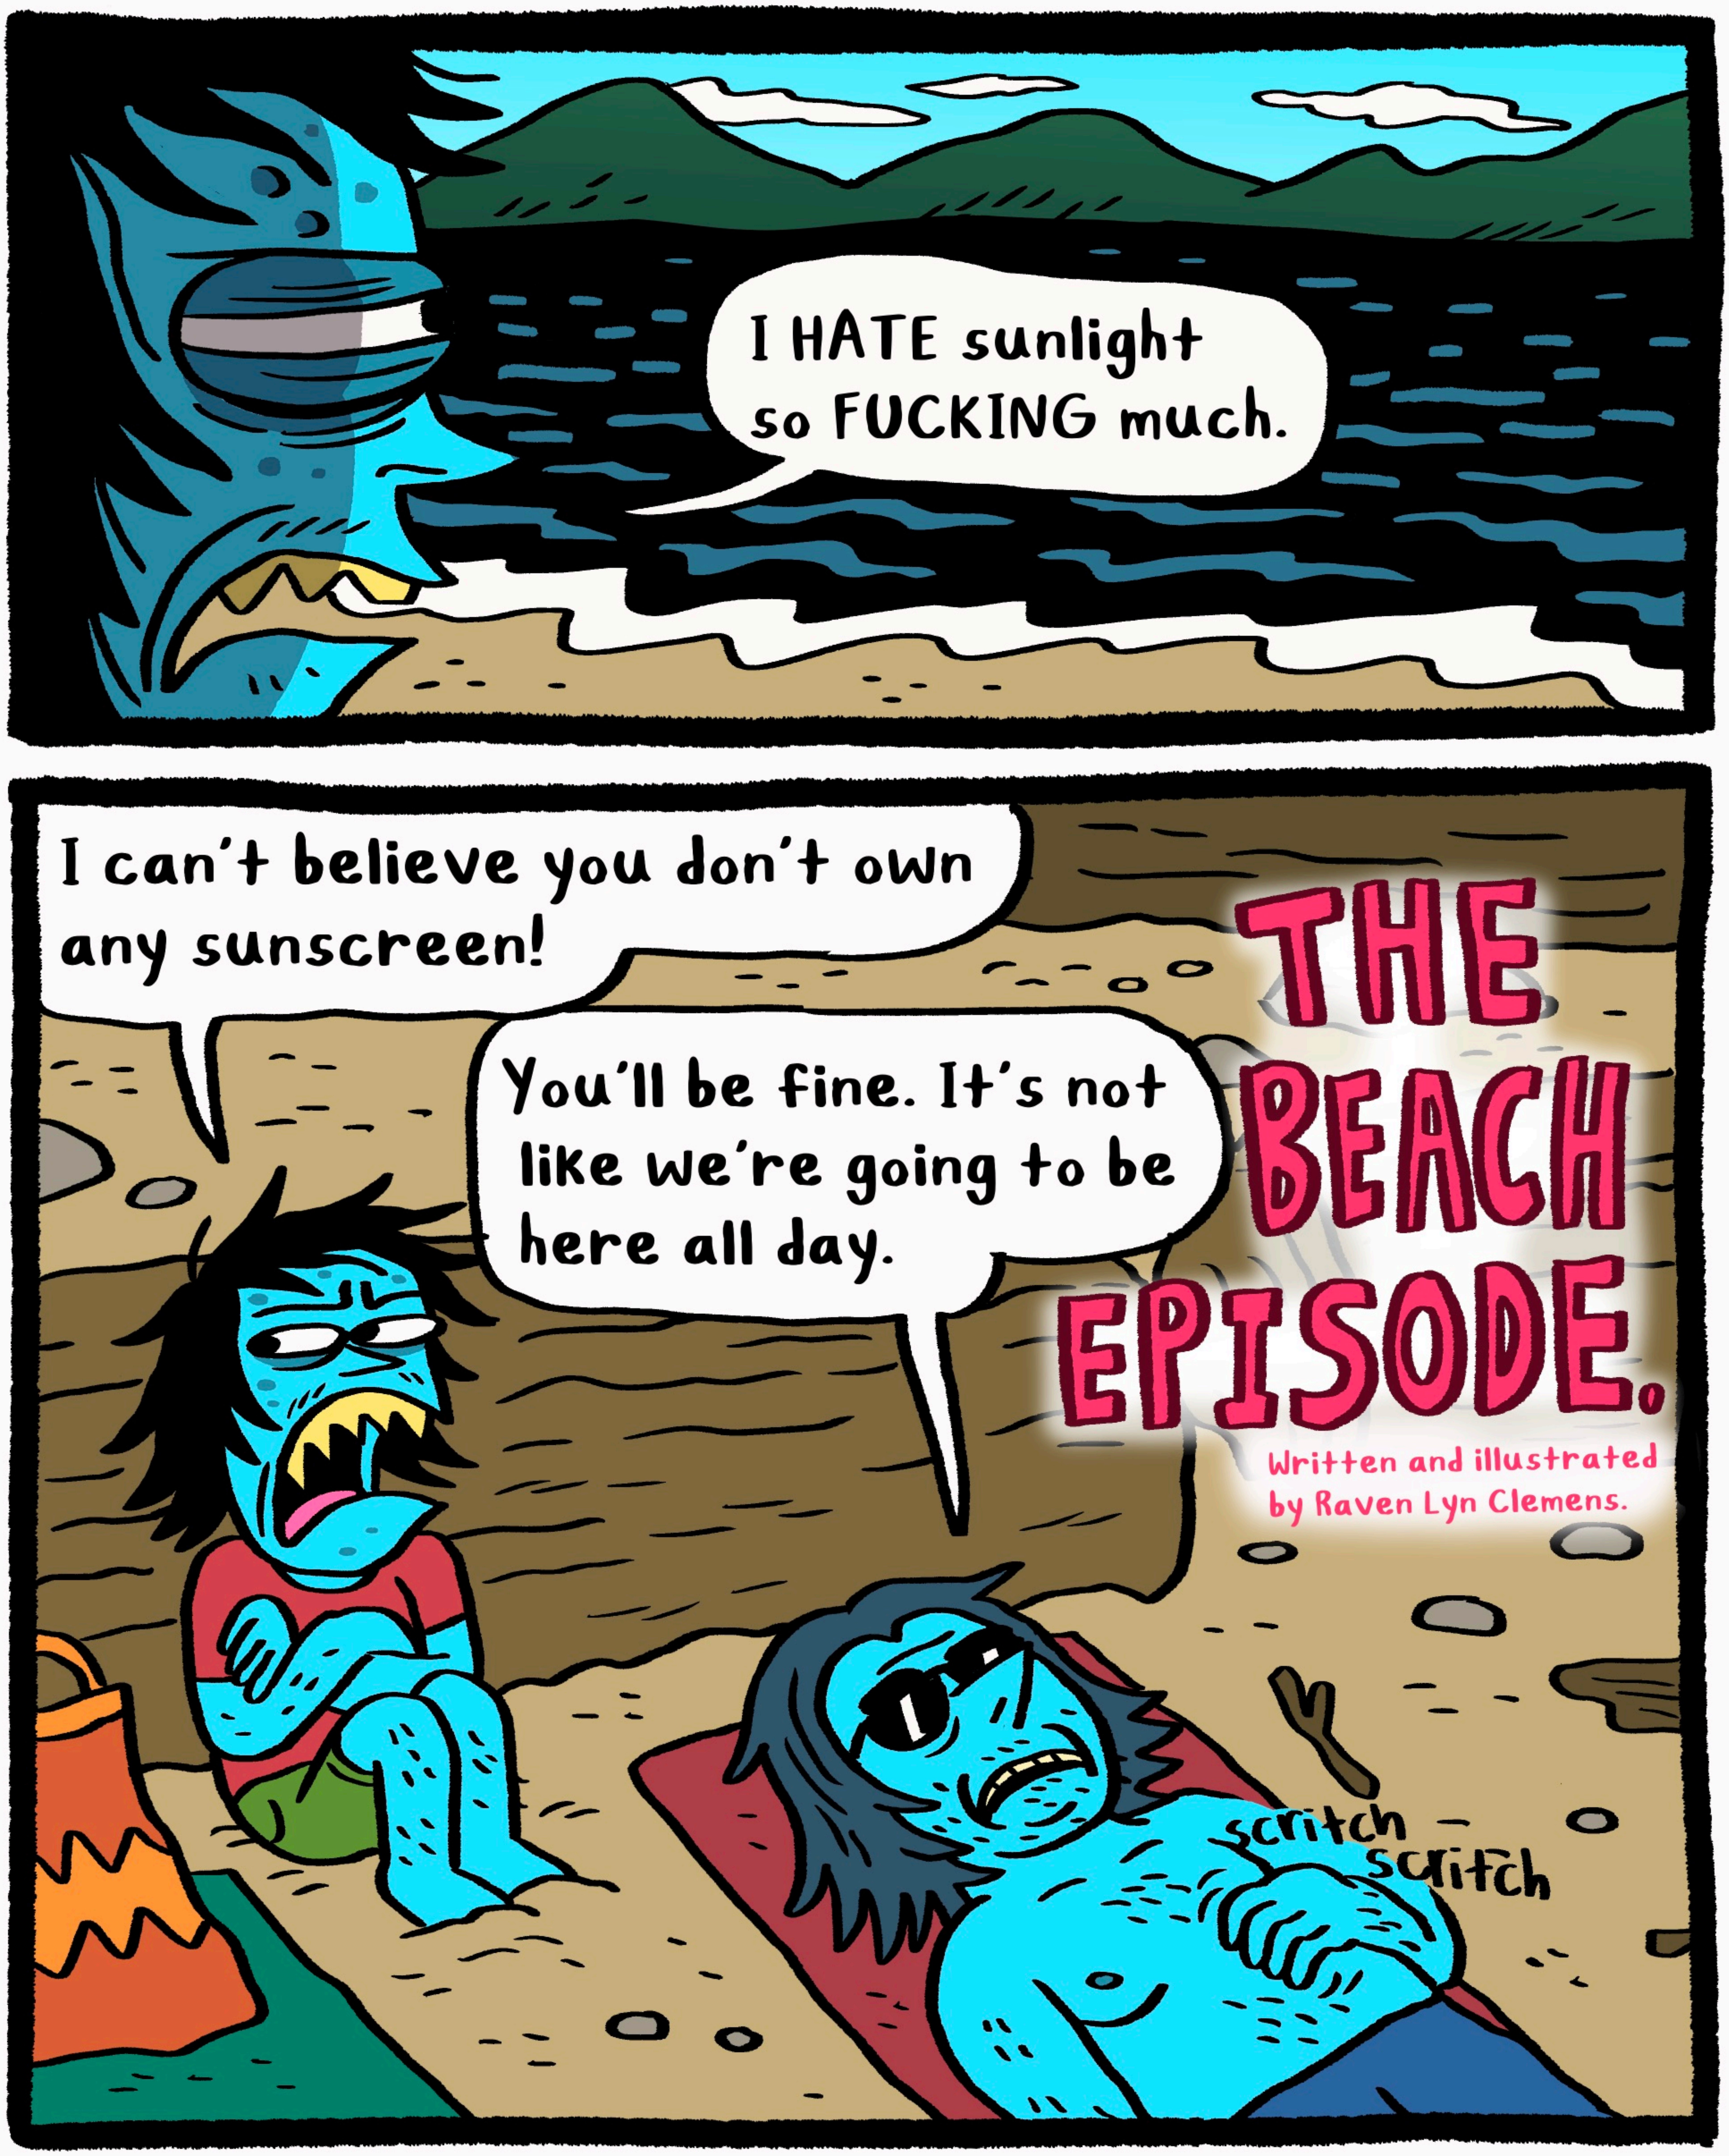
Excuse me, dear, but would you happen to know which aisle you keep the ethical dinosaur glue traps in?
Sure thing! They should be at the back of aisle 7!
Namaste. I hope the divine mother rewards you for your kindness.
Happy to help!
STOP TALKING TO ME YOU OLD BITCH I HATE THIS JOB I DON'T WANT TO BE HERE I HATE MY LIFE FUCK FUCK FUCK FUCK FUCK

ELEANOR'S PRAYER.

Written and illustrated by Raven Lyn Clemens



Oh Lord... Please make the depraved freaks in charge of everything wrong with the world SUFFER!!! Let the innocents of the world rise up and defeat the MARTIAN MENACE!!!
Kill all of the Zionist, LGBTQ, alien collaborator FREAKS!!! Make them drown in their own blood!!!
Please... please save my daughter and her son from their sick sexual perversions brought upon by alien mind control. I need them to see the truth!



I HATE sunlight so FUCKING much.
I can't believe you don't own any sunscreen!
You'll be fine. It's not like we're going to be here all day.

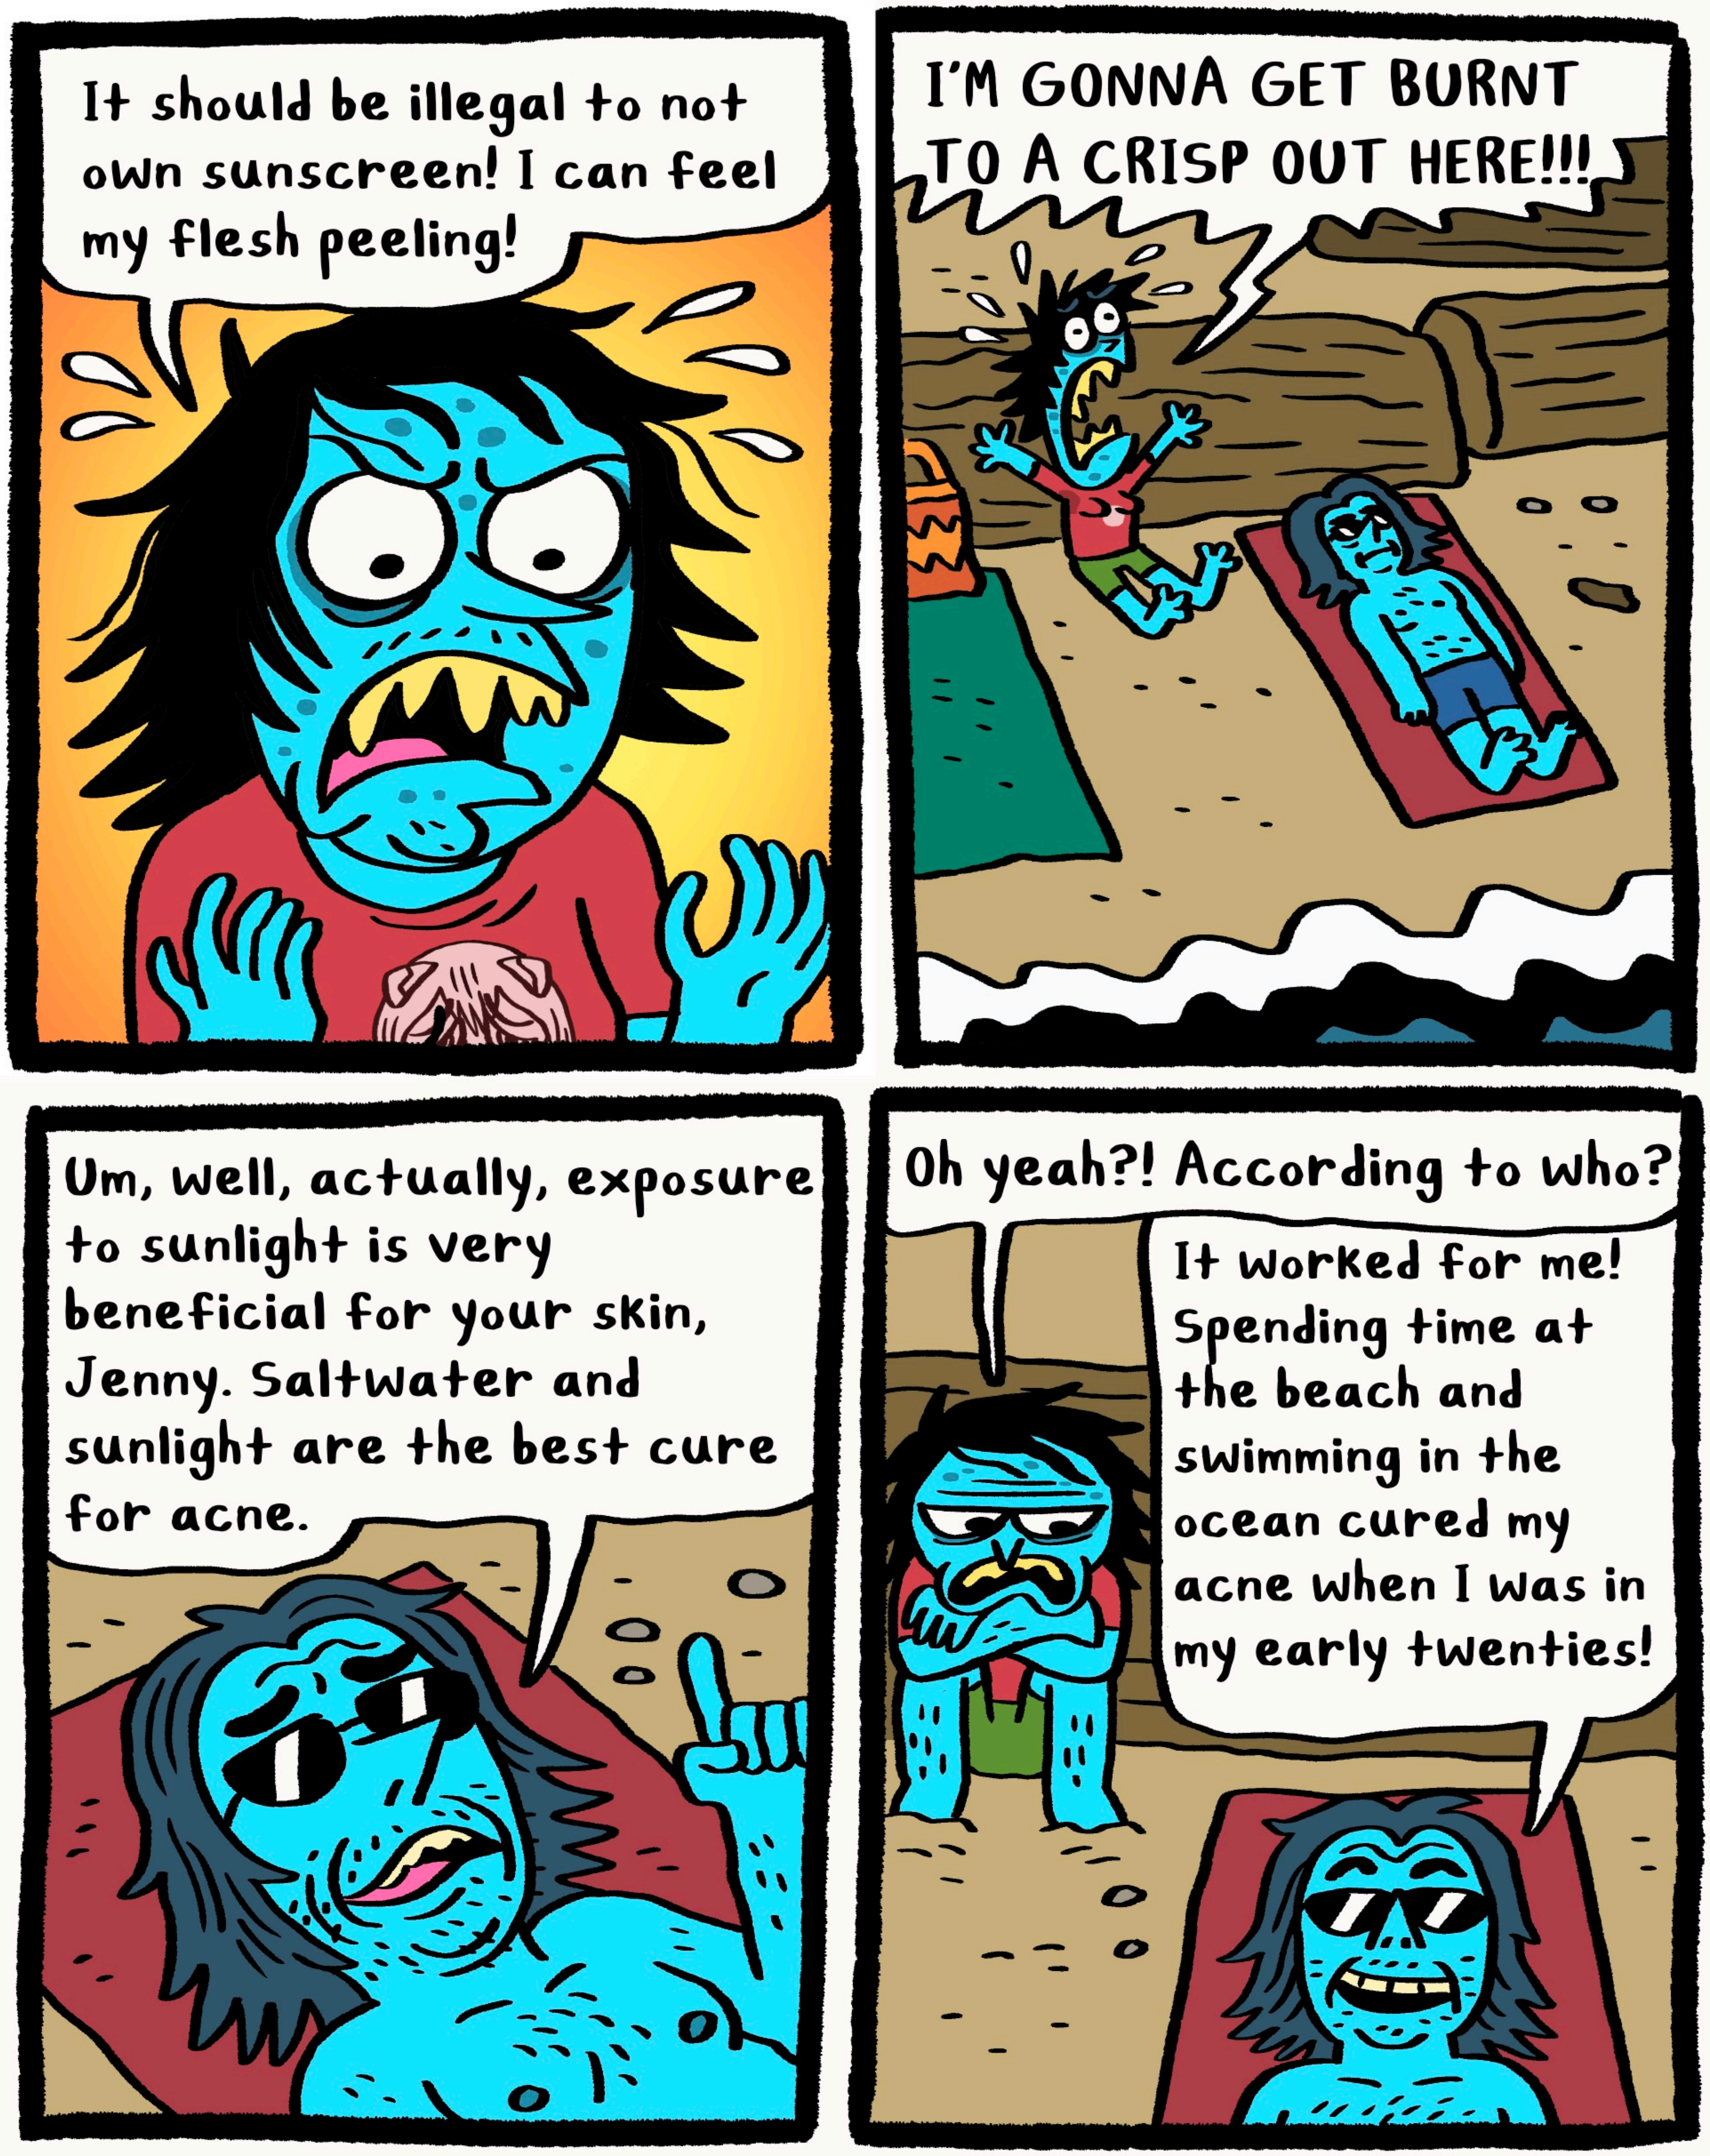
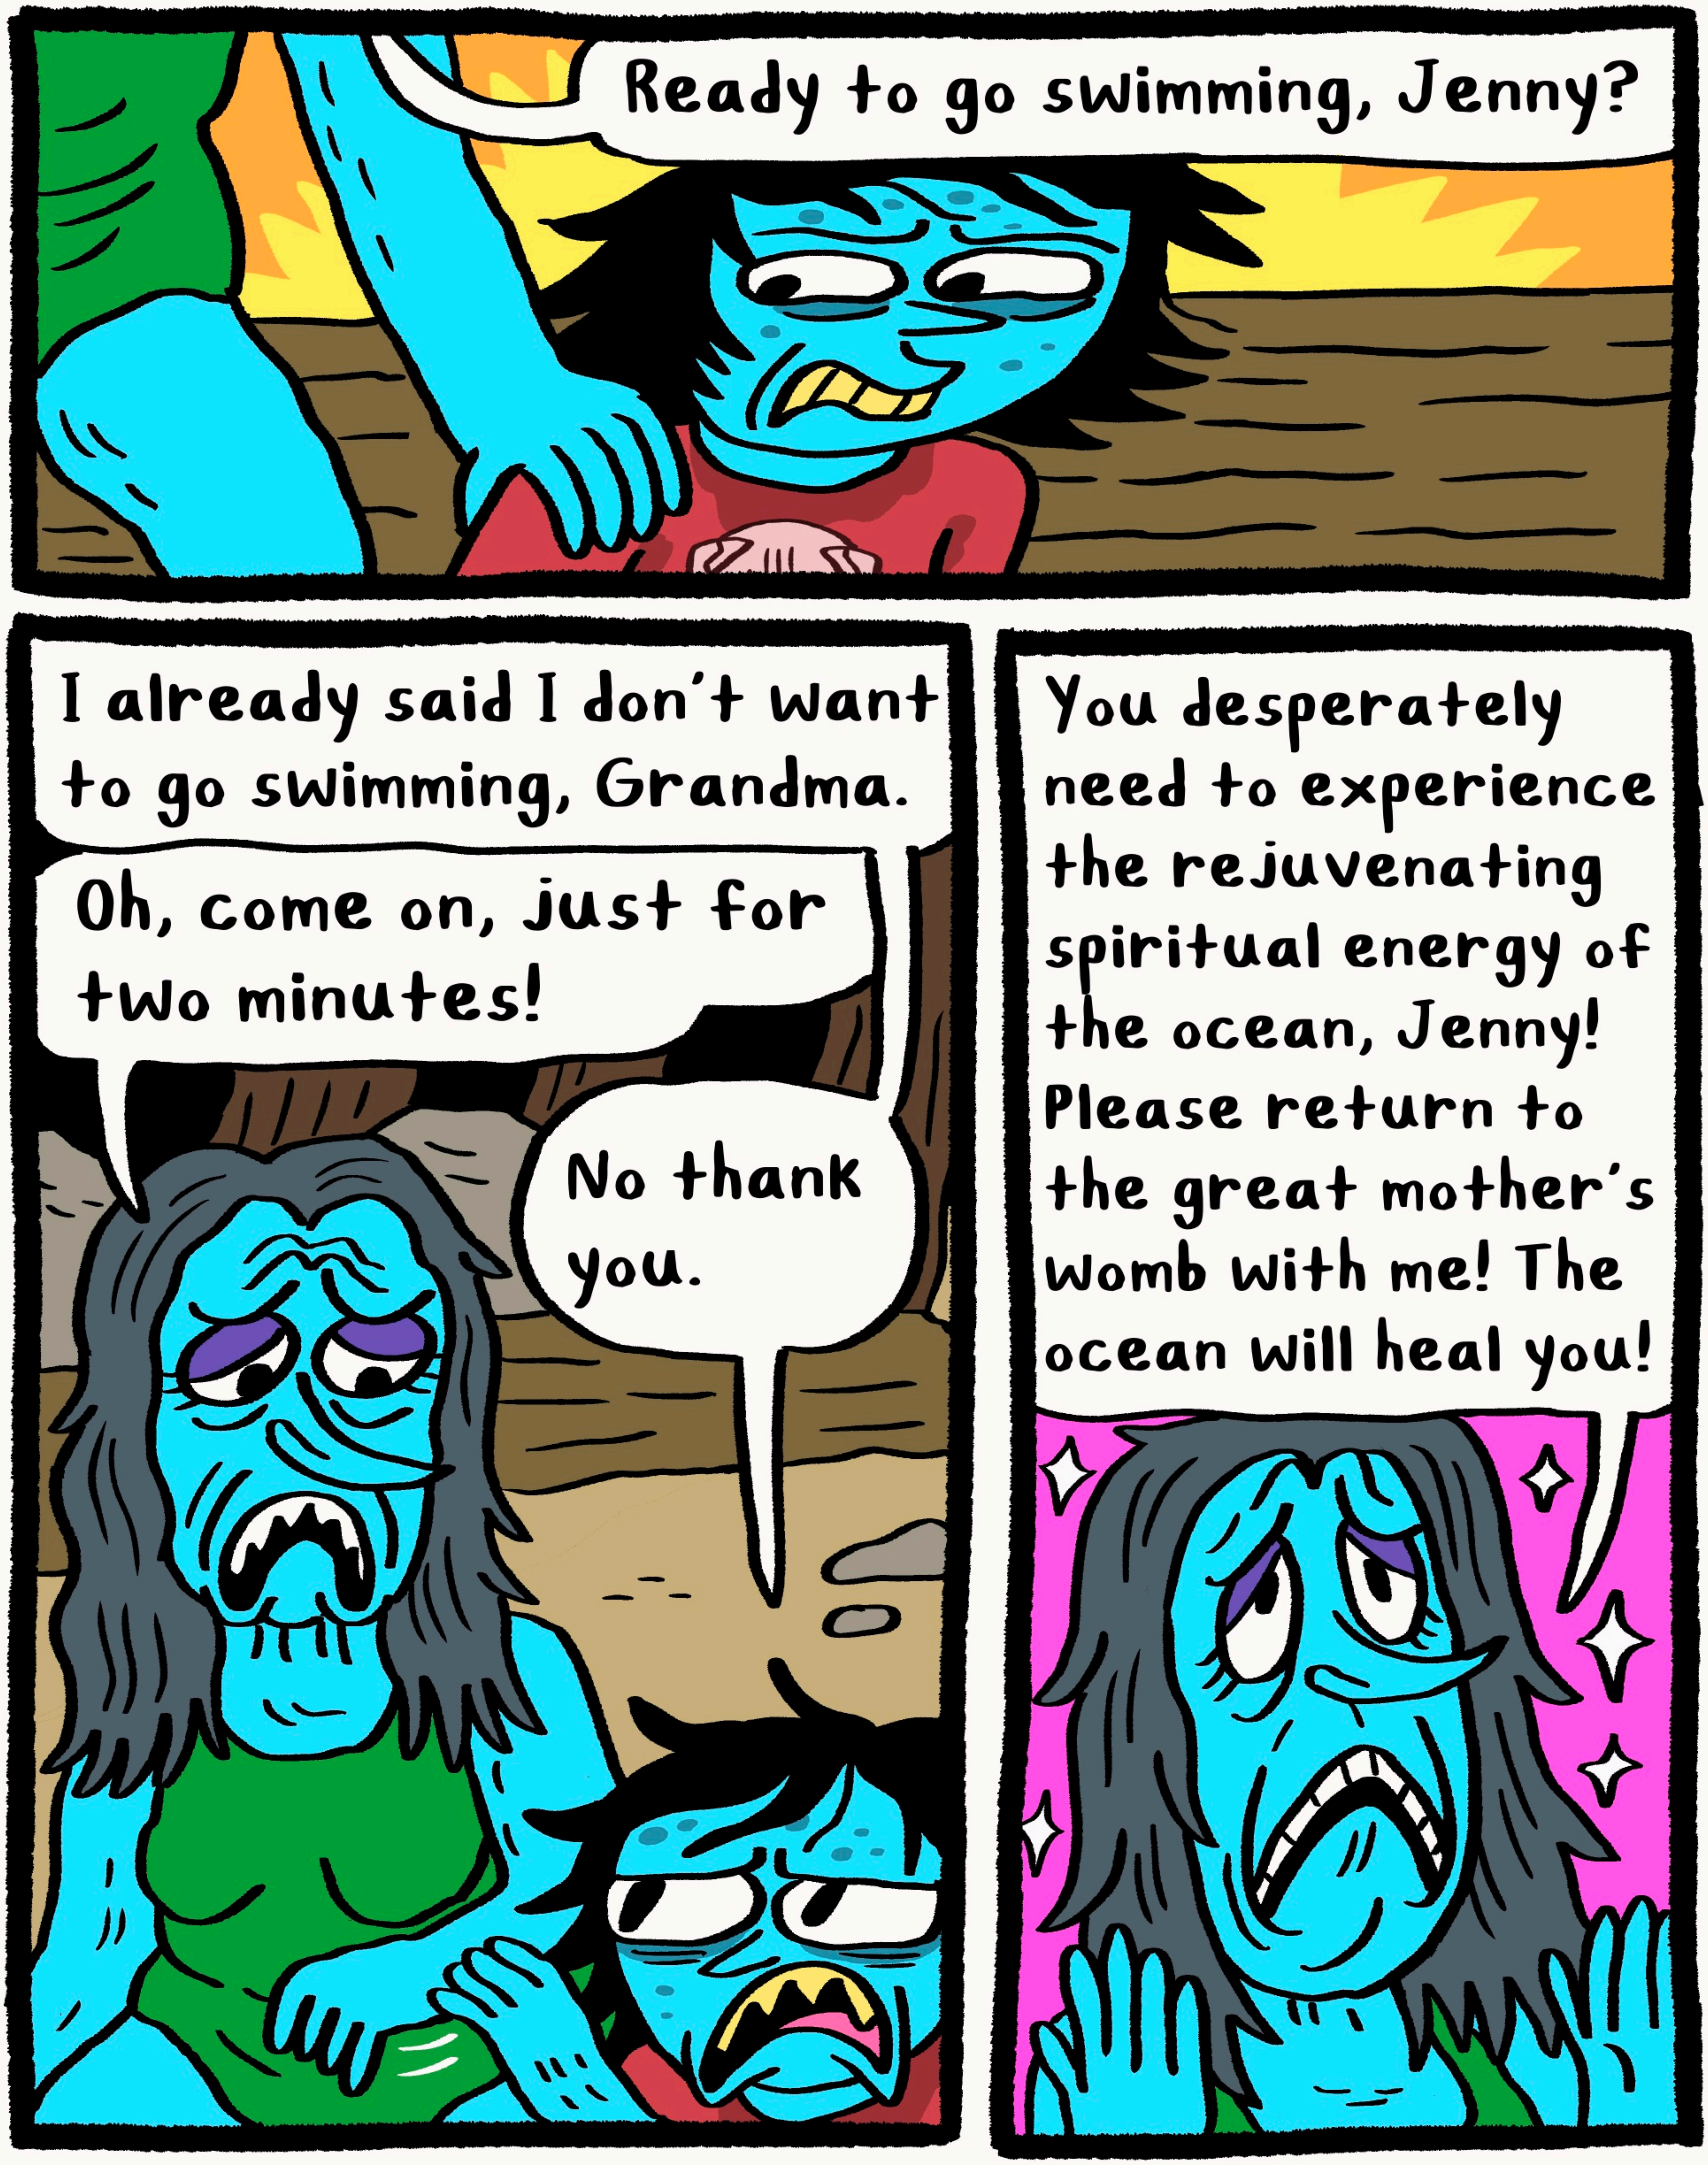
THE BEACH EPISODE.

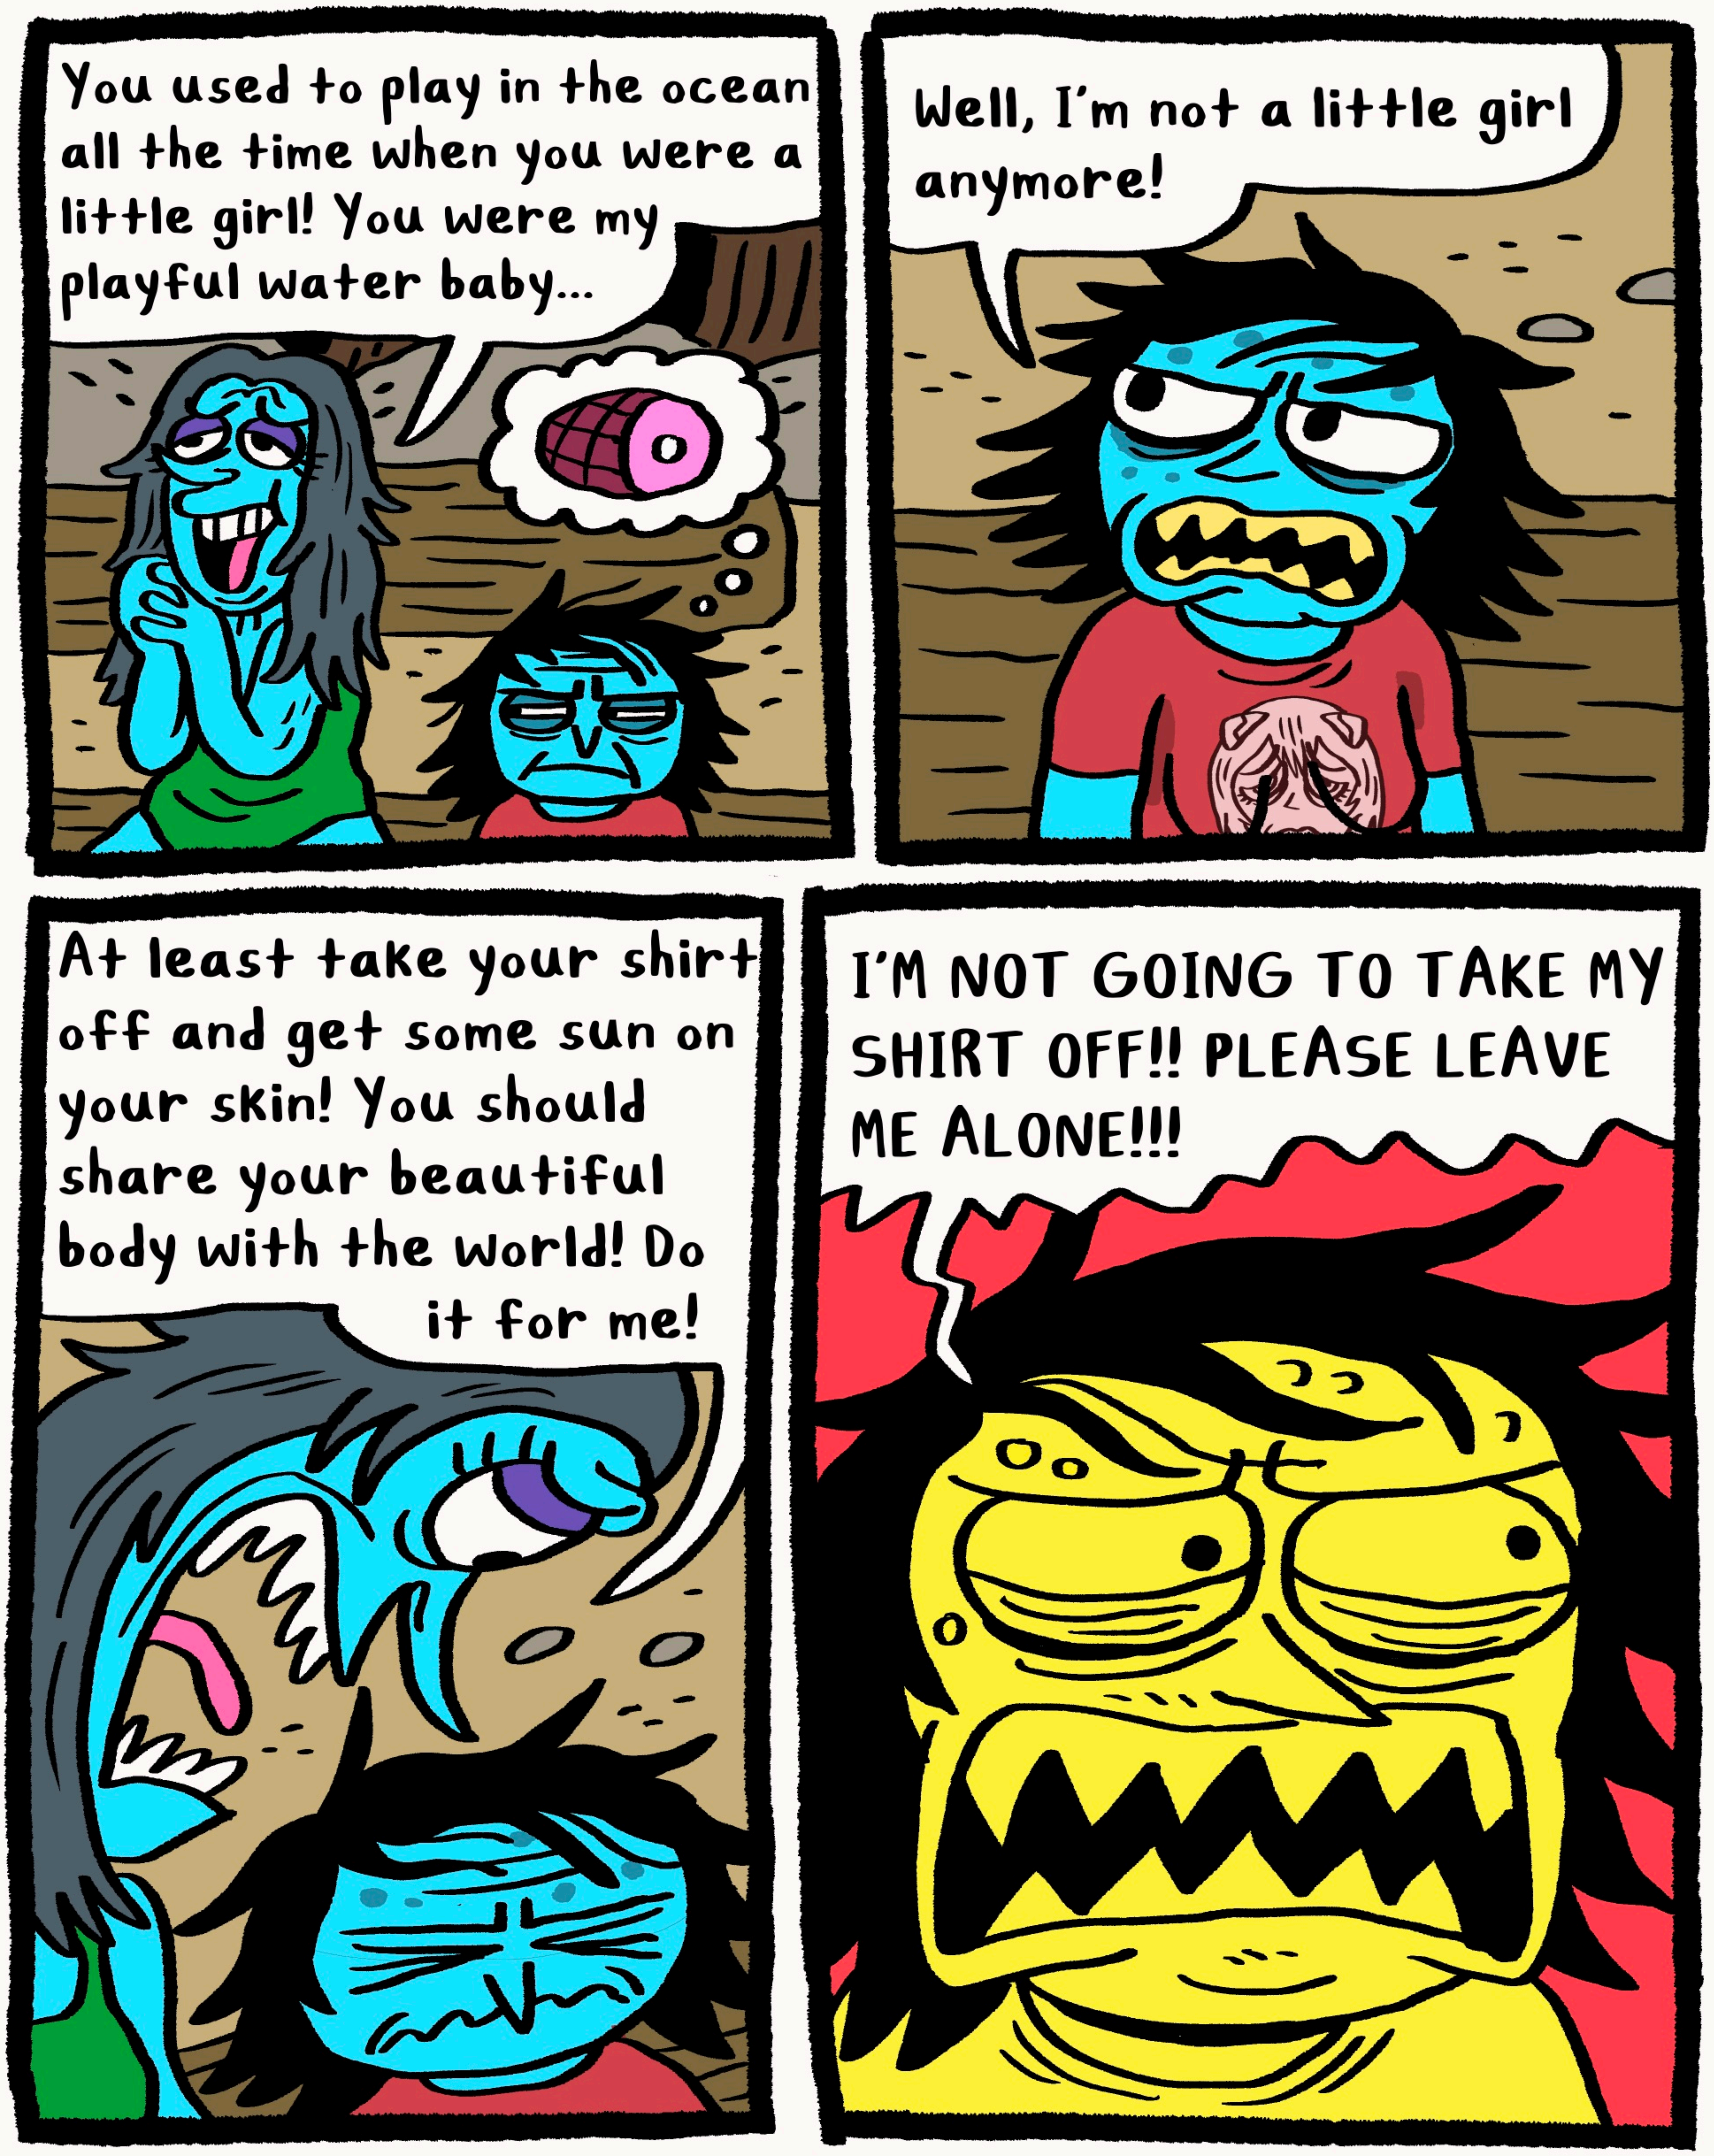
Written and illustrated by Raven Lyn Clemens.



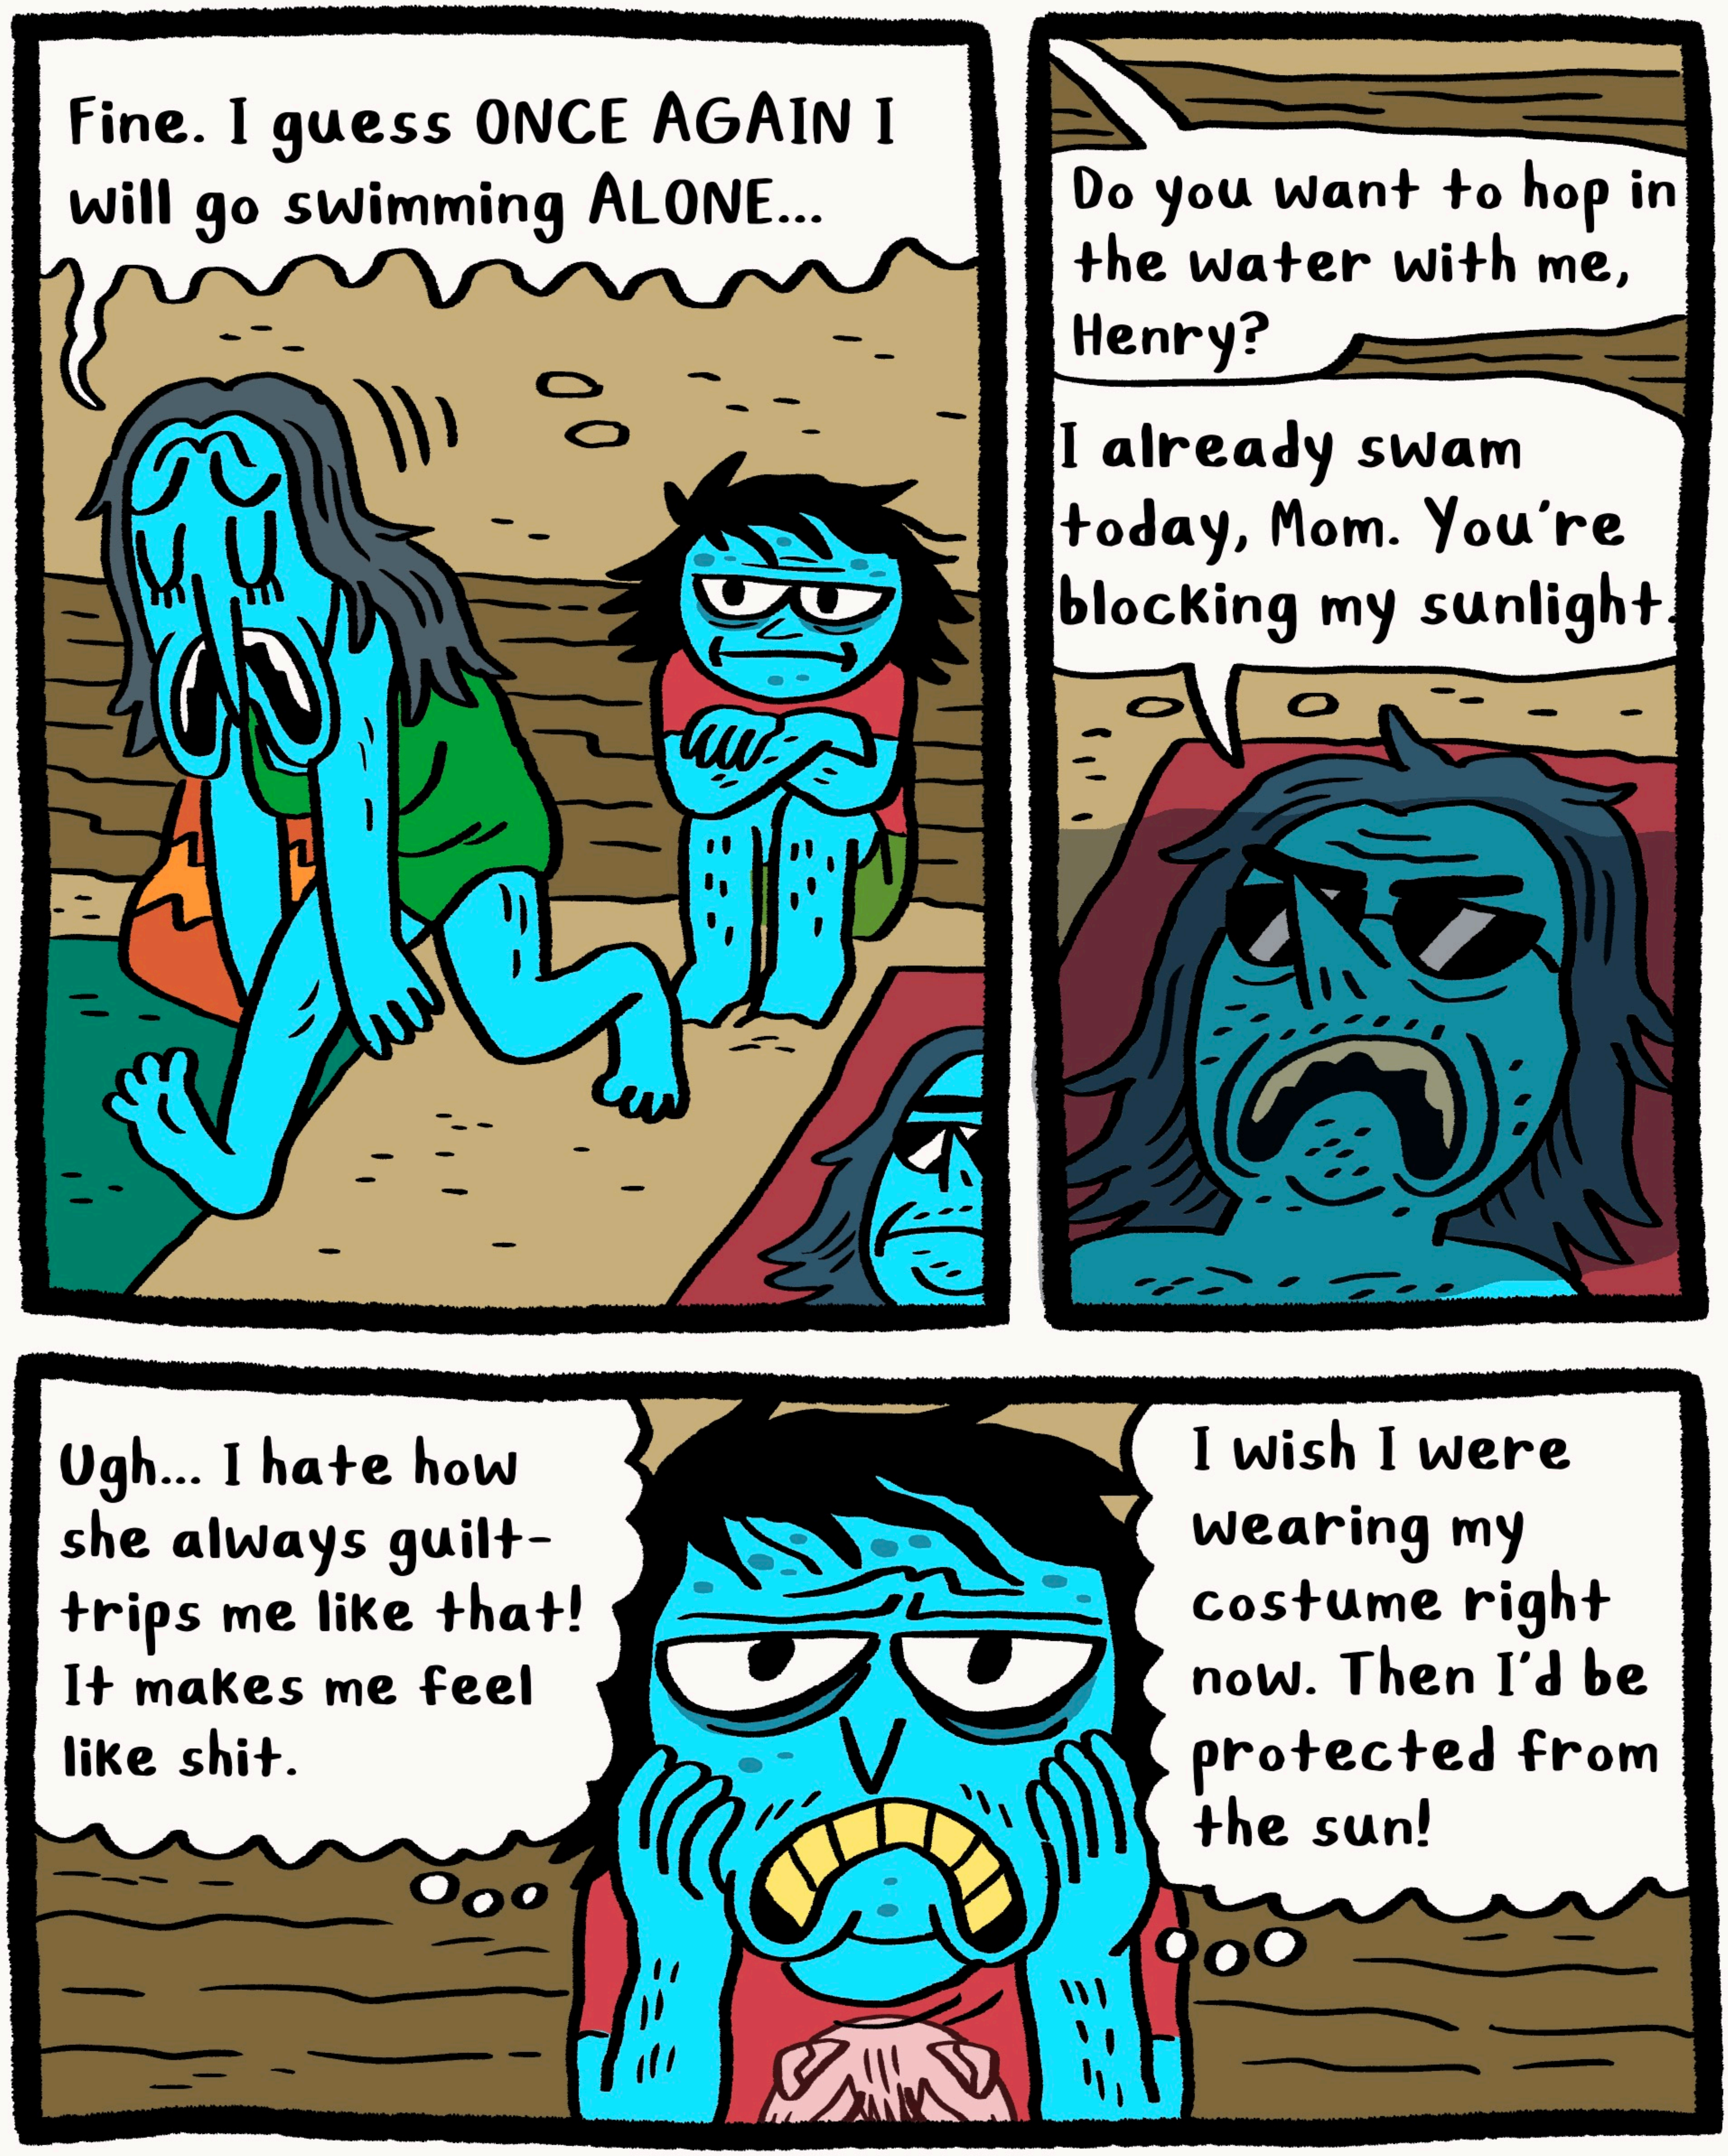
It should be illegal to not own sunscreen! I can feel my flesh peeling!
I'M GONNA GET BURNT TO A CRISP OUT HERE!!!
Um, well, actually, exposure to sunlight is very beneficial for your skin, Jenny. Saltwater and sunlight are the best cure for acne.
Oh yeah?! According to who?
It worked for me! Spending time at the beach and swimming in the ocean cured my acne when I was in my early twenties!



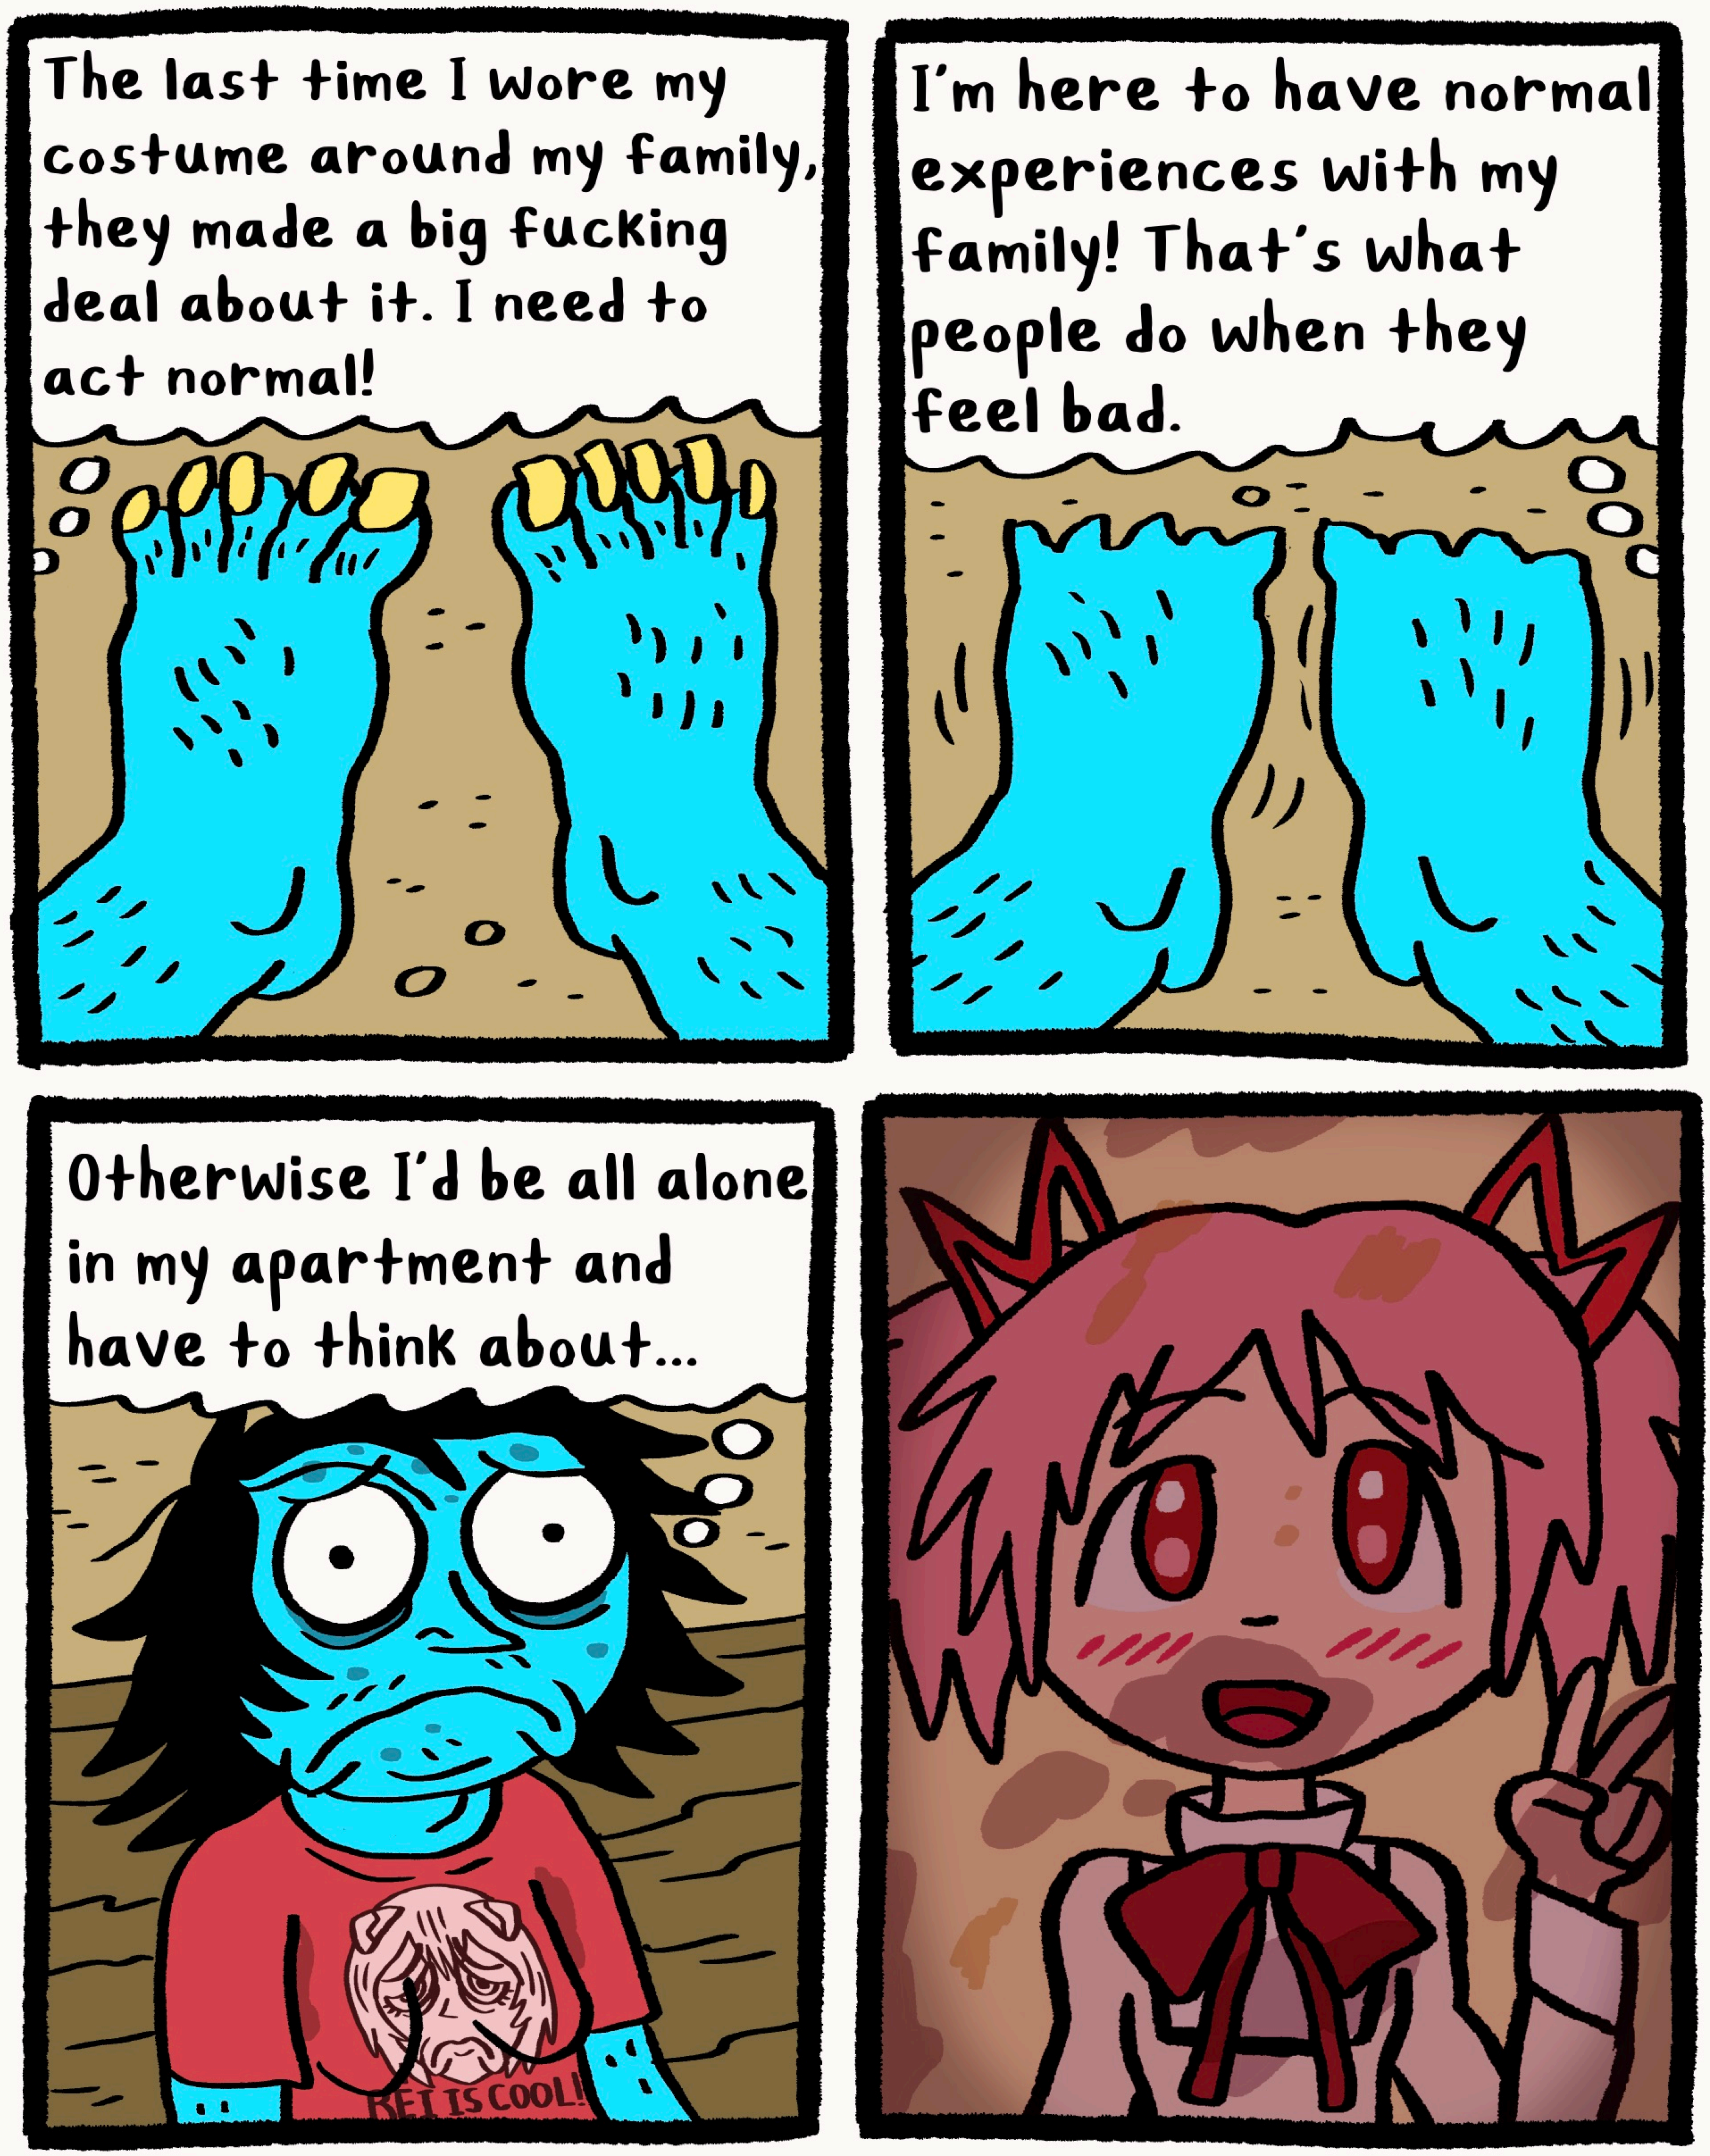
Ready to go swimming, Jenny?
I already said I don't want to go swimming, Grandma.
Oh, come on, just for two minutes!
No thank you.
You desperately need to experience the rejuvenating spiritual energy of the ocean, Jenny! Please return to the great mother's womb with me! The ocean will heal you!



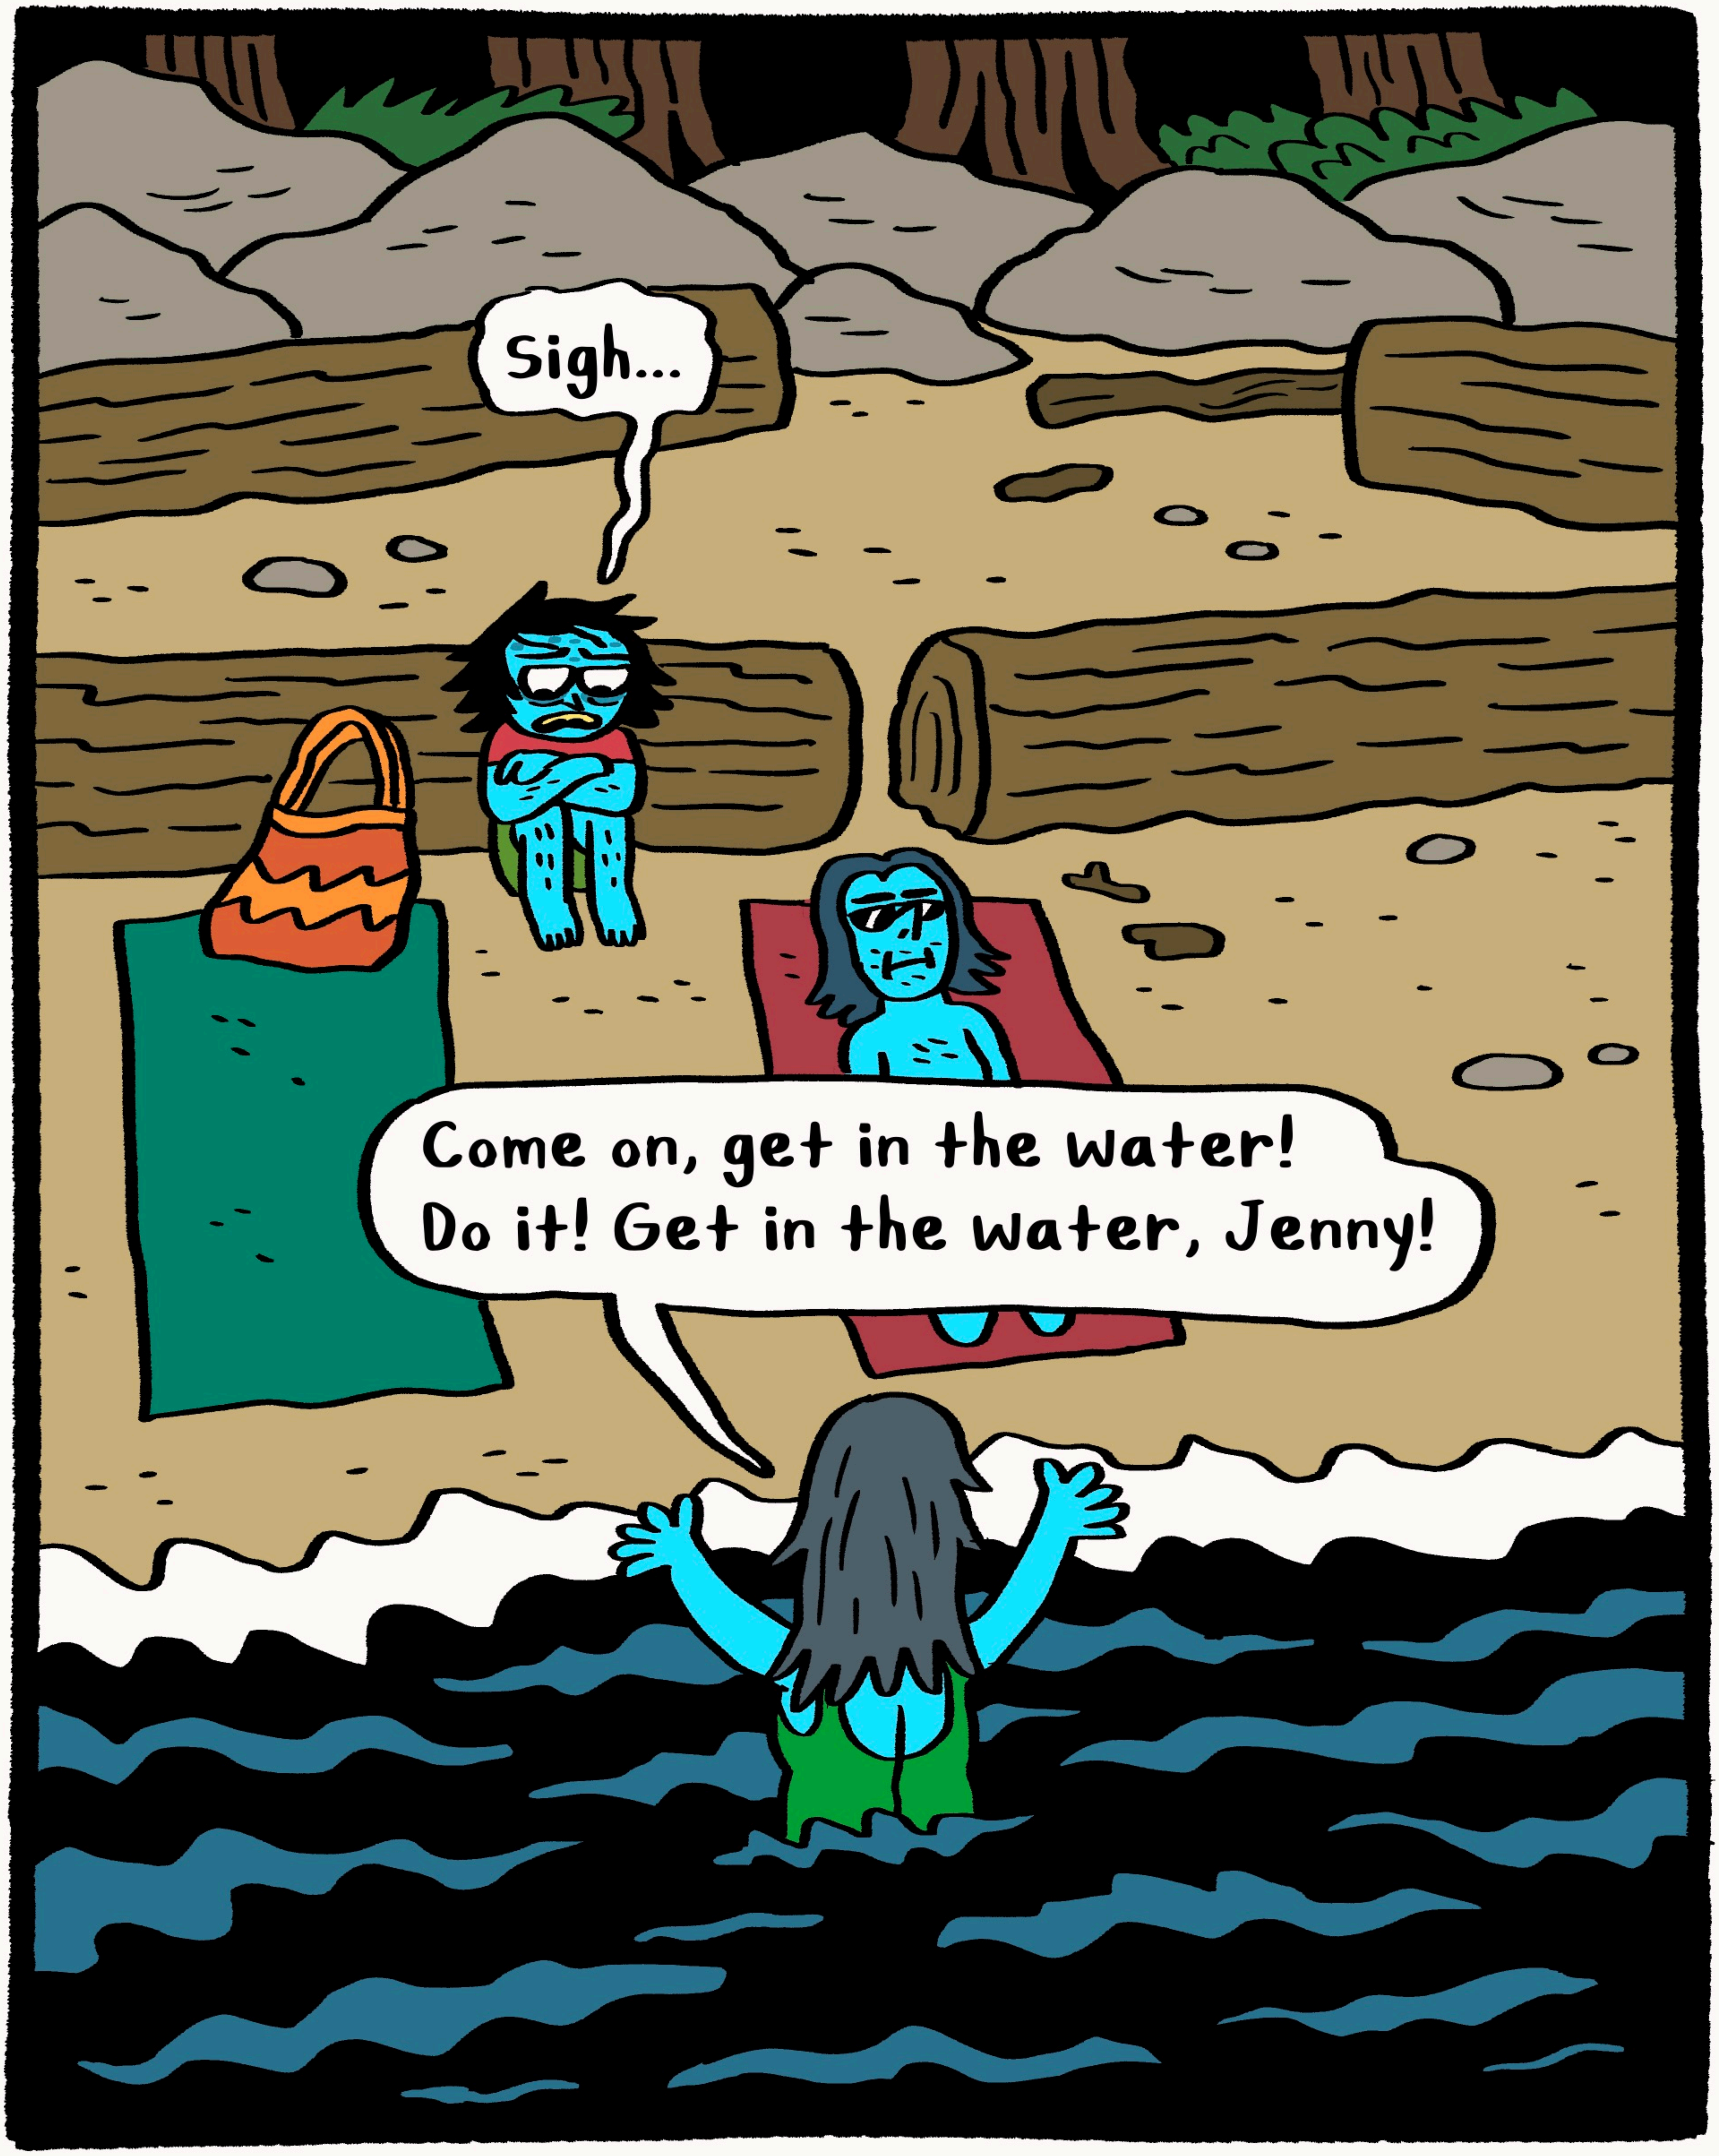
You used to play in the ocean all the time when you were a little girl! You were my playful water baby...
Well, I'm not a little girl anymore!
At least take your shirt off and get some sun on your skin! You should share your beautiful body with the world! Do it for me!
I'M NOT GOING TO TAKE MY SHIRT OFF!! PLEASE LEAVE ME ALONE!!!



Fine. I guess ONCE AGAIN I will go swimming ALONE...
Do you want to hop in the water with me, Henry?
I already swam today, Mom. You're blocking my sunlight.
Ugh... I hate how she always guilt-trips me like that! It makes me feel like shit.
I wish I were wearing my costume right now. Then I'd be protected from the sun!



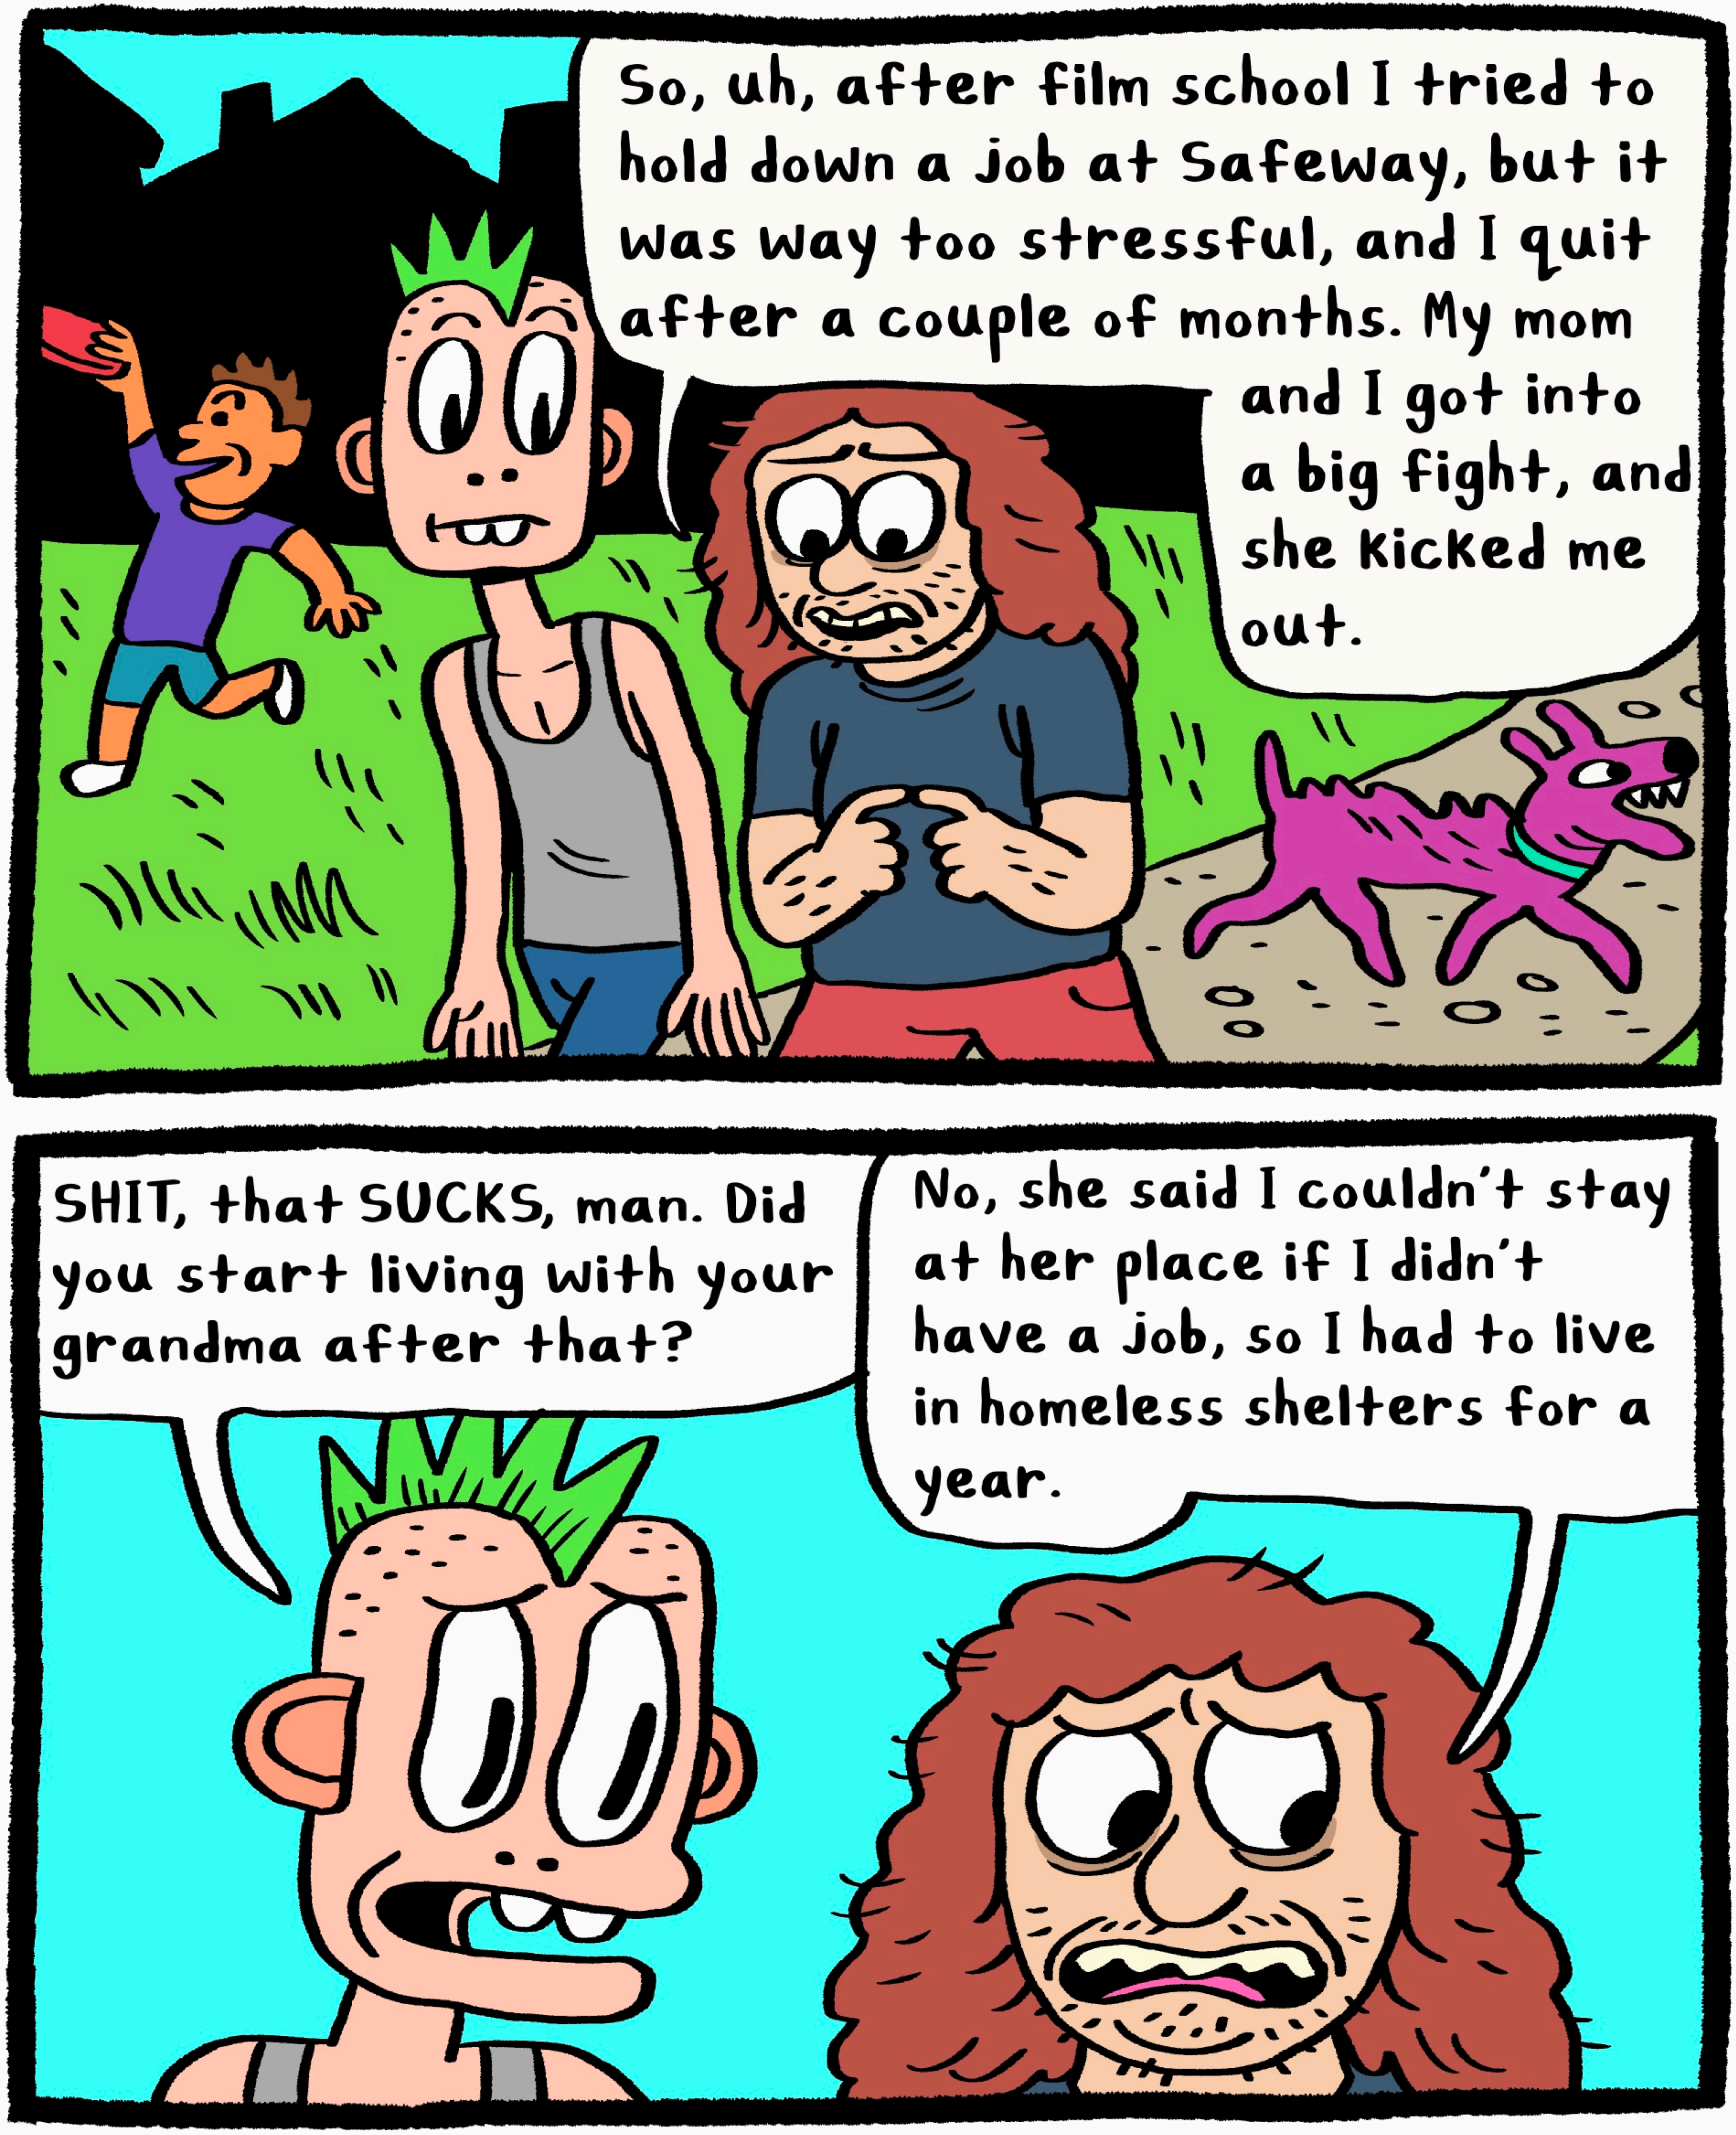
The last time I wore my costume around my family, they made a big fucking deal about it. I need to act normal!
I'm here to have normal experiences with my family! That's what people do when they feel bad.
Otherwise I'd be all alone in my apartment and have to think about...
BEI IS COOL!



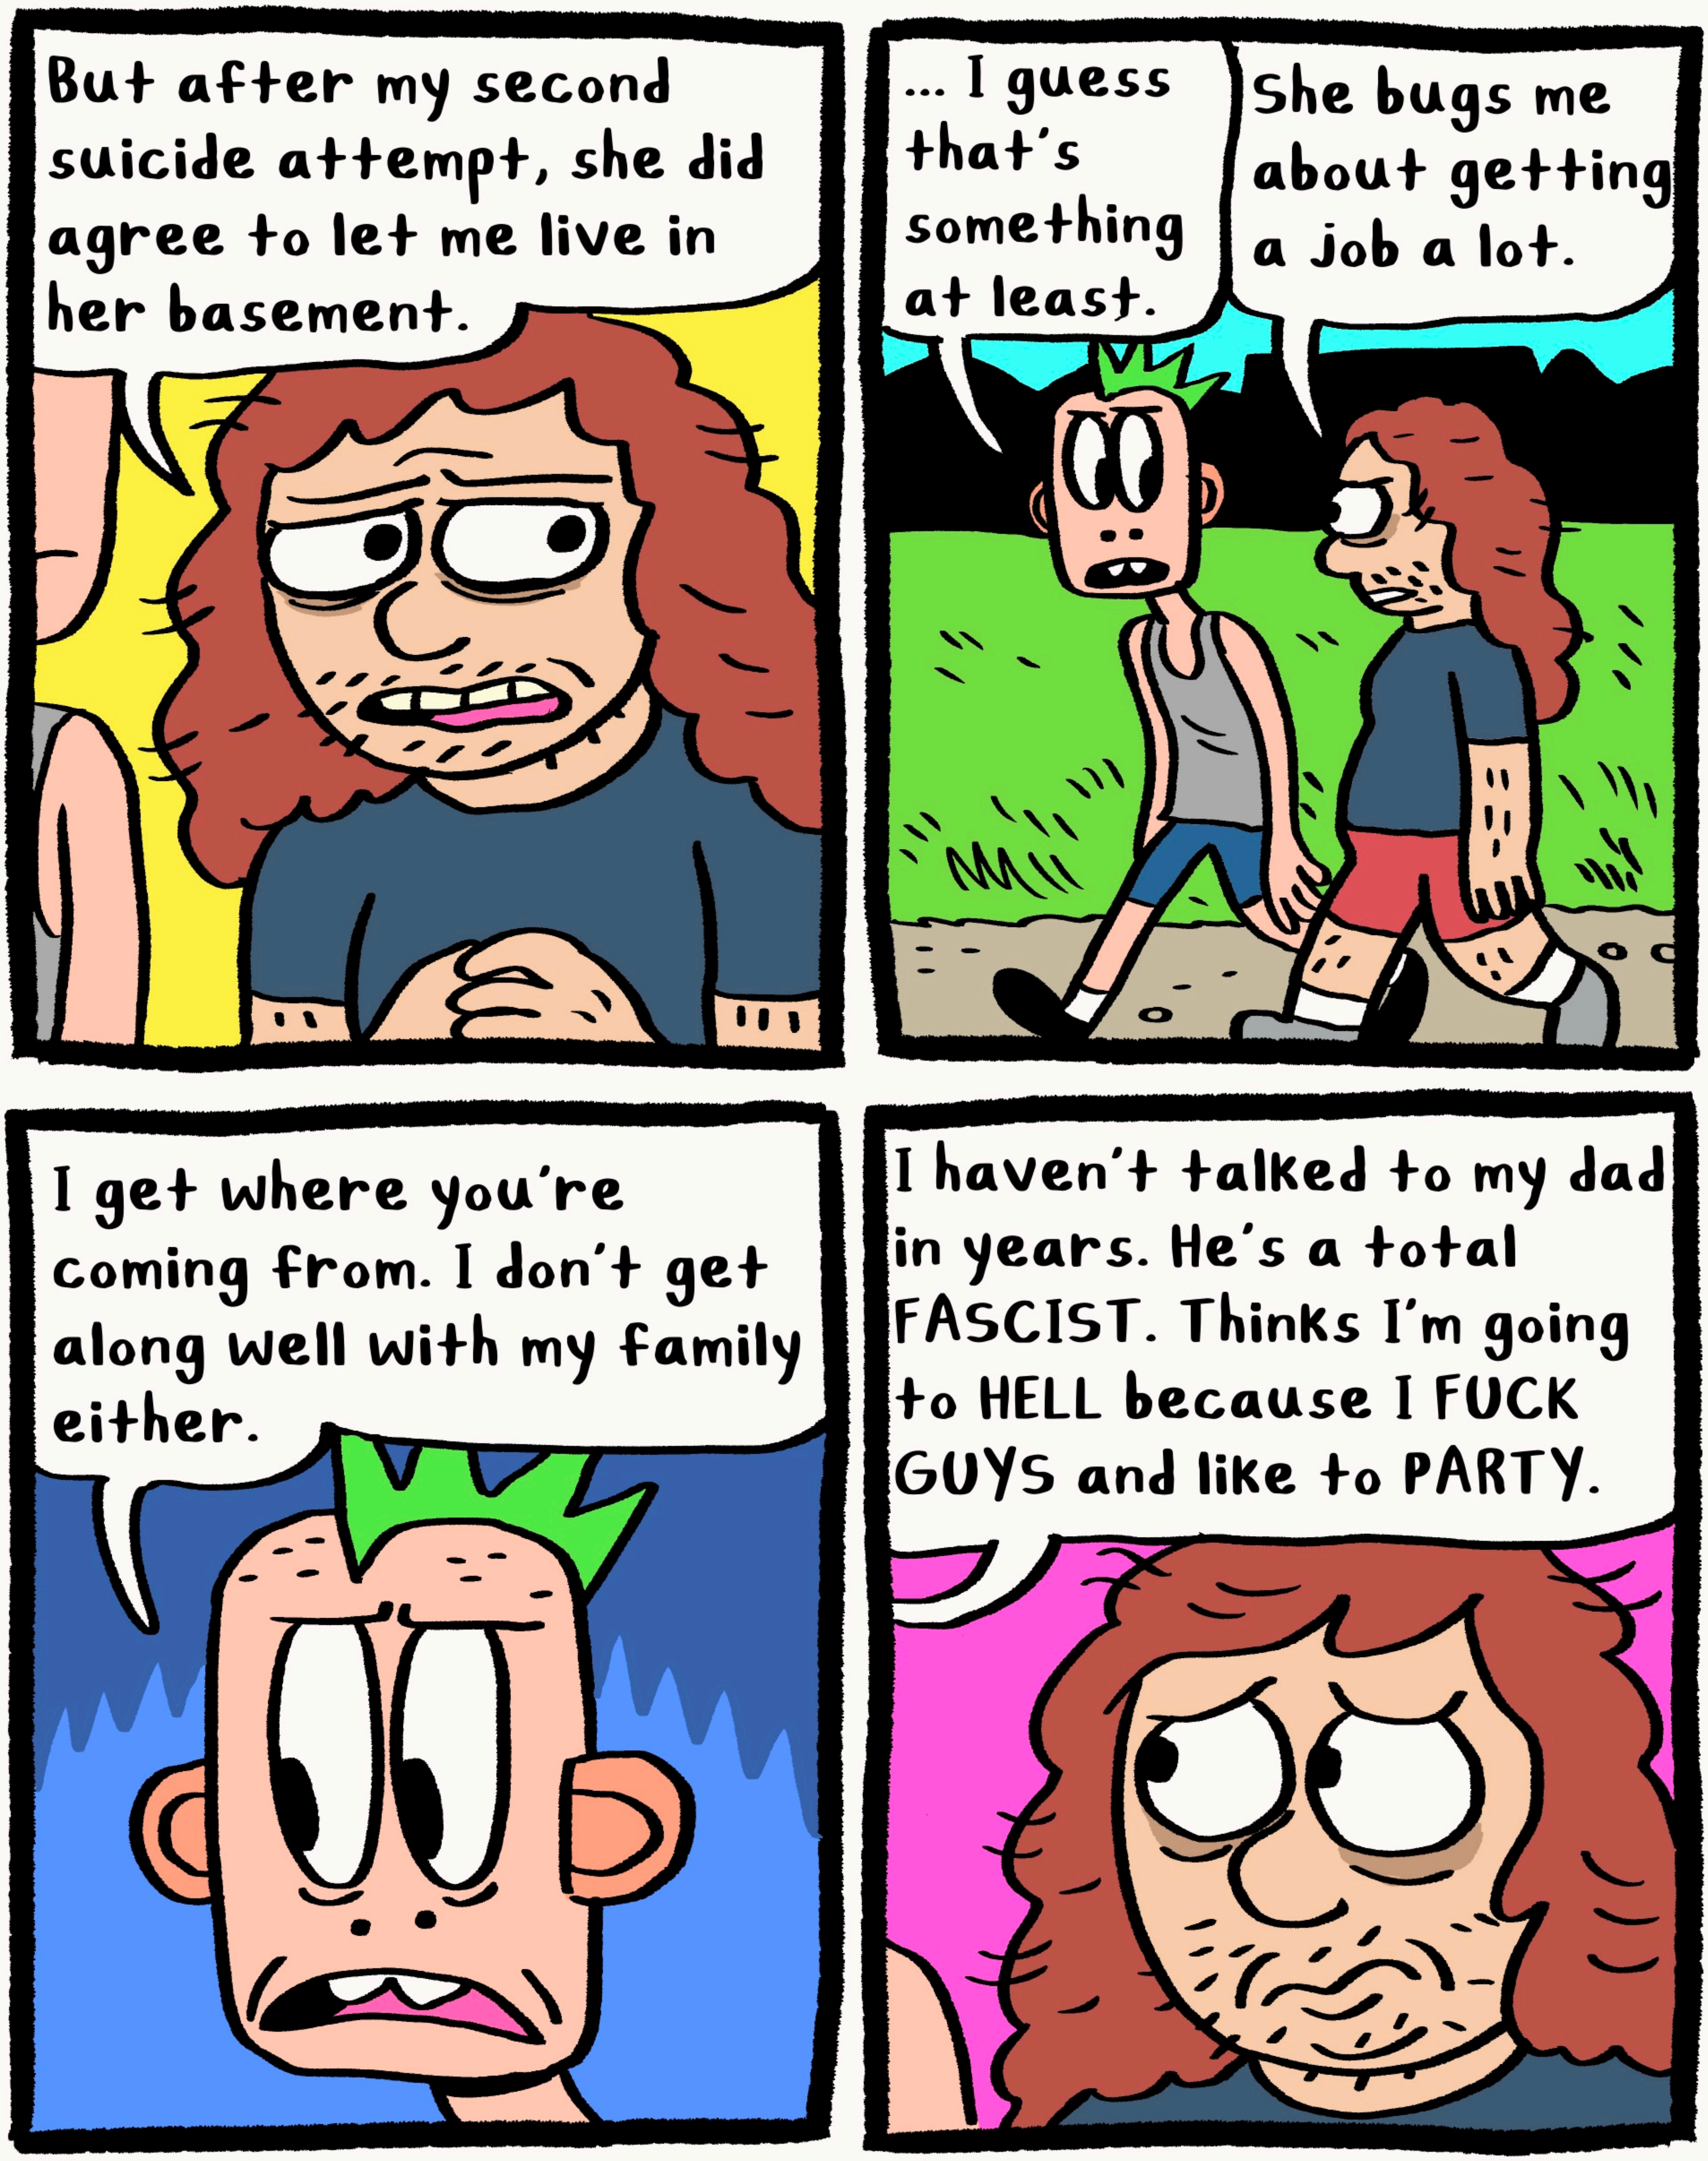
Sigh...
Come on, get in the water! Do it! Get in the water, Jenny!

CHRIS AND BEN GO FOR A WALK.

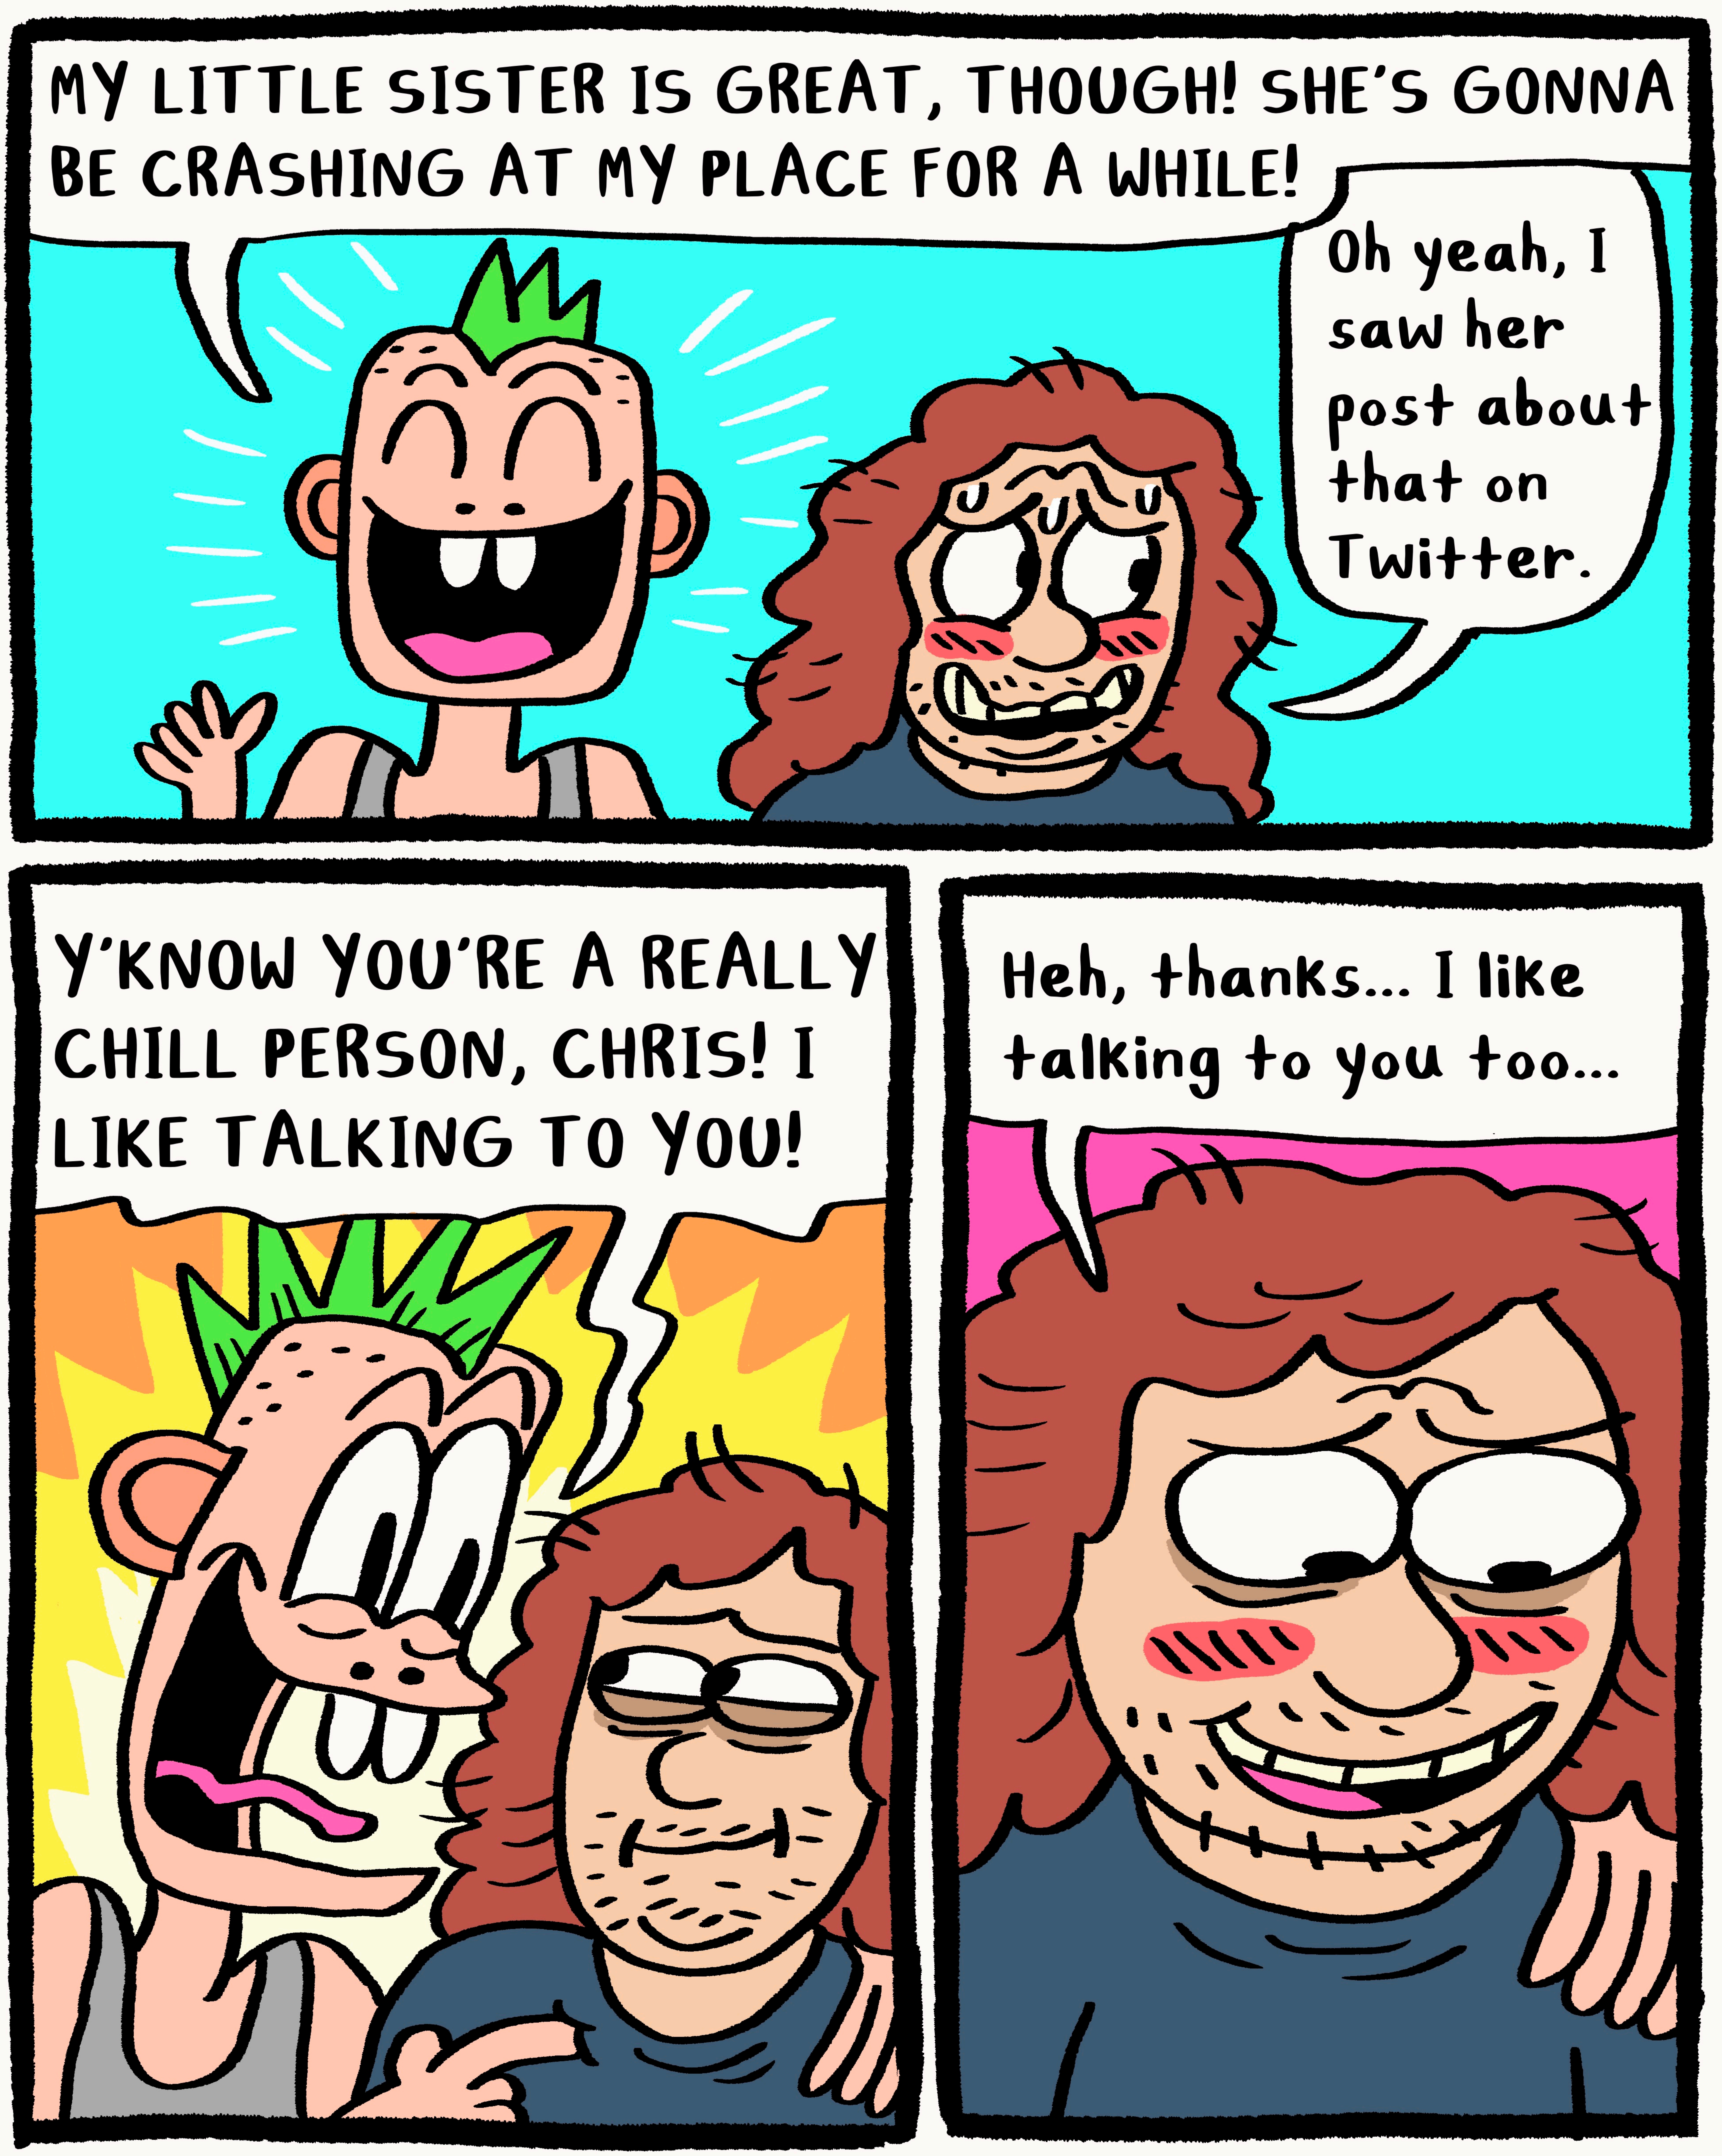
Written and illustrated by Raven Lyn Clemens.



So, uh, after film school I tried to hold down a job at Safeway, but it was way too stressful, and I quit after a couple of months. My mom and I got into a big fight, and she kicked me out.
SHIT, that SUCKS, man. Did you start living with your grandma after that?
No, she said I couldn't stay at her place if I didn't have a job, so I had to live in homeless shelters for a year.



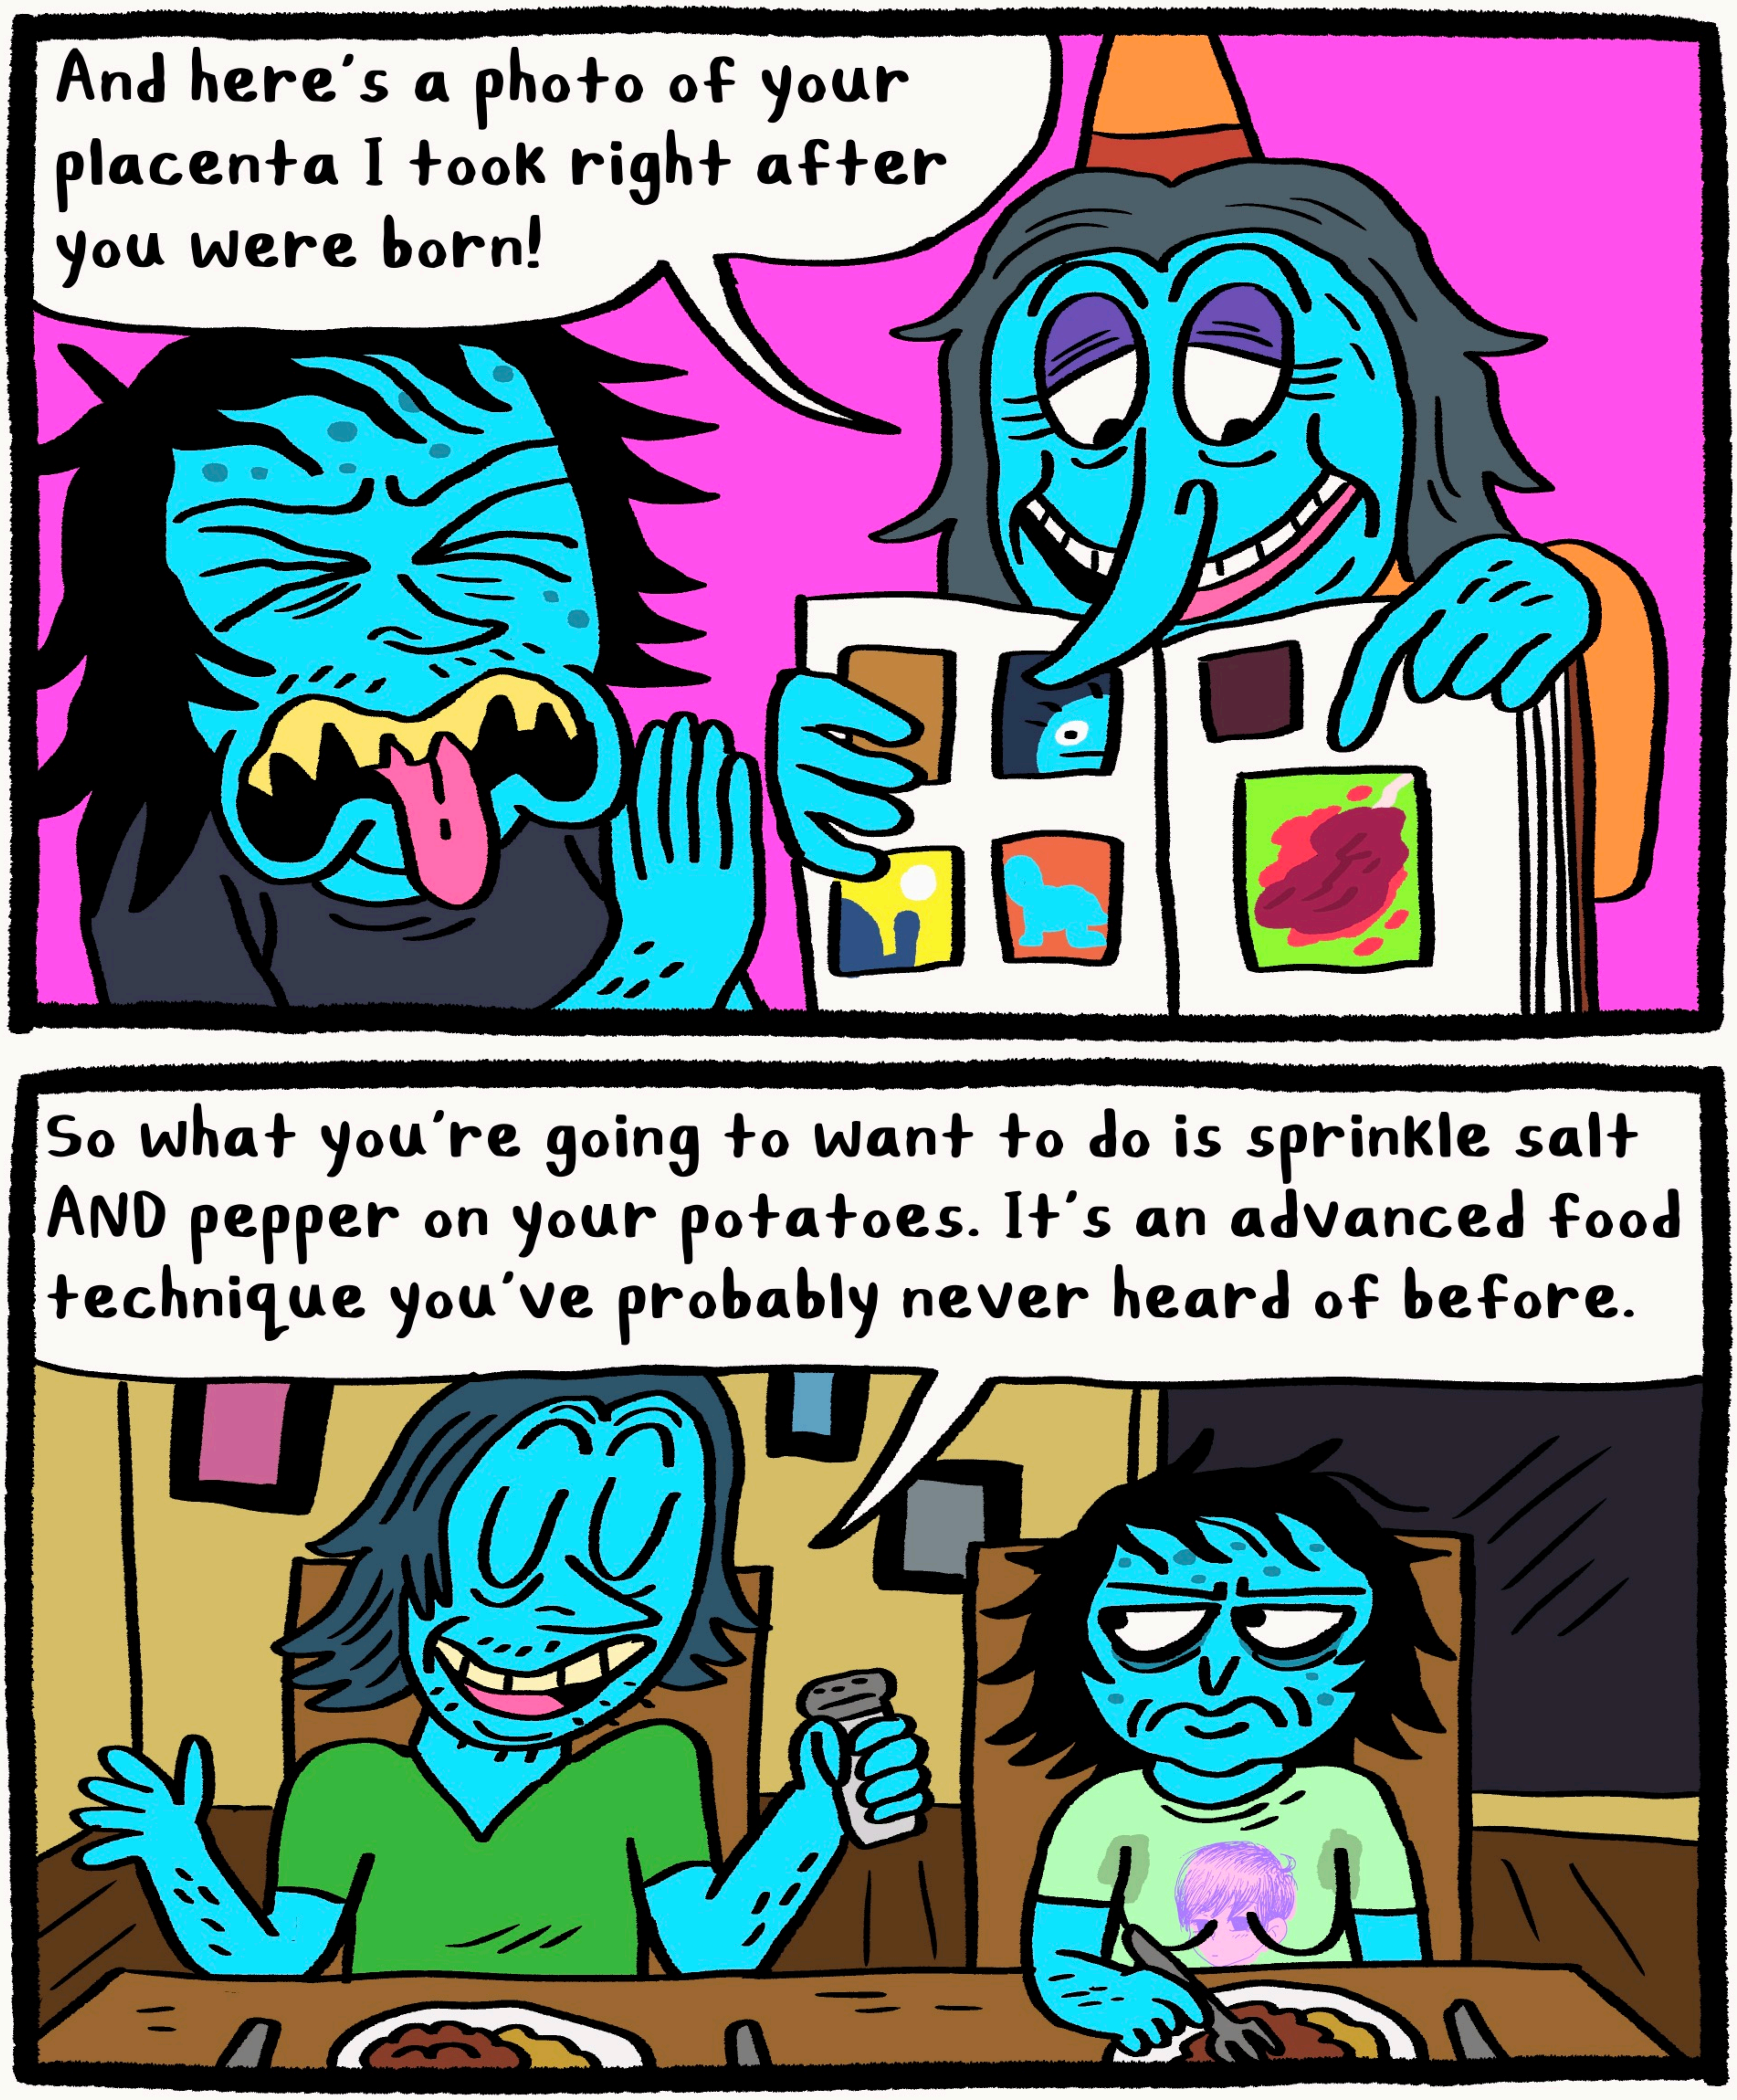
But after my second suicide attempt, she did agree to let me live in her basement.
... I guess that's something at least.
She bugs me about getting a job a lot.
I get where you're coming from. I don't get along well with my family either.
I haven't talked to my dad in years. He's a total FASCIST. Thinks I'm going to HELL because I FUCK GUYS and like to PARTY.



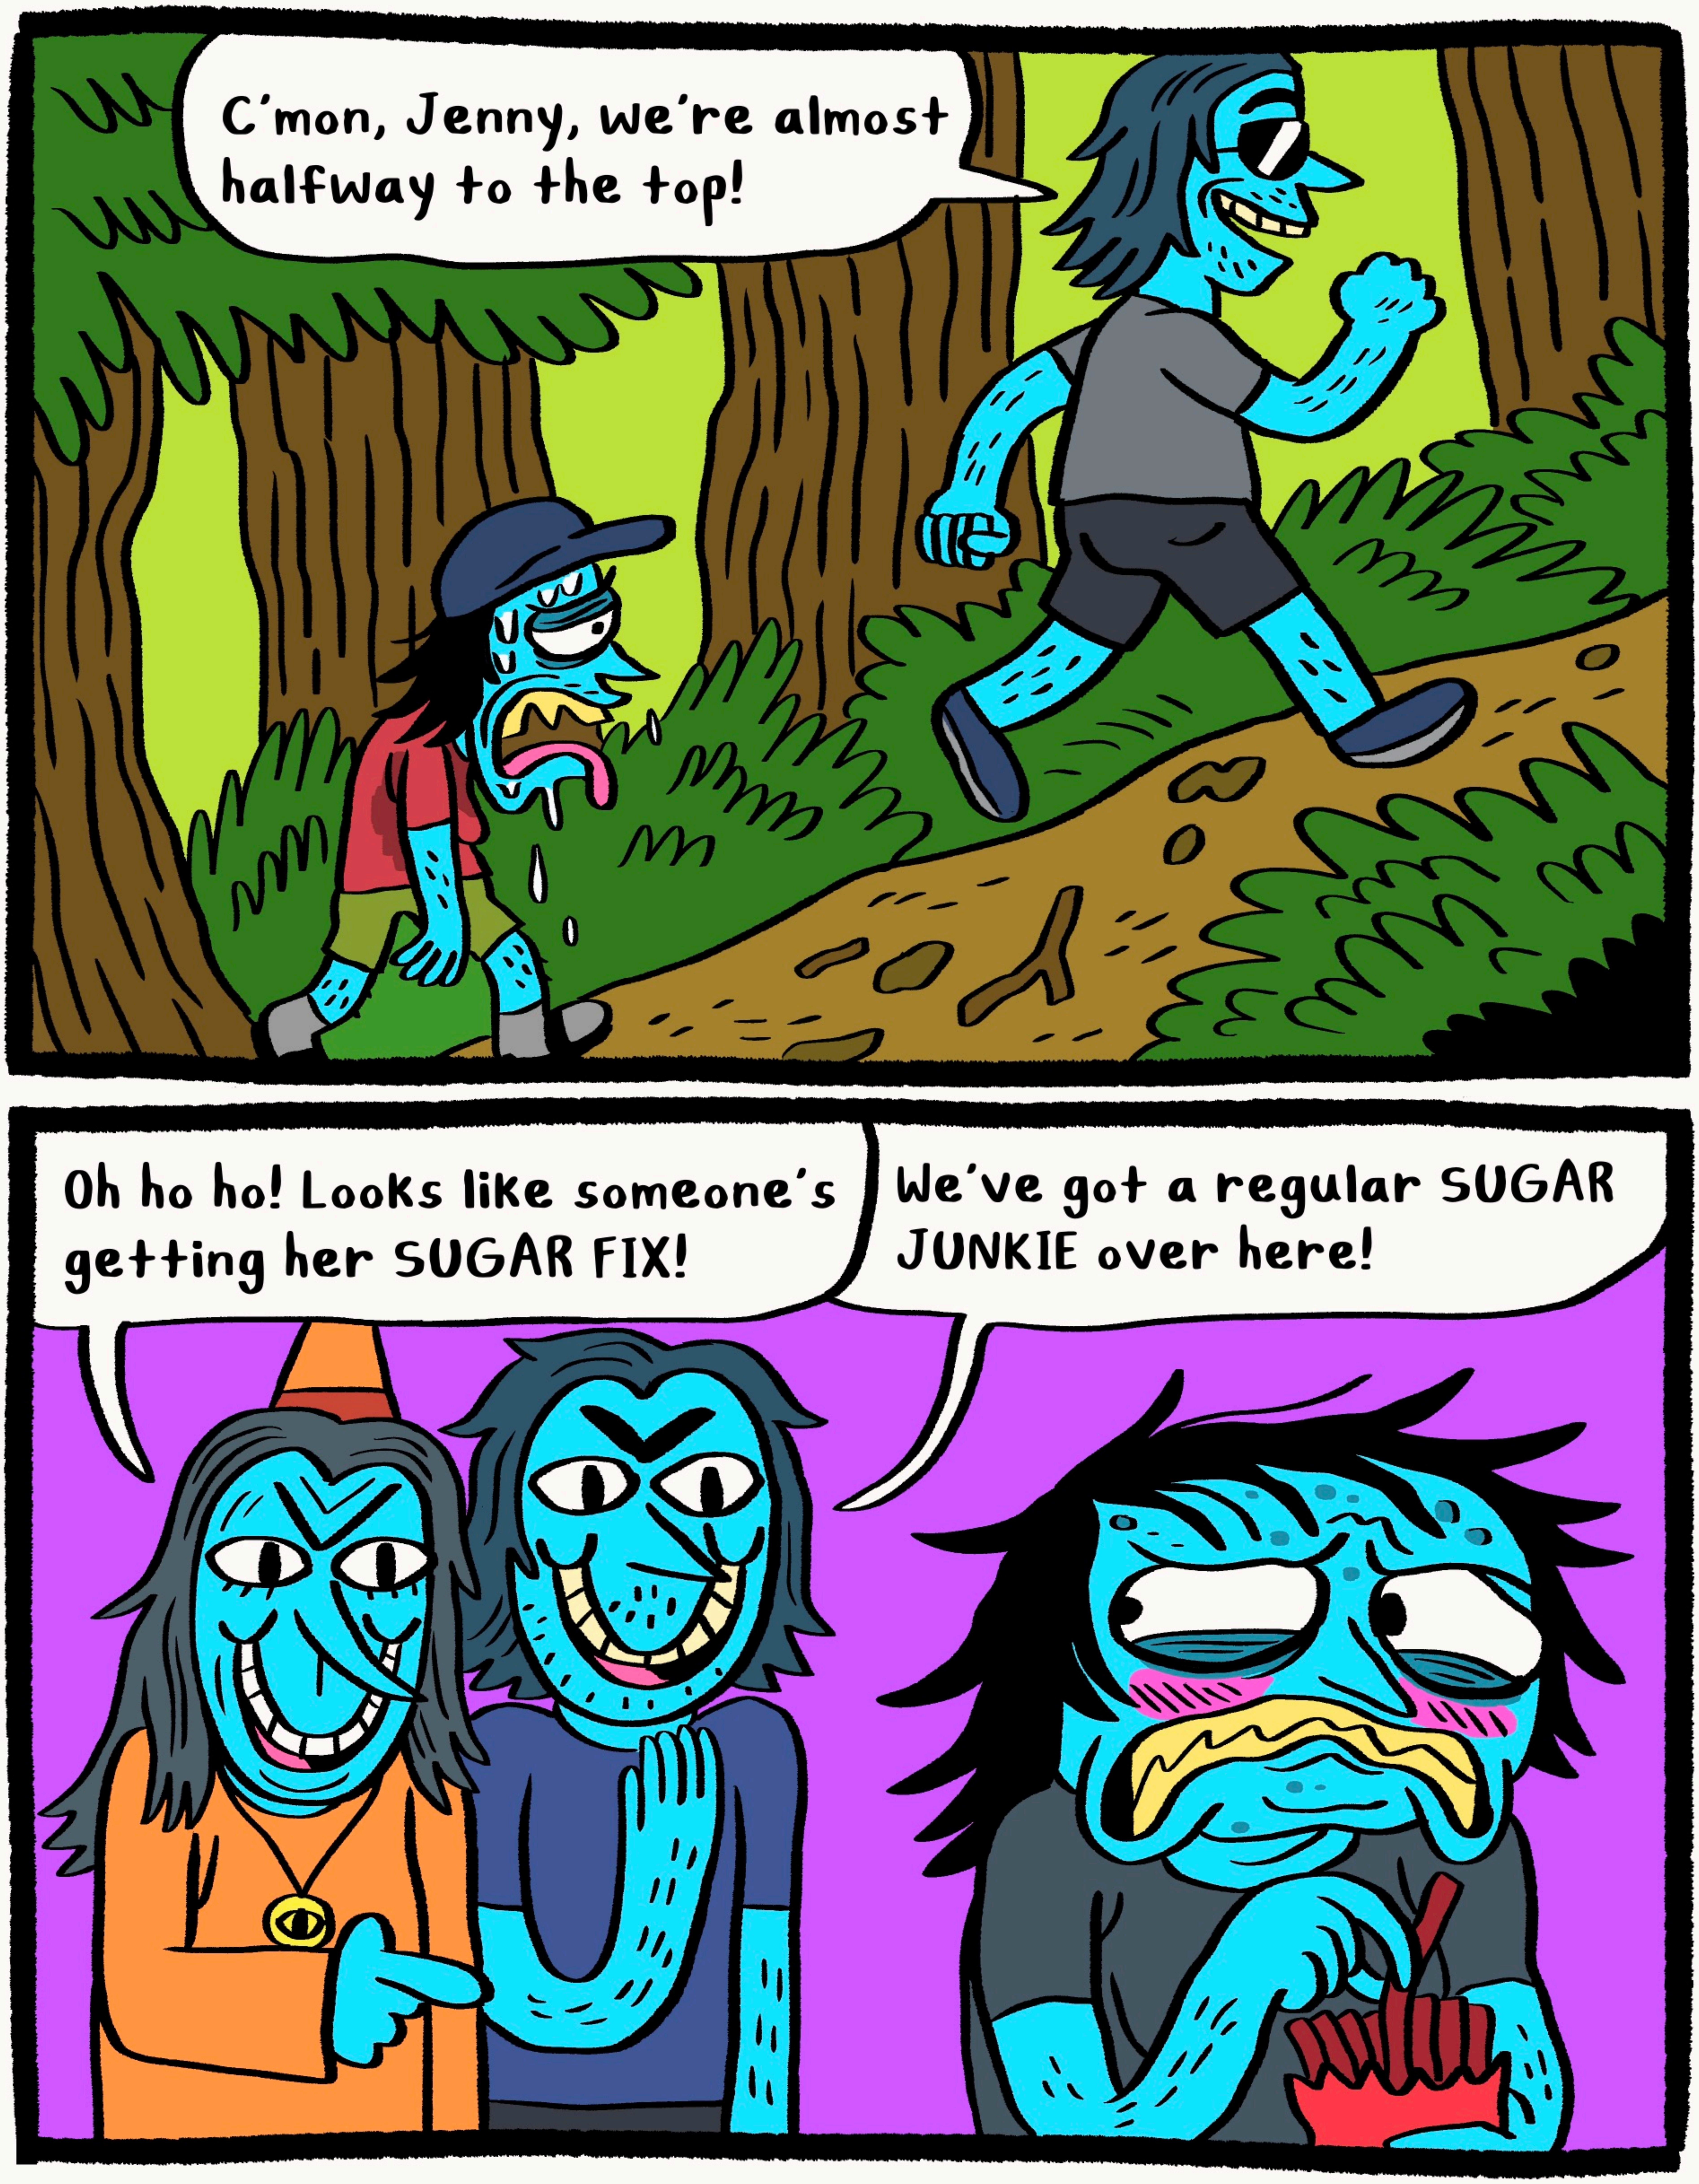
MY LITTLE SISTER IS GREAT, THOUGH! SHE'S GONNA BE CRASHING AT MY PLACE FOR A WHILE!
Oh yeah, I saw her post about that on Twitter.
Y'KNOW YOU'RE A REALLY CHILL PERSON, CHRIS! I LIKE TALKING TO YOU!
Heh, thanks... I like talking to you too...

QUALITY FAMILY TIME.

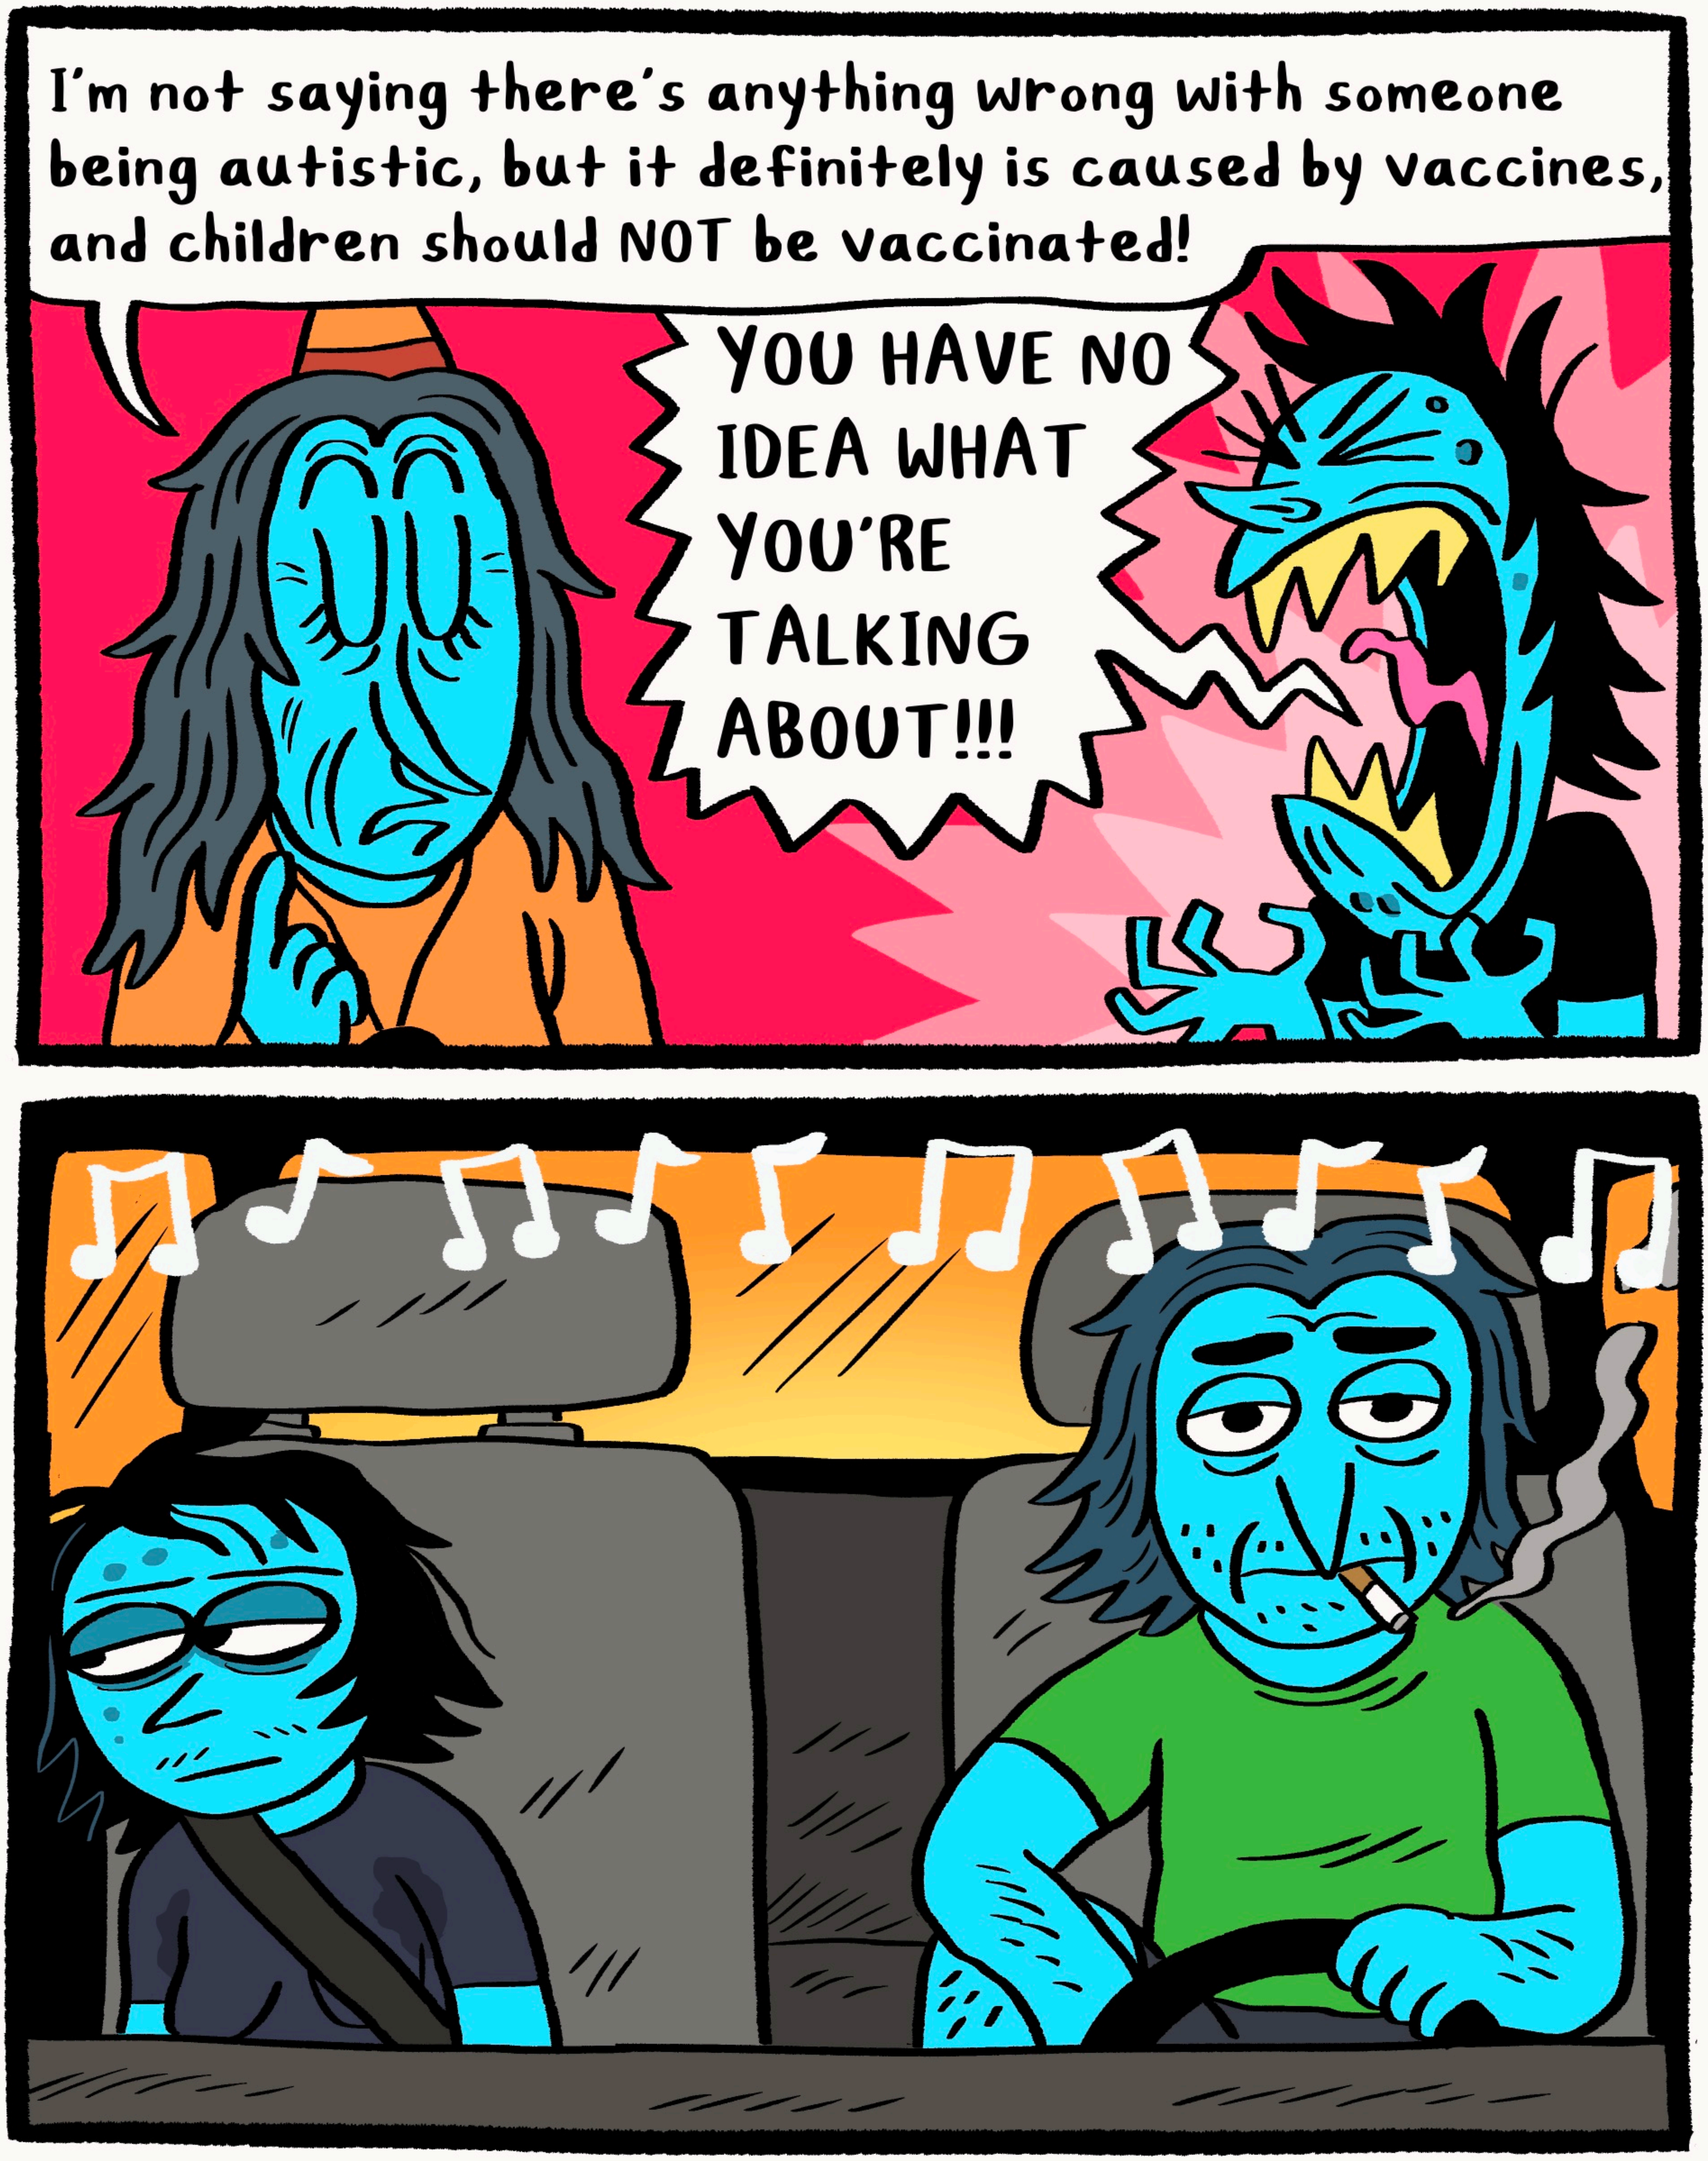
Written and illustrated by Raven Lyn Clemens.



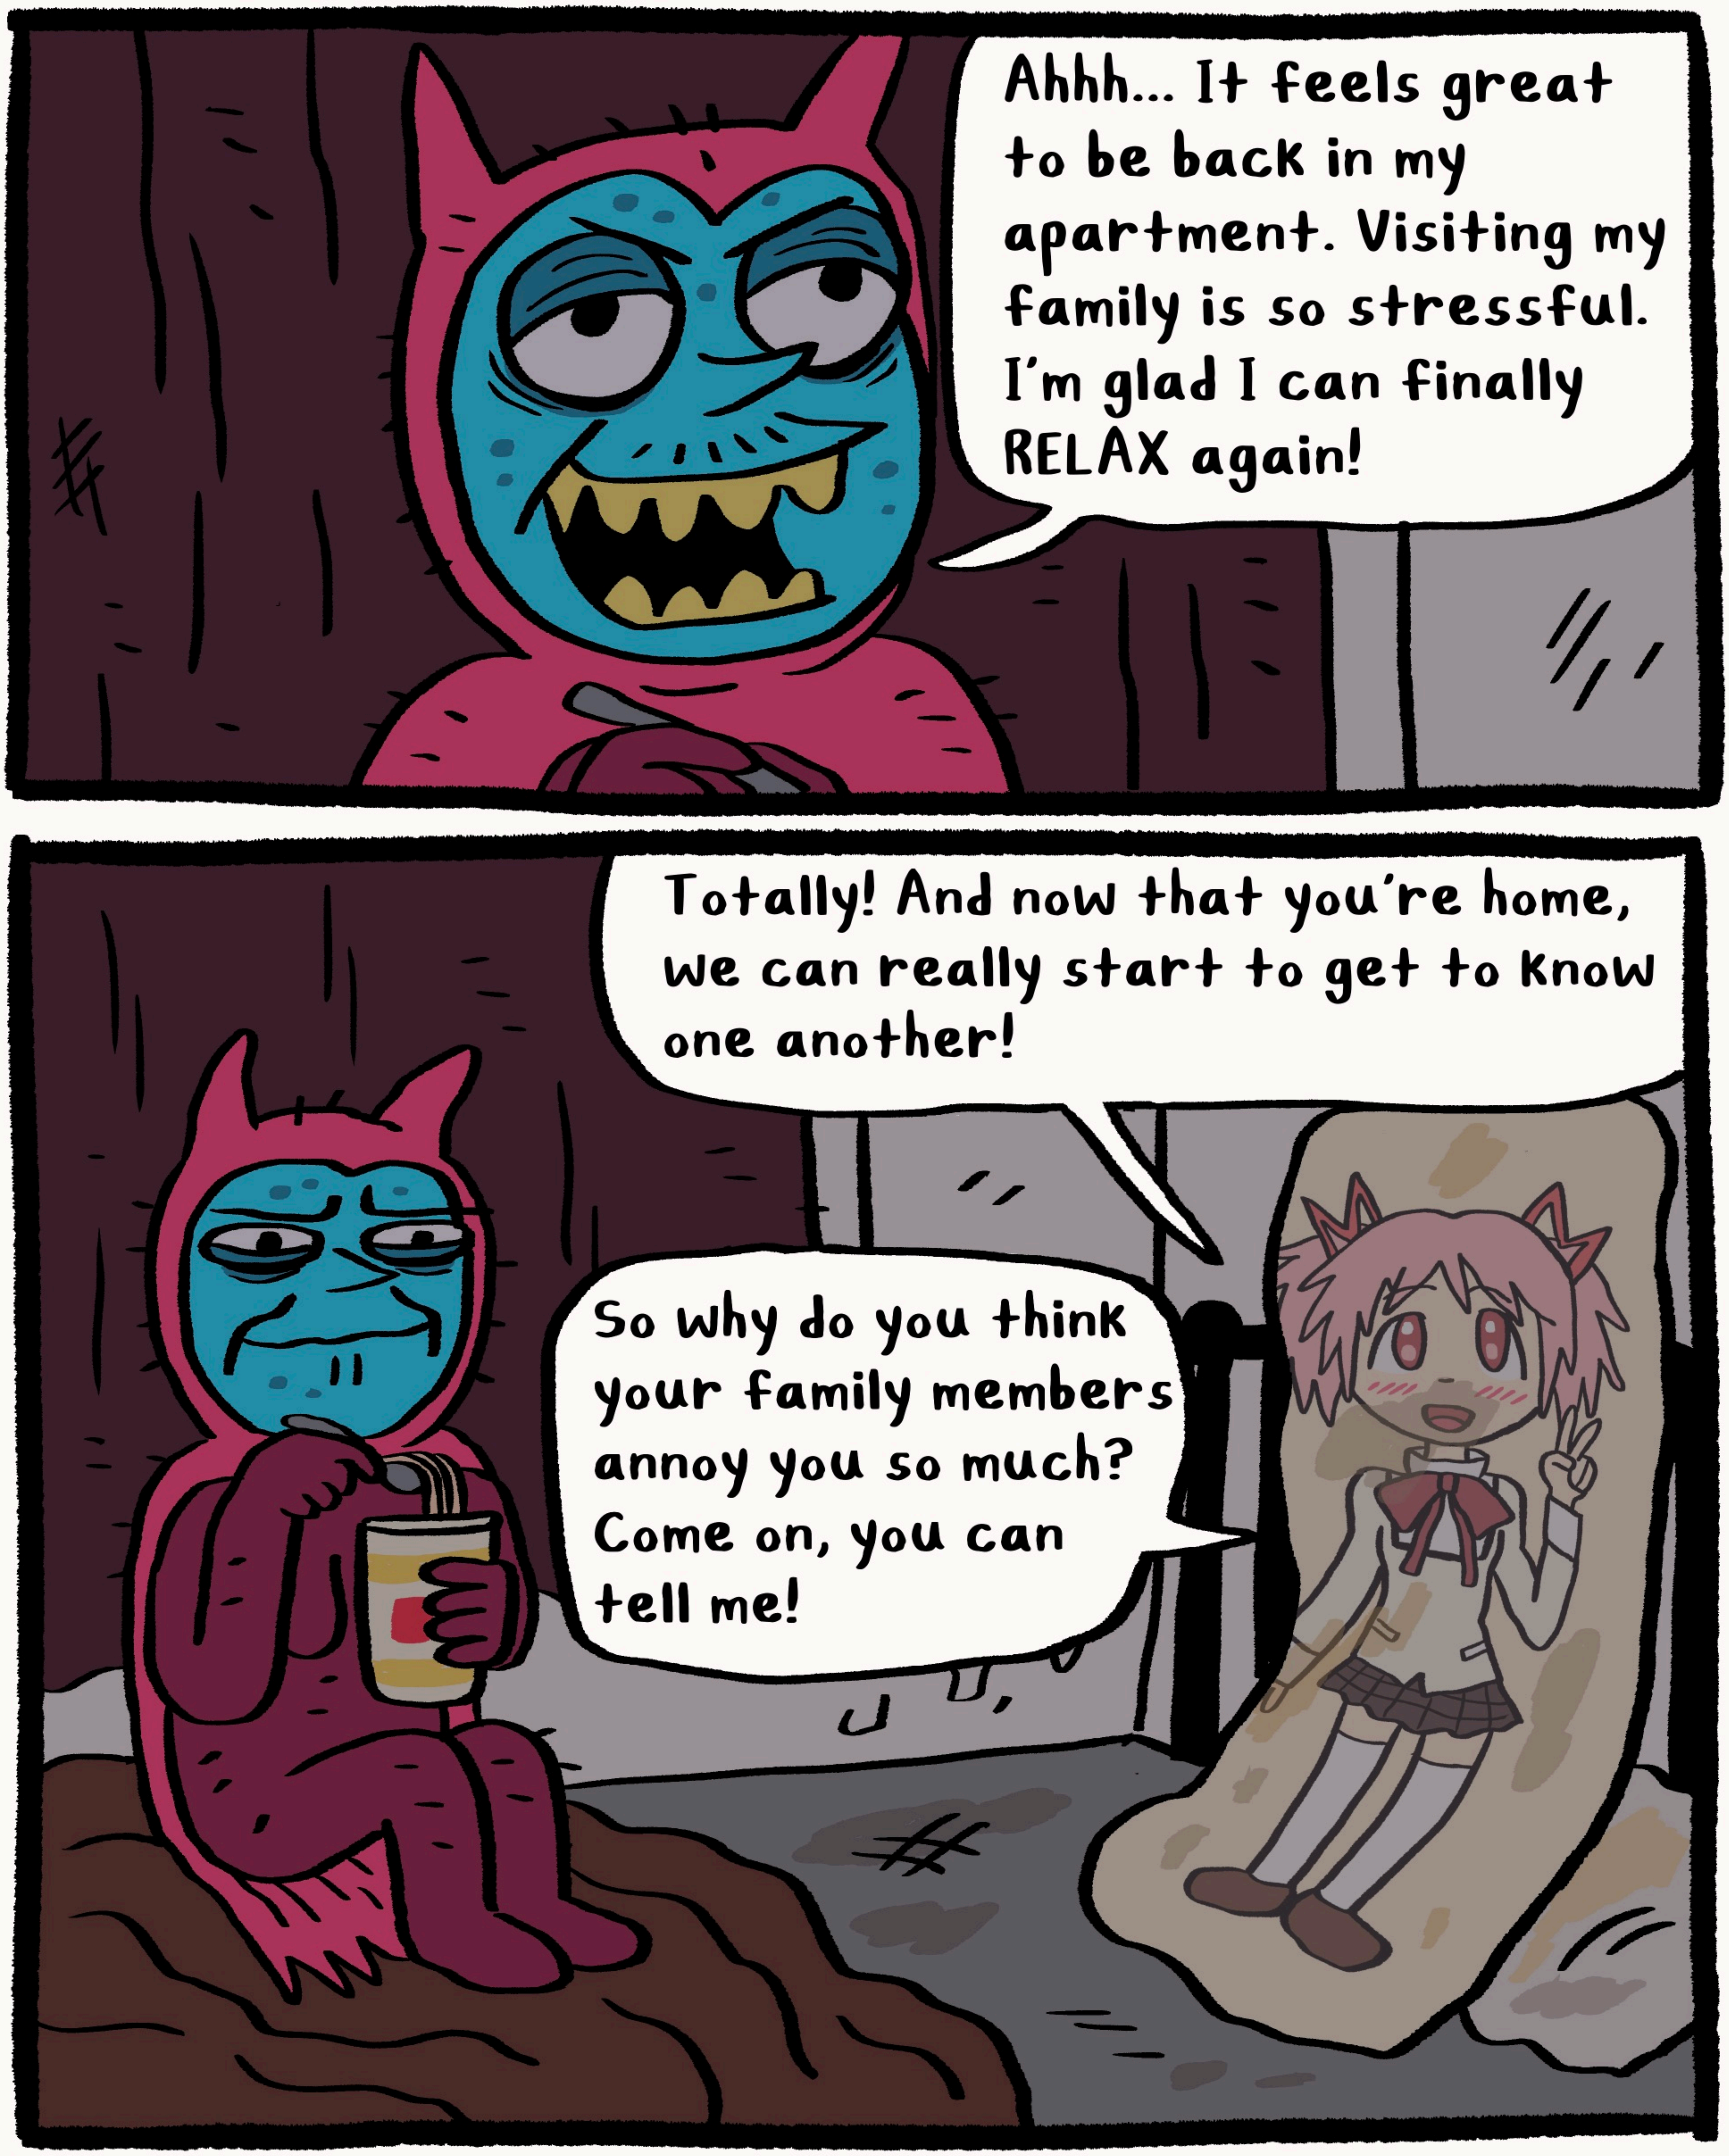
And here's a photo of your placenta I took right after you were born!
So what you're going to want to do is sprinkle salt AND pepper on your potatoes. It's an advanced food technique you've probably never heard of before.



C'mon, Jenny, we're almost halfway to the top!
Oh ho ho! Looks like someone's getting her SUGAR FIX!
We've got a regular SUGAR JUNKIE over here!



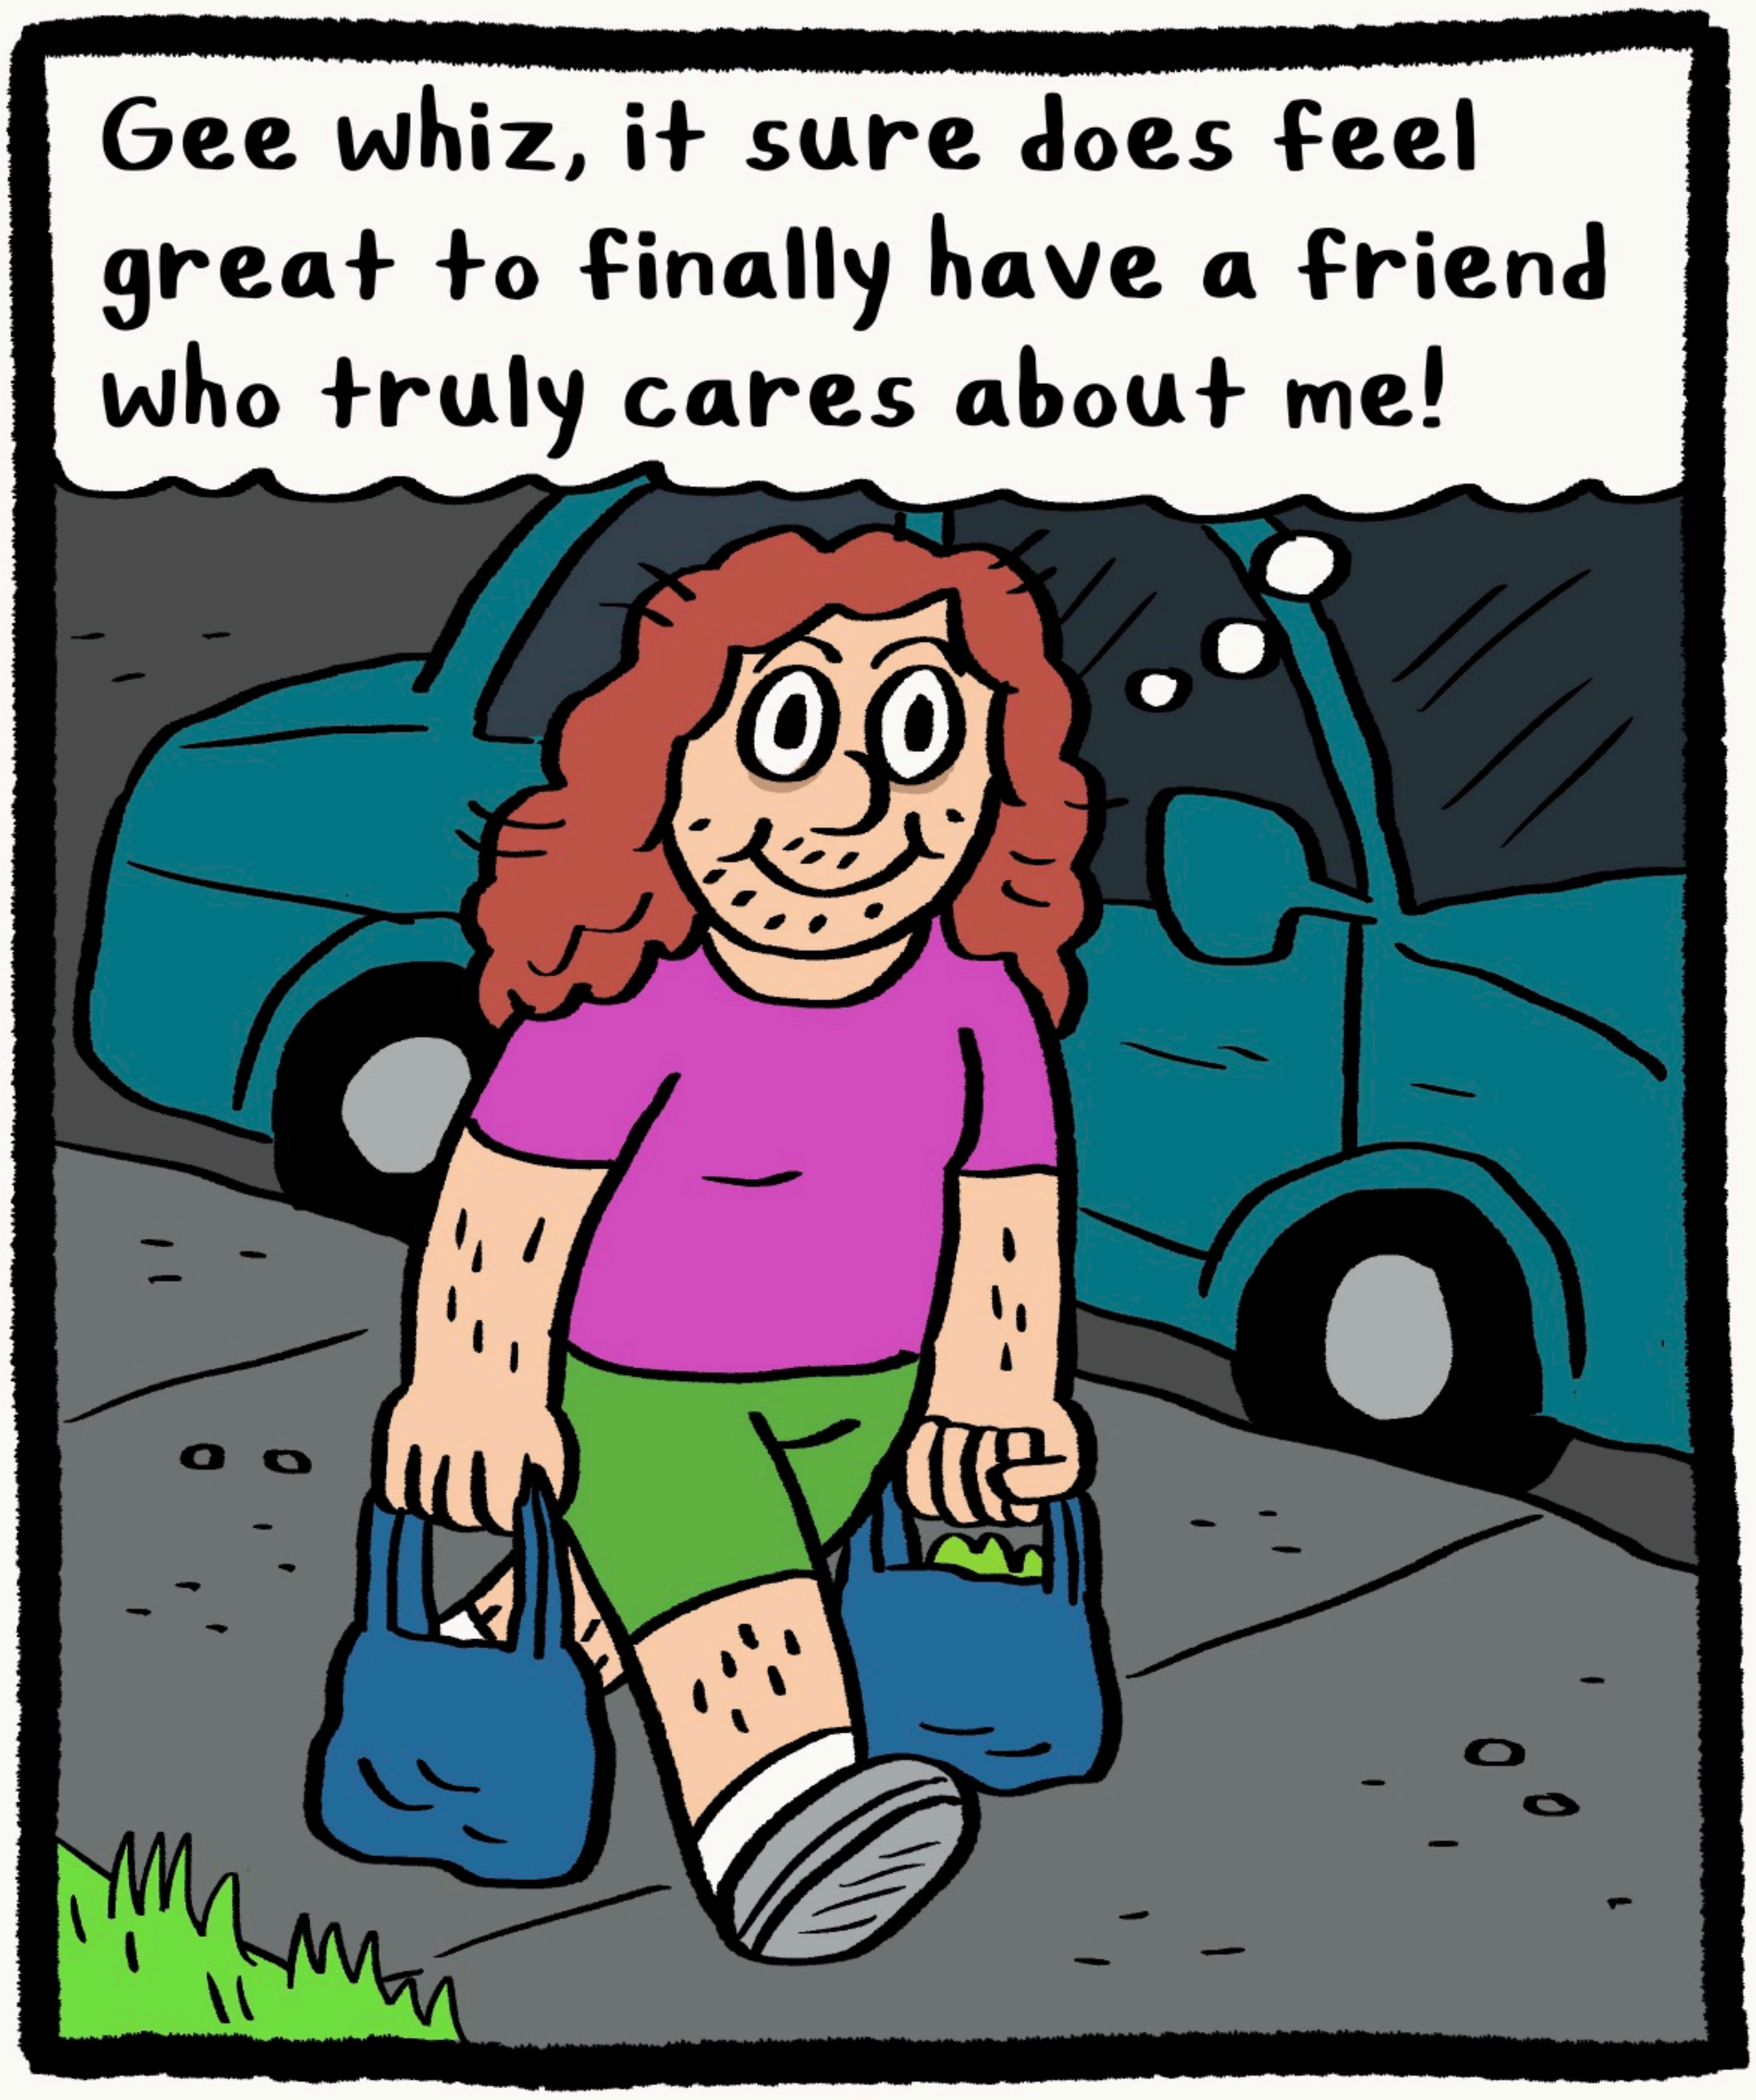
I'm not saying there's anything wrong with someone being autistic, but it definitely is caused by vaccines, and children should NOT be vaccinated!
YOU HAVE NO IDEA WHAT YOU'RE TALKING ABOUT!!!



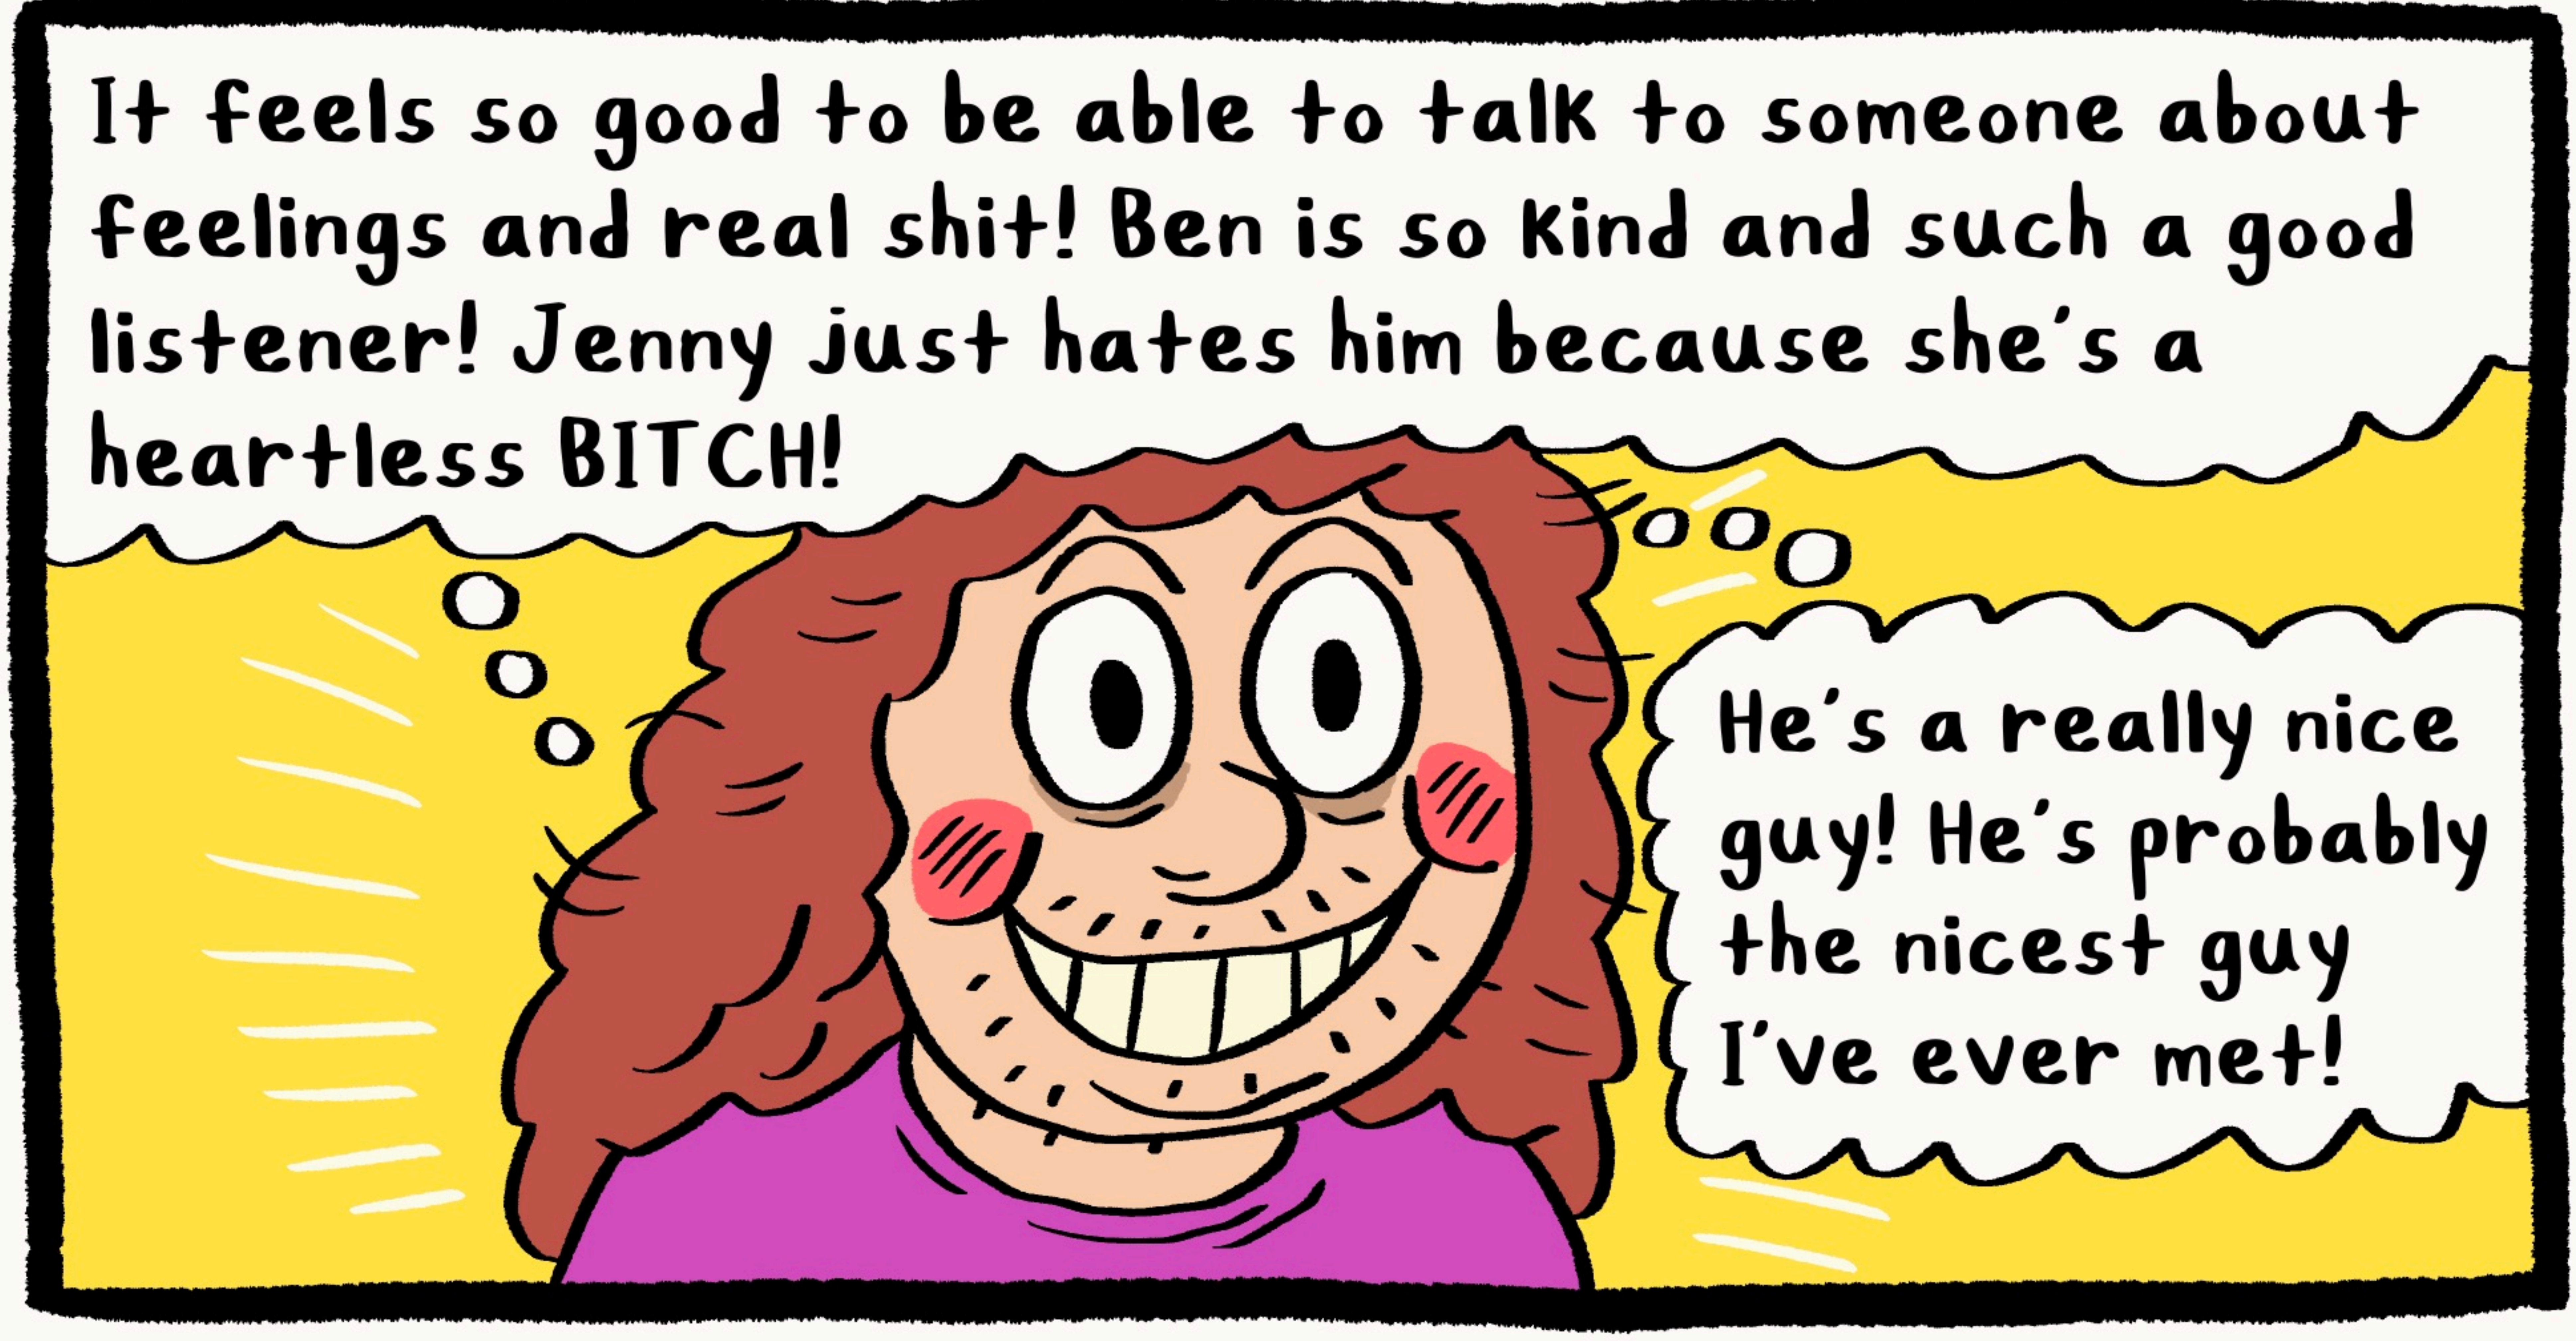
Ahhh... It feels great to be back in my apartment. Visiting my family is so stressful. I'm glad I can finally RELAX again!
Totally! And now that you're home, we can really start to get to know one another!
So why do you think your family members annoy you so much? Come on, you can tell me!

CHRIS'S DAY GETS RUINED

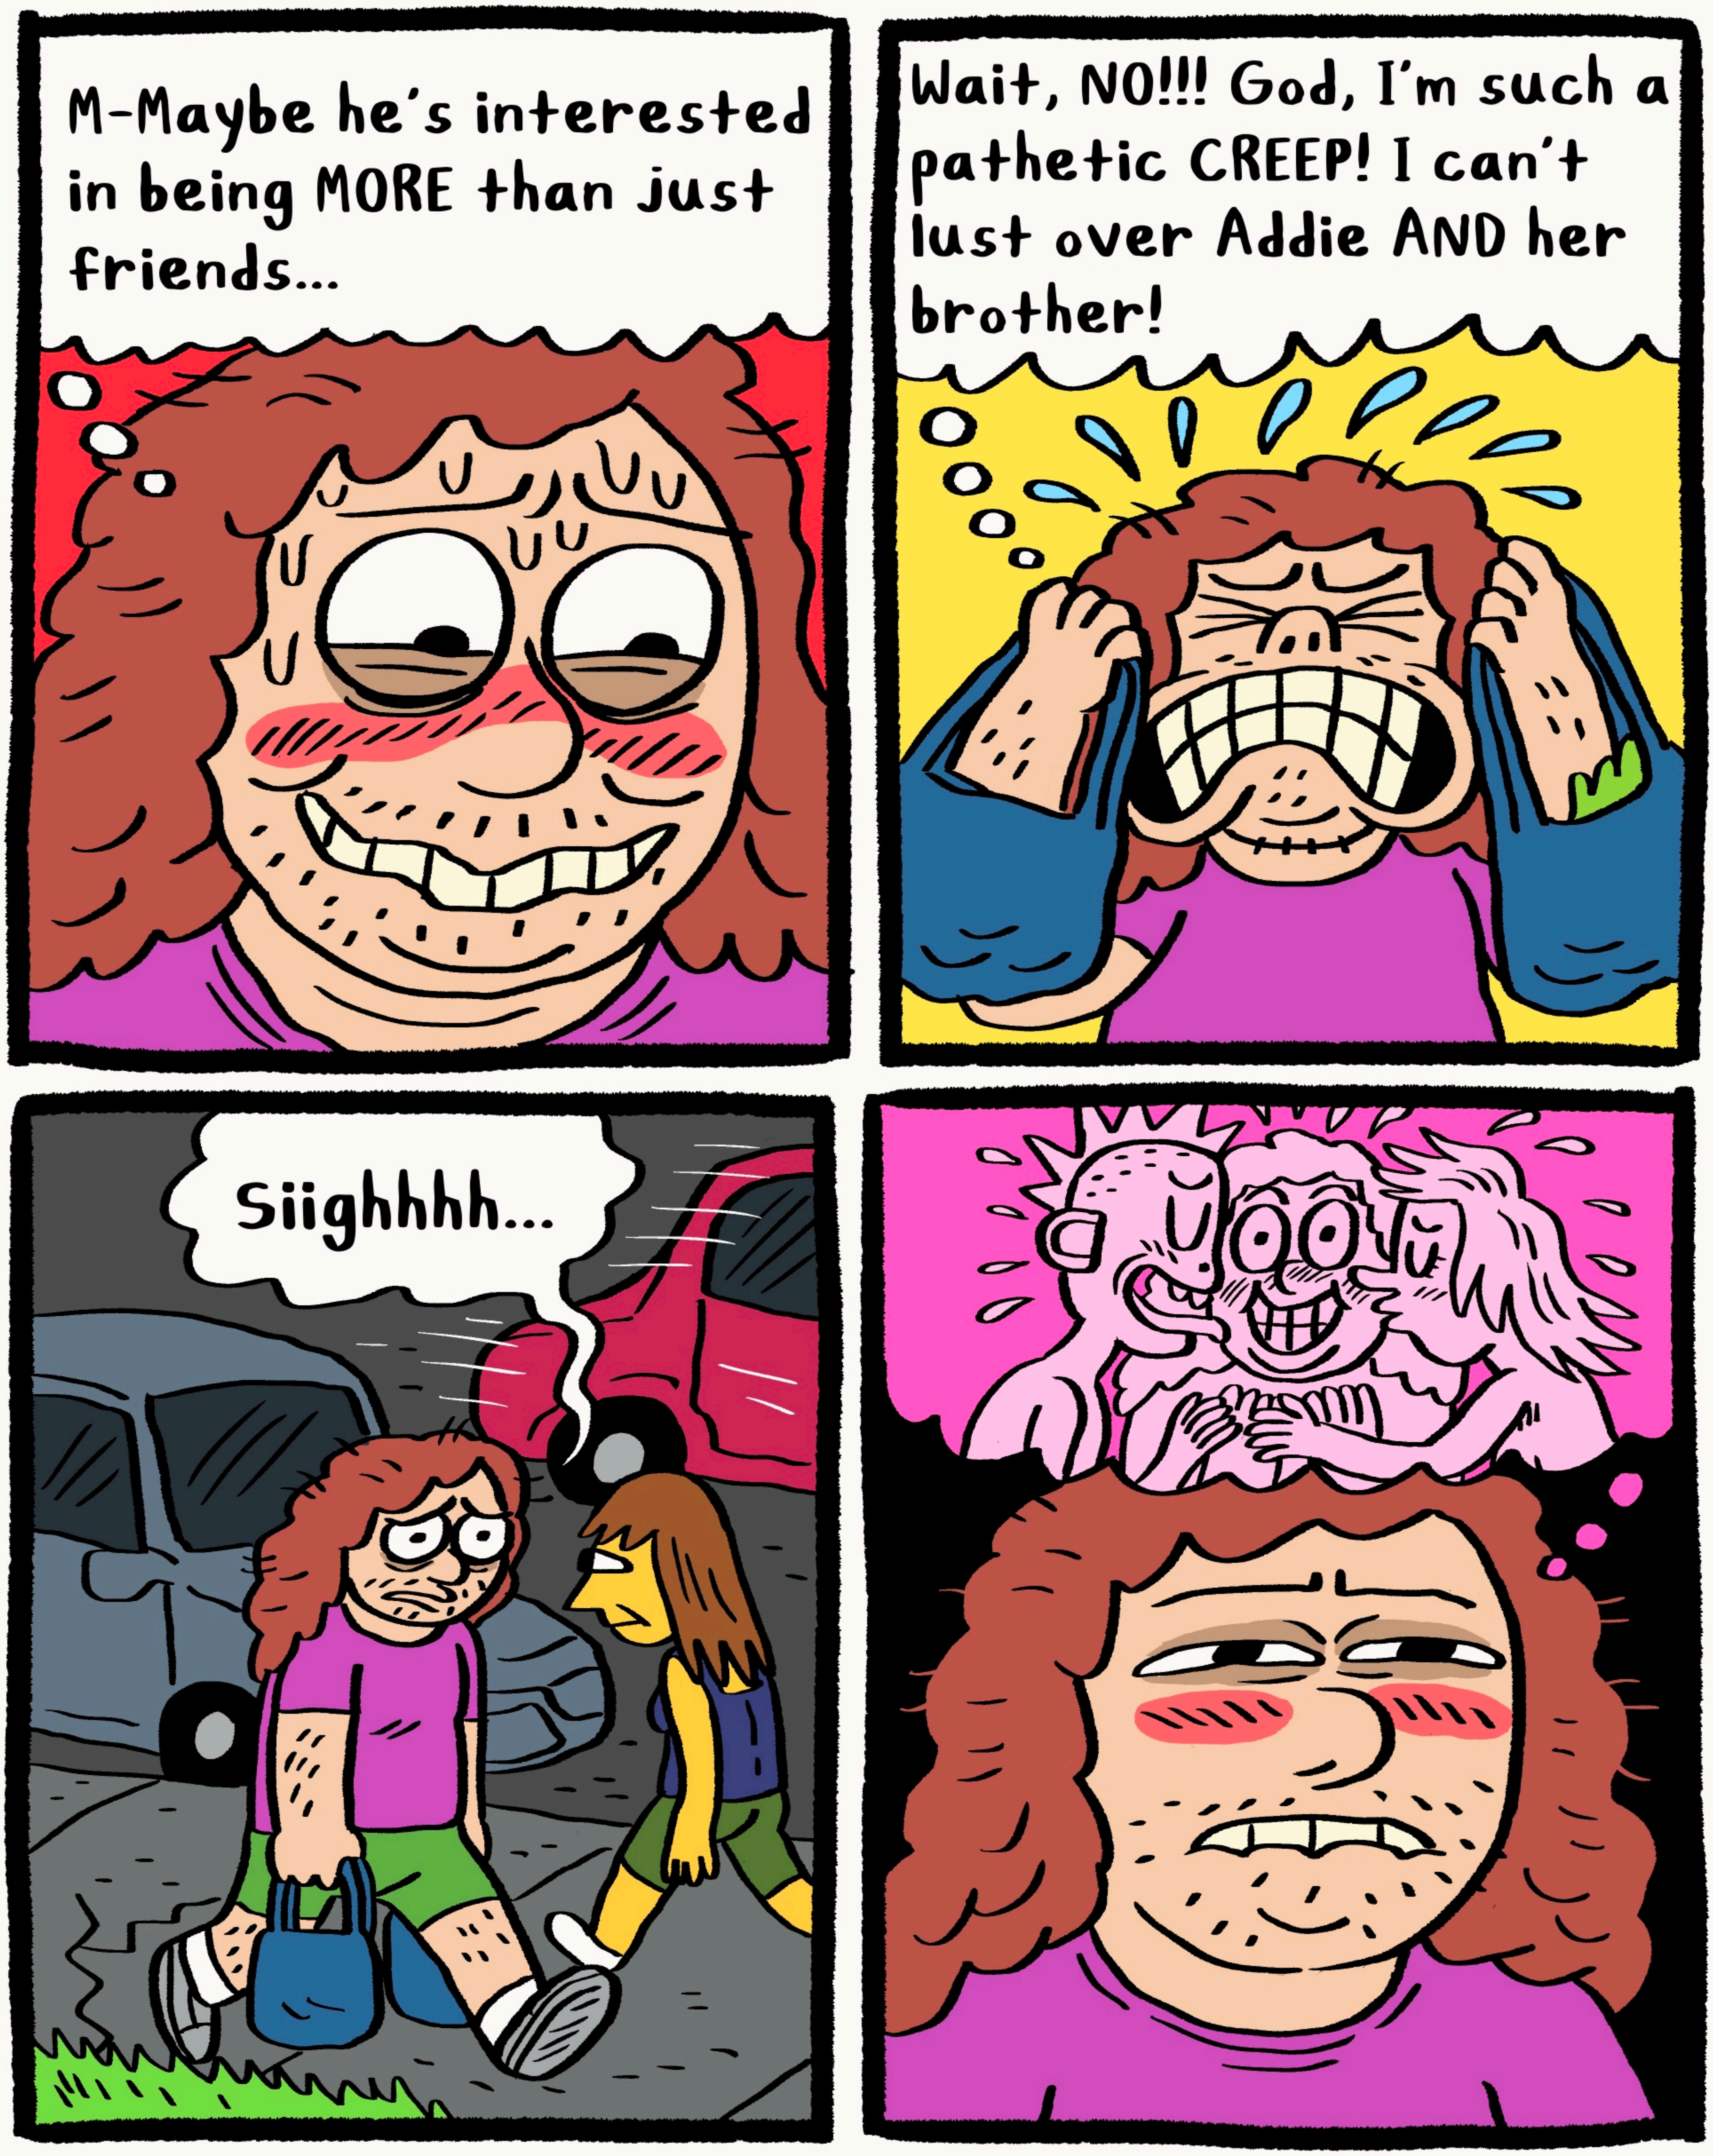
Written and illustrated by
Raven Lyn Clemens



Gee whiz, it sure does feel great to finally have a friend who truly cares about me!



It feels so good to be able to talk to someone about feelings and real shit! Ben is so kind and such a good listener! Jenny just hates him because she's a heartless BITCH!
He's a really nice guy! He's probably the nicest guy I've ever met!



M-Maybe he's interested in being MORE than just friends...
Wait, NO!!! God, I'm such a pathetic CREEP! I can't lust over Addie AND her brother!

Don't act weird! If you act weird, you'll give one of them SEXUAL TRAUMA, and they'll commit SUICIDE!

Then you'll get sent to MAN JAIL and you'll get RAPED every night by a guy who isn't even HOT!

Okay, calm down! You're safe now. Keep walking forward at a NORMAL pace and you'll be home soon. This will all be over soon!

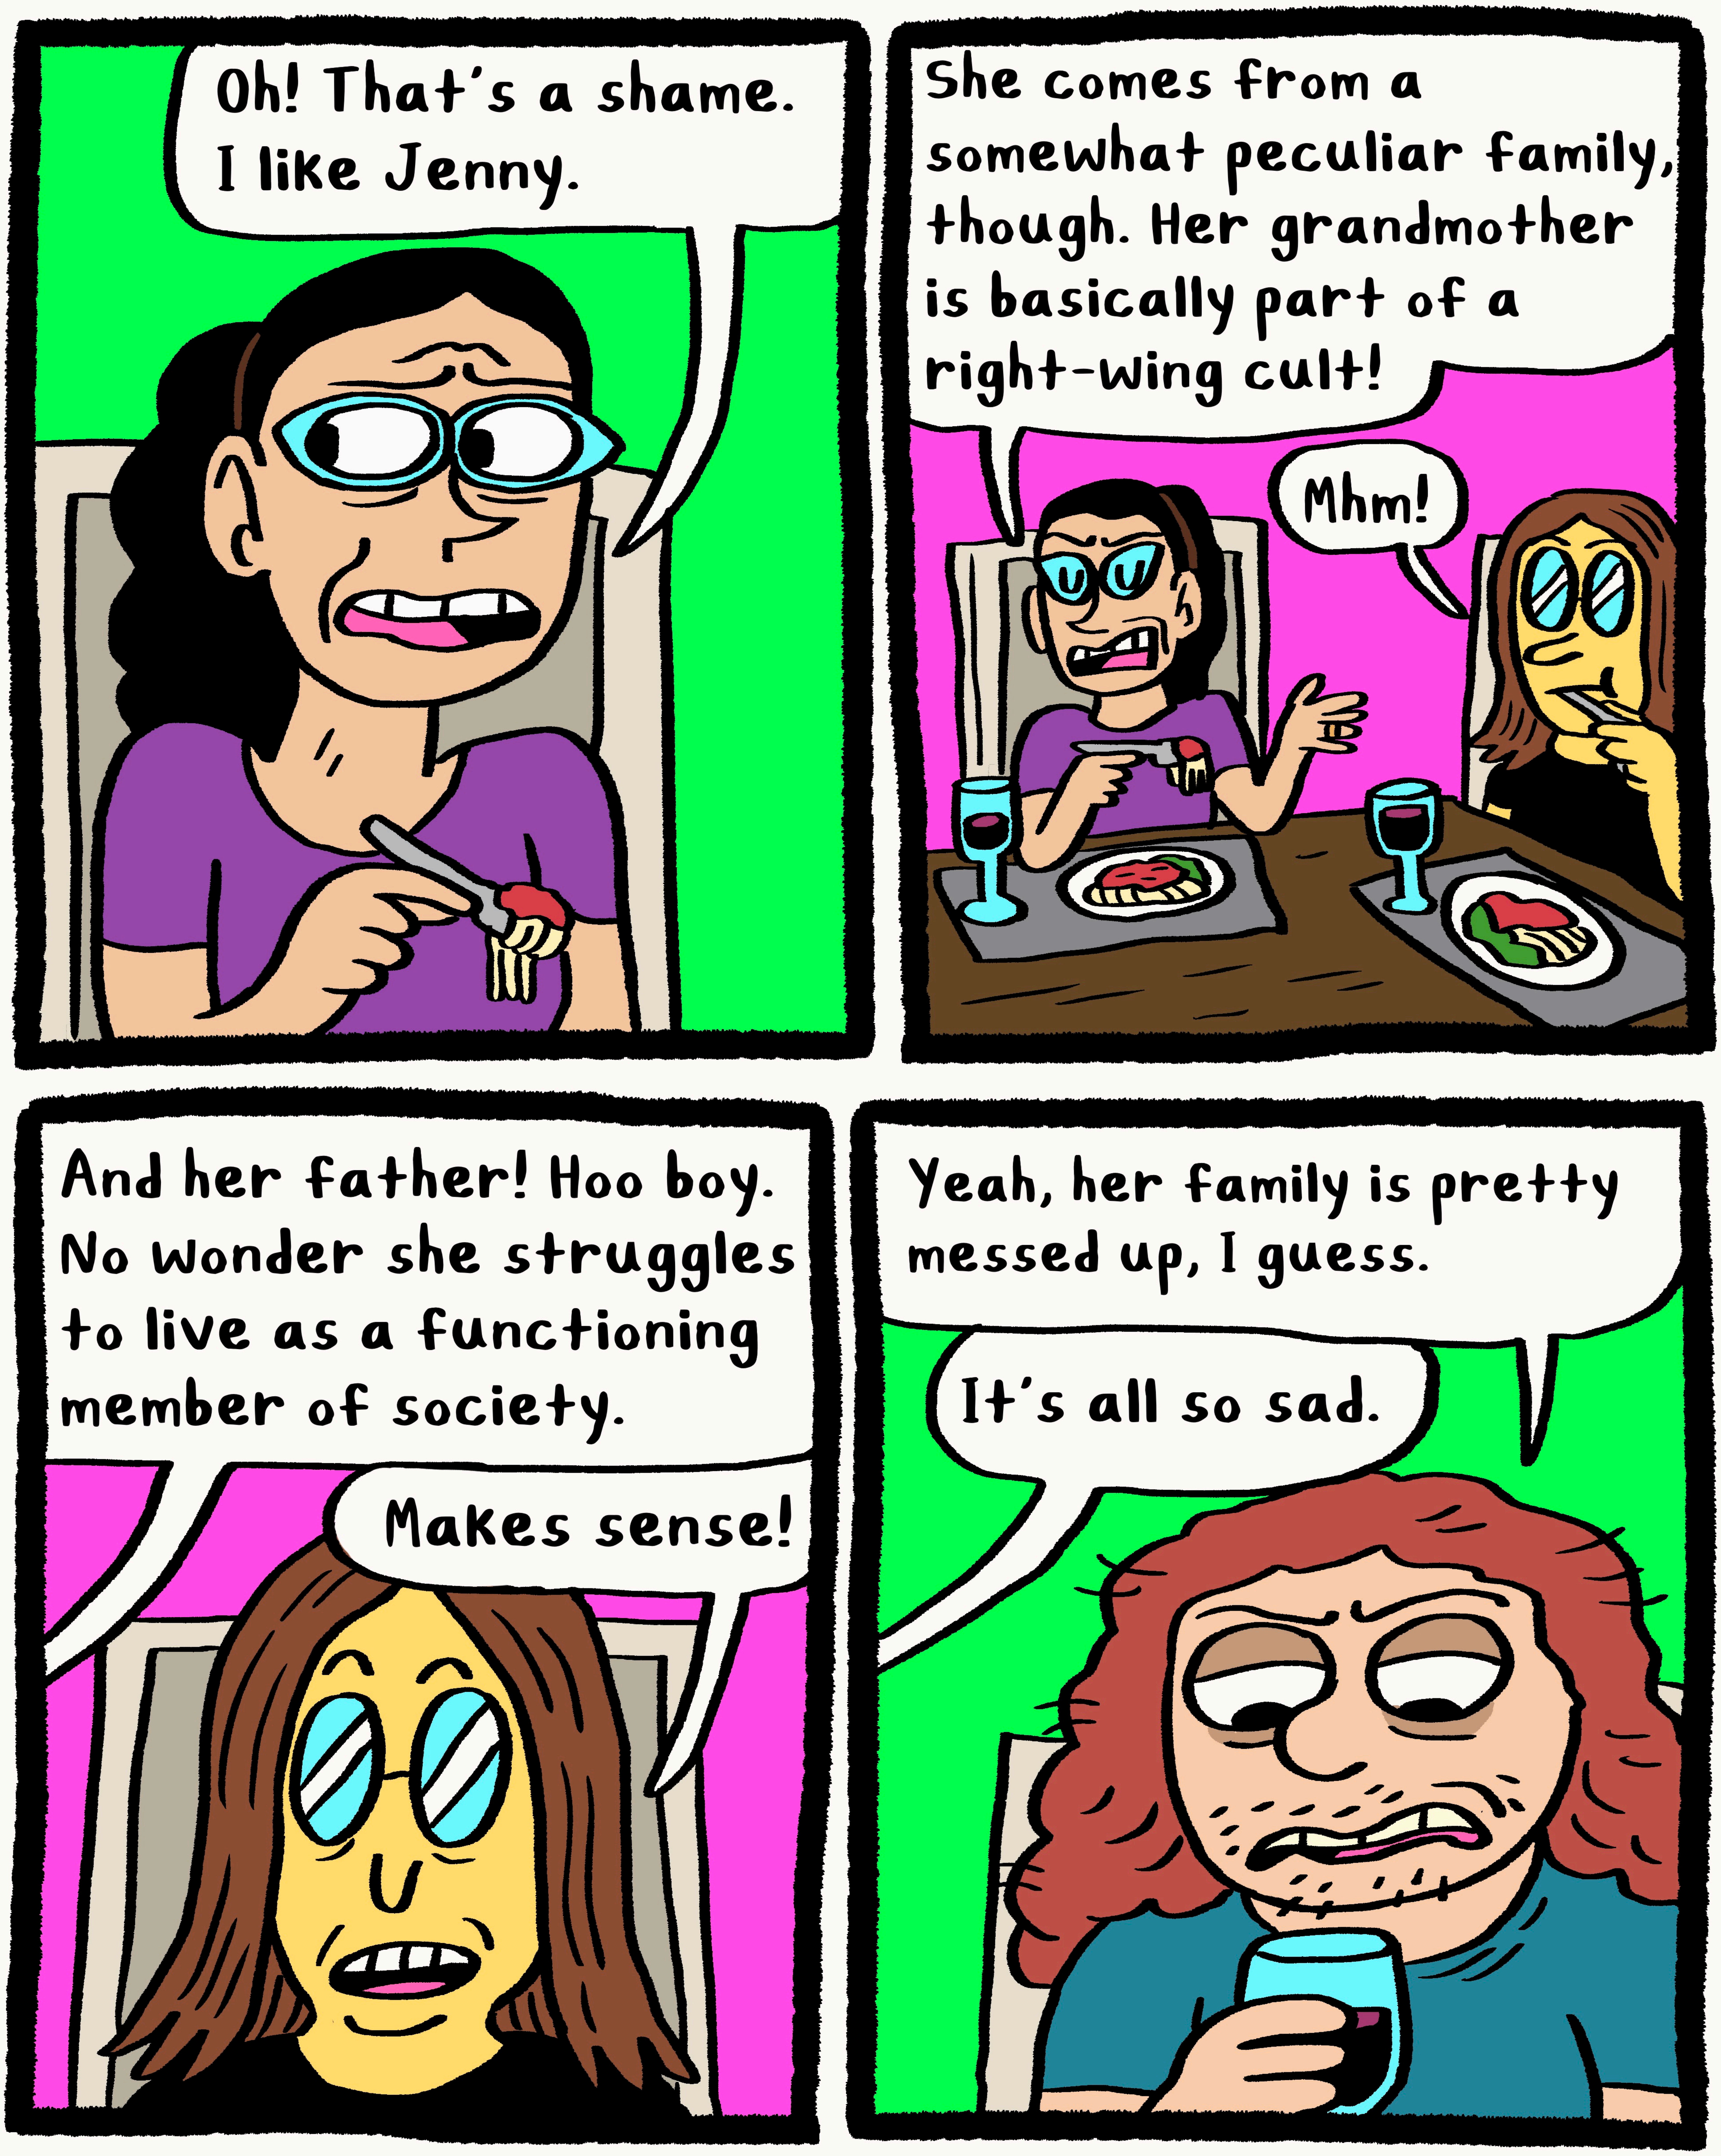
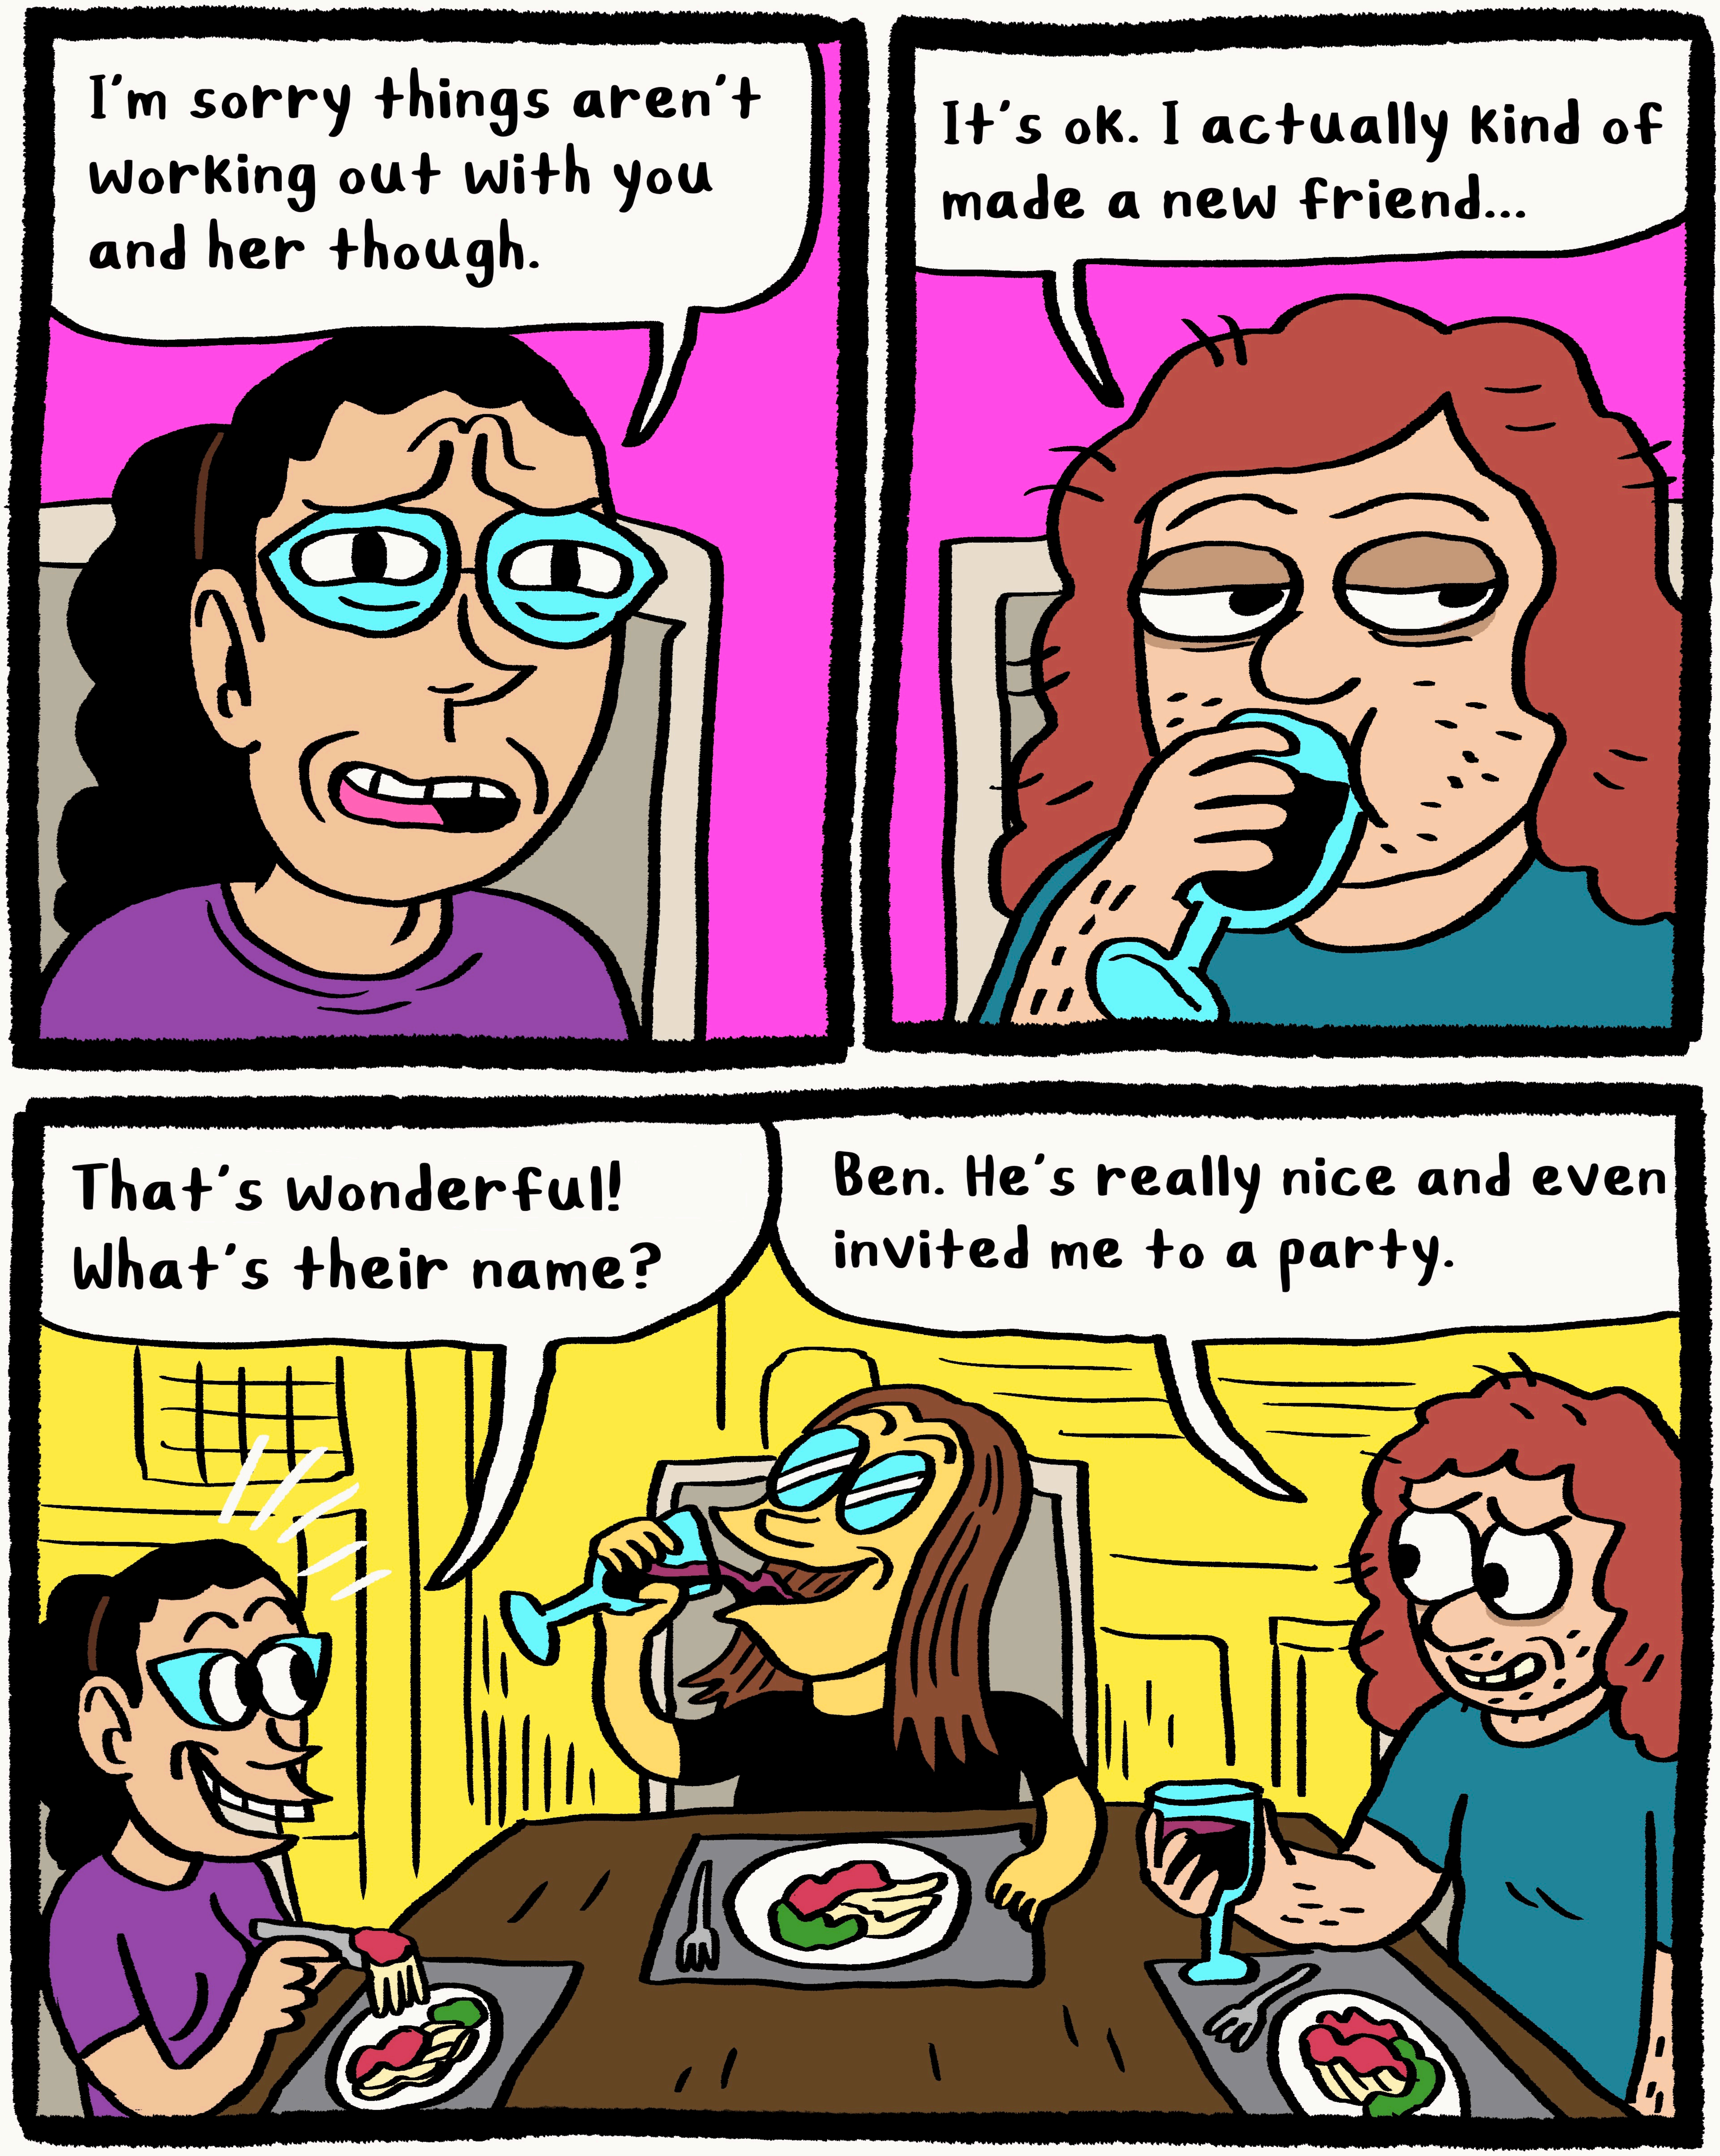
CHRIS VISITS THEIR MOMS FOR DINNER

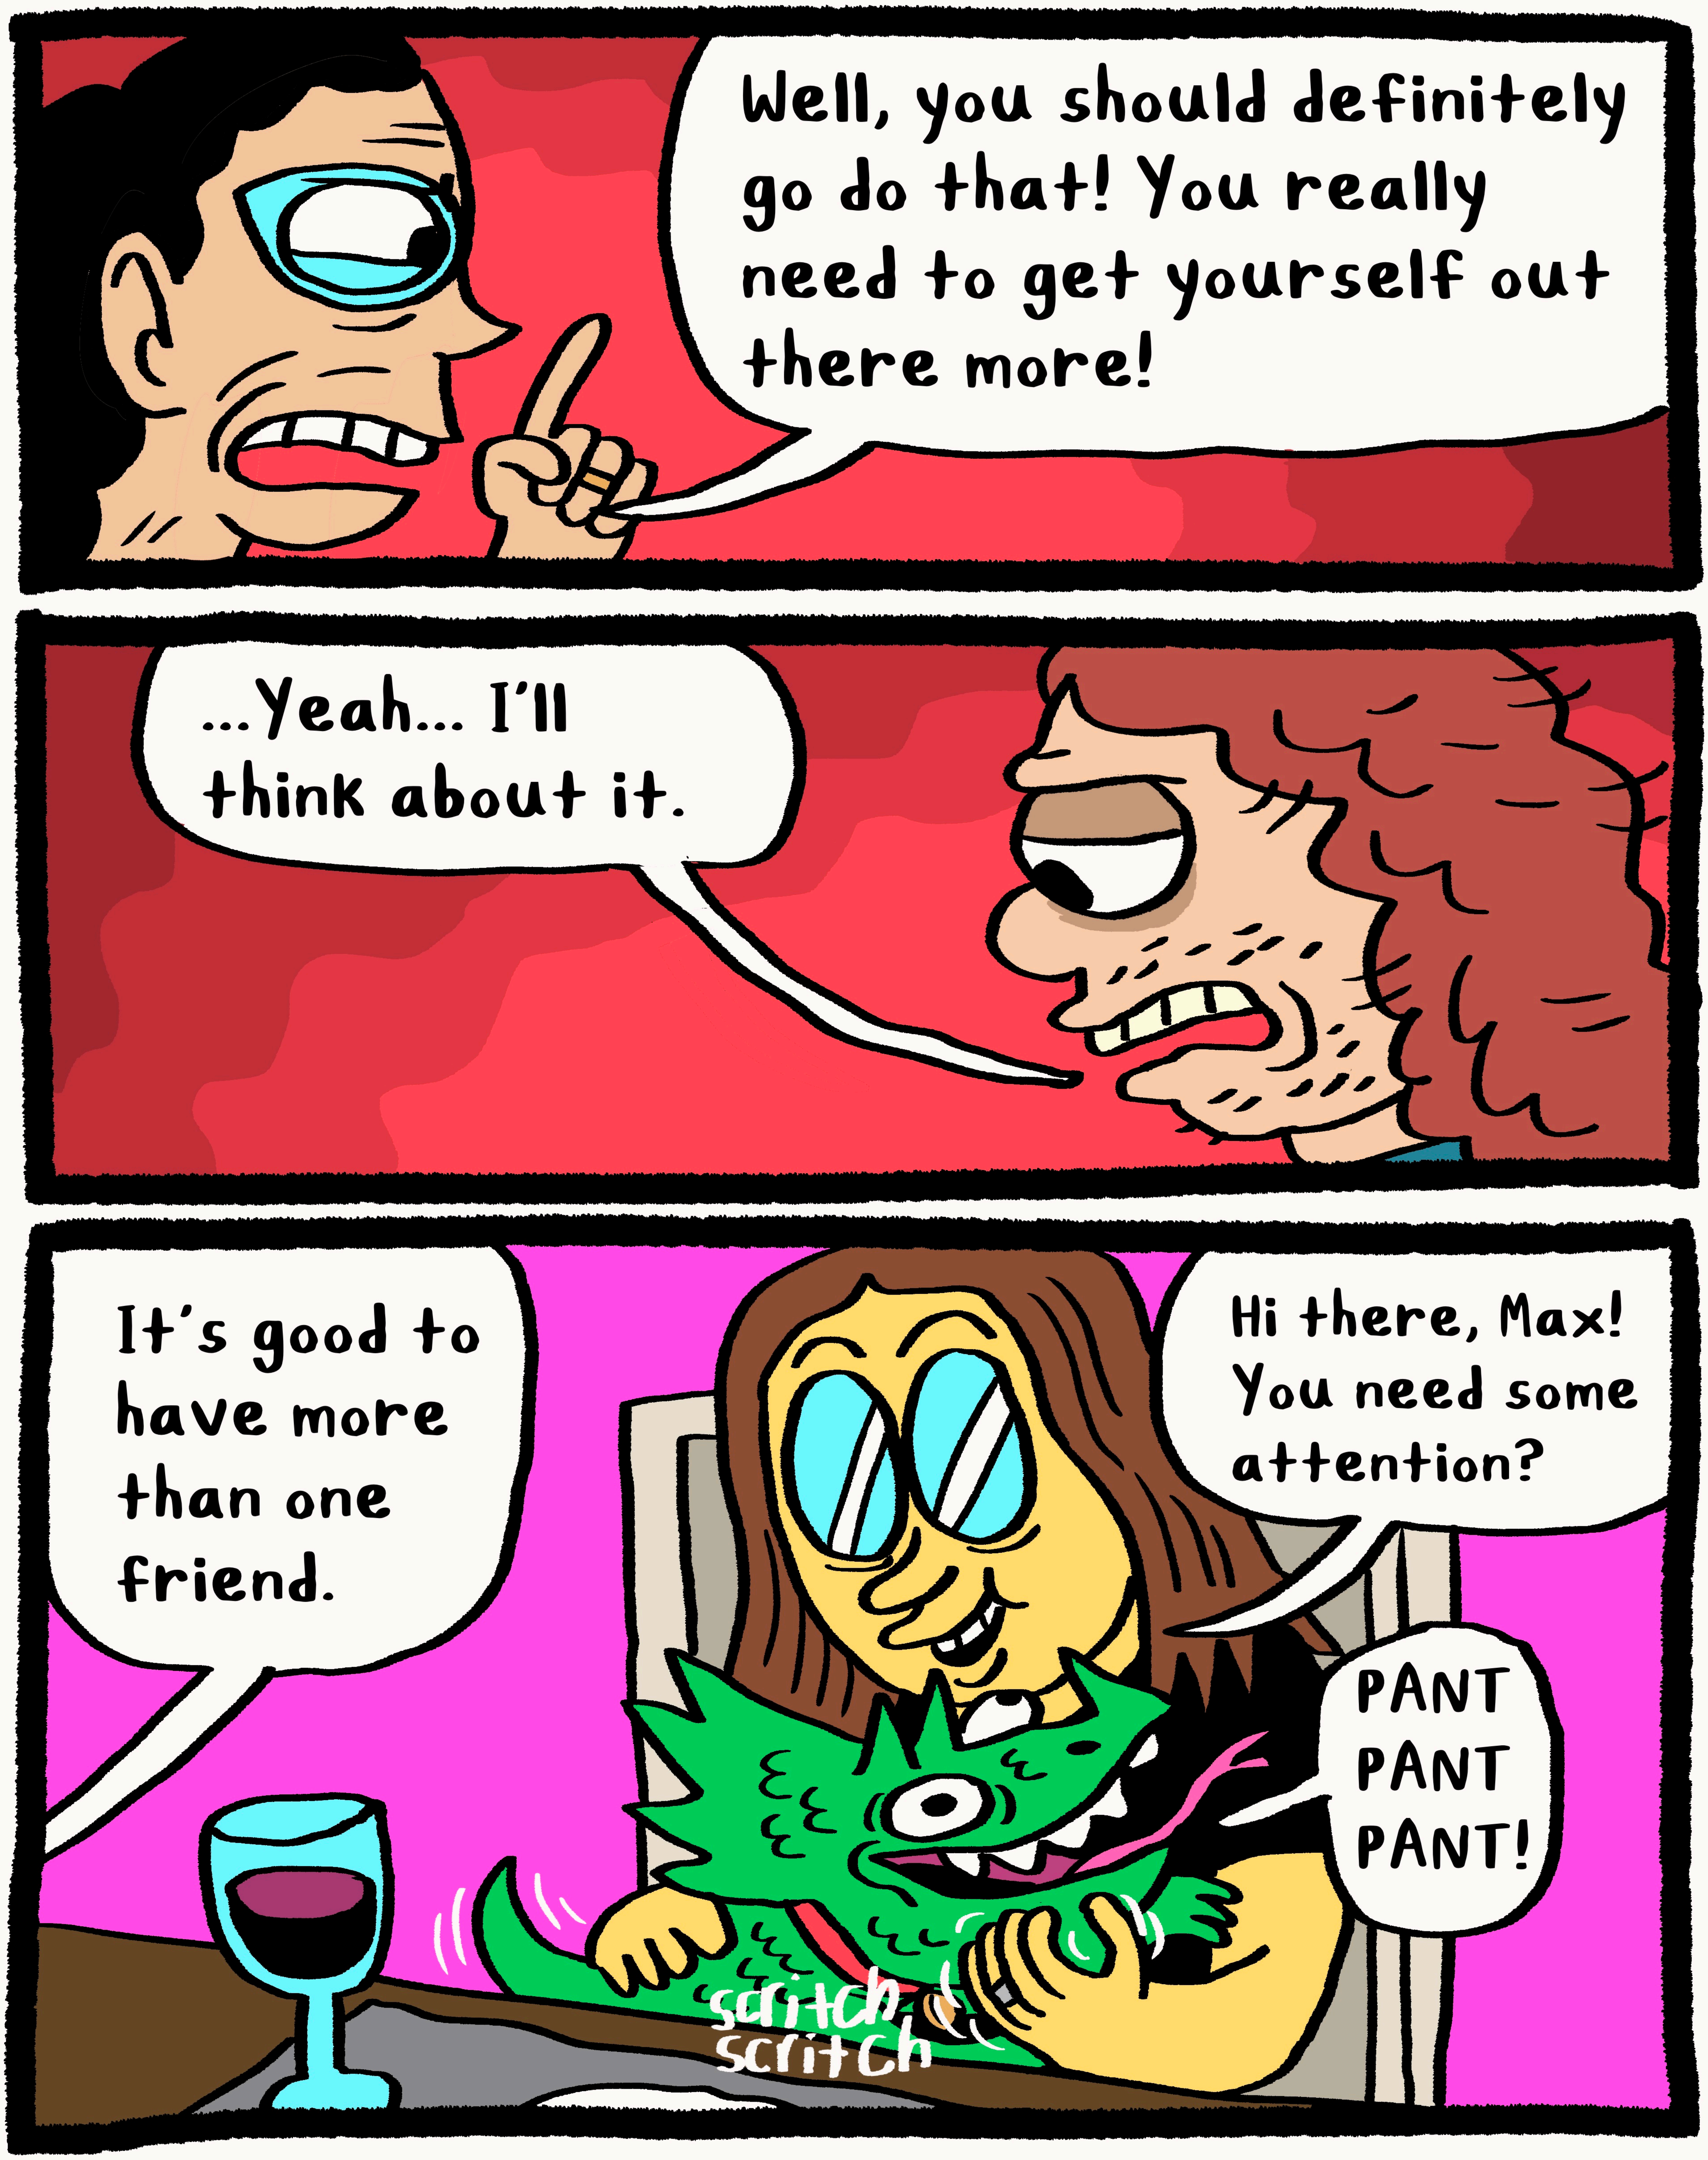
Written and illustrated by Raven Lyn Clemens



Oh! That's a shame. I like Jenny.
She comes from a somewhat peculiar family, though. Her grandmother is basically part of a right-wing cult!
Mhm!
And her father! Hoo boy. No wonder she struggles to live as a functioning member of society.
Makes sense!
Yeah, her family is pretty messed up, I guess.
It's all so sad.



I'm sorry things aren't working out with you and her though.
It's ok. I actually kind of made a new friend...
That's wonderful! What's their name?
Ben. He's really nice and even invited me to a party.



Well, you should definitely go do that! You really need to get yourself out there more!
...Yeah... I'll think about it.
It's good to have more than one friend.
Hi there, Max! You need some attention?
PANT PANT PANT!

OW! Why does my back always hurt?!

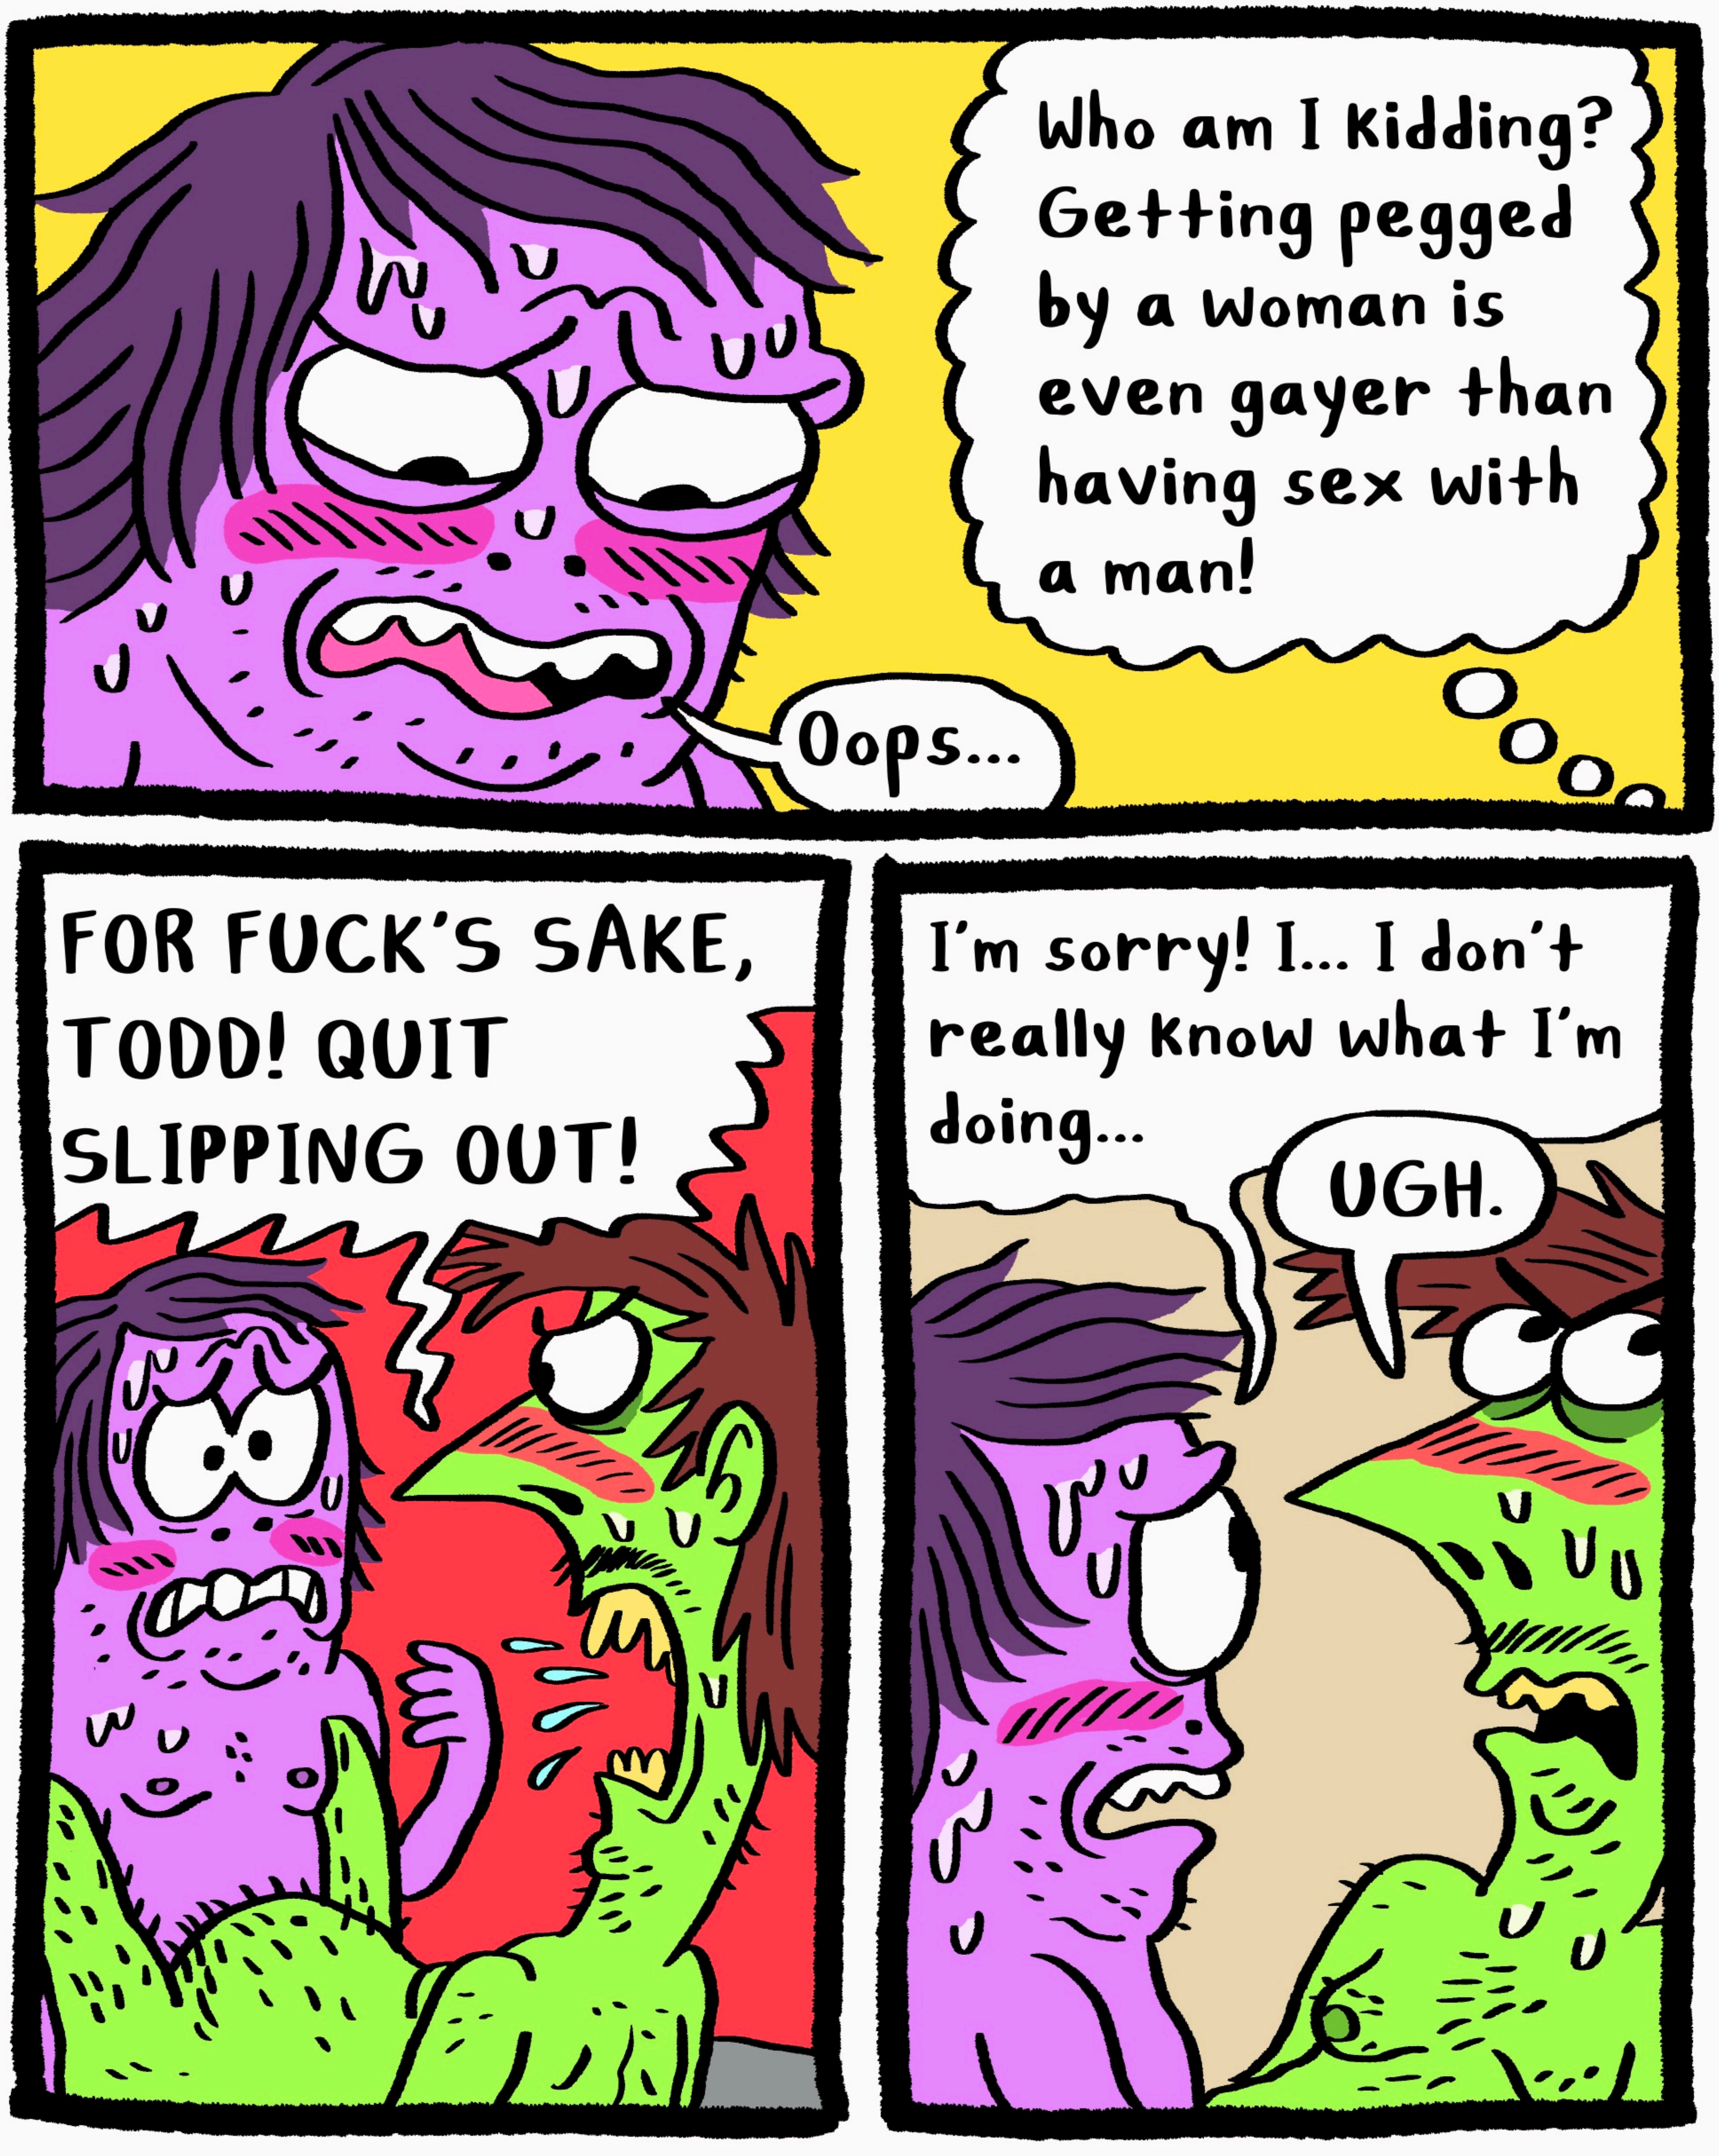
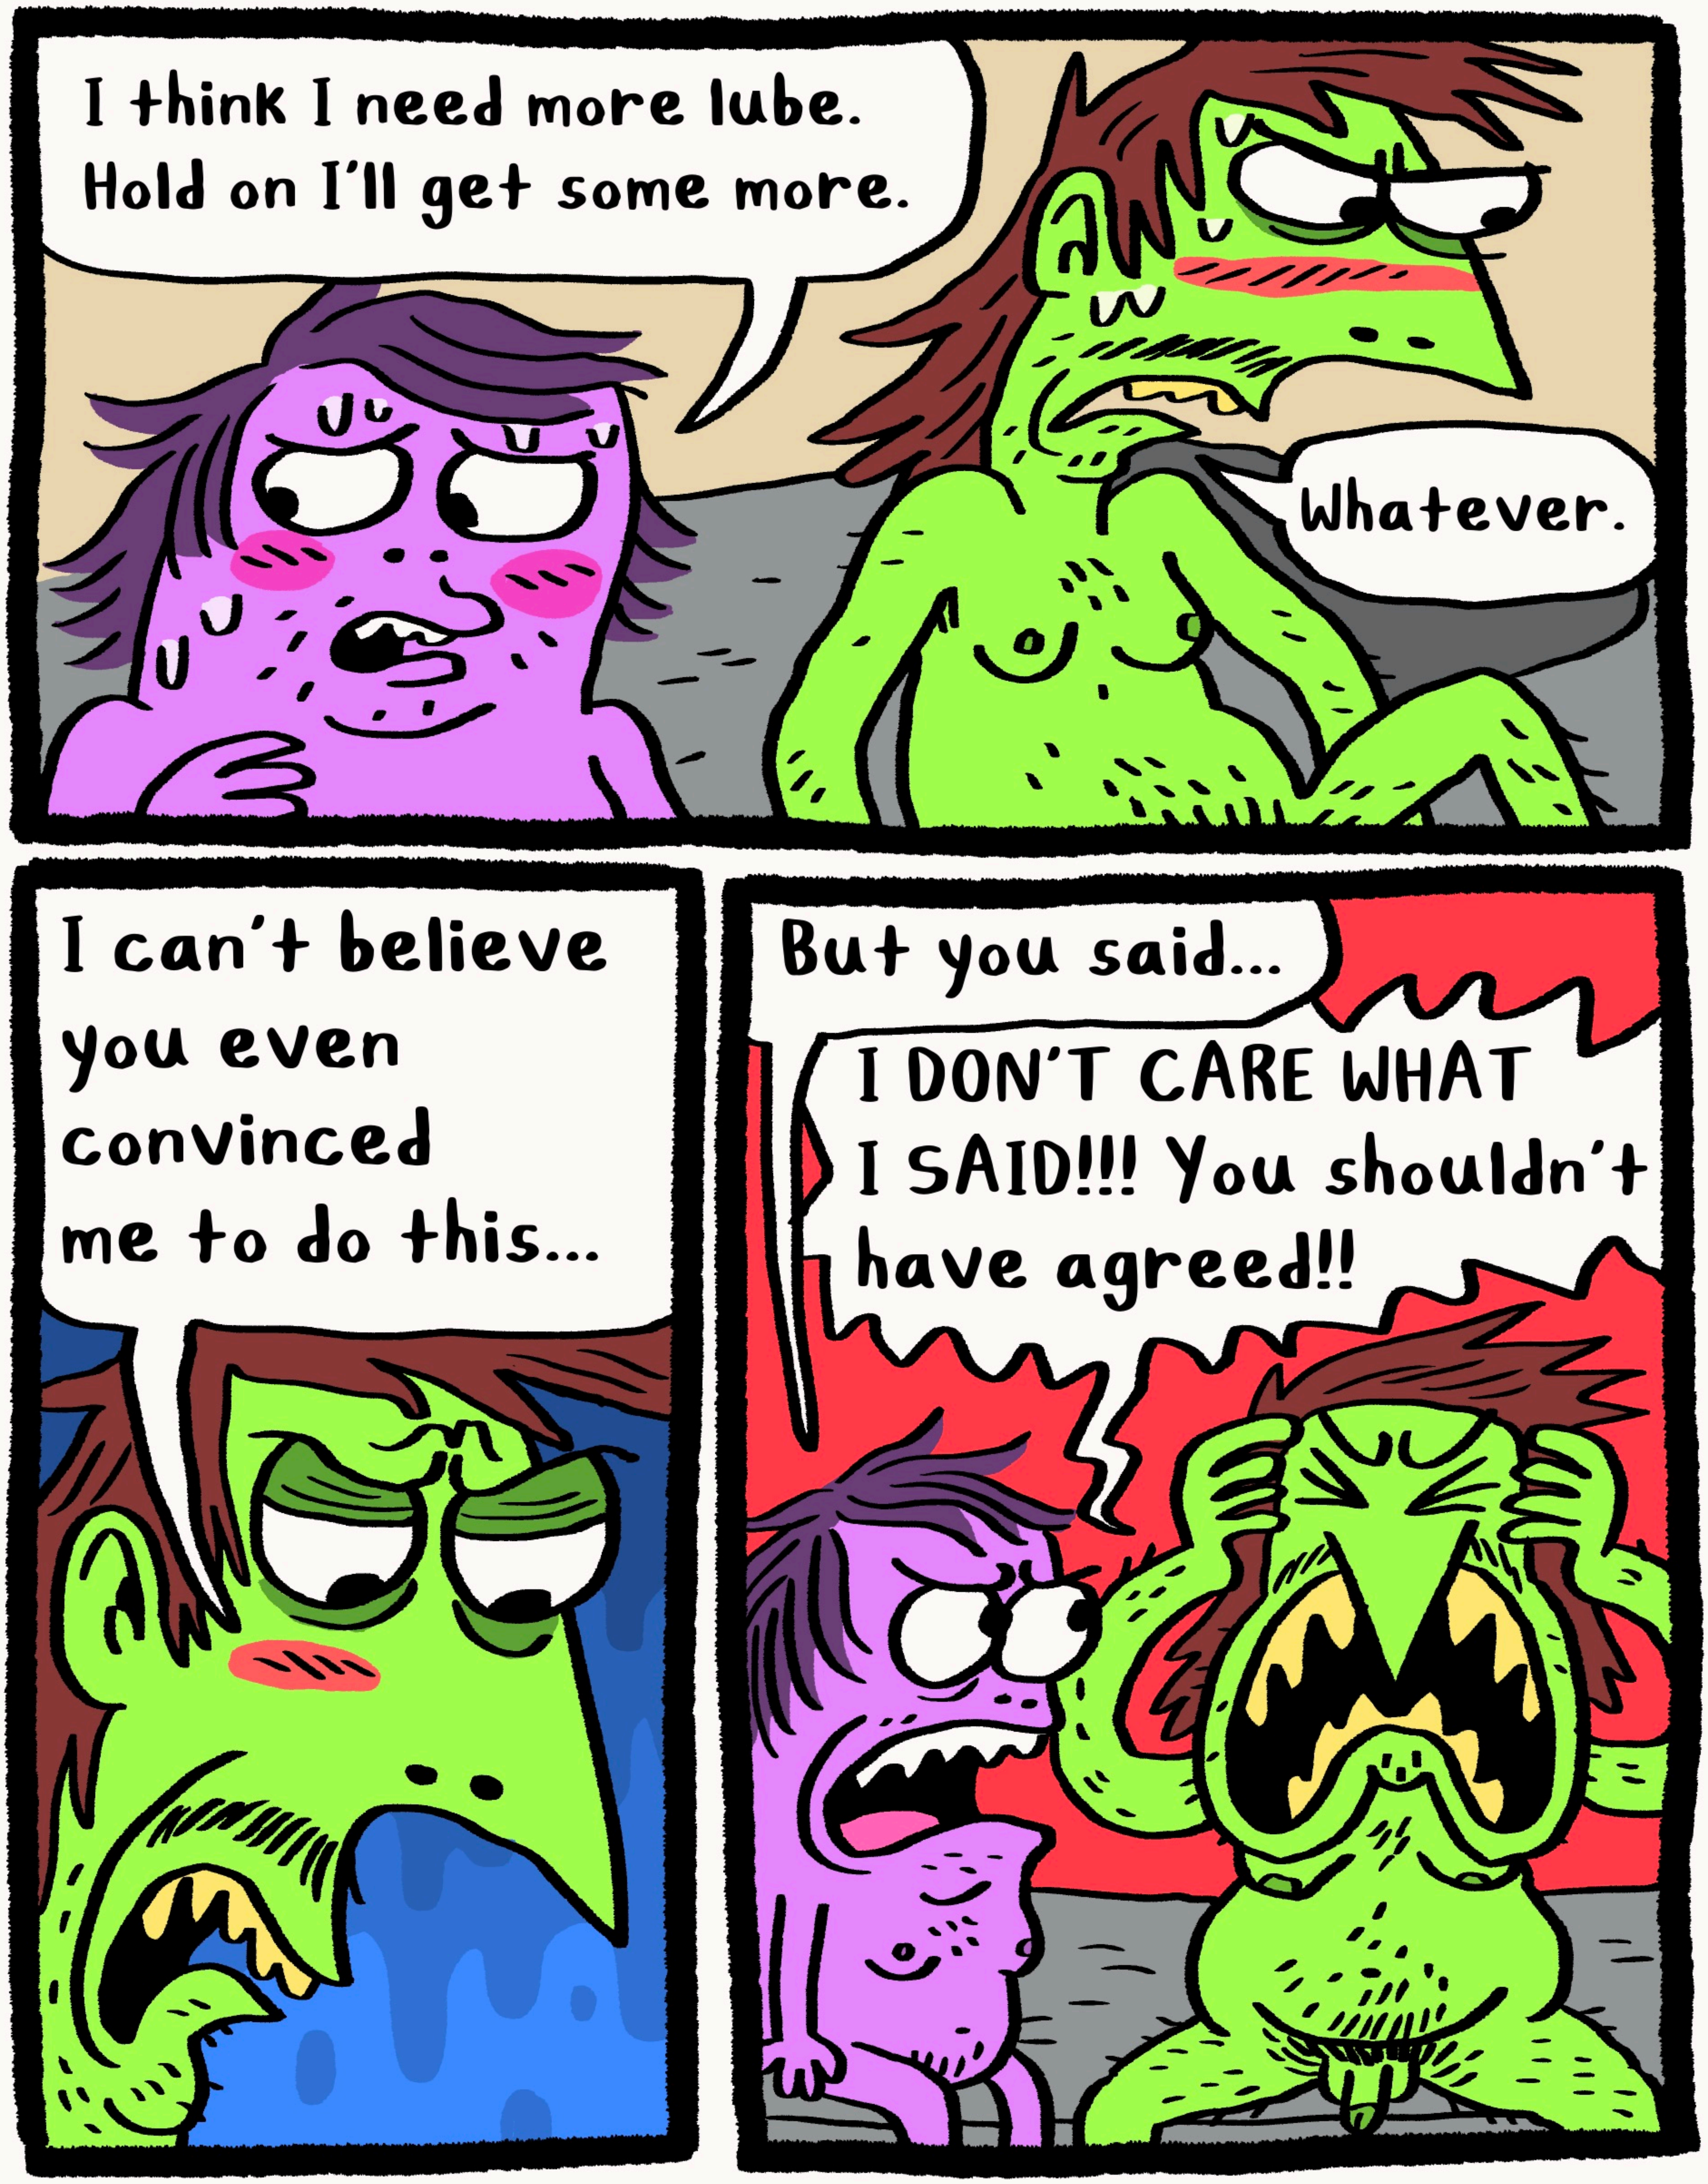
Just keep your eyes closed. If you keep your eyes closed, you can pretend that you're having sex with a woman!
Uhh...
Uh..
This is normal! You're a normal straight man getting fucked in the ass by a woman!
Uuhh...

KEVIN AND TODD HAVE SEX

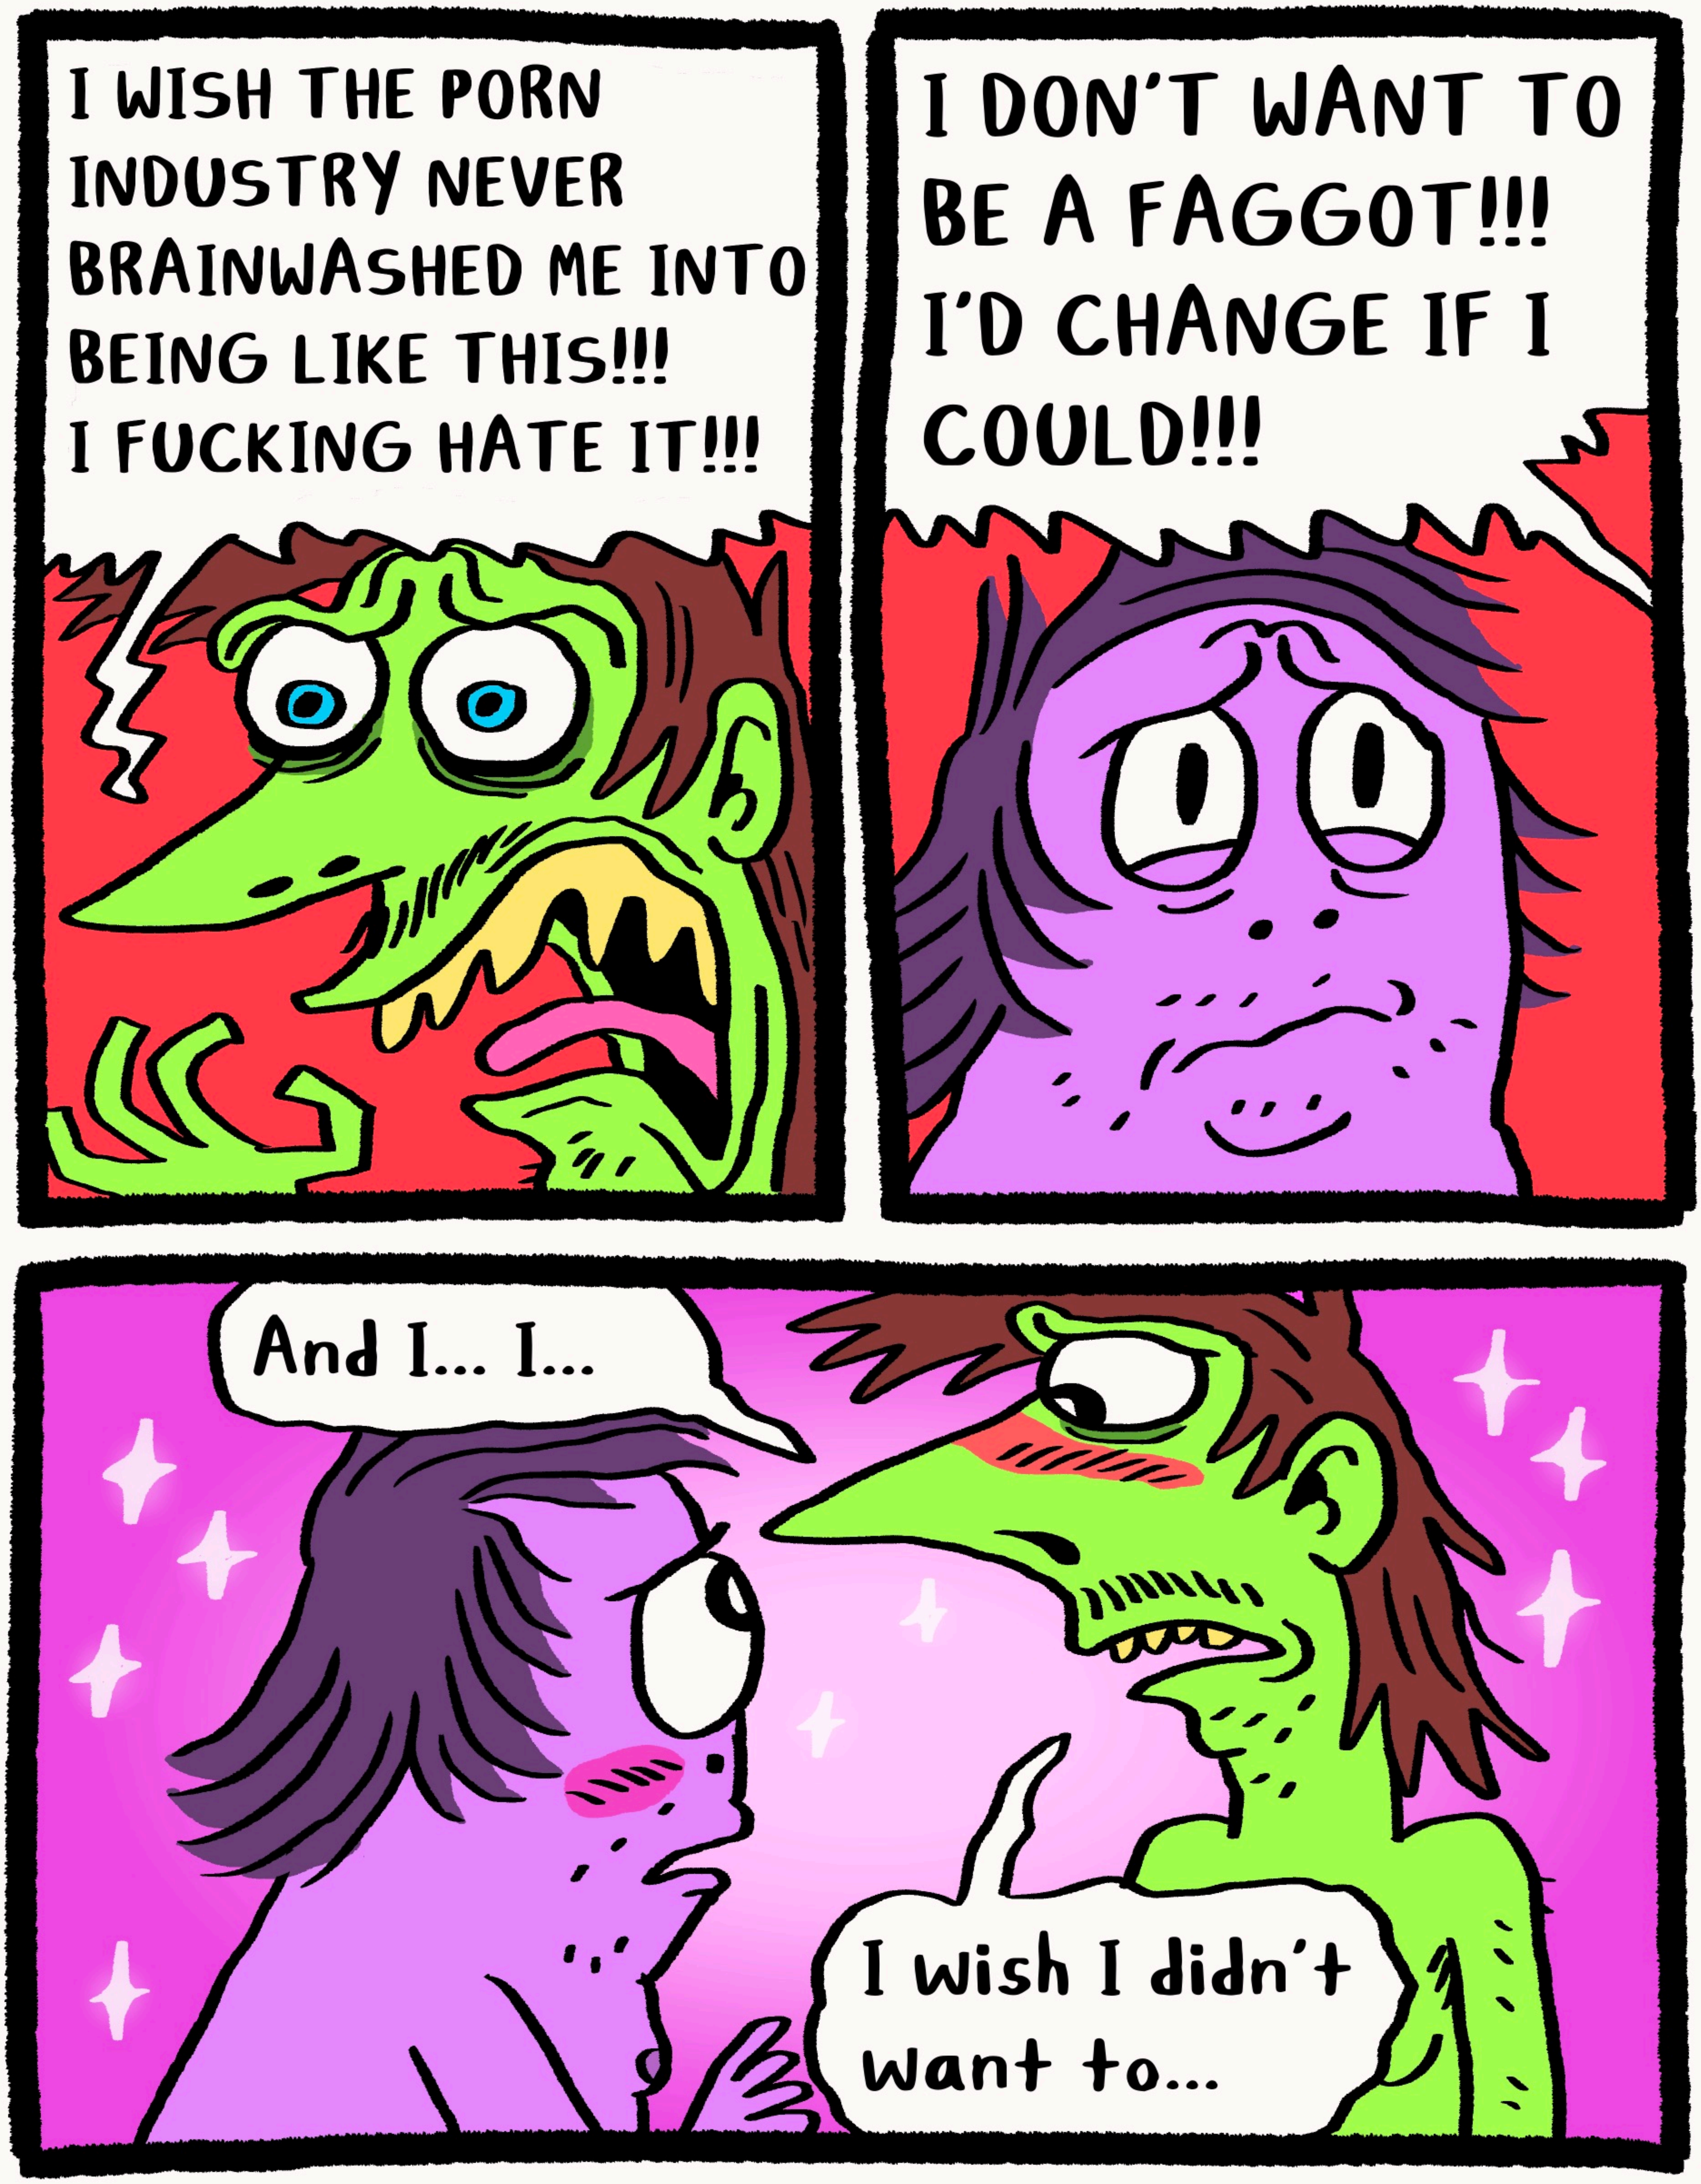
Written and illustrated by Raven Lyn Clemens.



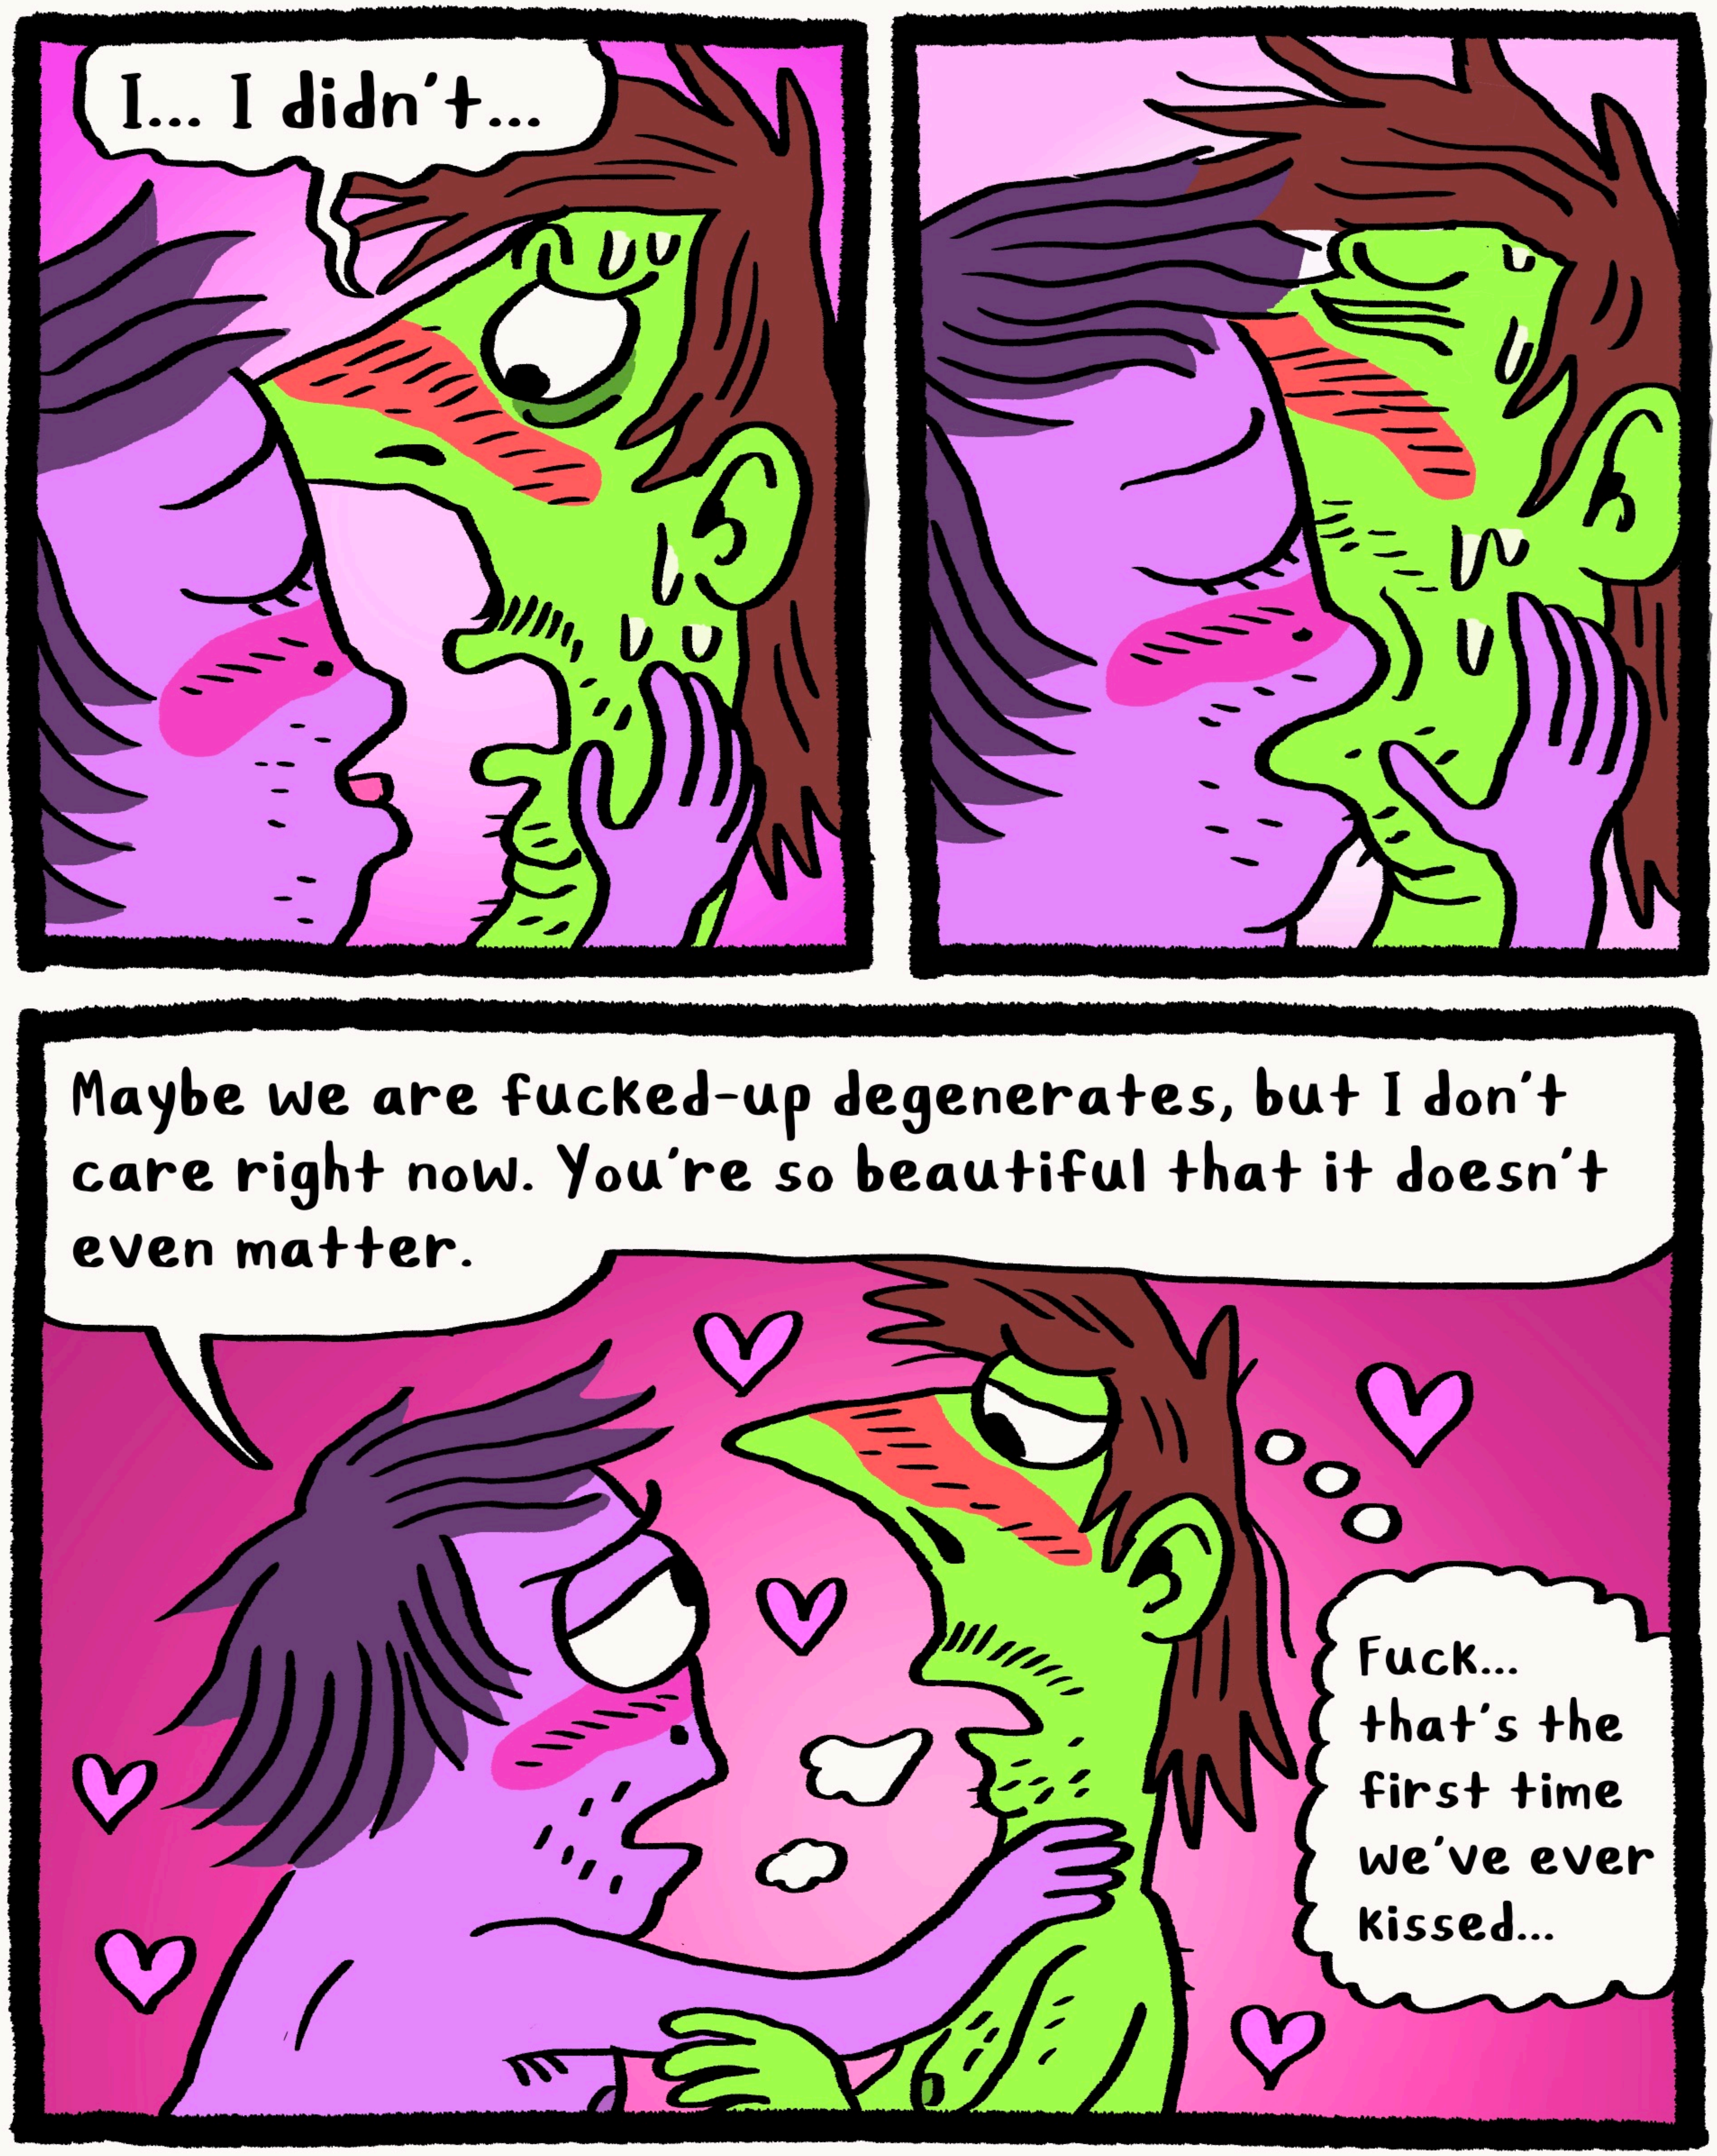
Who am I kidding? Getting pegged by a woman is even gayer than having sex with a man!
Oops...
FOR FUCK'S SAKE, TODD! QUIT SLIPPING OUT!
I'm sorry! I... I don't really know what I'm doing...
UGH.



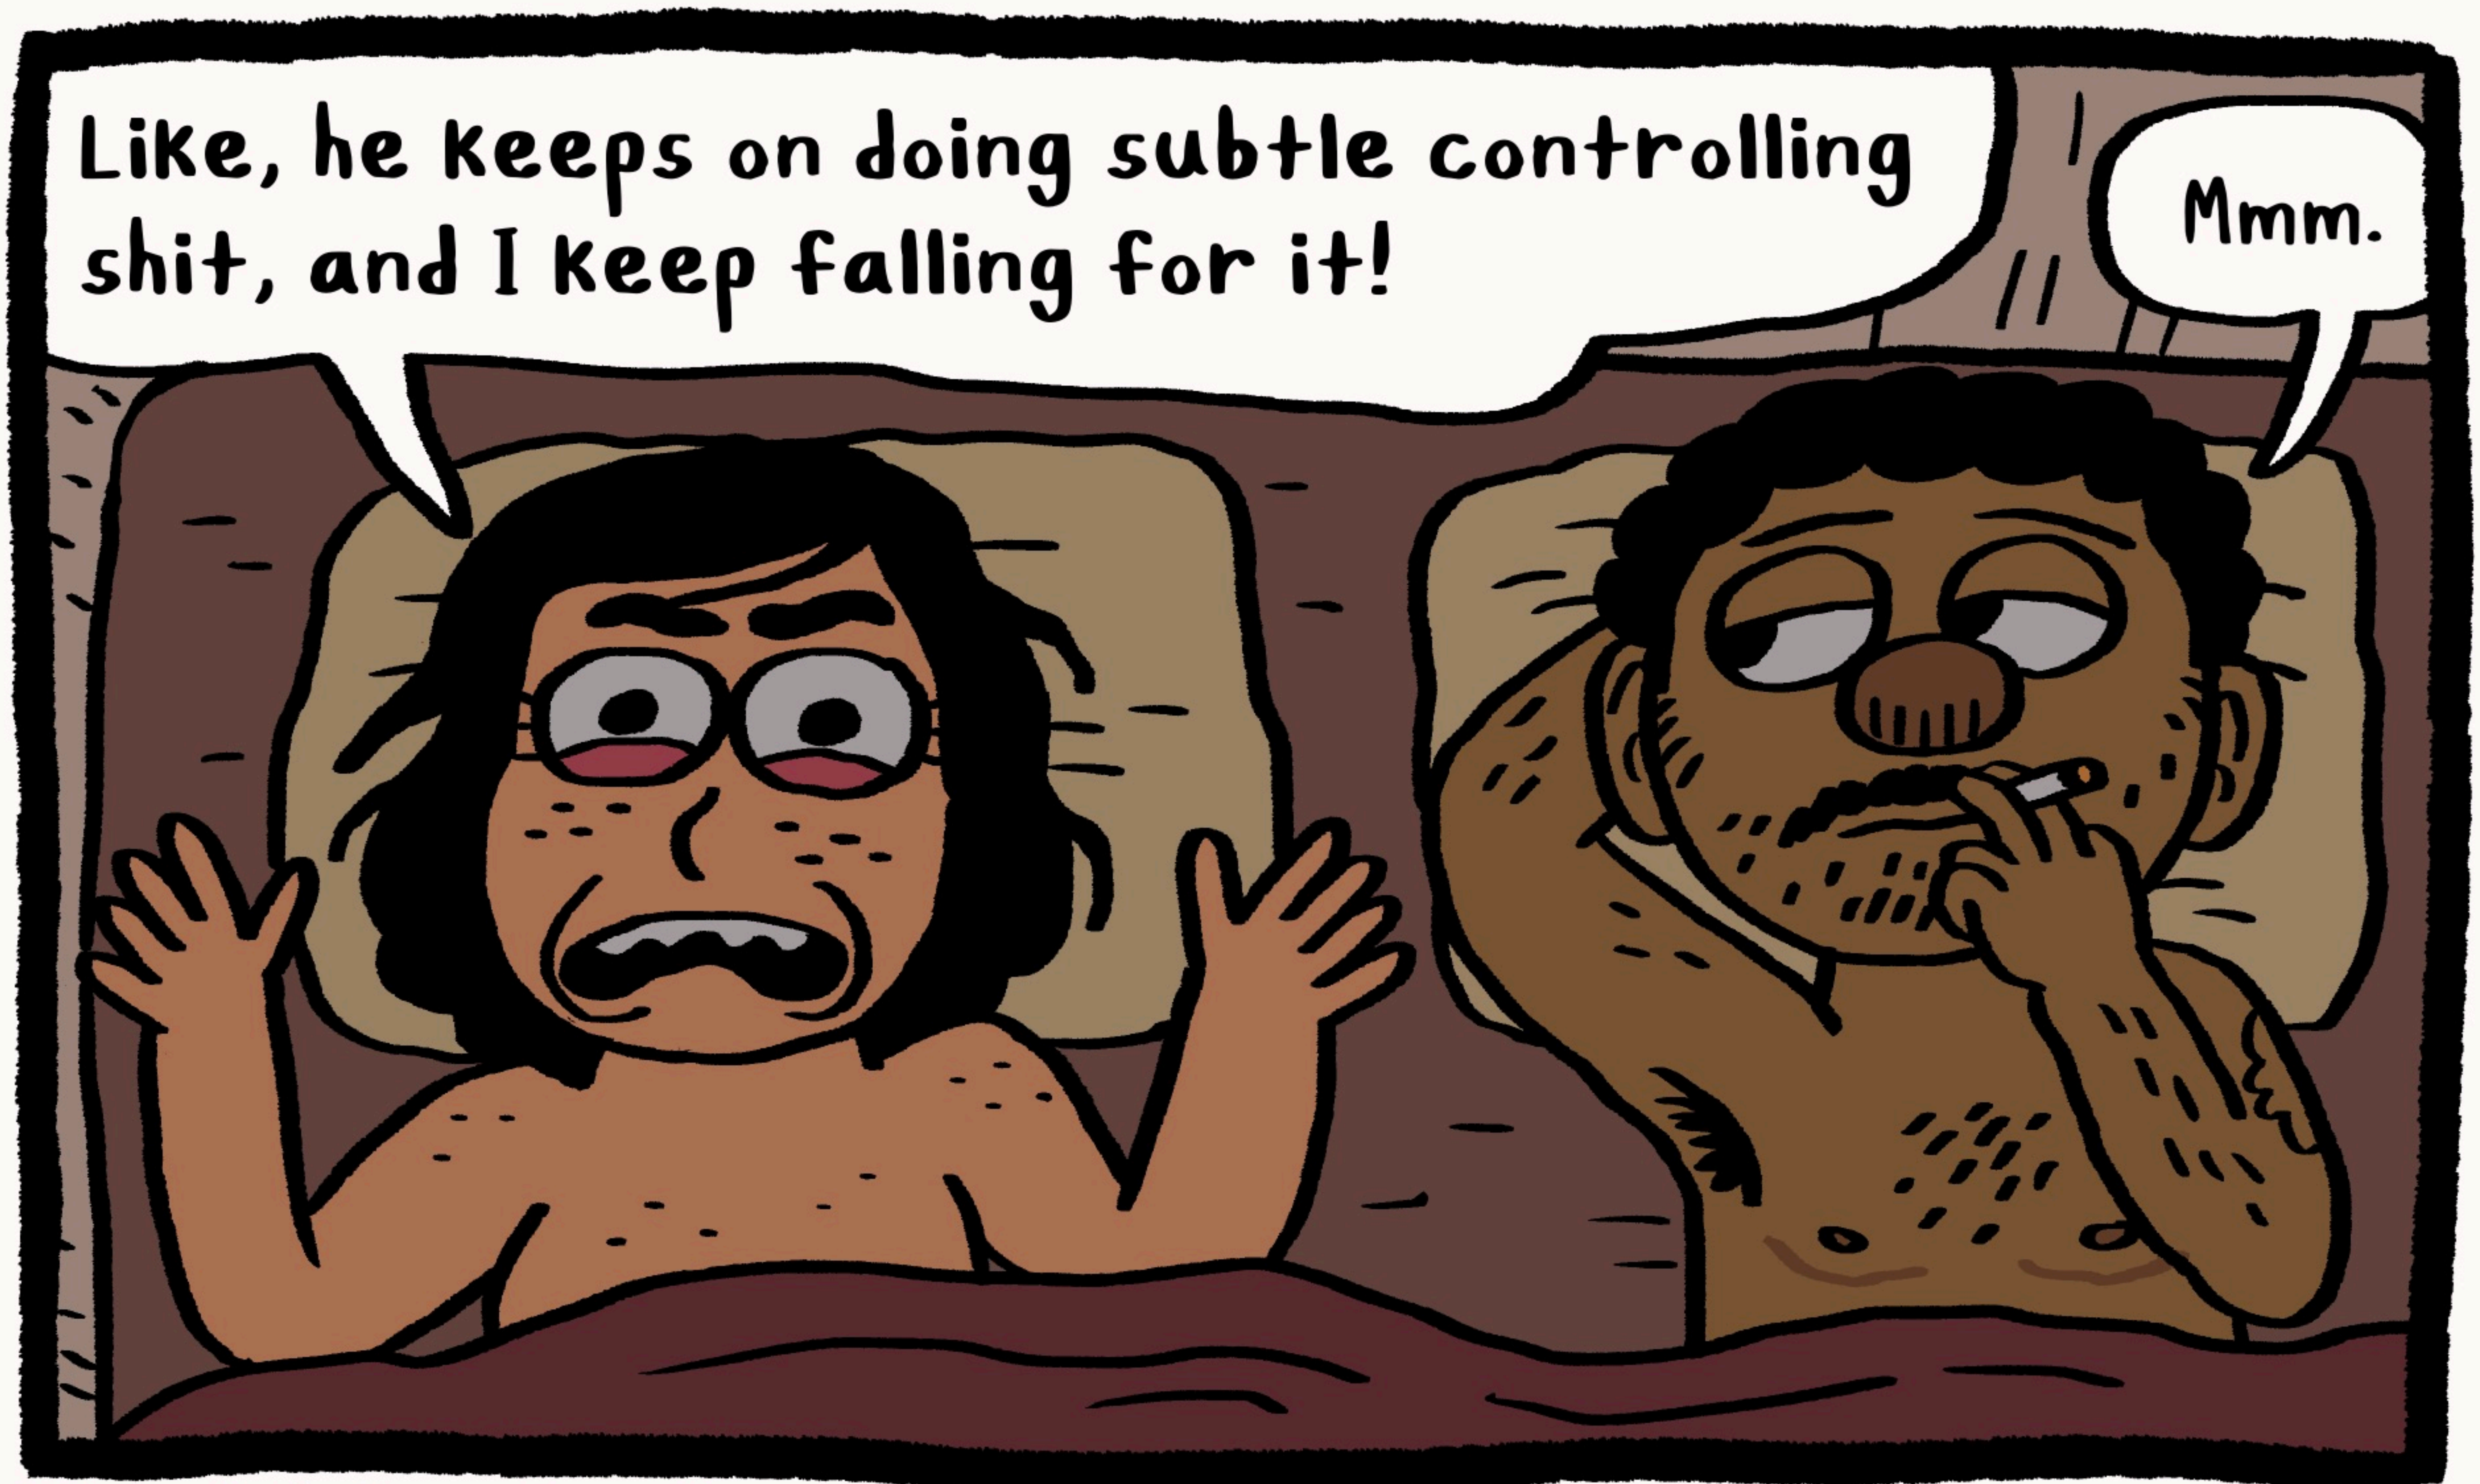
I think I need more lube. Hold on I'll get some more.
Whatever.
I can't believe you even convinced me to do this...
But you said...
I DON'T CARE WHAT I SAID!!! You shouldn't have agreed!!



I WISH THE PORN INDUSTRY NEVER BRAINWASHED ME INTO BEING LIKE THIS!!! I FUCKING HATE IT!!!
I DON'T WANT TO BE A FAGGOT!!! I'D CHANGE IF I COULD!!!
And I... I...
I wish I didn't want to...



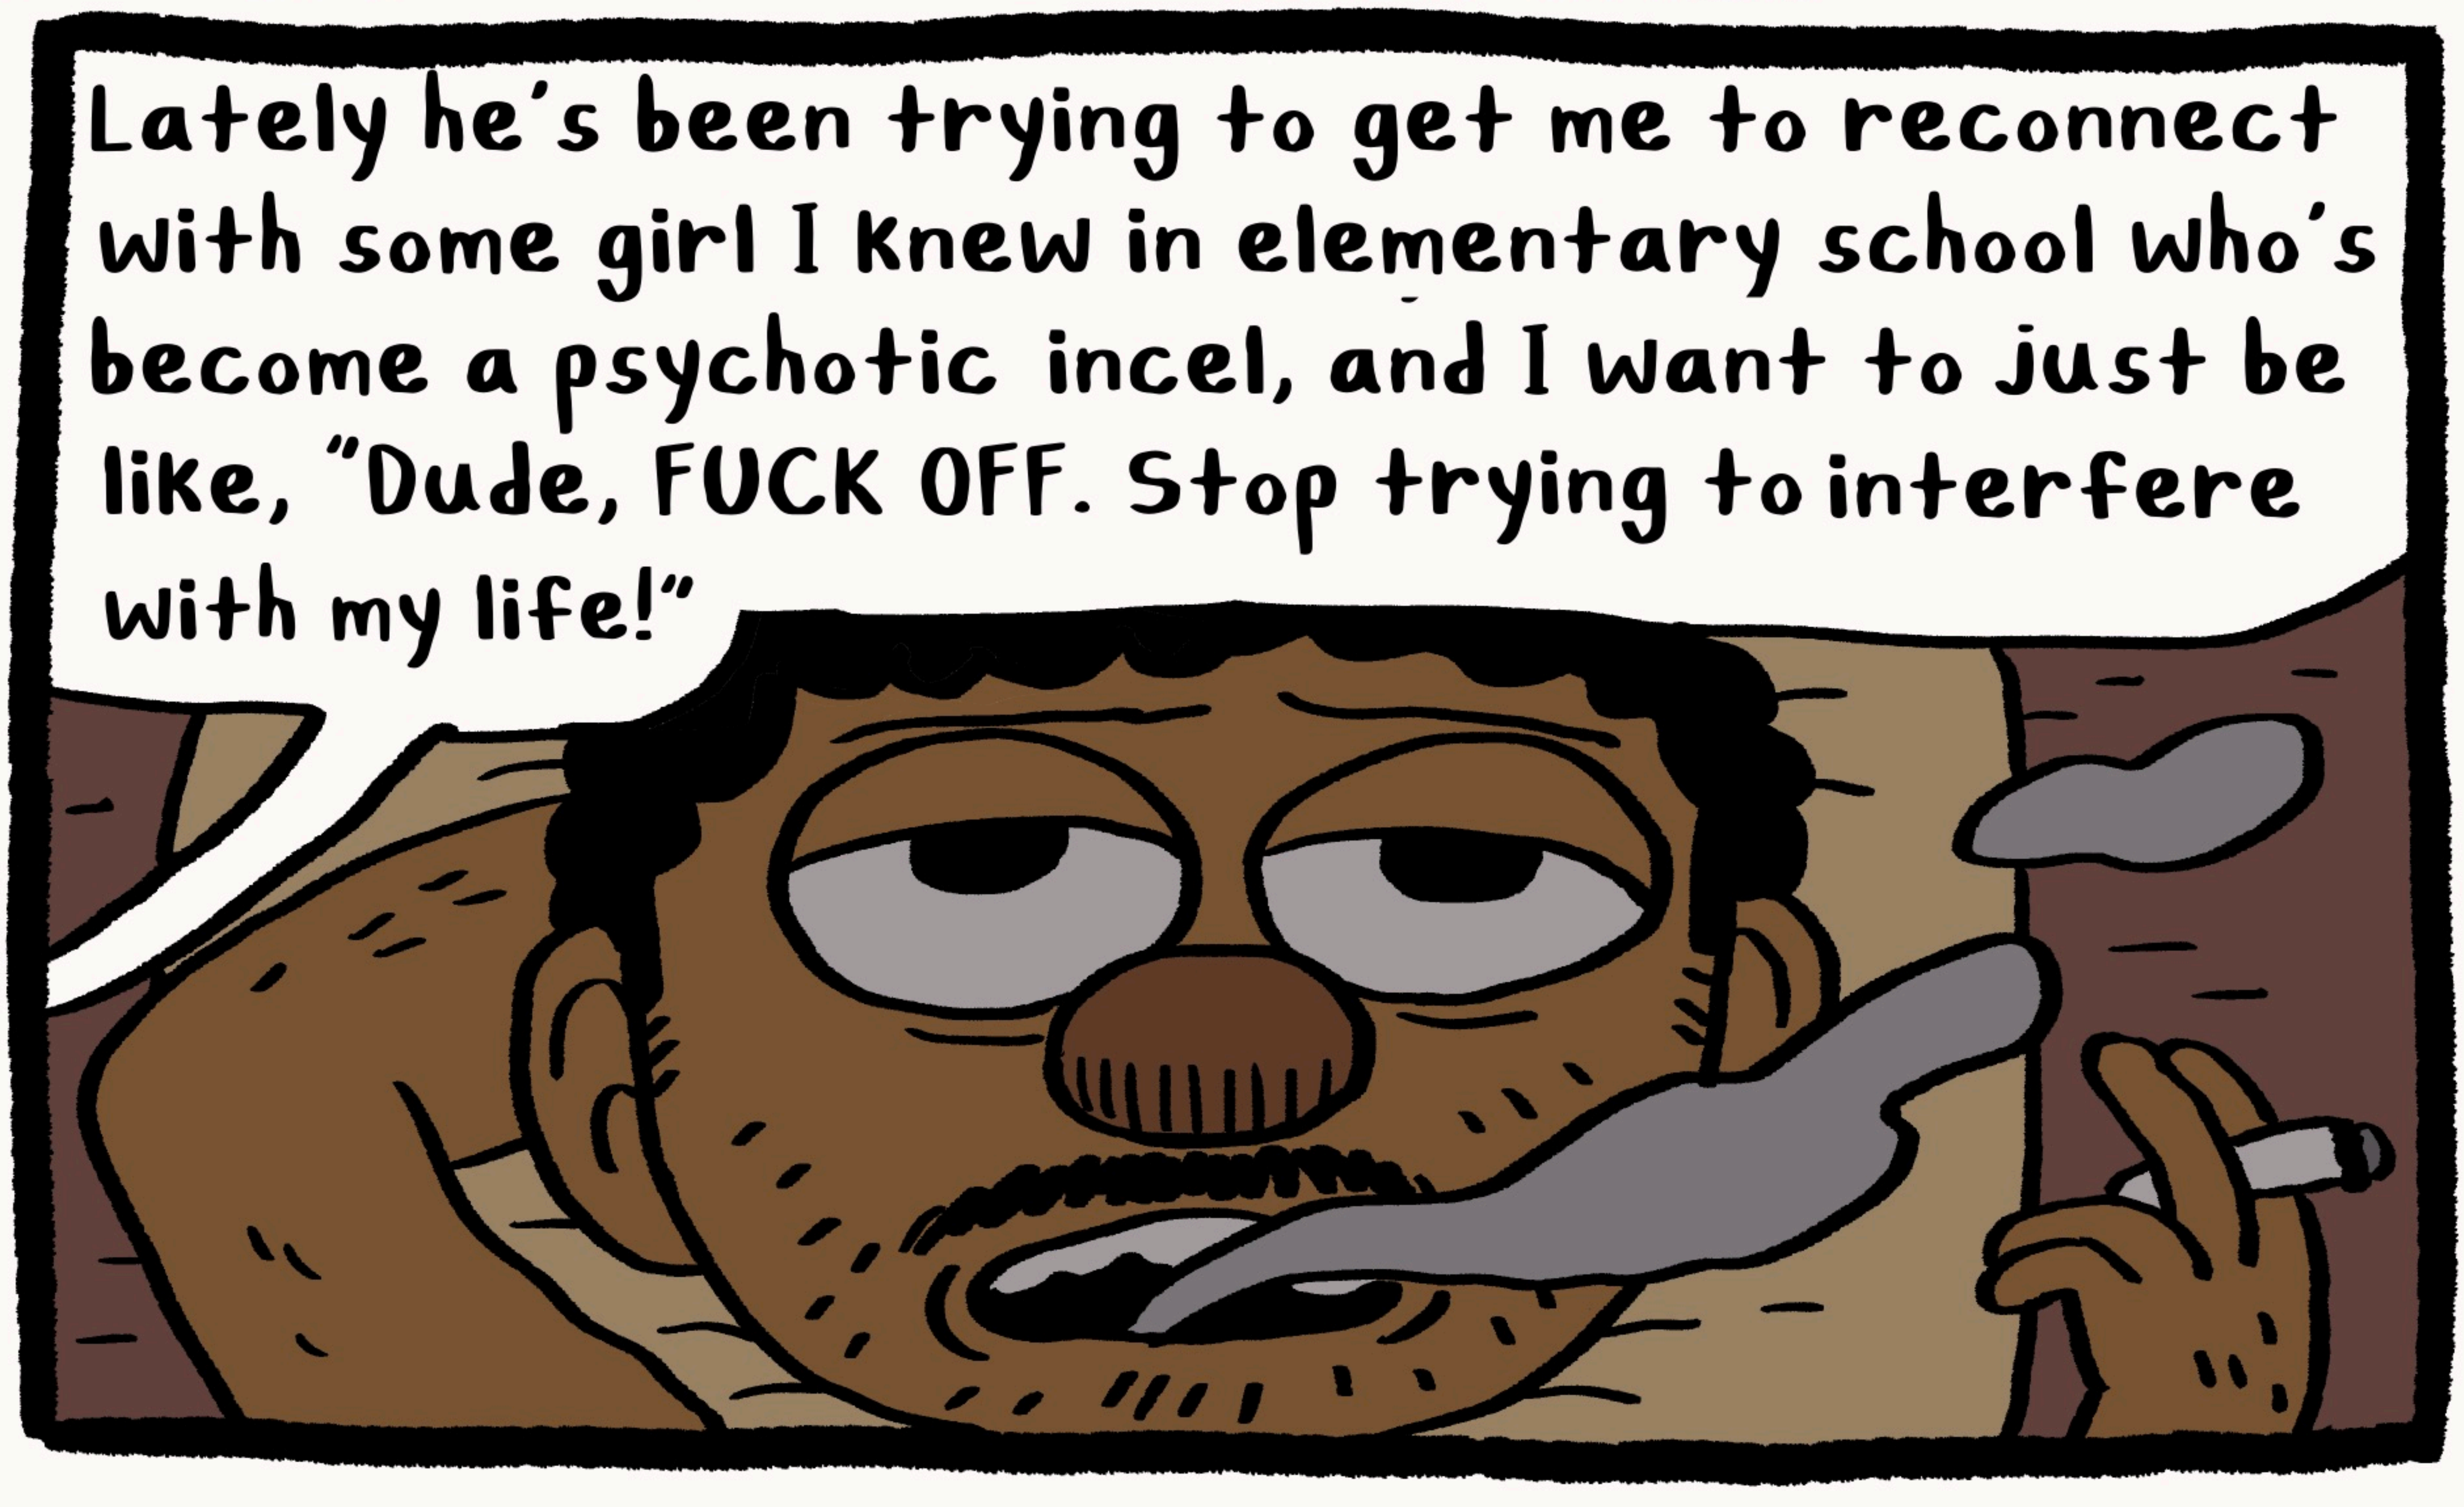
I... I didn't...
Maybe we are fucked-up degenerates, but I don't care right now. You're so beautiful that it doesn't even matter.
Fuck... that's the first time we've ever kissed...



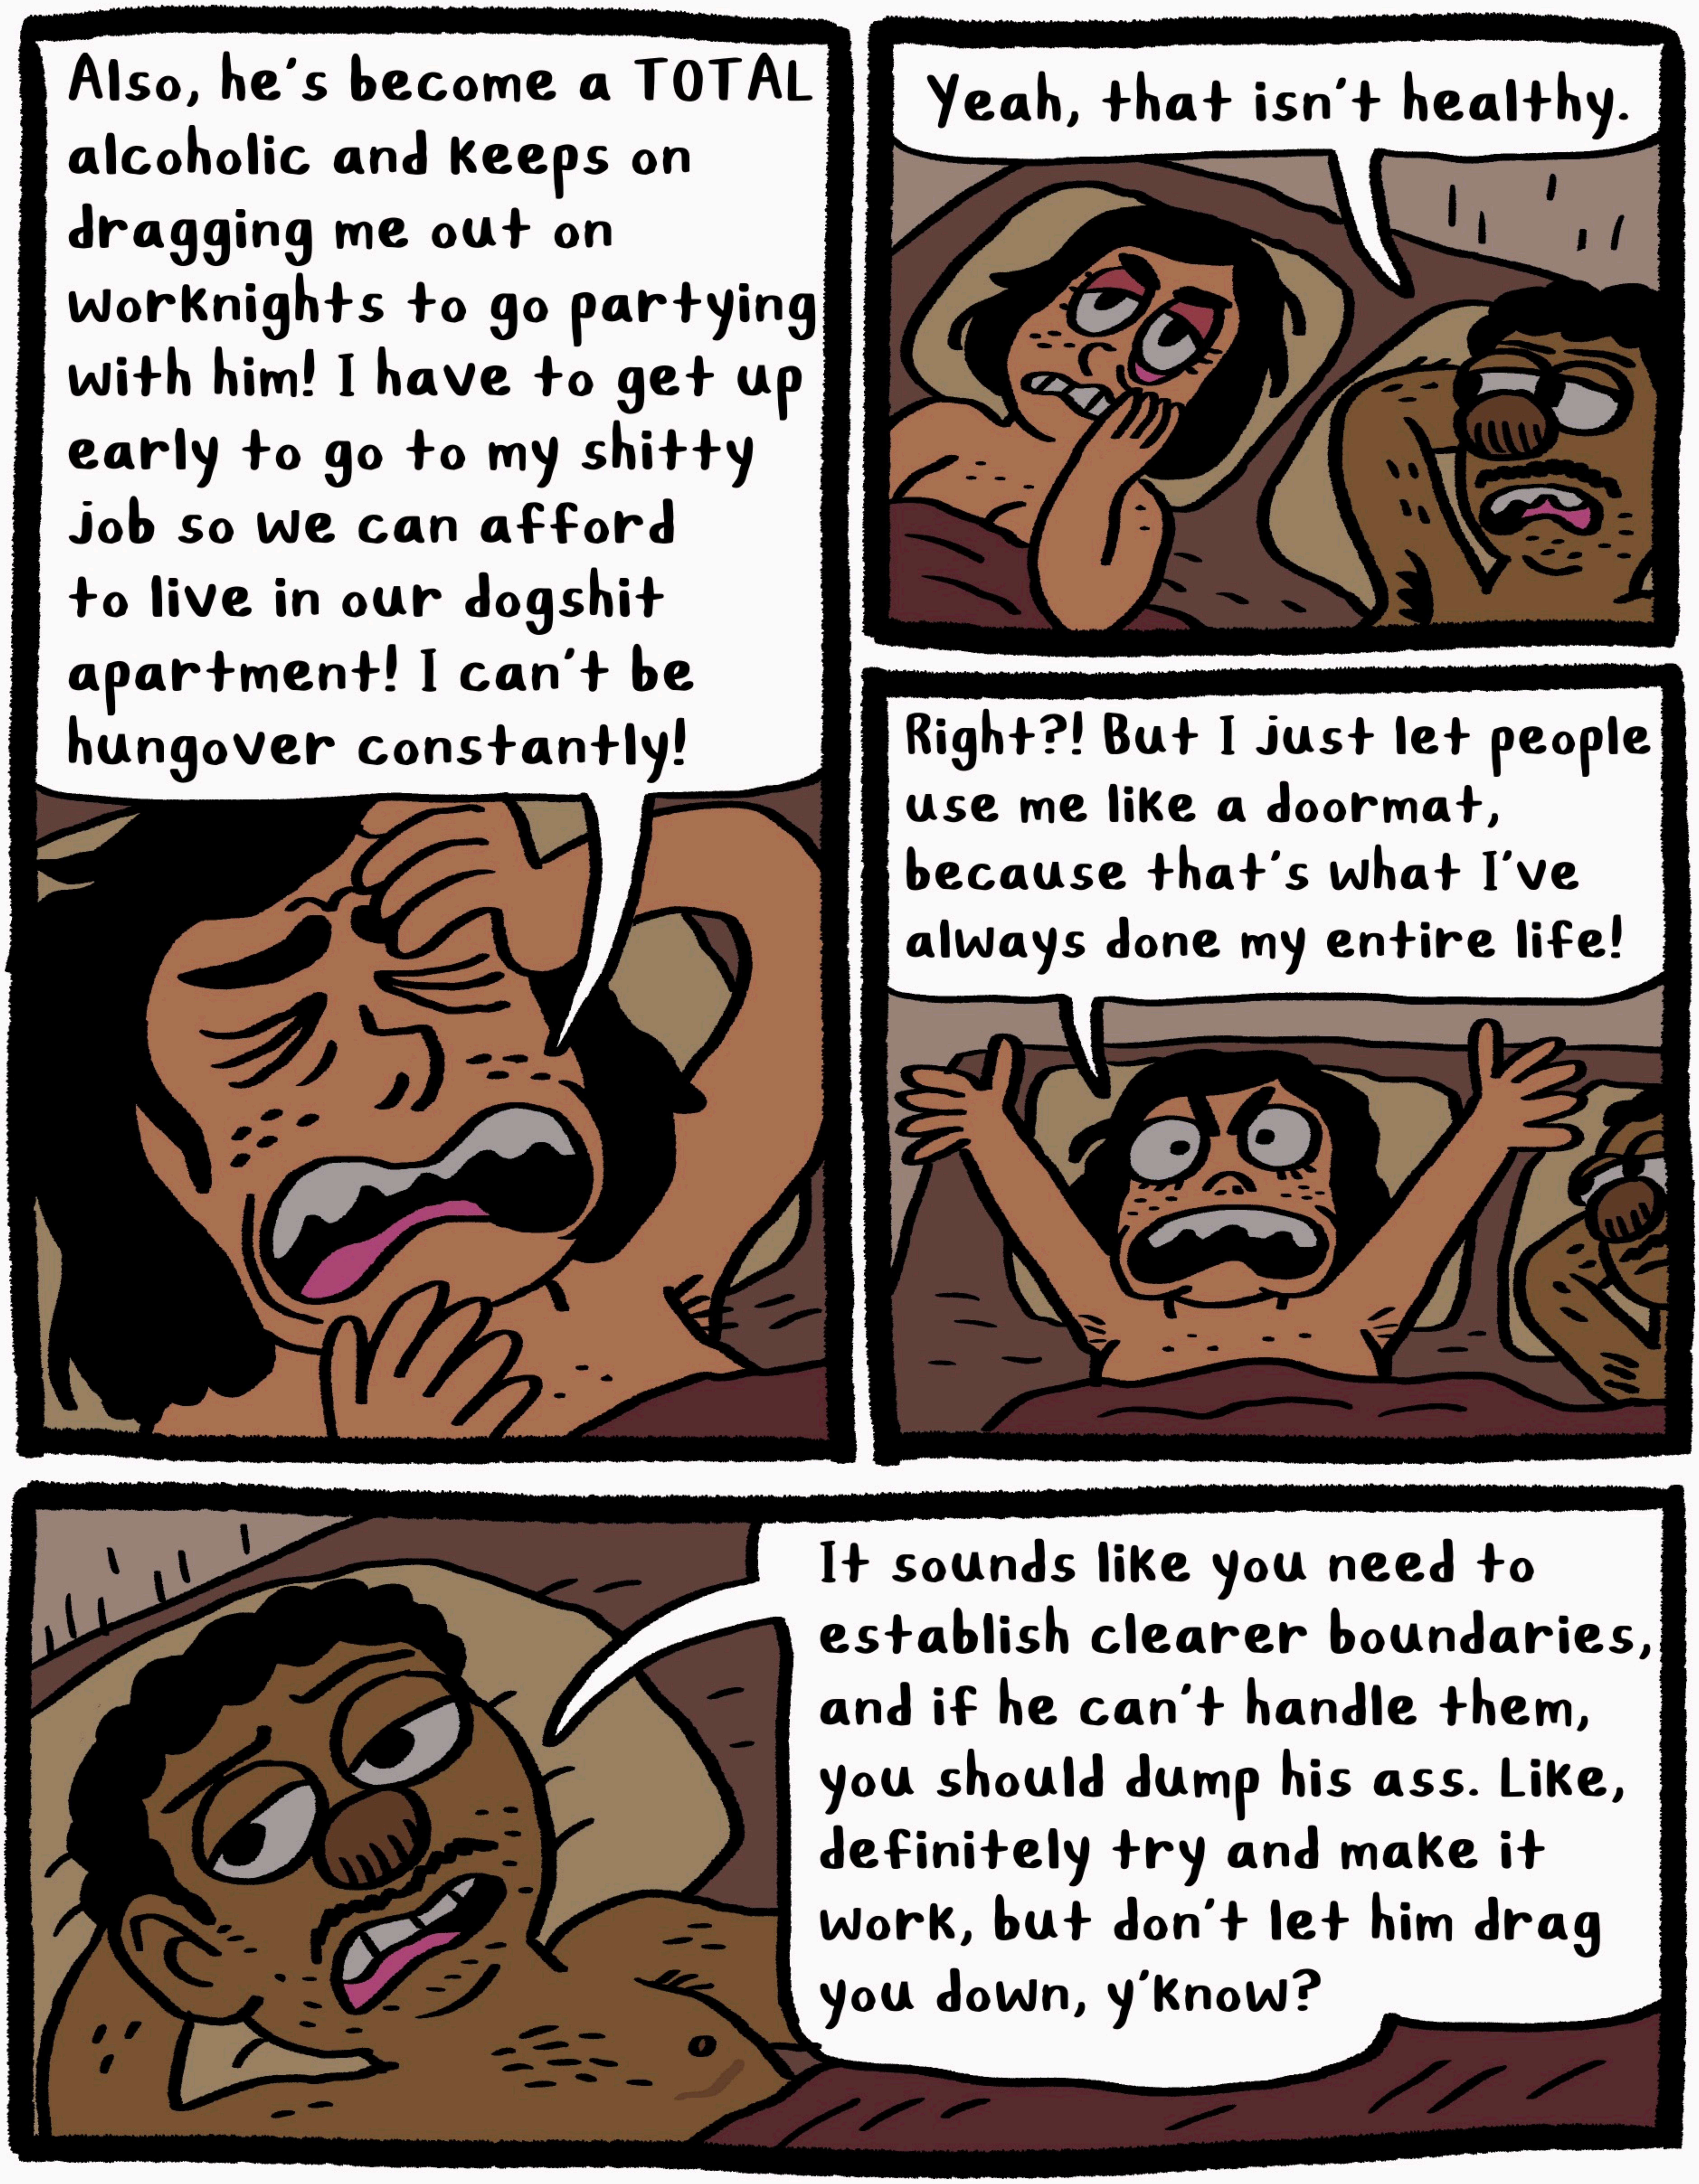
Like, he keeps on doing subtle controlling shit, and I keep falling for it!
Mmm.

JOHANNA AND BLAKE.

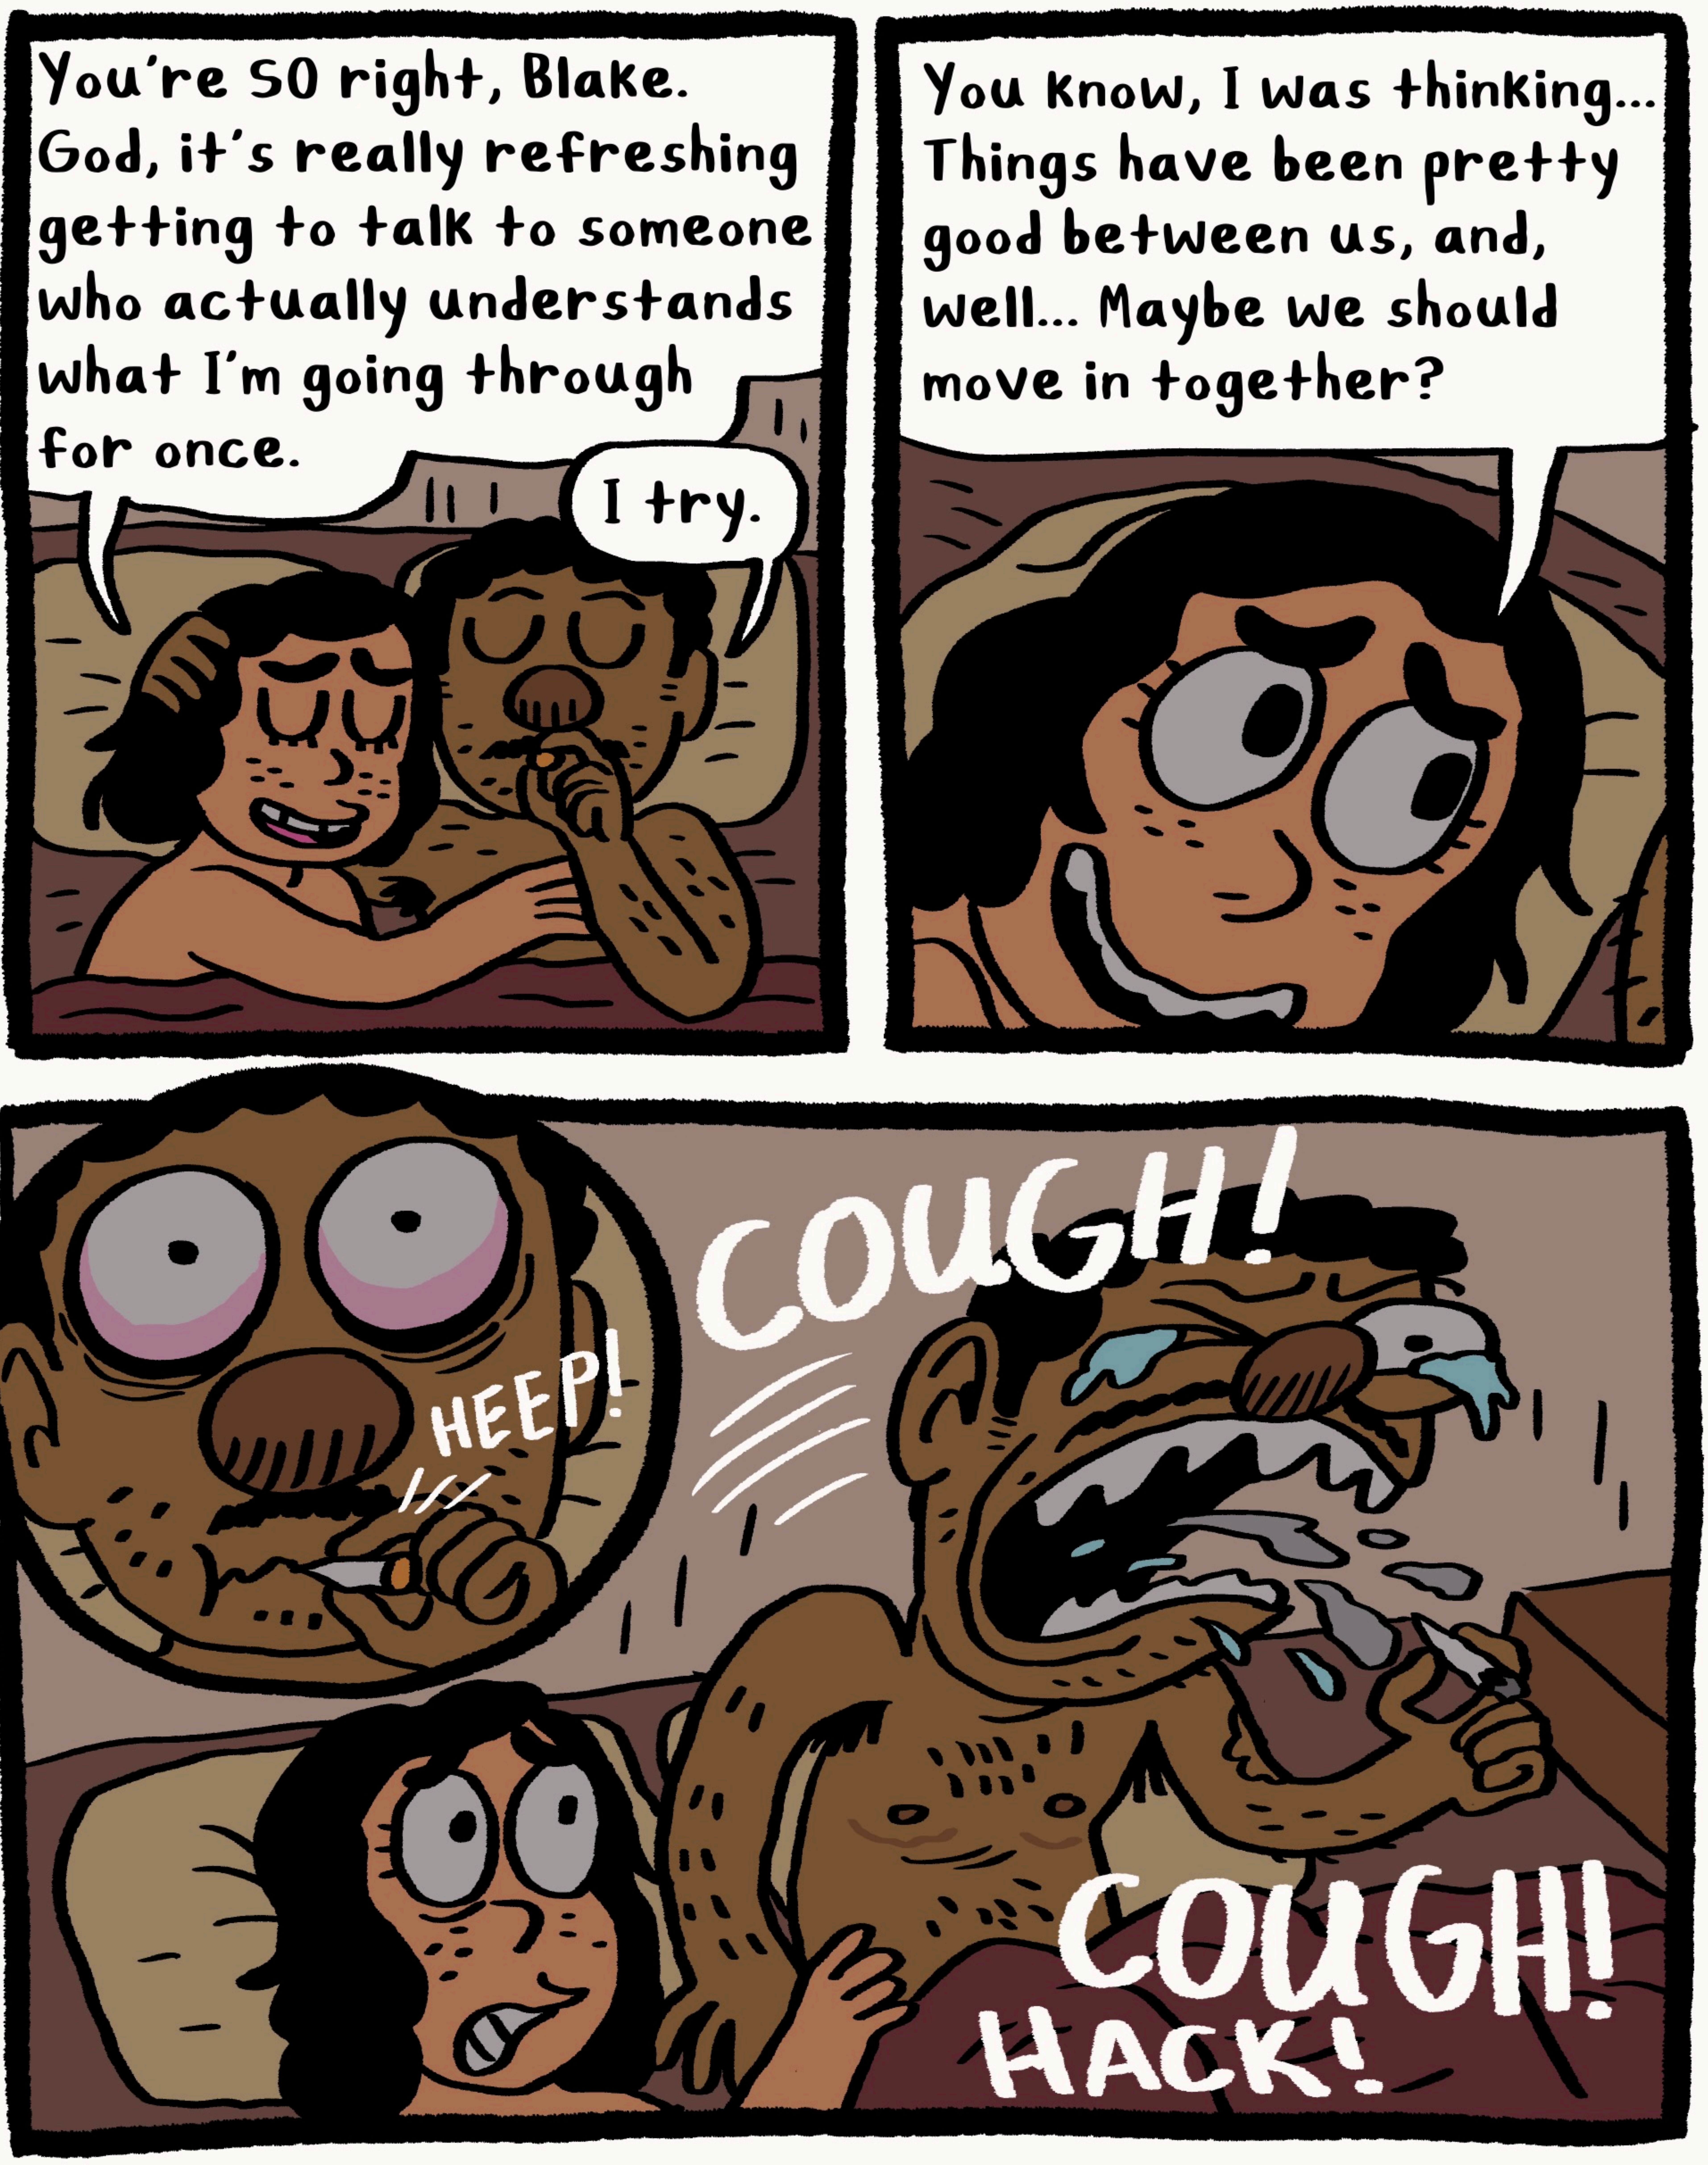
Written and illustrated by Raven Lyn Clemens.



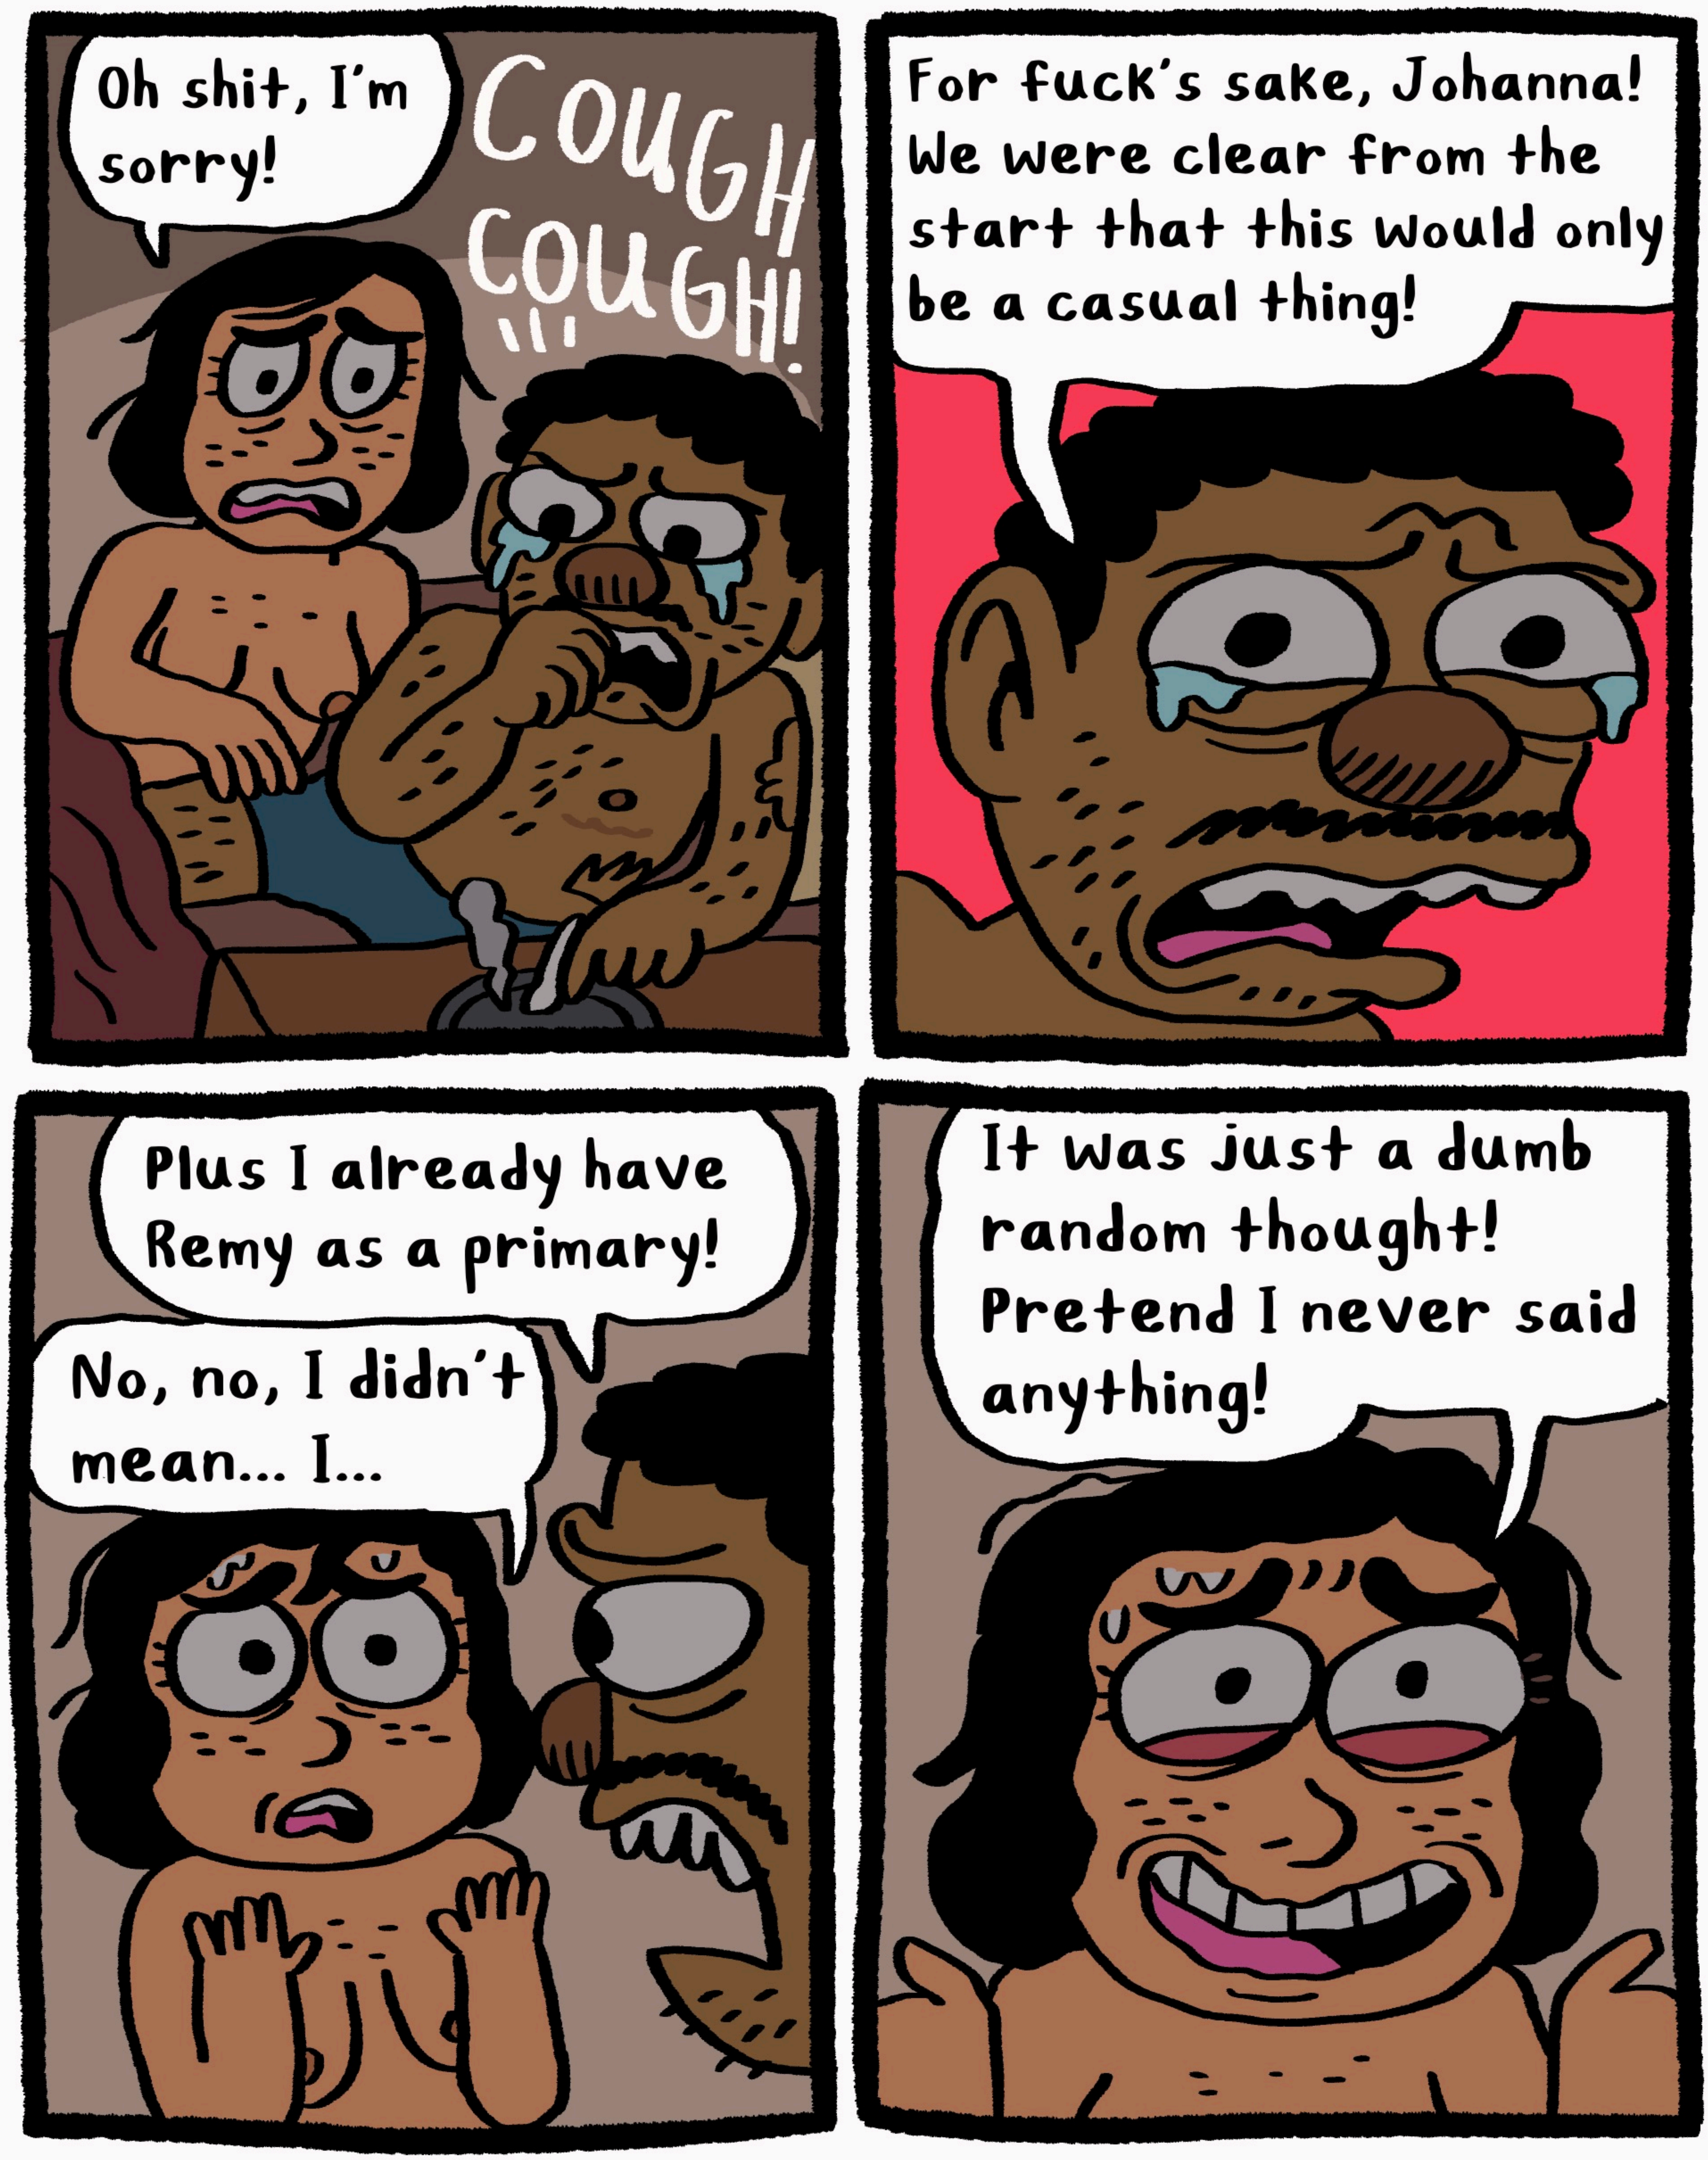
Lately he's been trying to get me to reconnect with some girl I knew in elementary school who's become a psychotic incel, and I want to just be like, "Dude, FUCK OFF. Stop trying to interfere with my life!"



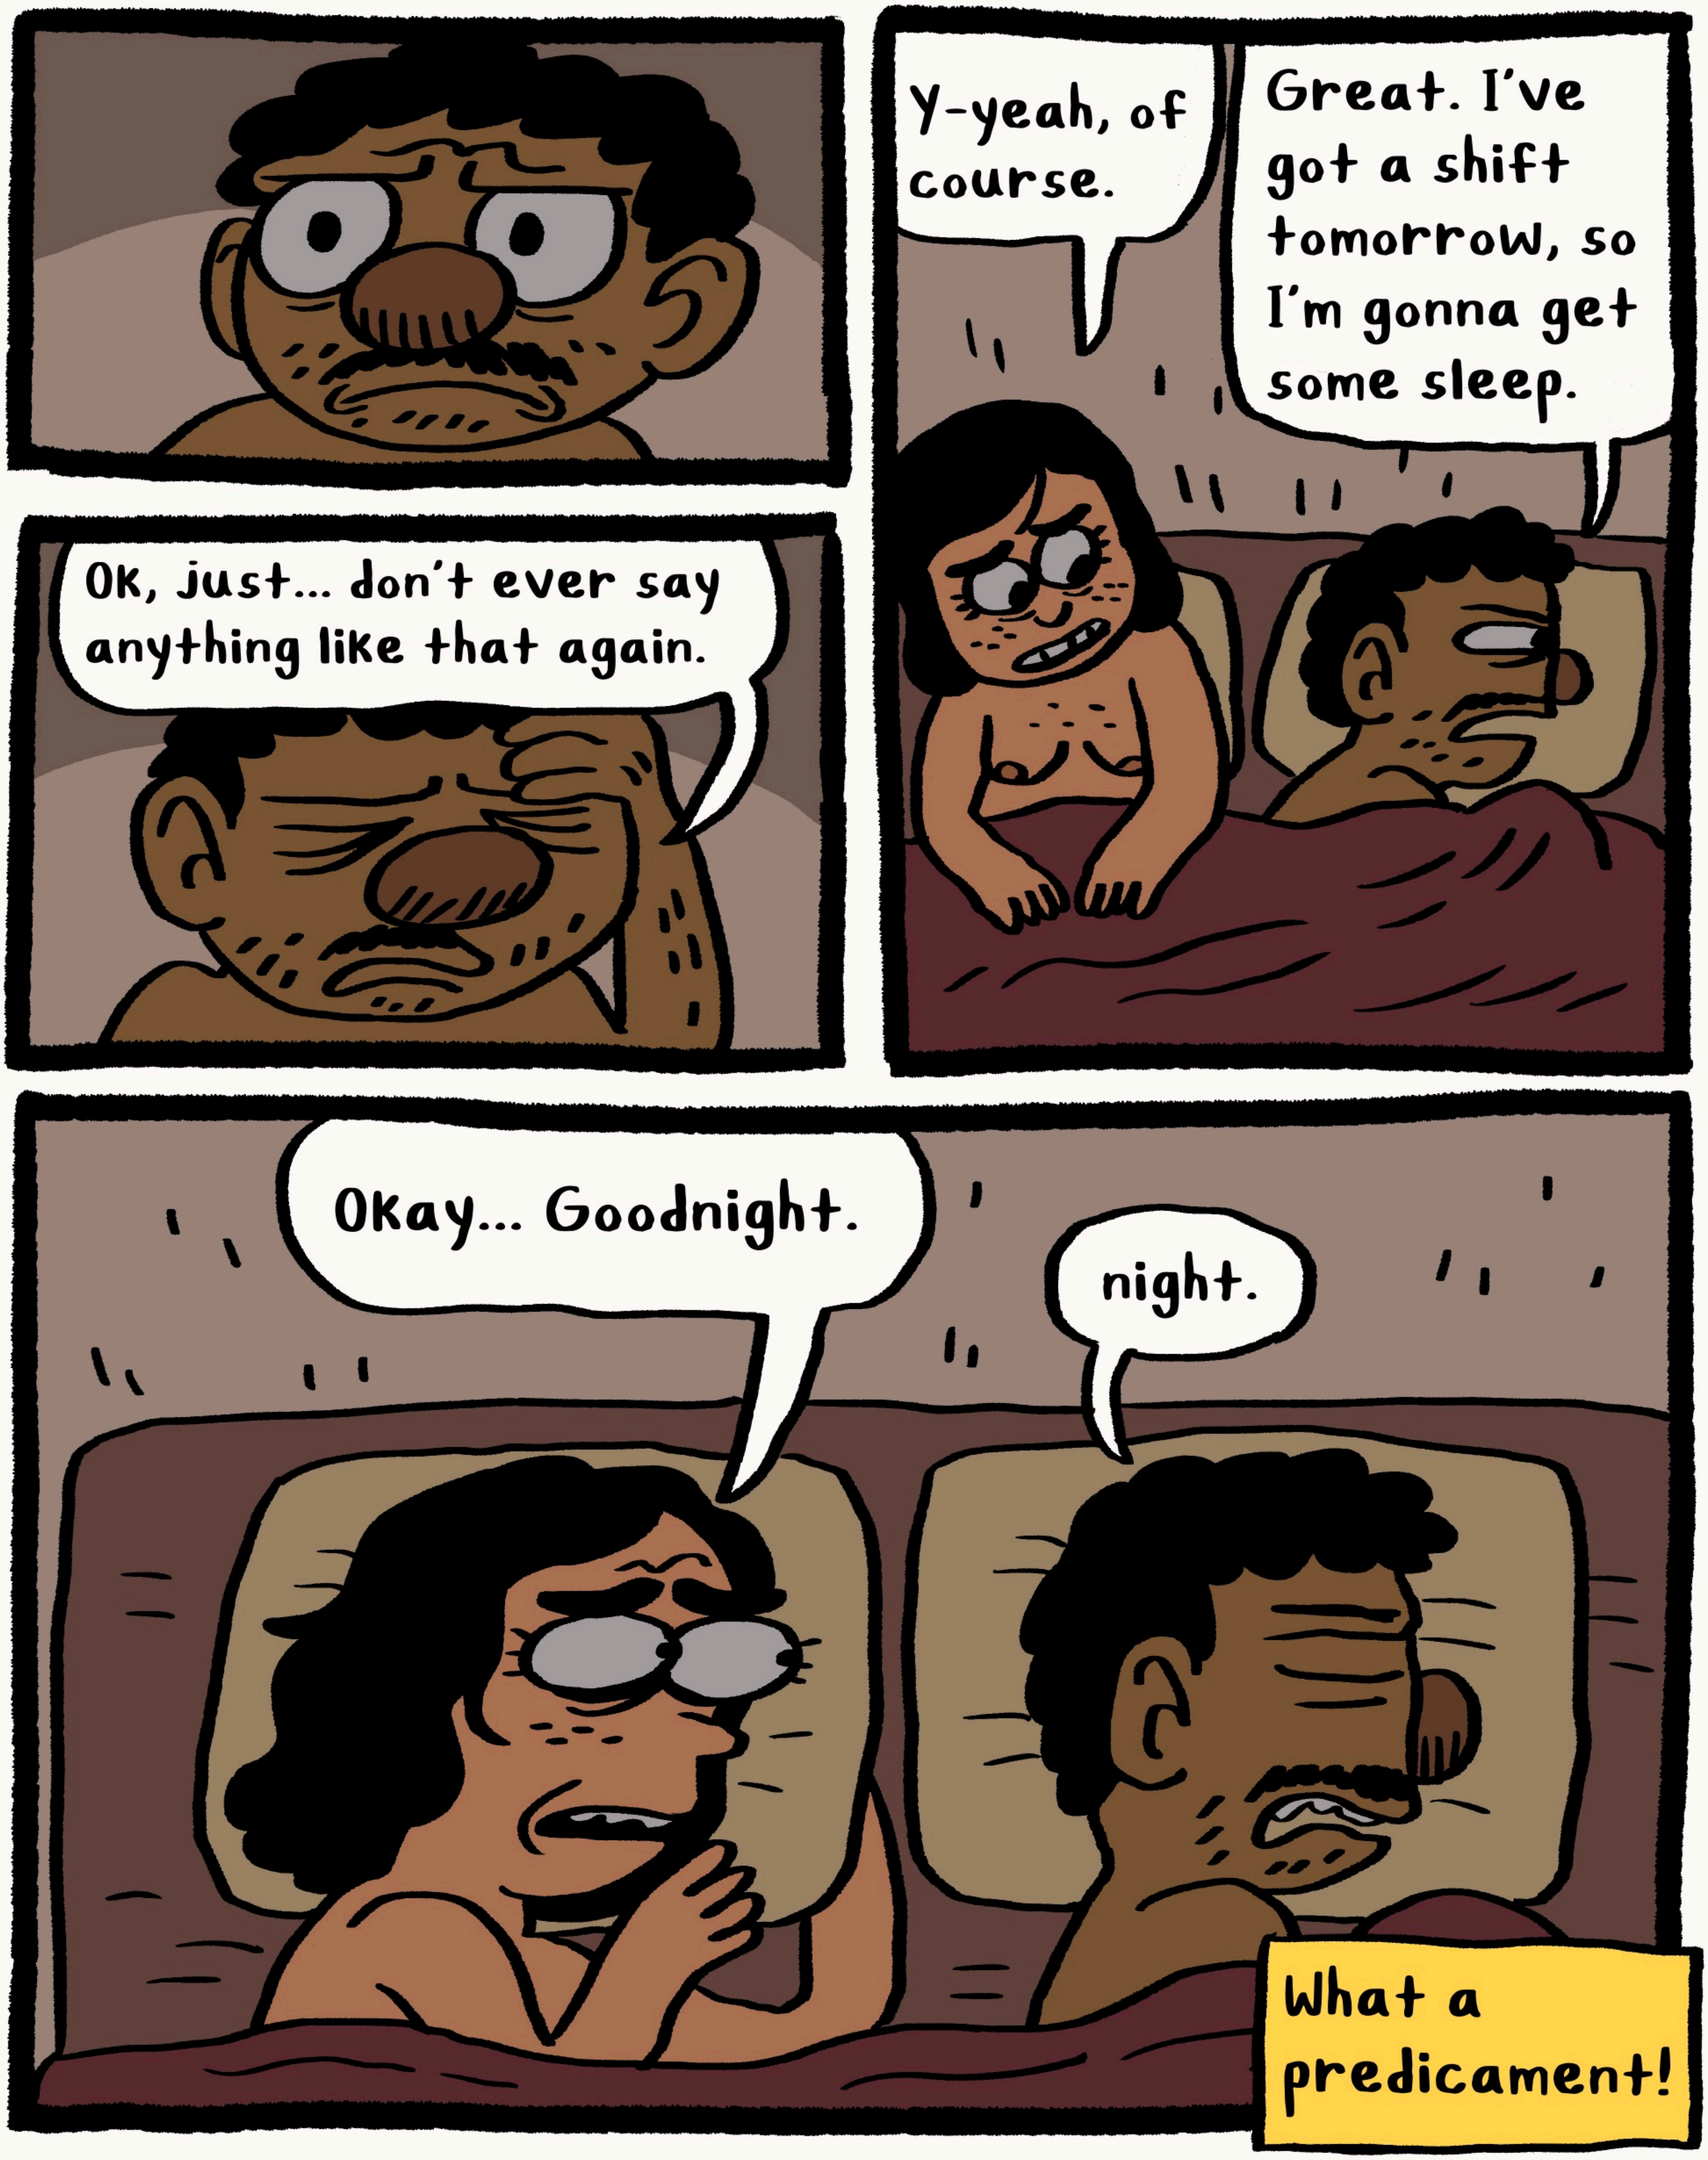
Also, he's become a TOTAL alcoholic and keeps on dragging me out on worknights to go partying with him! I have to get up early to go to my shitty job so we can afford to live in our dogshit apartment! I can't be hungover constantly!
Yeah, that isn't healthy.
Right?! But I just let people use me like a doormat, because that's what I've always done my entire life!
It sounds like you need to establish clearer boundaries, and if he can't handle them, you should dump his ass. Like, definitely try and make it work, but don't let him drag you down, y'know?



You're SO right, Blake. God, it's really refreshing getting to talk to someone who actually understands what I'm going through for once.
I try.
You know, I was thinking... Things have been pretty good between us, and, well... Maybe we should move in together?
HEEP!
COUGH!
COUGH!
HACK!



Oh shit, I'm sorry!
COUGH COUGH!
For fuck's sake, Johanna! We were clear from the start that this would only be a casual thing!
Plus I already have Remy as a primary!
No, no, I didn't mean... I...
It was just a dumb random thought! Pretend I never said anything!



OK, just... don't ever say anything like that again.
Y-yeah, of course.
Great. I've got a shift tomorrow, so I'm gonna get some sleep.
Okay... Goodnight.
night.
What a predicament!

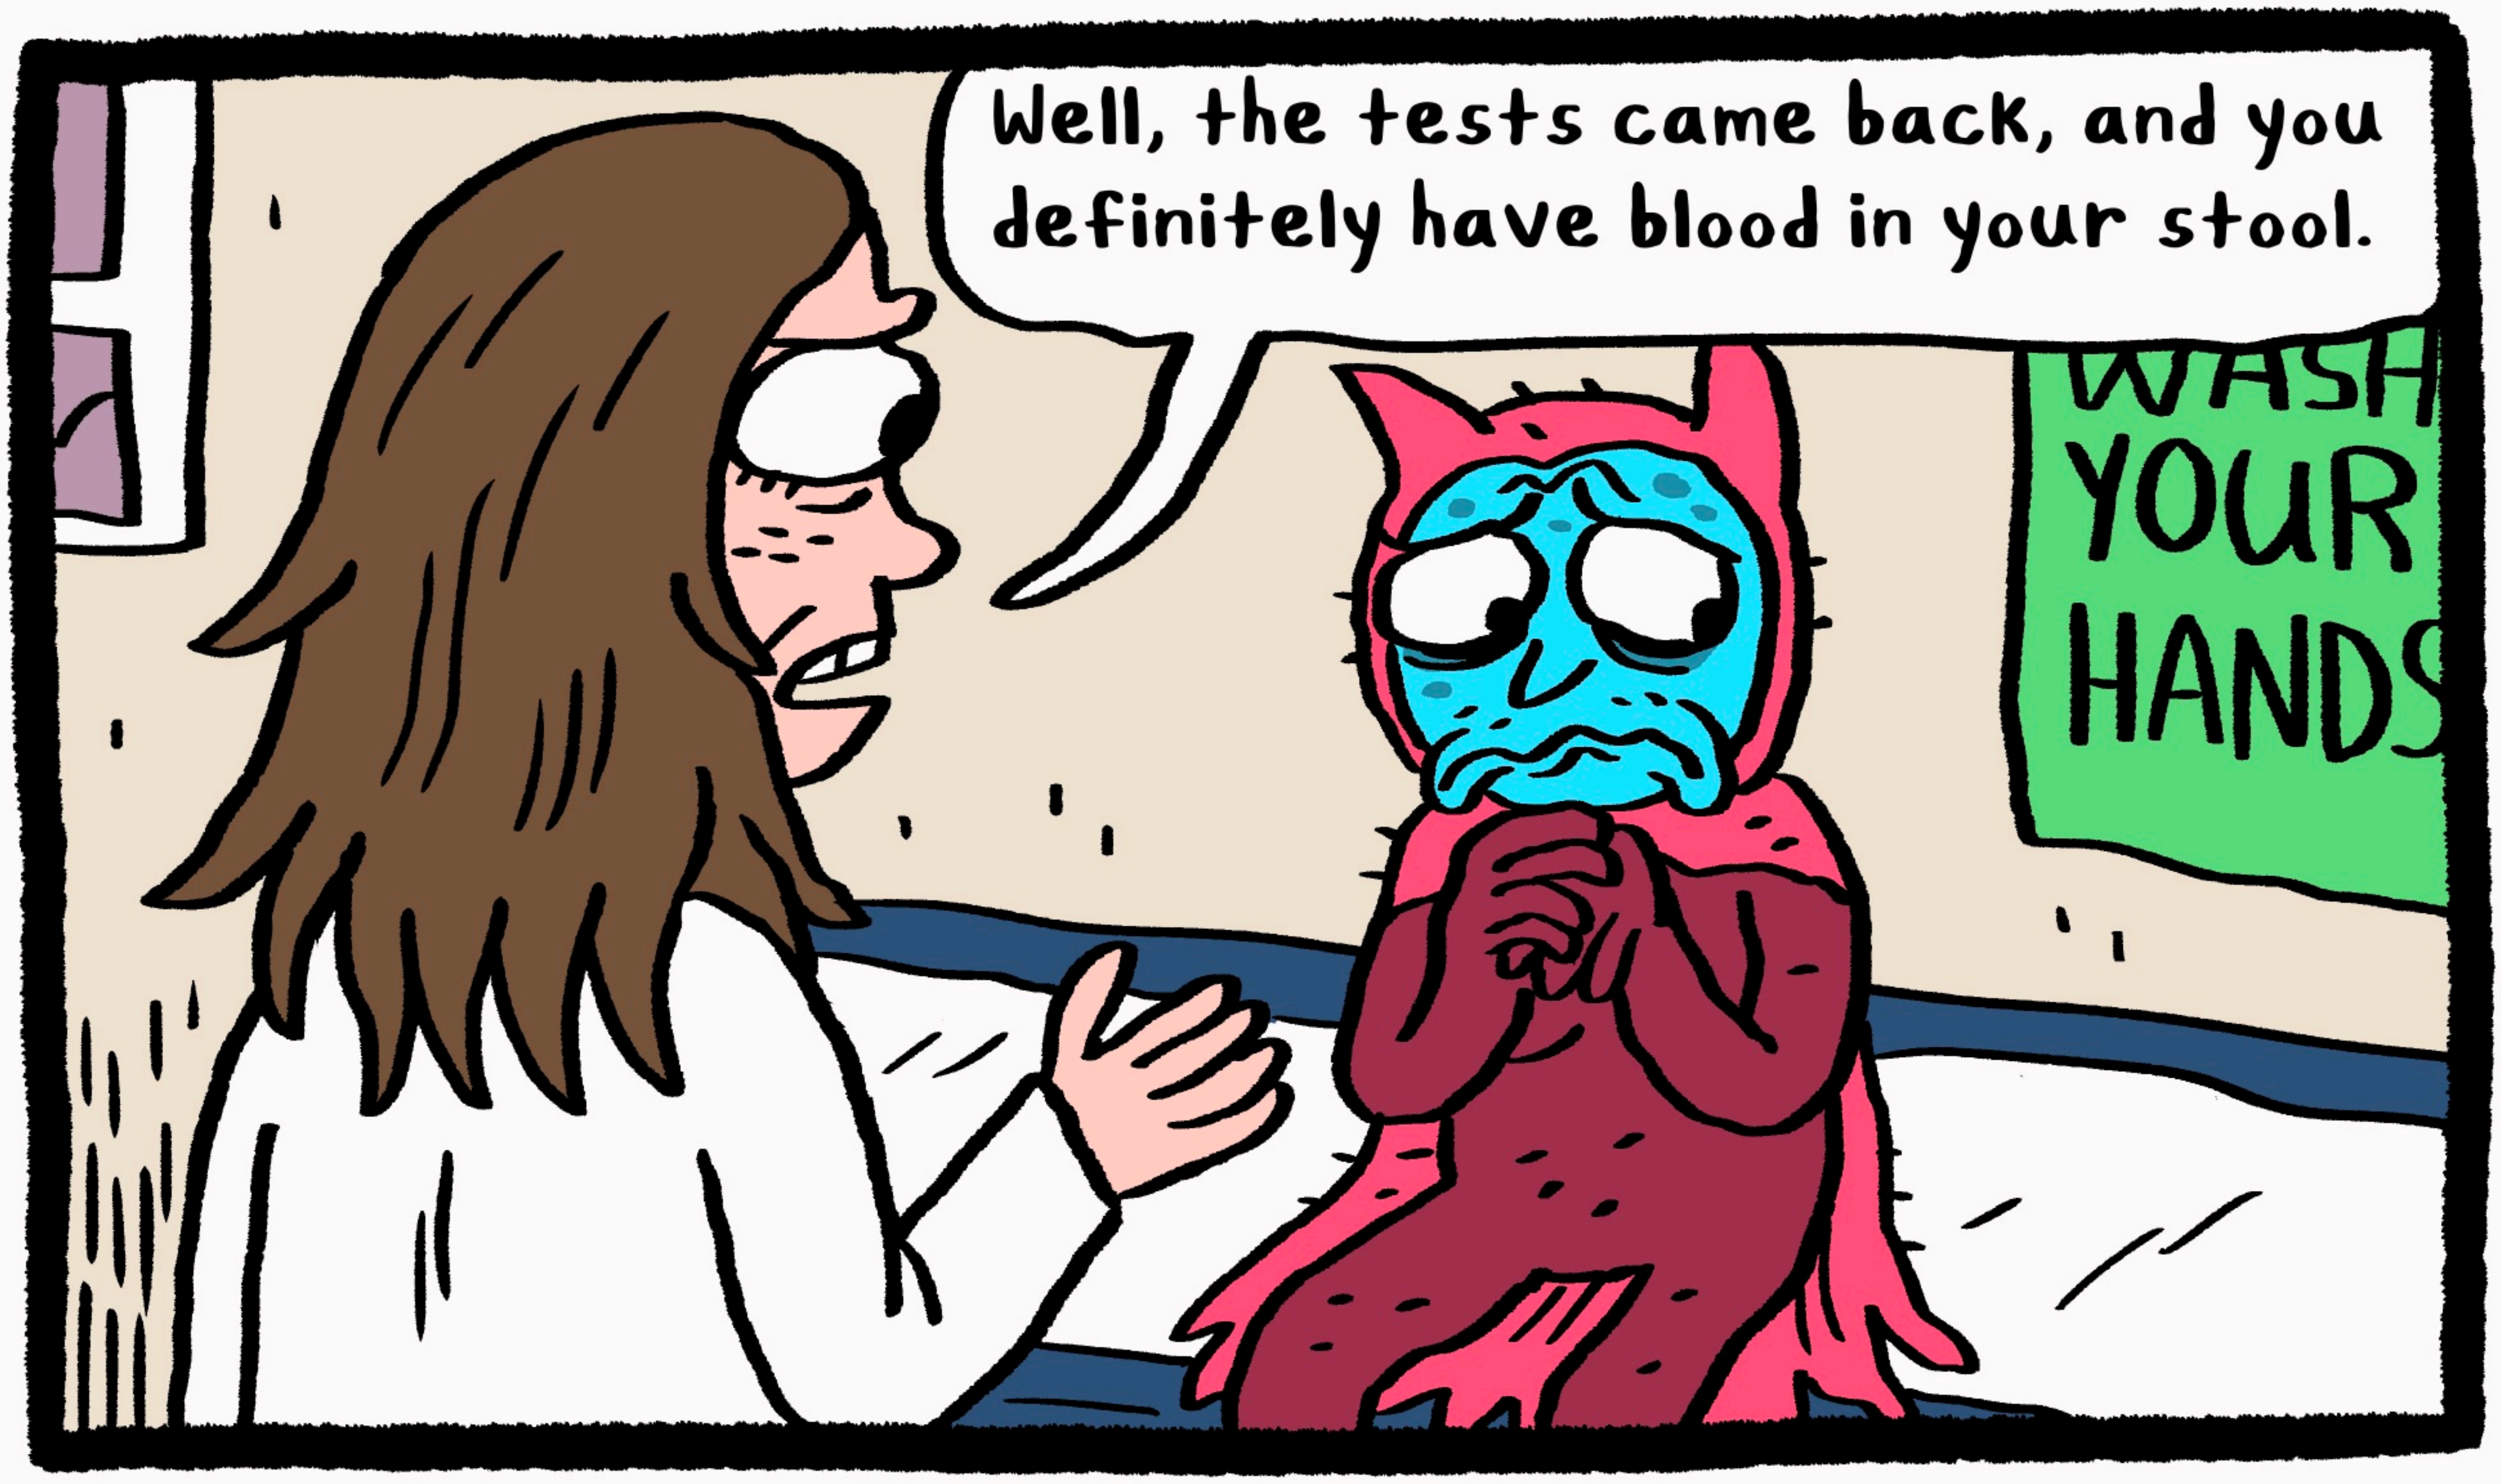
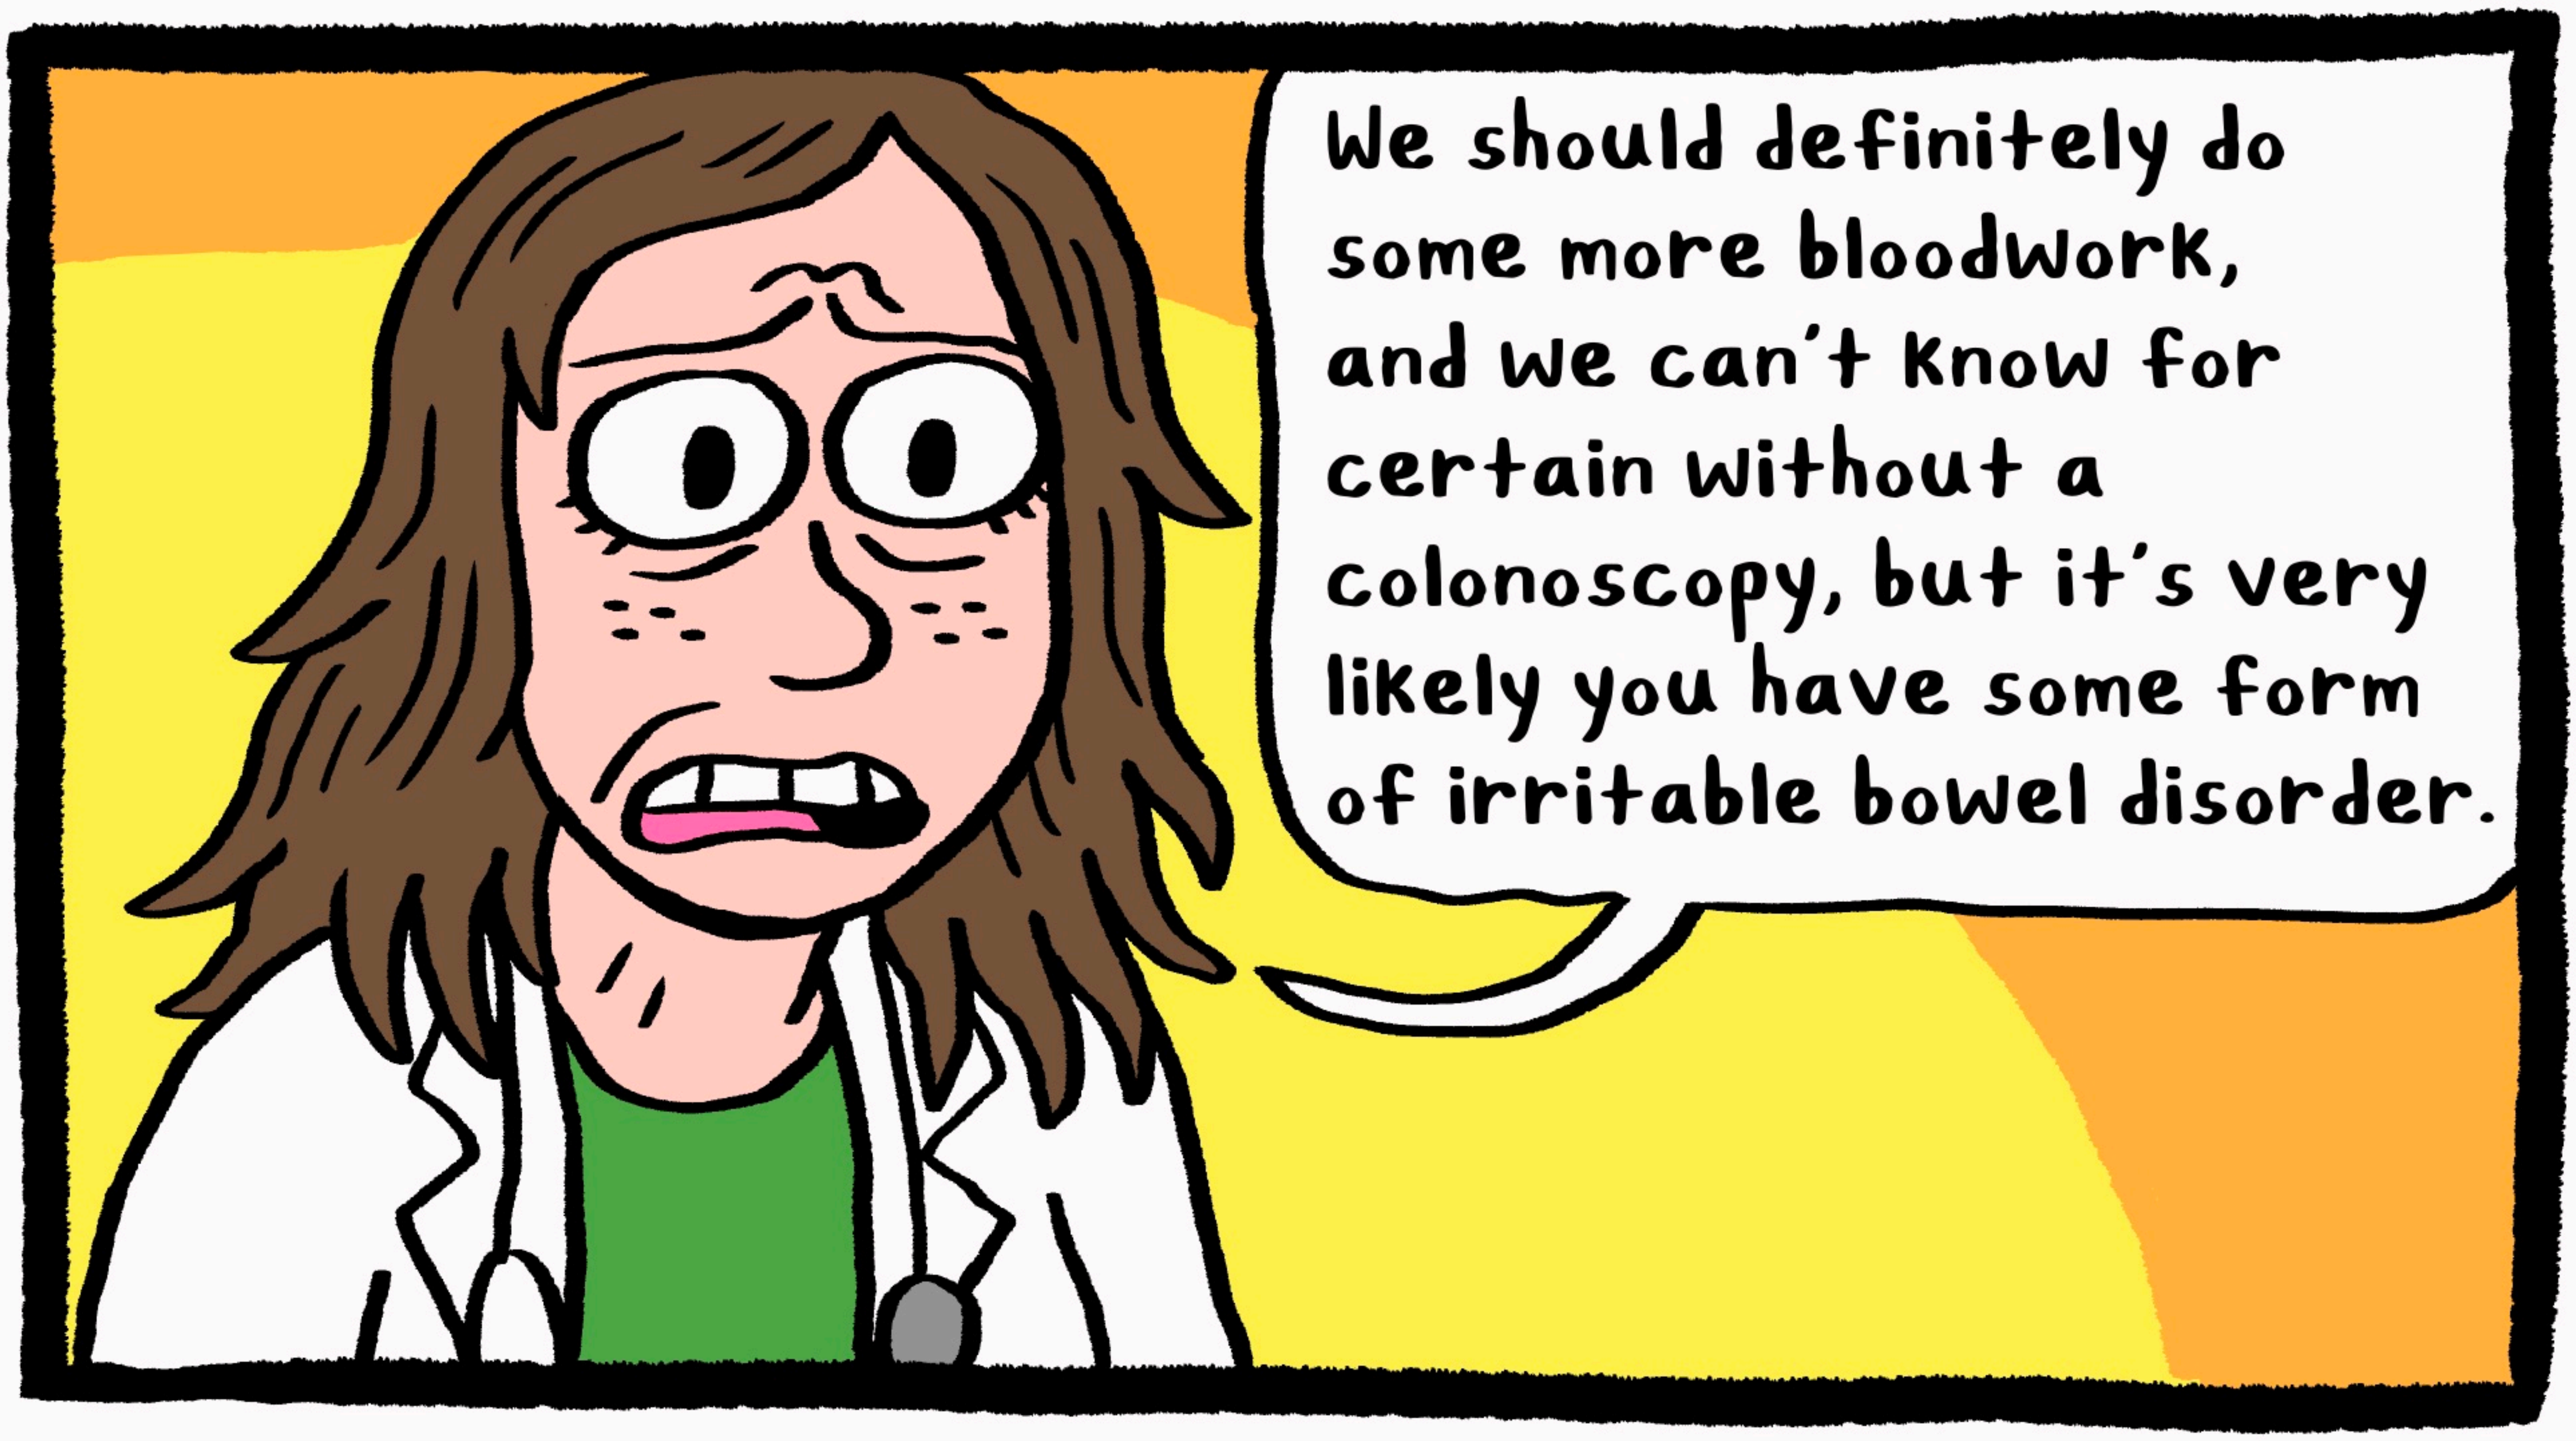
Nevermind.
The crippling knowledge that this is all your fault!

JENNY HAS IBD.

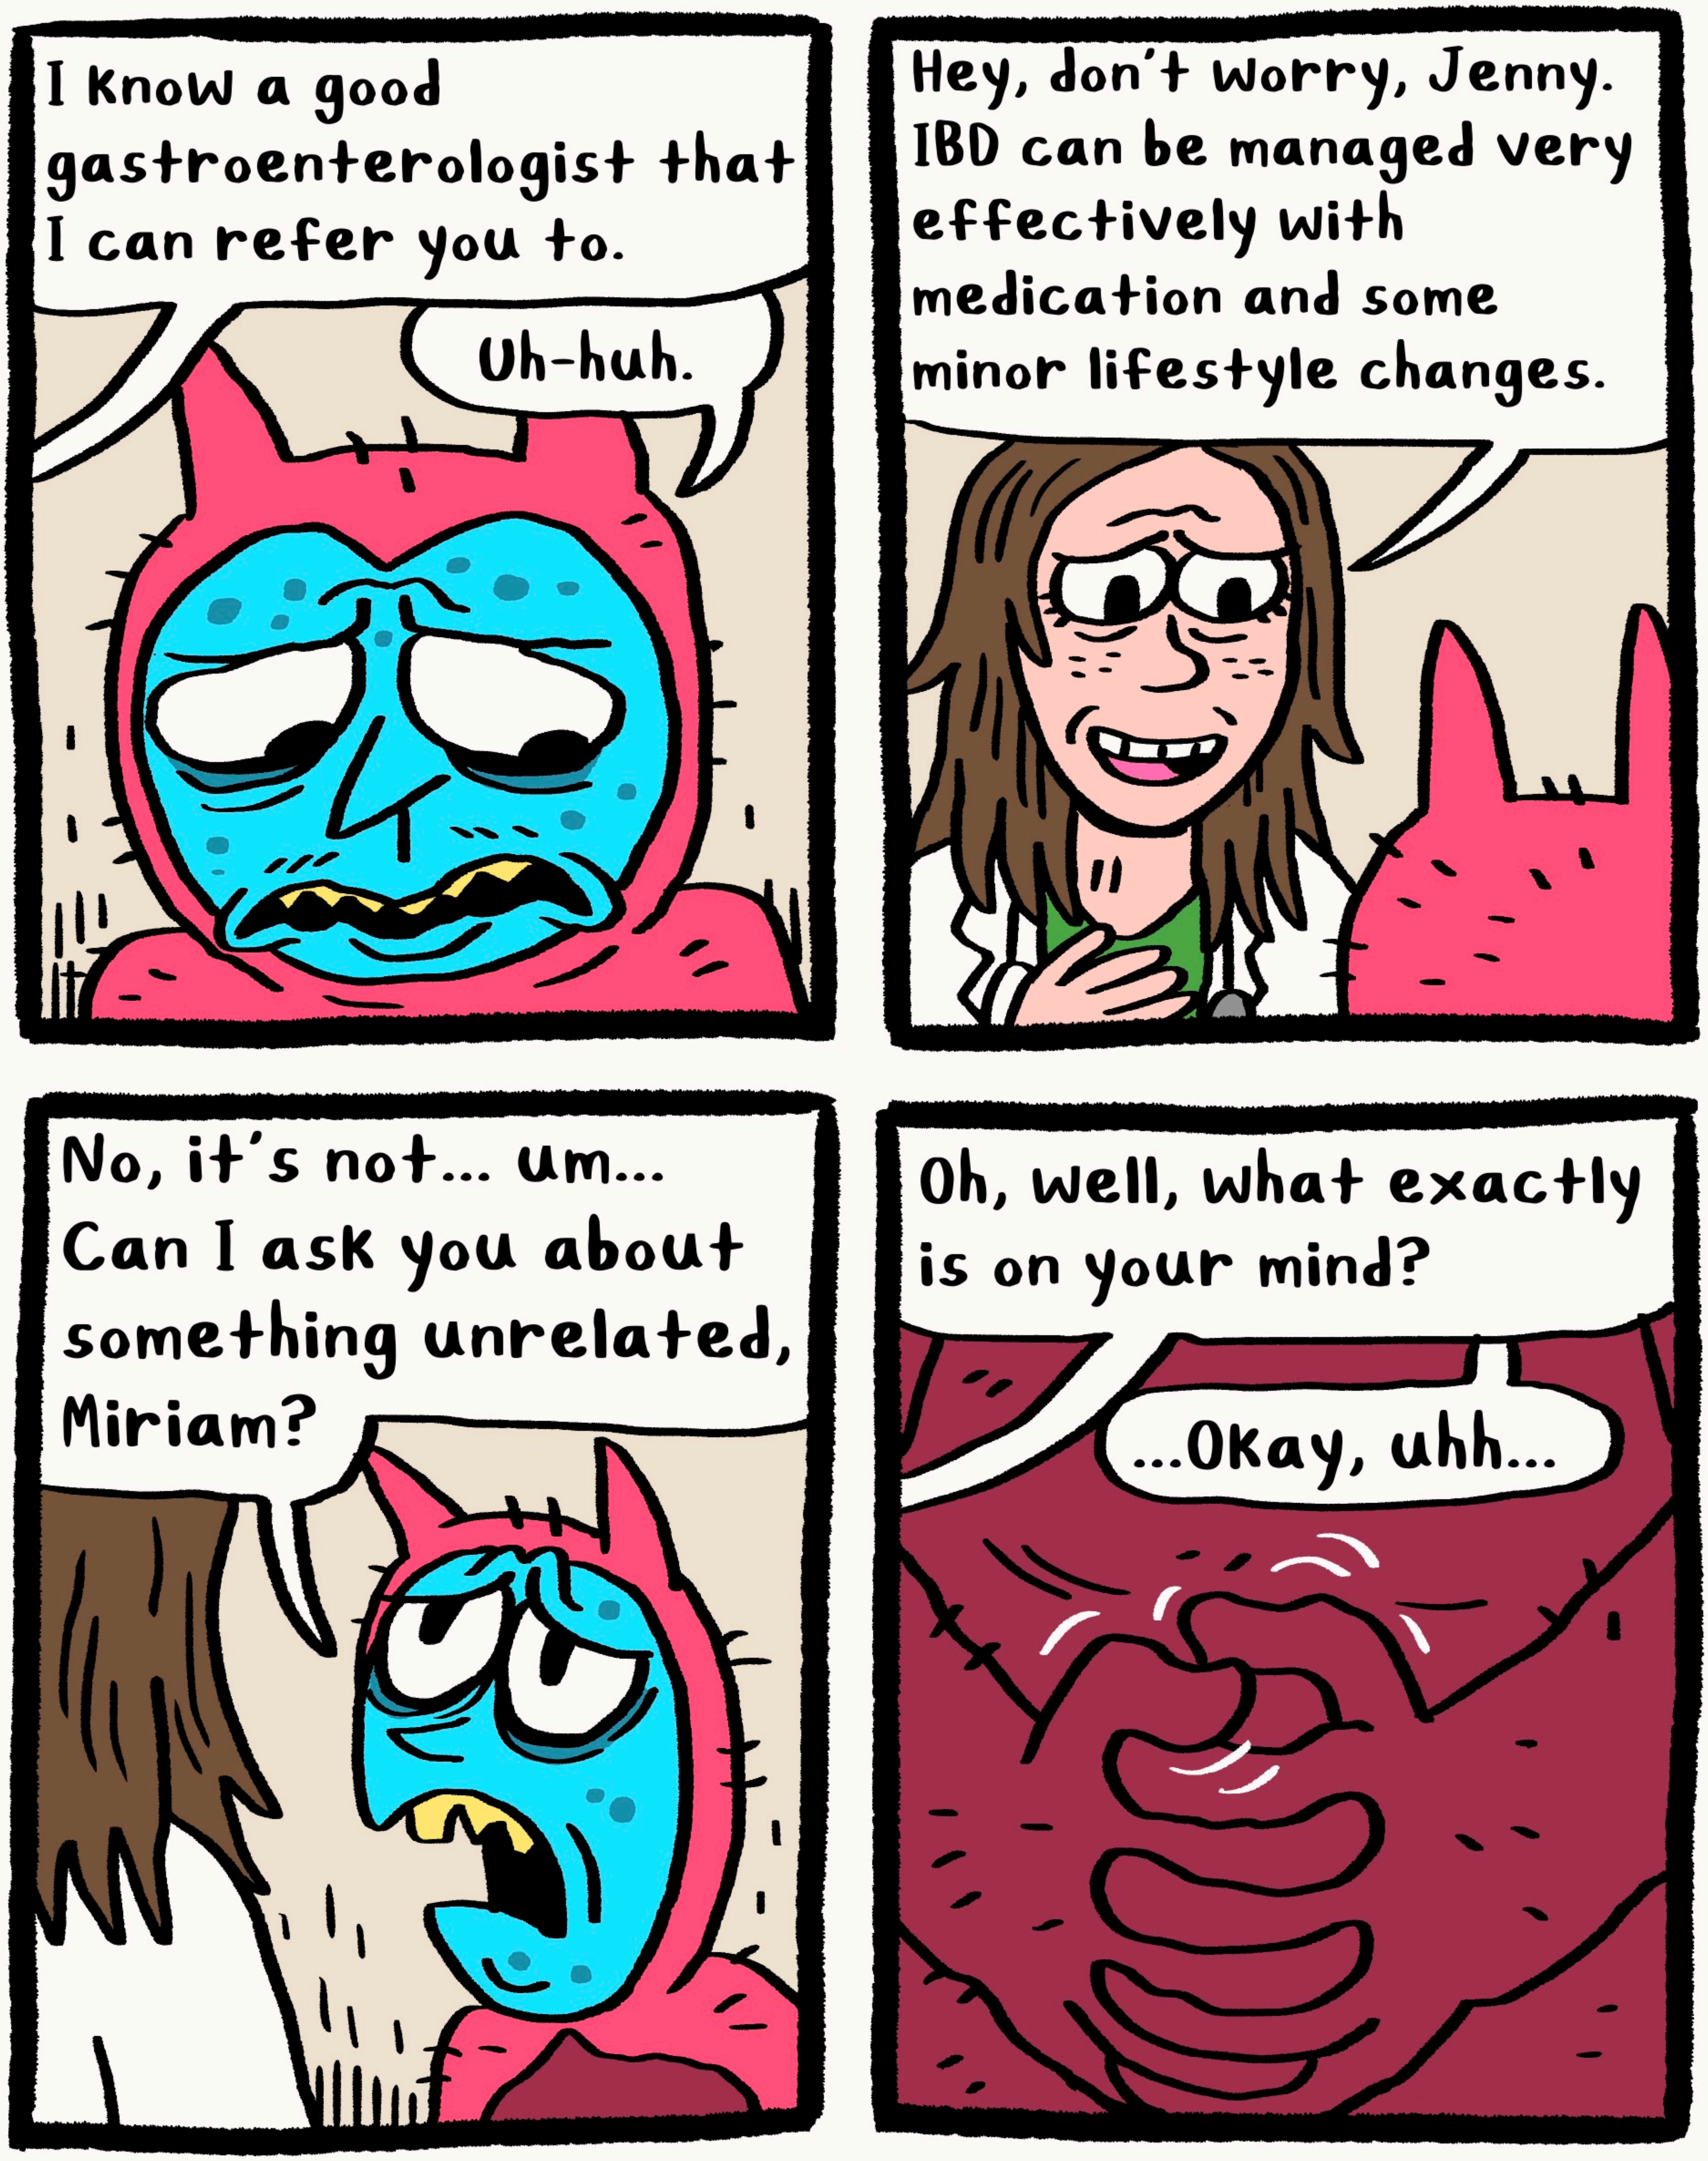
Written and illustrated by Raven Lyn Clemens



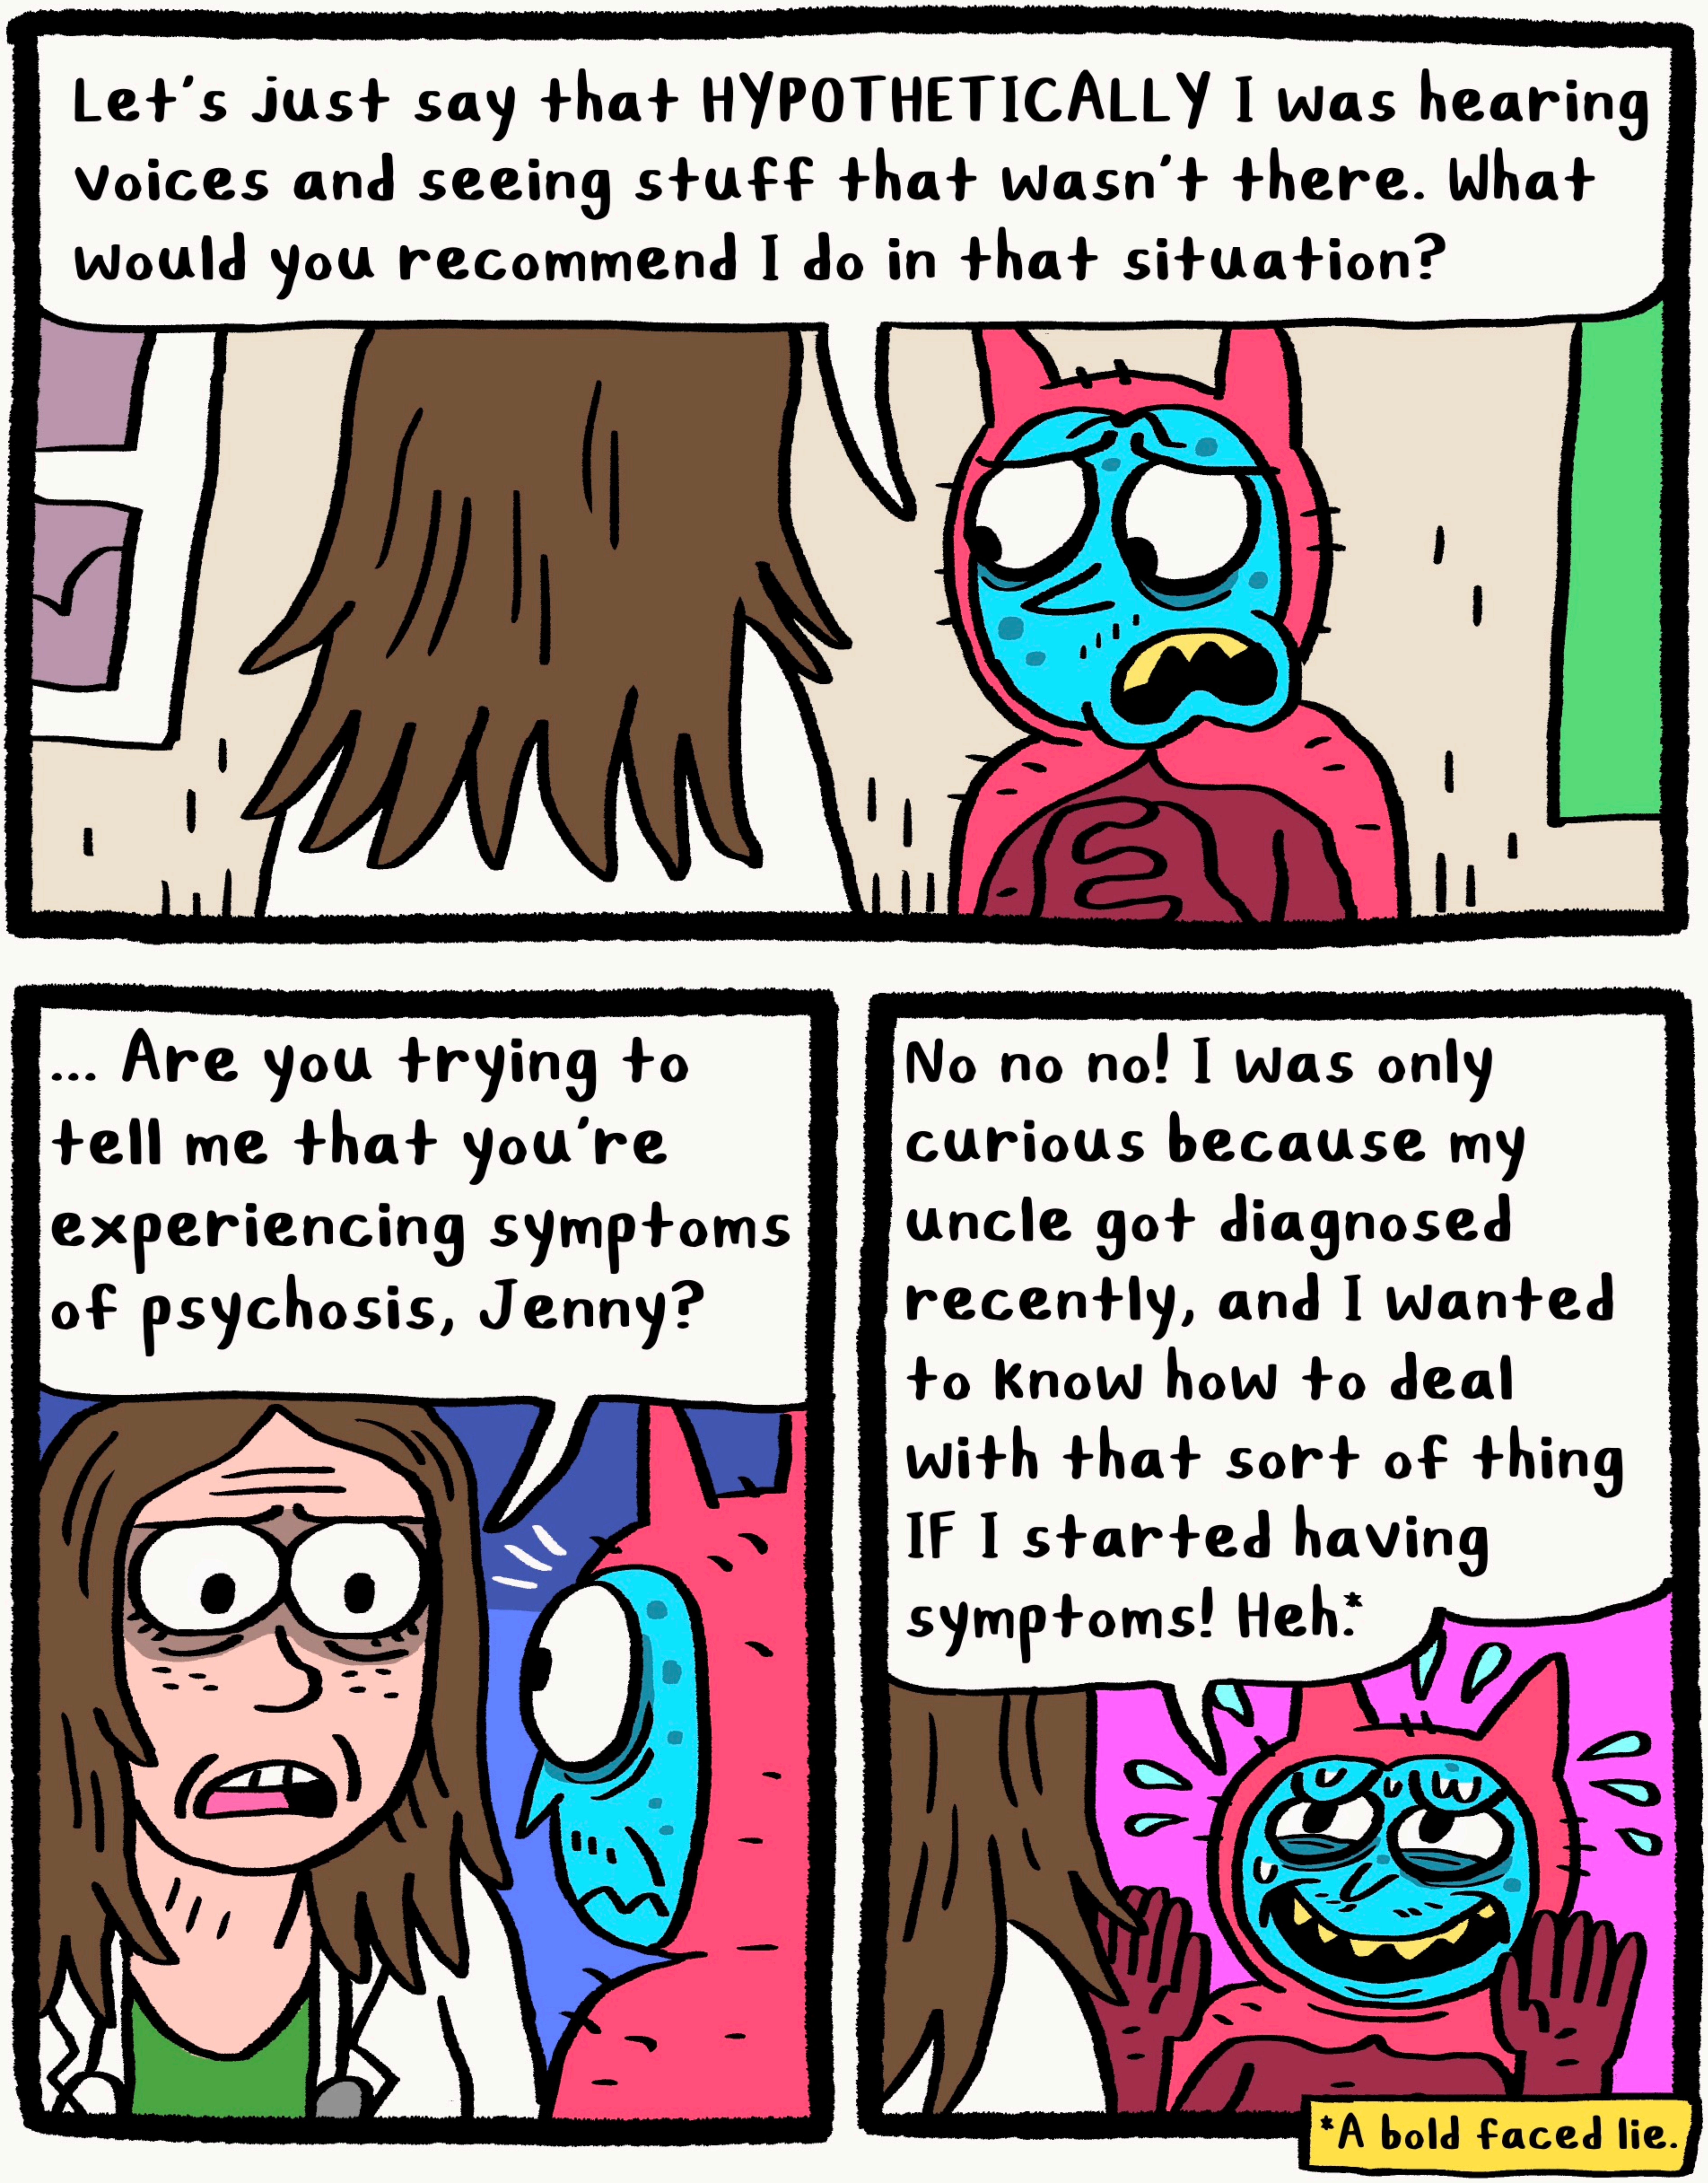
Well, the tests came back, and you definitely have blood in your stool.
WASH YOUR HANDS



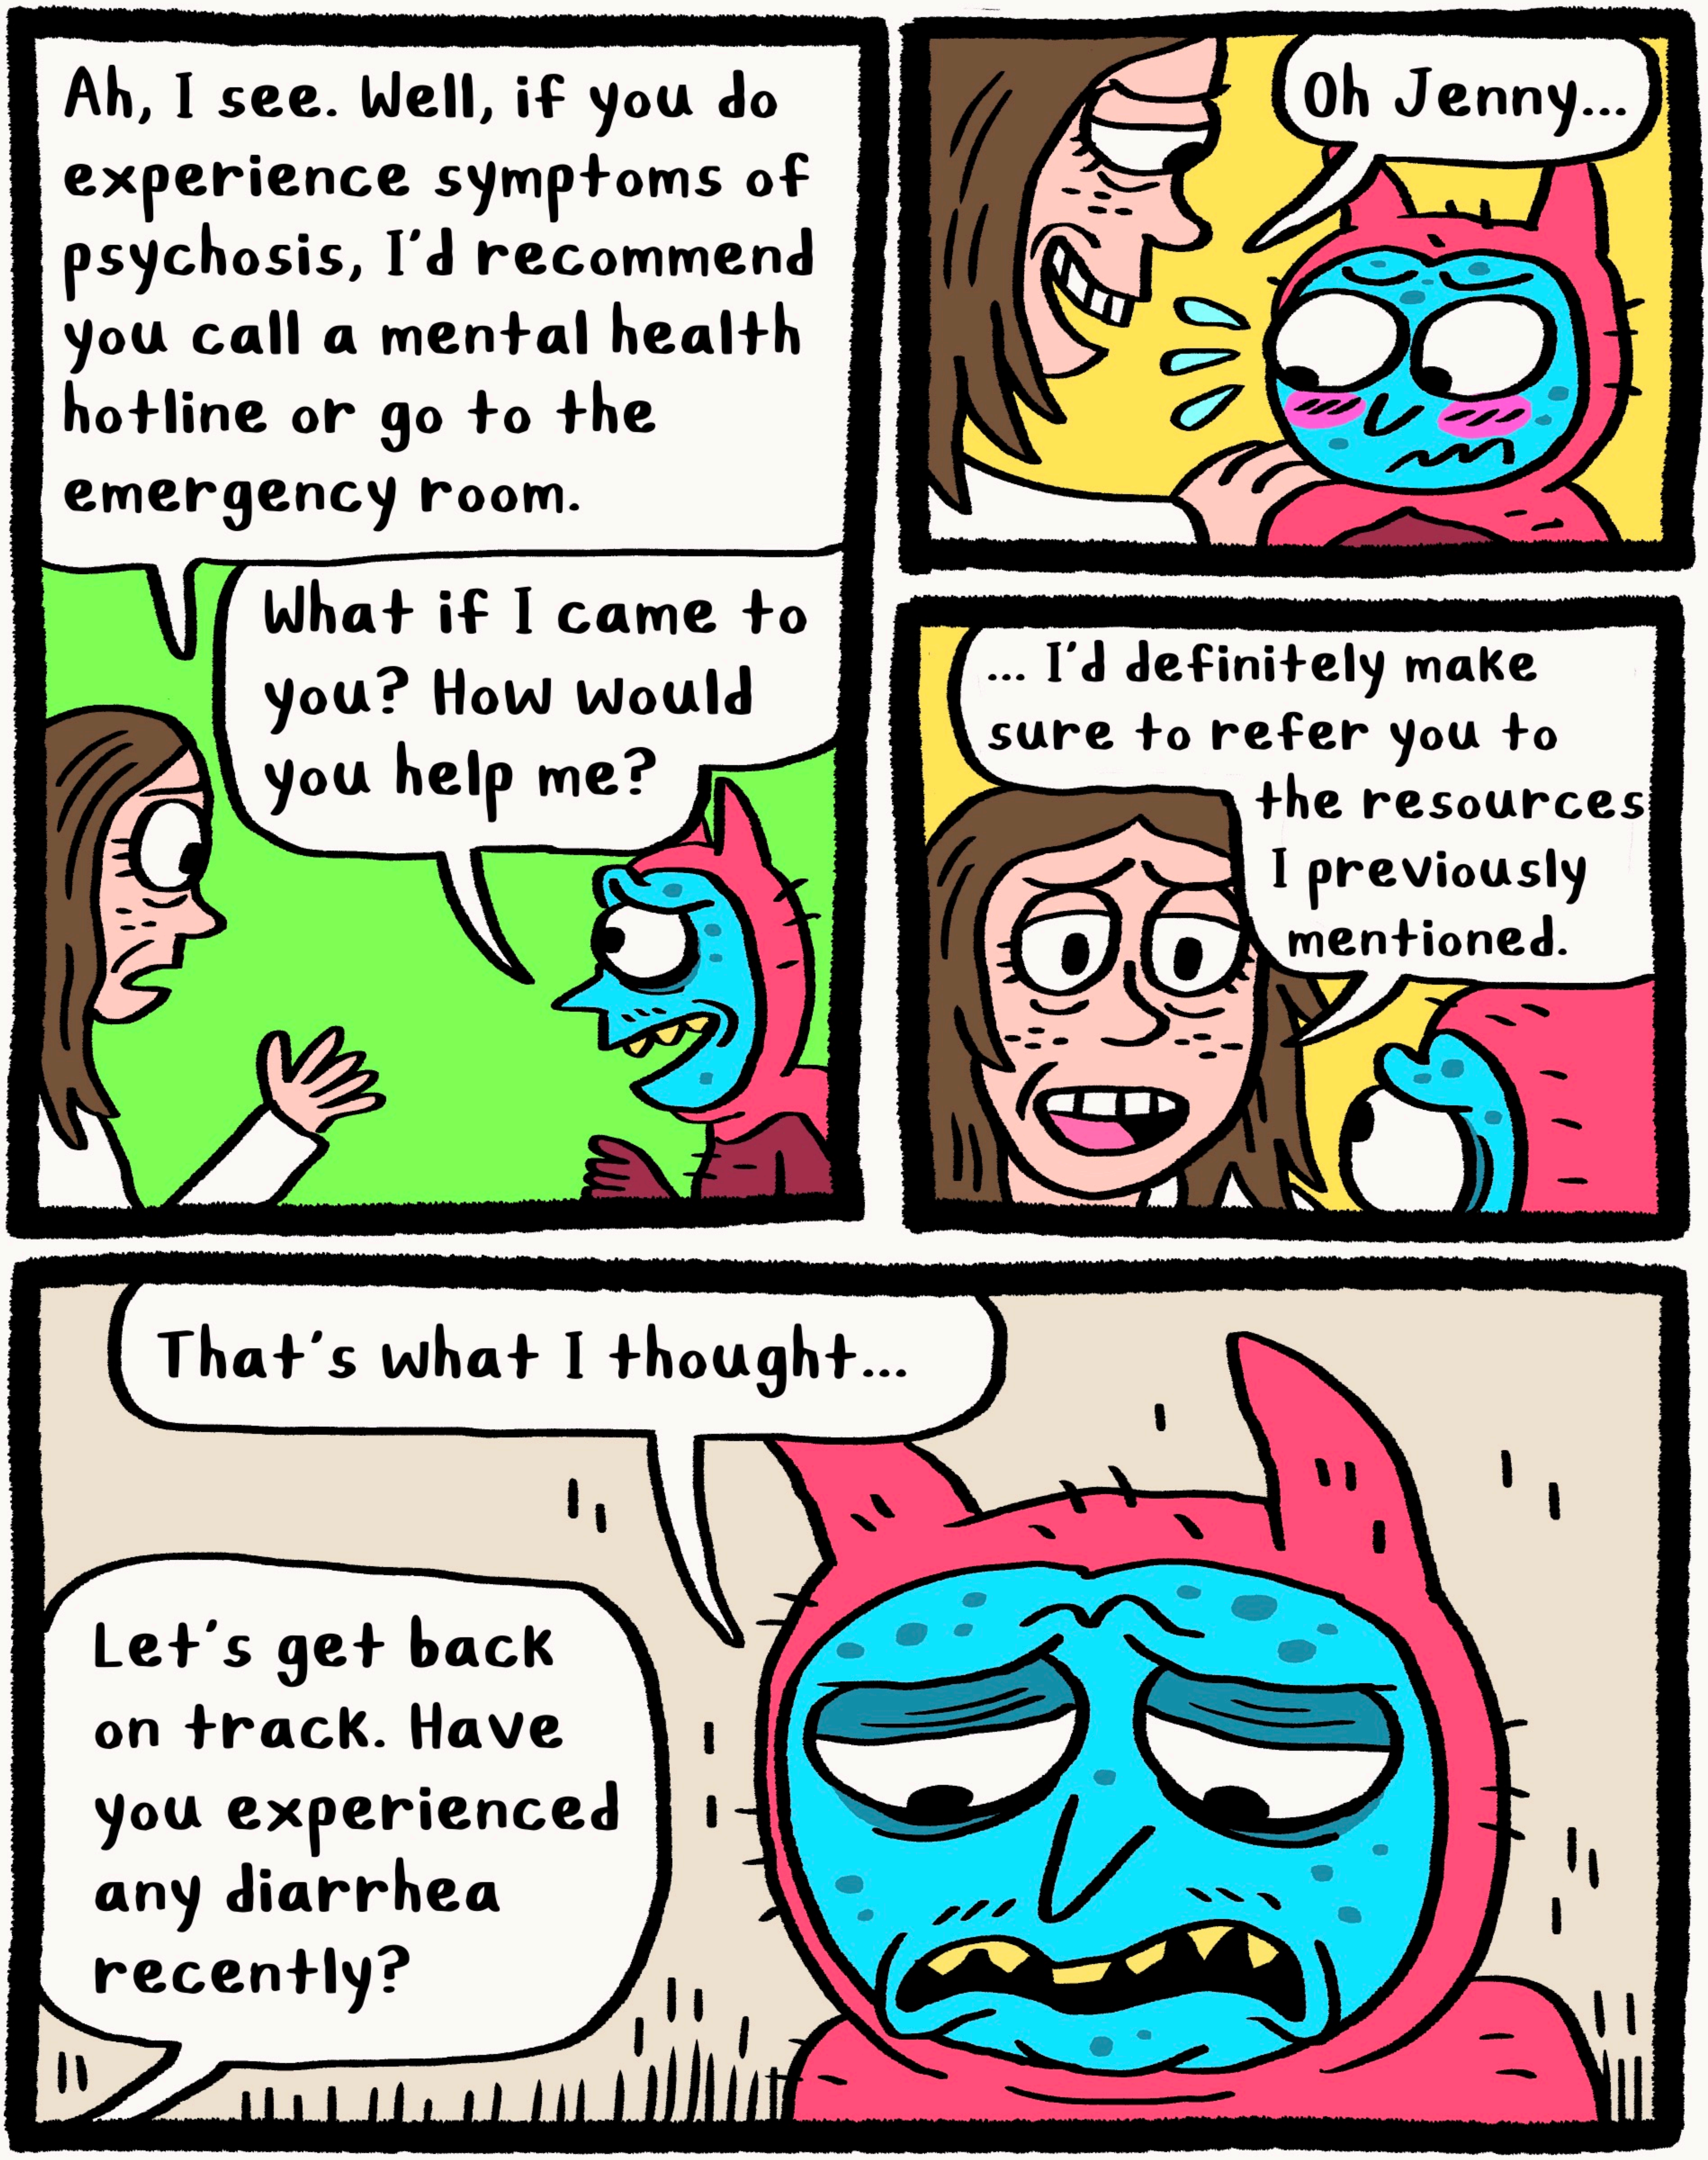
We should definitely do some more bloodwork, and we can't know for certain without a colonoscopy, but it's very likely you have some form of irritable bowel disorder.



I know a good gastroenterologist that I can refer you to.
Uh-huh.
Hey, don't worry, Jenny. IBD can be managed very effectively with some medication and some minor lifestyle changes.
No, it's not... um... Can I ask you about something unrelated, Miriam?
Oh, well, what exactly is on your mind?
...Okay, uhh...



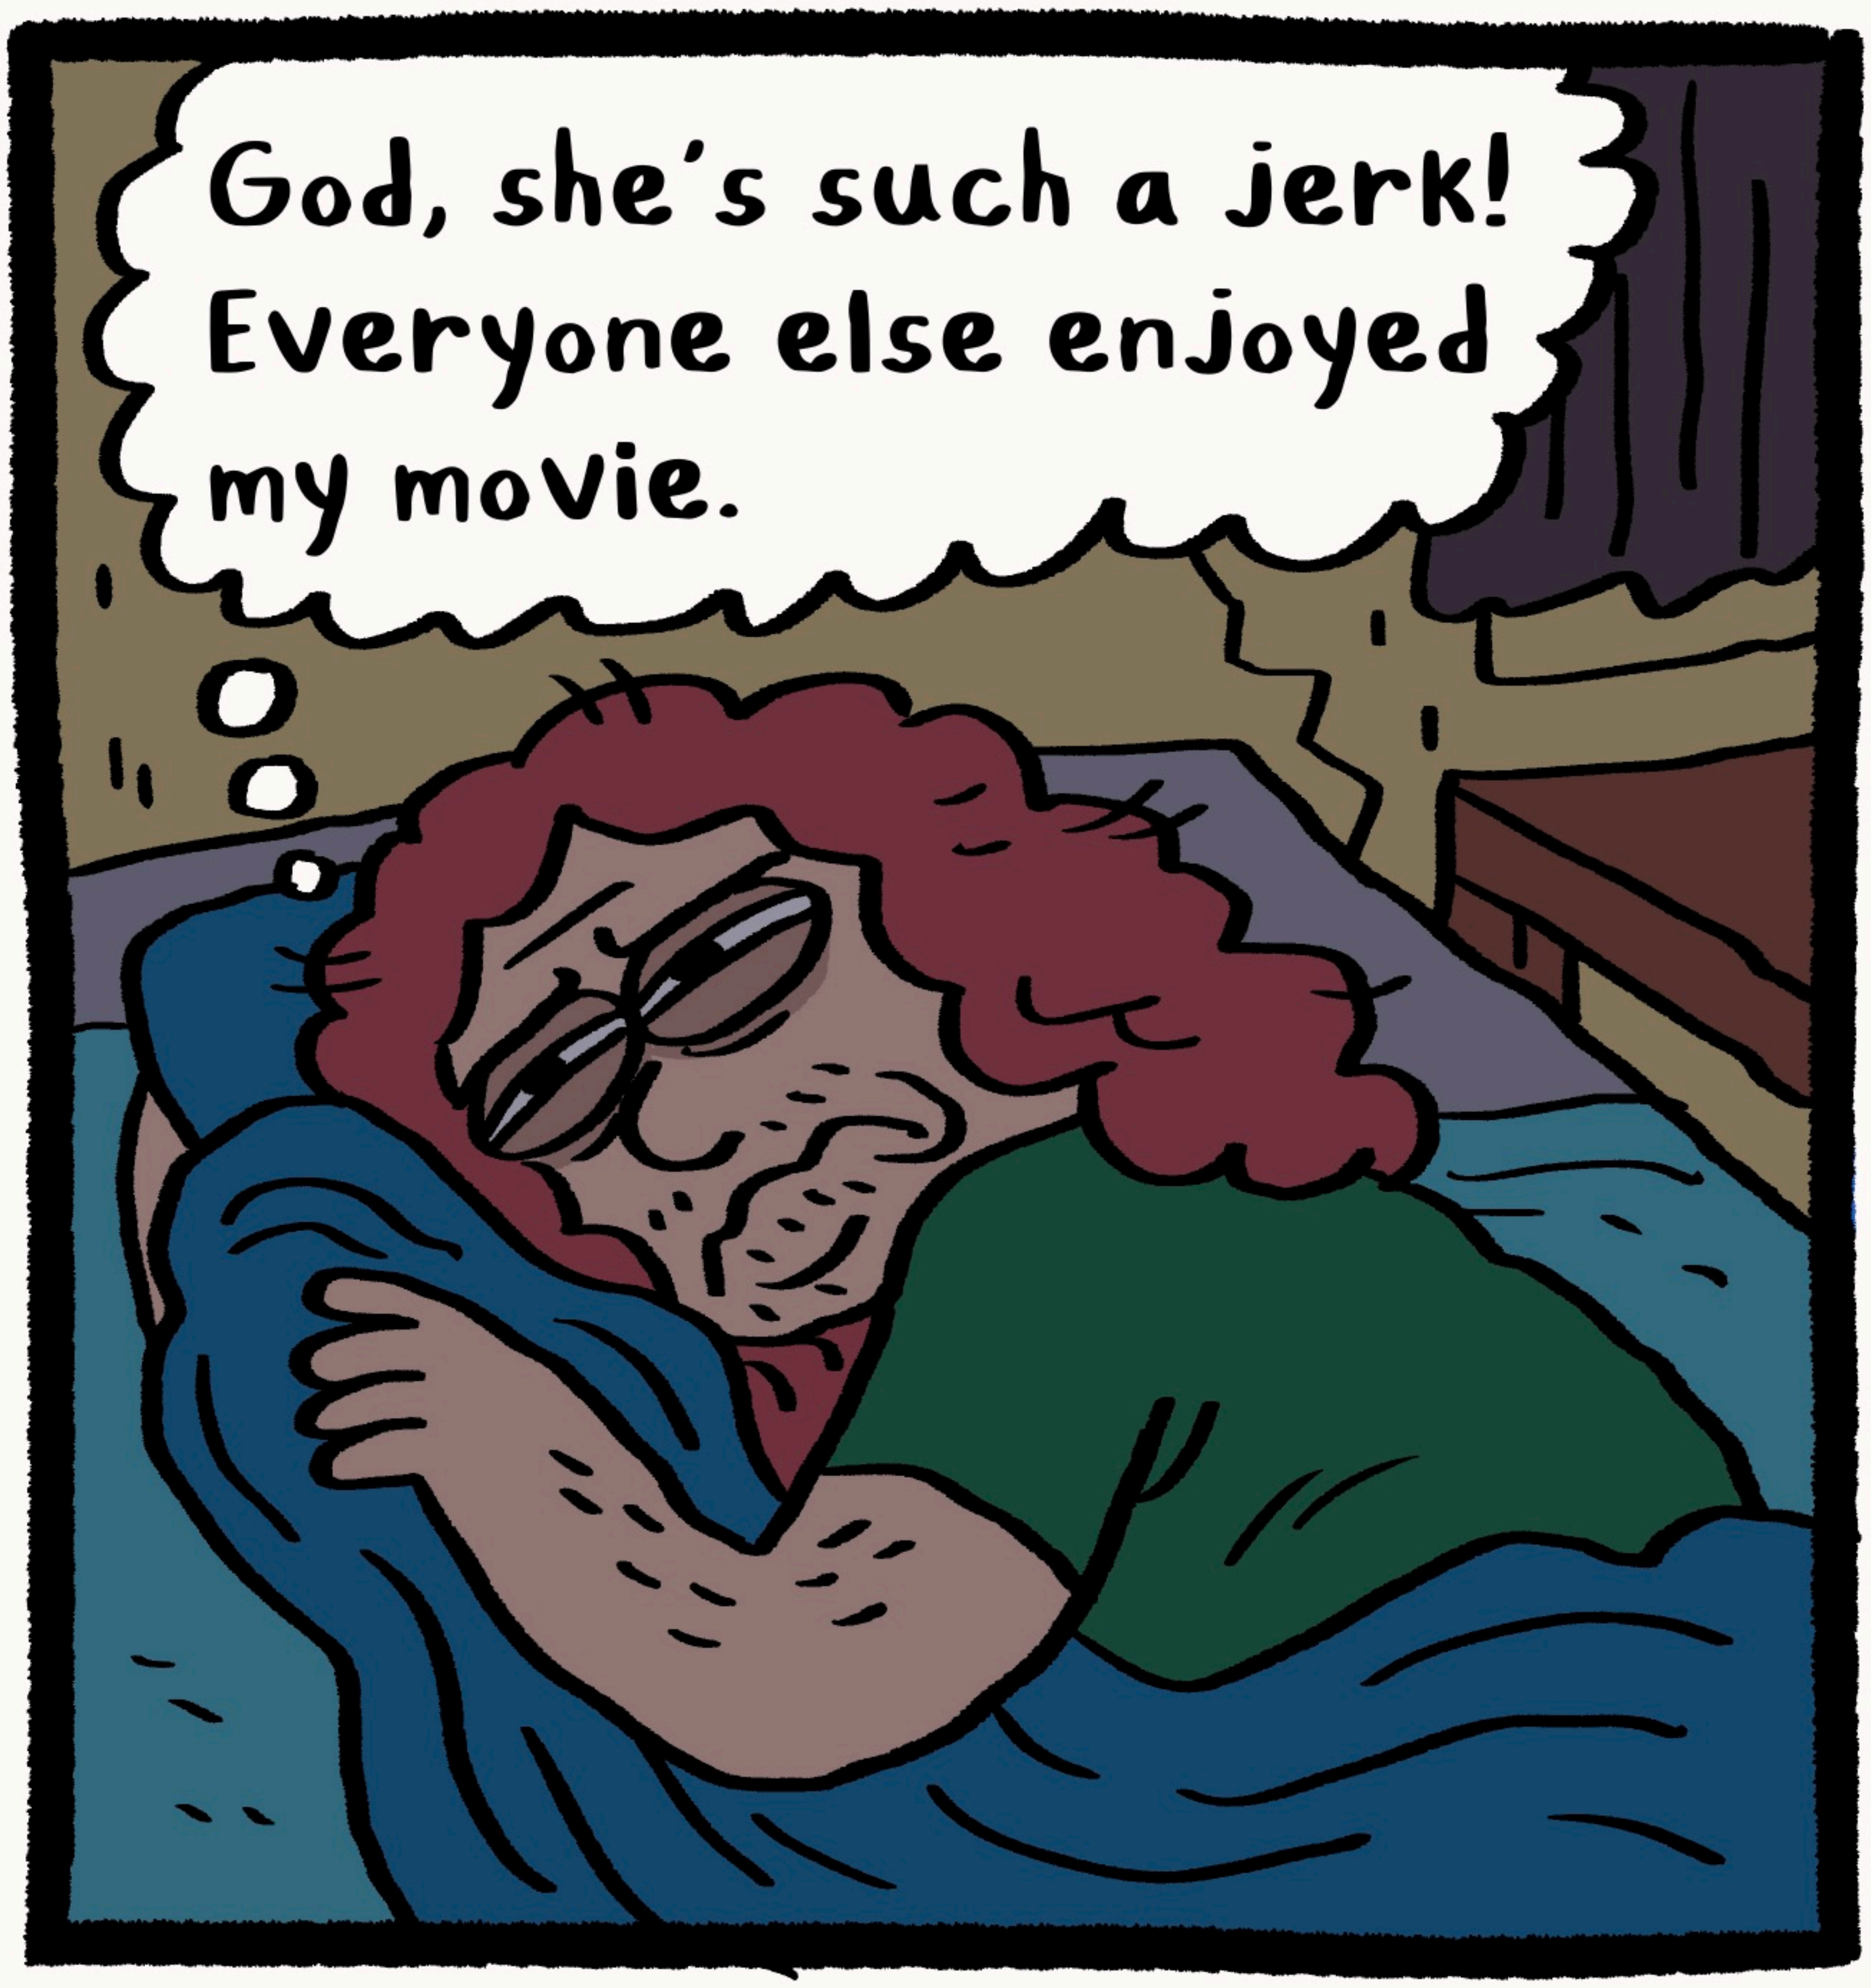
Let's just say that HYPOTHETICALLY I was hearing voices and seeing stuff that wasn't there. What would you recommend I do in that situation?
... Are you trying to tell me that you're experiencing symptoms of psychosis, Jenny?
No no no! I was only curious because my uncle got diagnosed recently, and I wanted to know how to deal with that sort of thing IF I started having symptoms! Heh.*
*A bold faced lie.



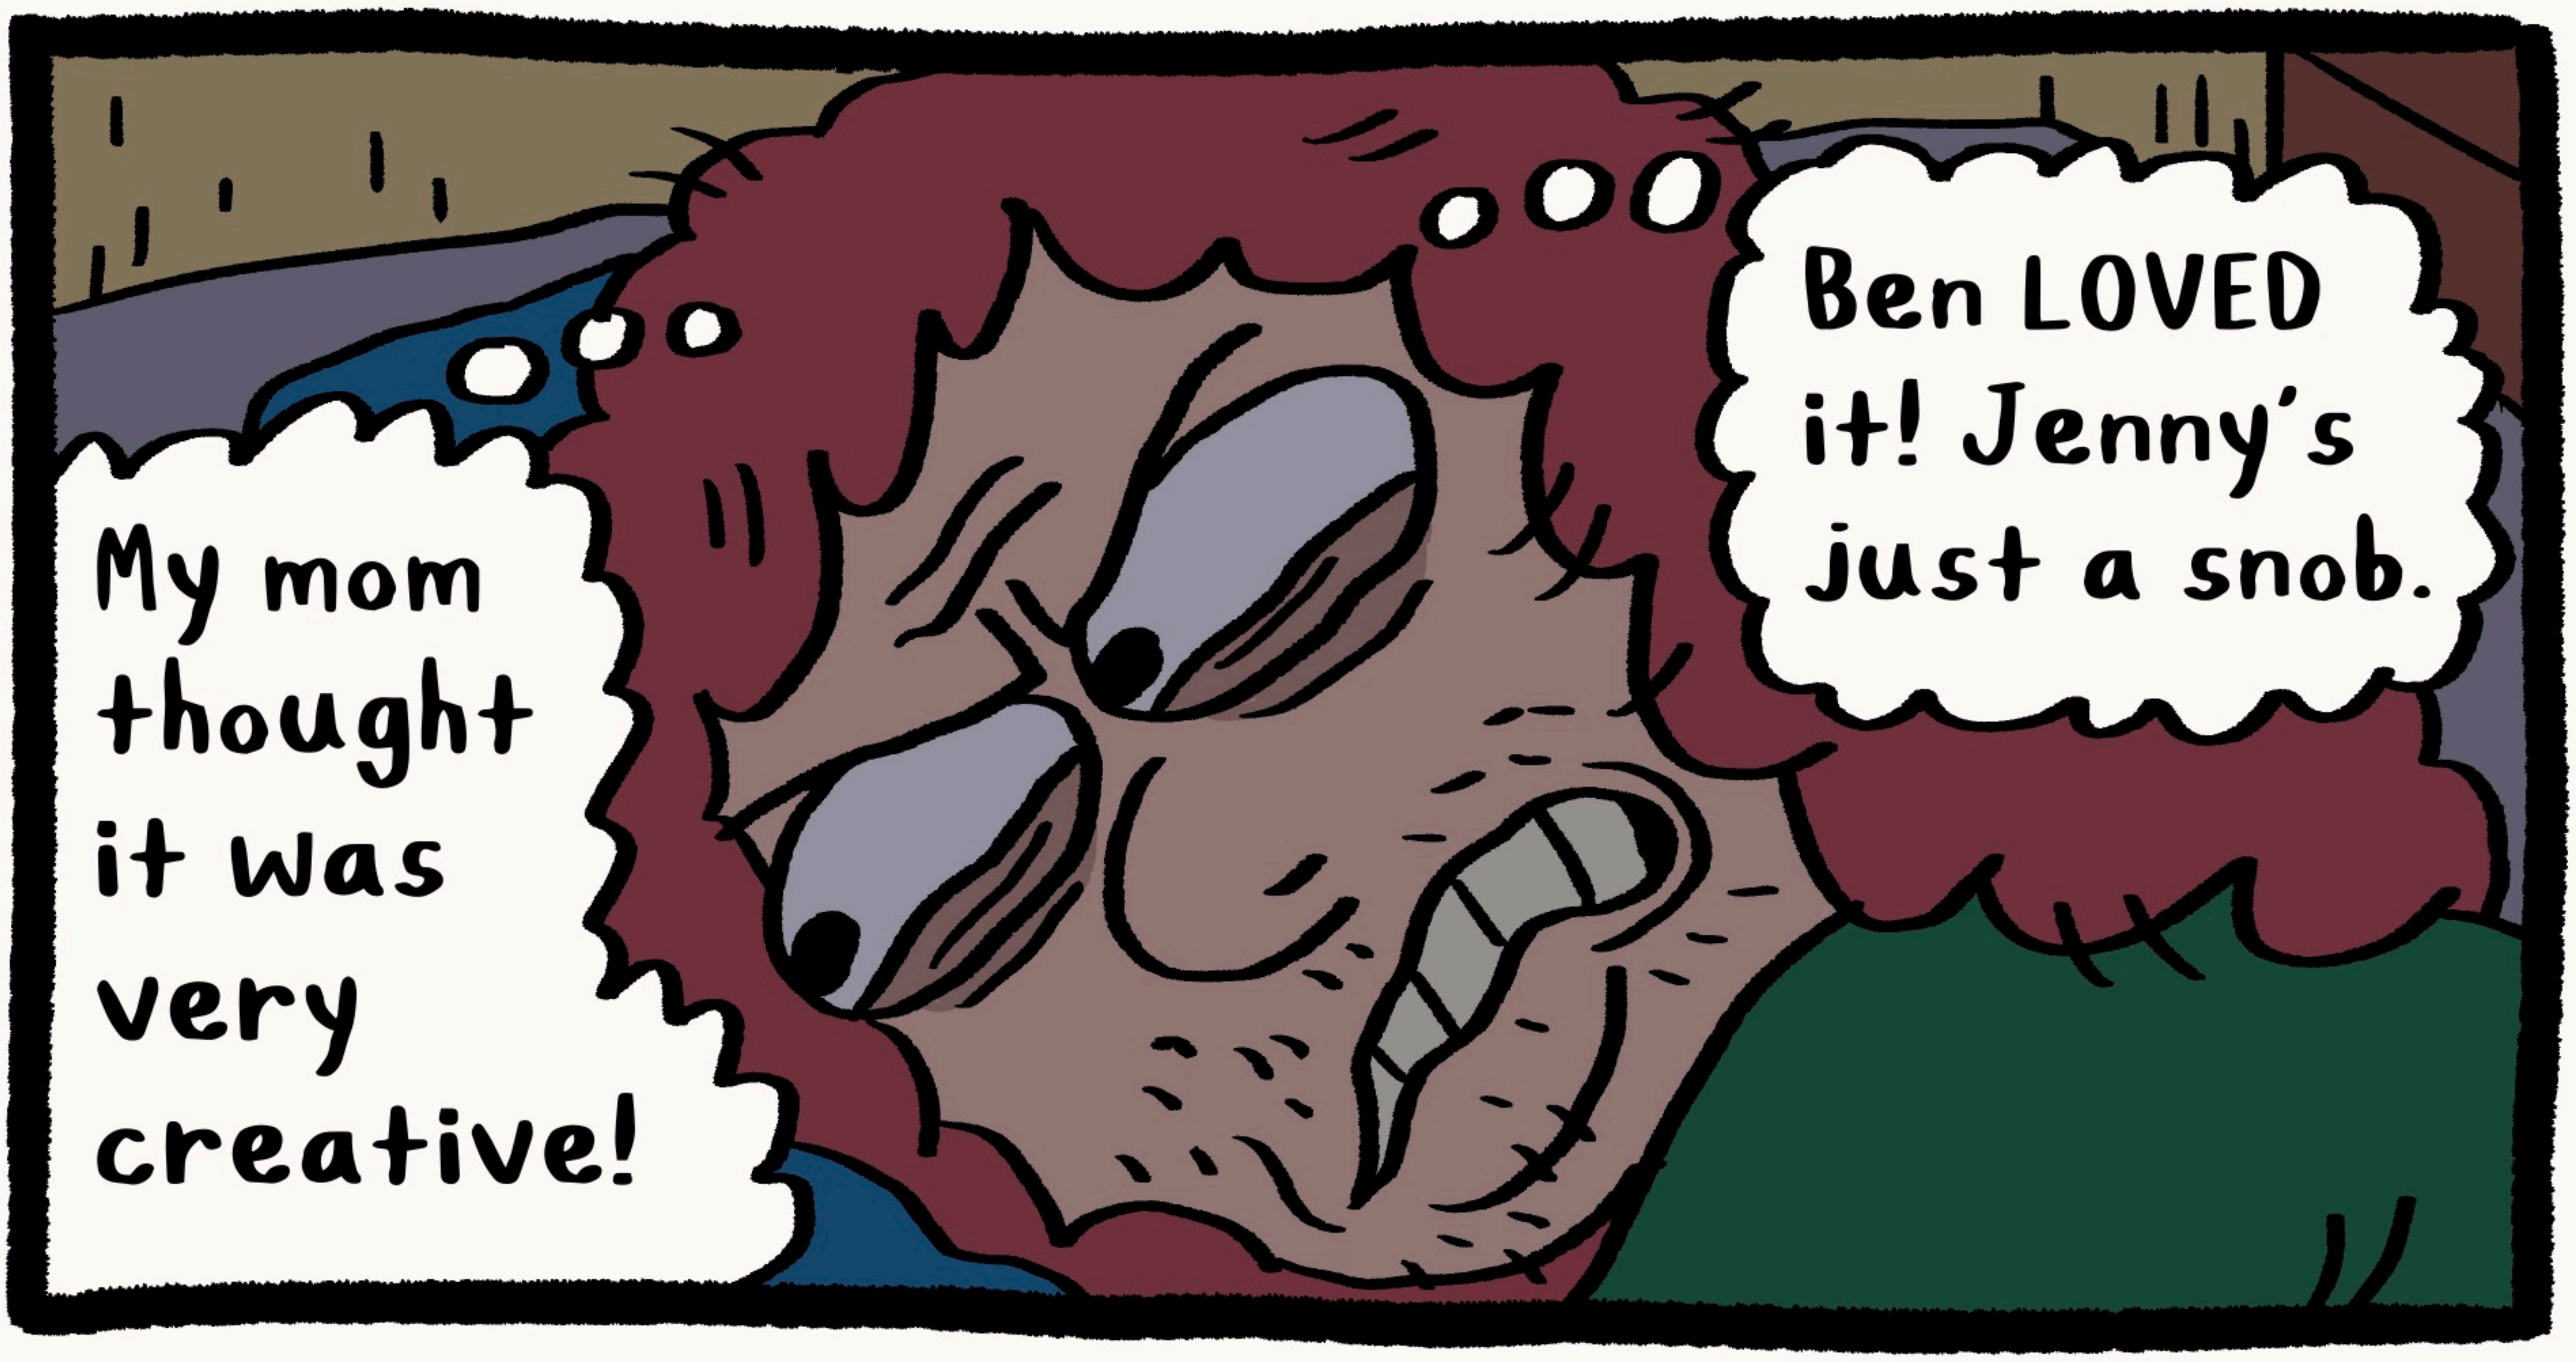
Ah, I see. Well, if you do experience symptoms of psychosis, I'd recommend you call a mental health hotline or go to the emergency room.
What if I came to you? How would you help me?
Oh Jenny...
... I'd definitely make sure to refer you to the resources I previously mentioned.
That's what I thought...
Let's get back on track. Have you experienced any diarrhea recently?

CHRIS TRIES TO GET SOME SLEEP.

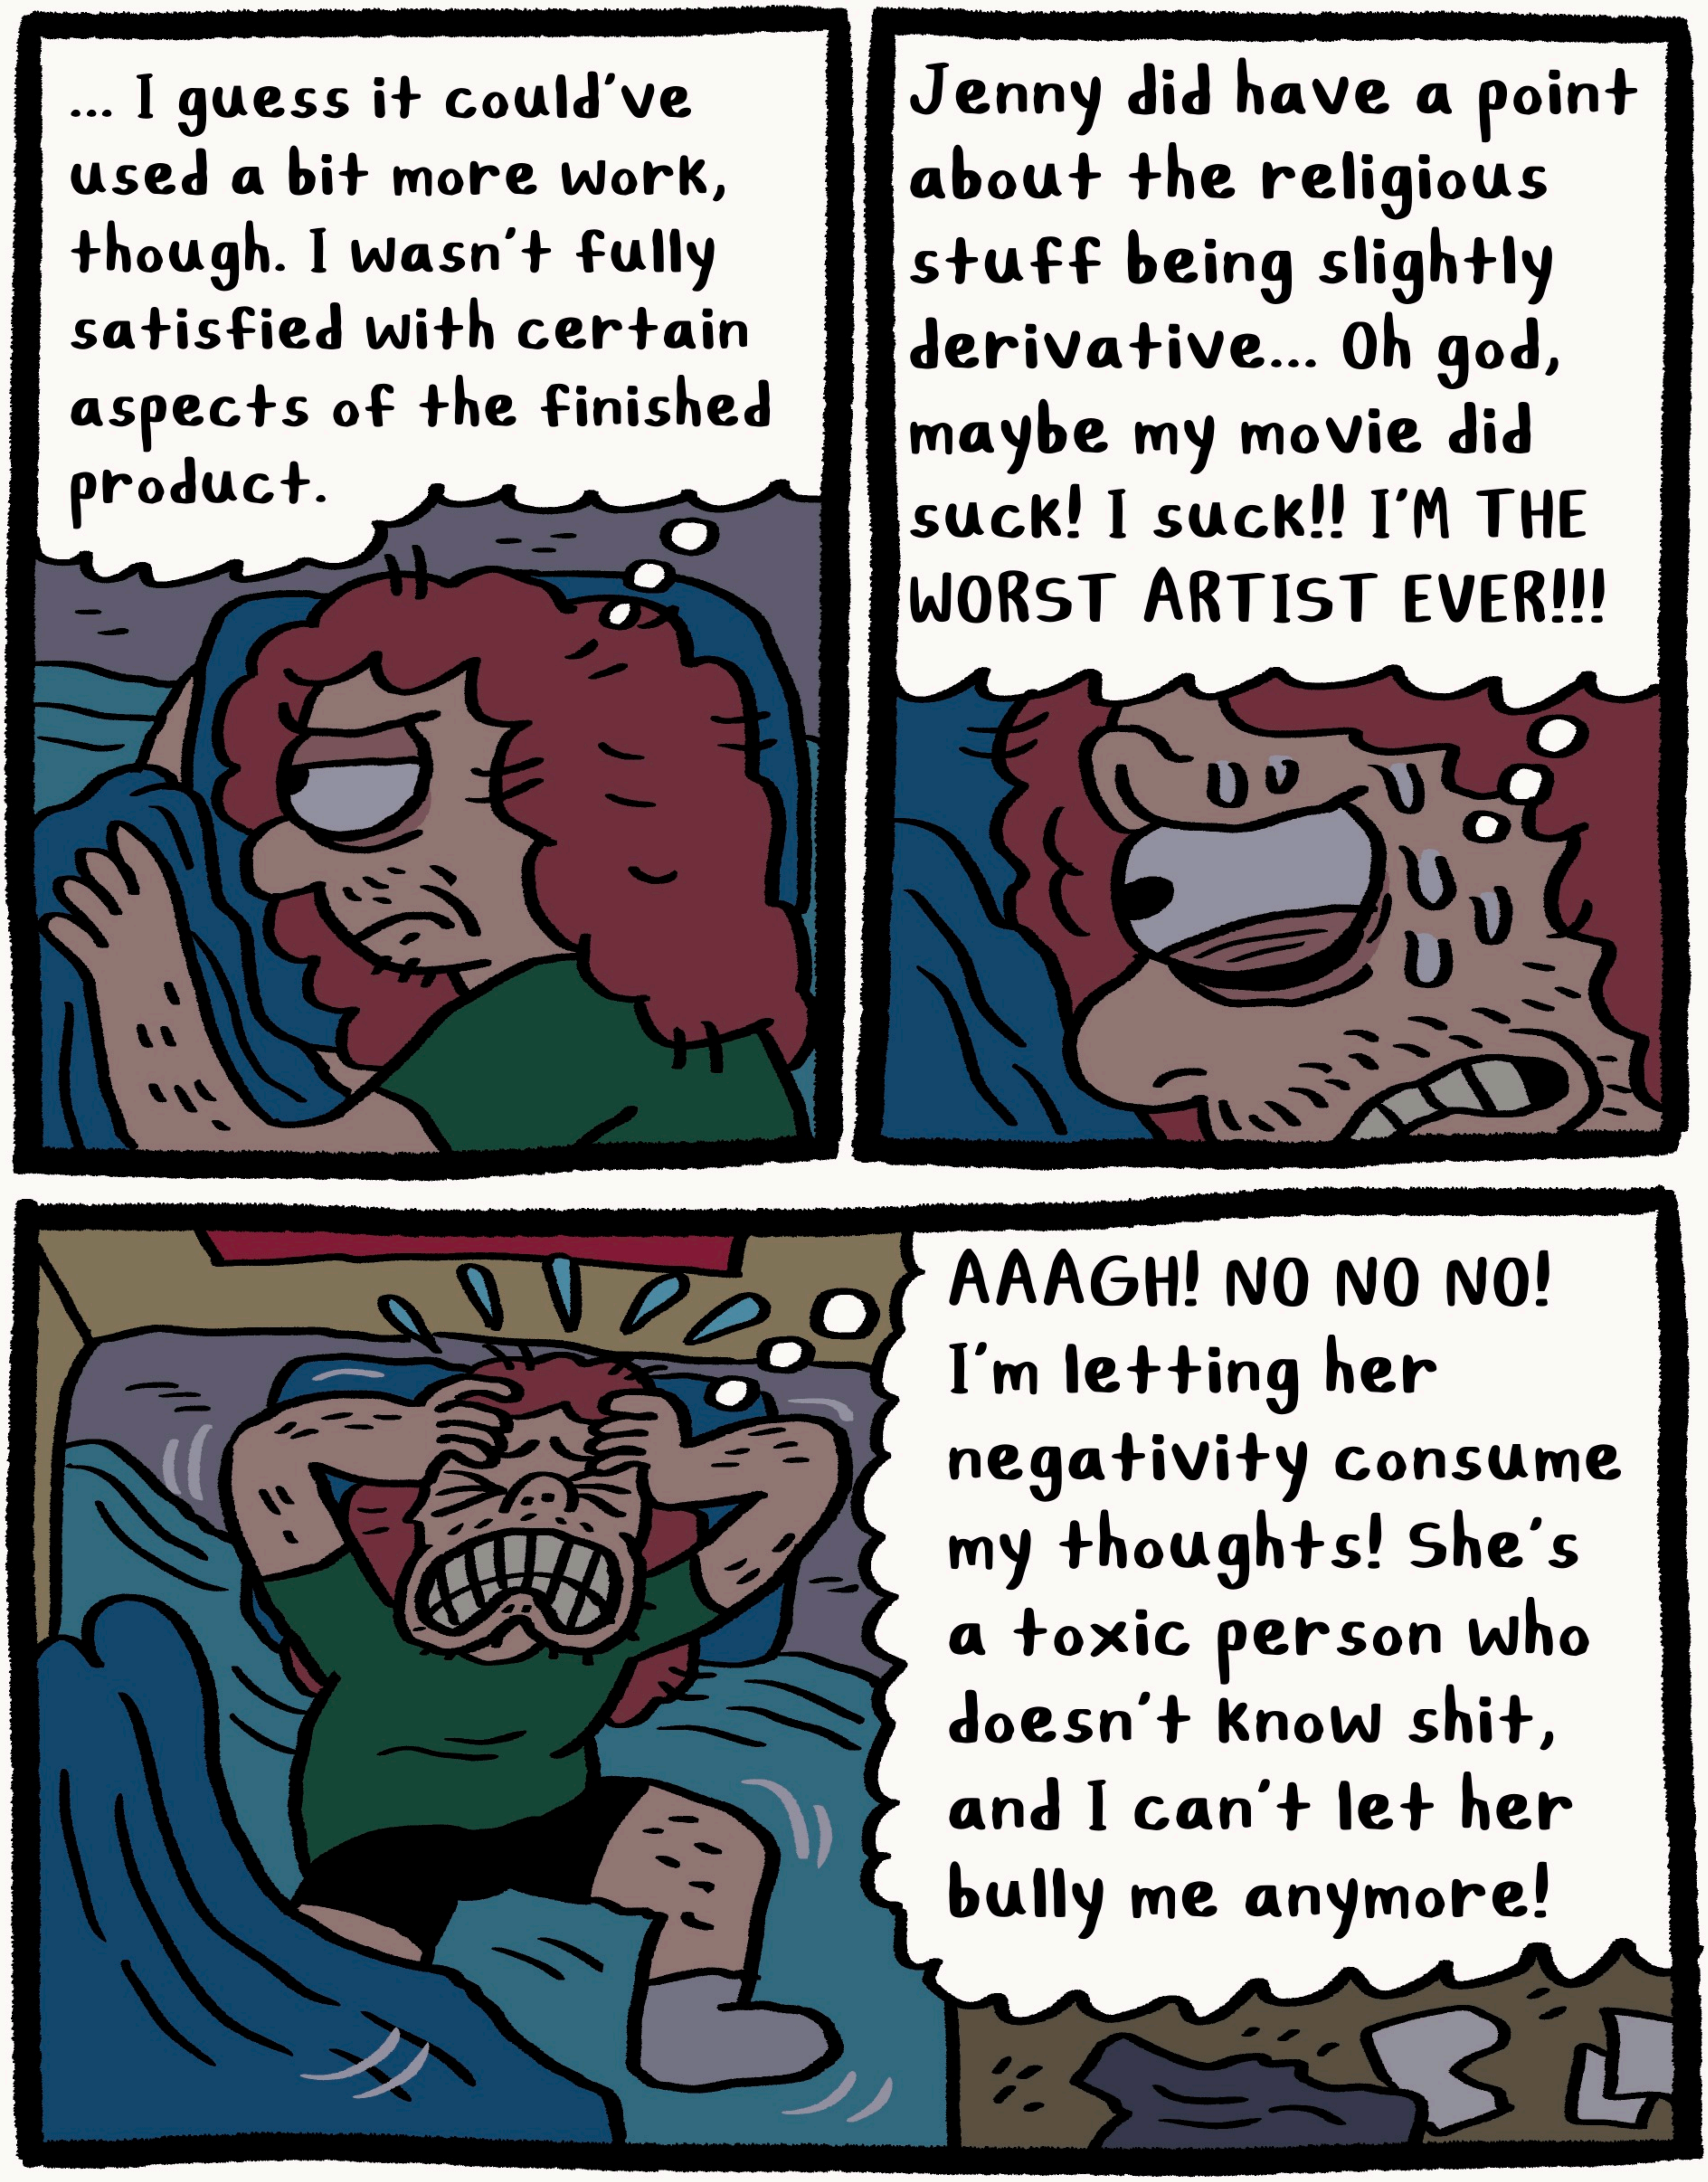
Written and illustrated by Raven Lyn Clemens.



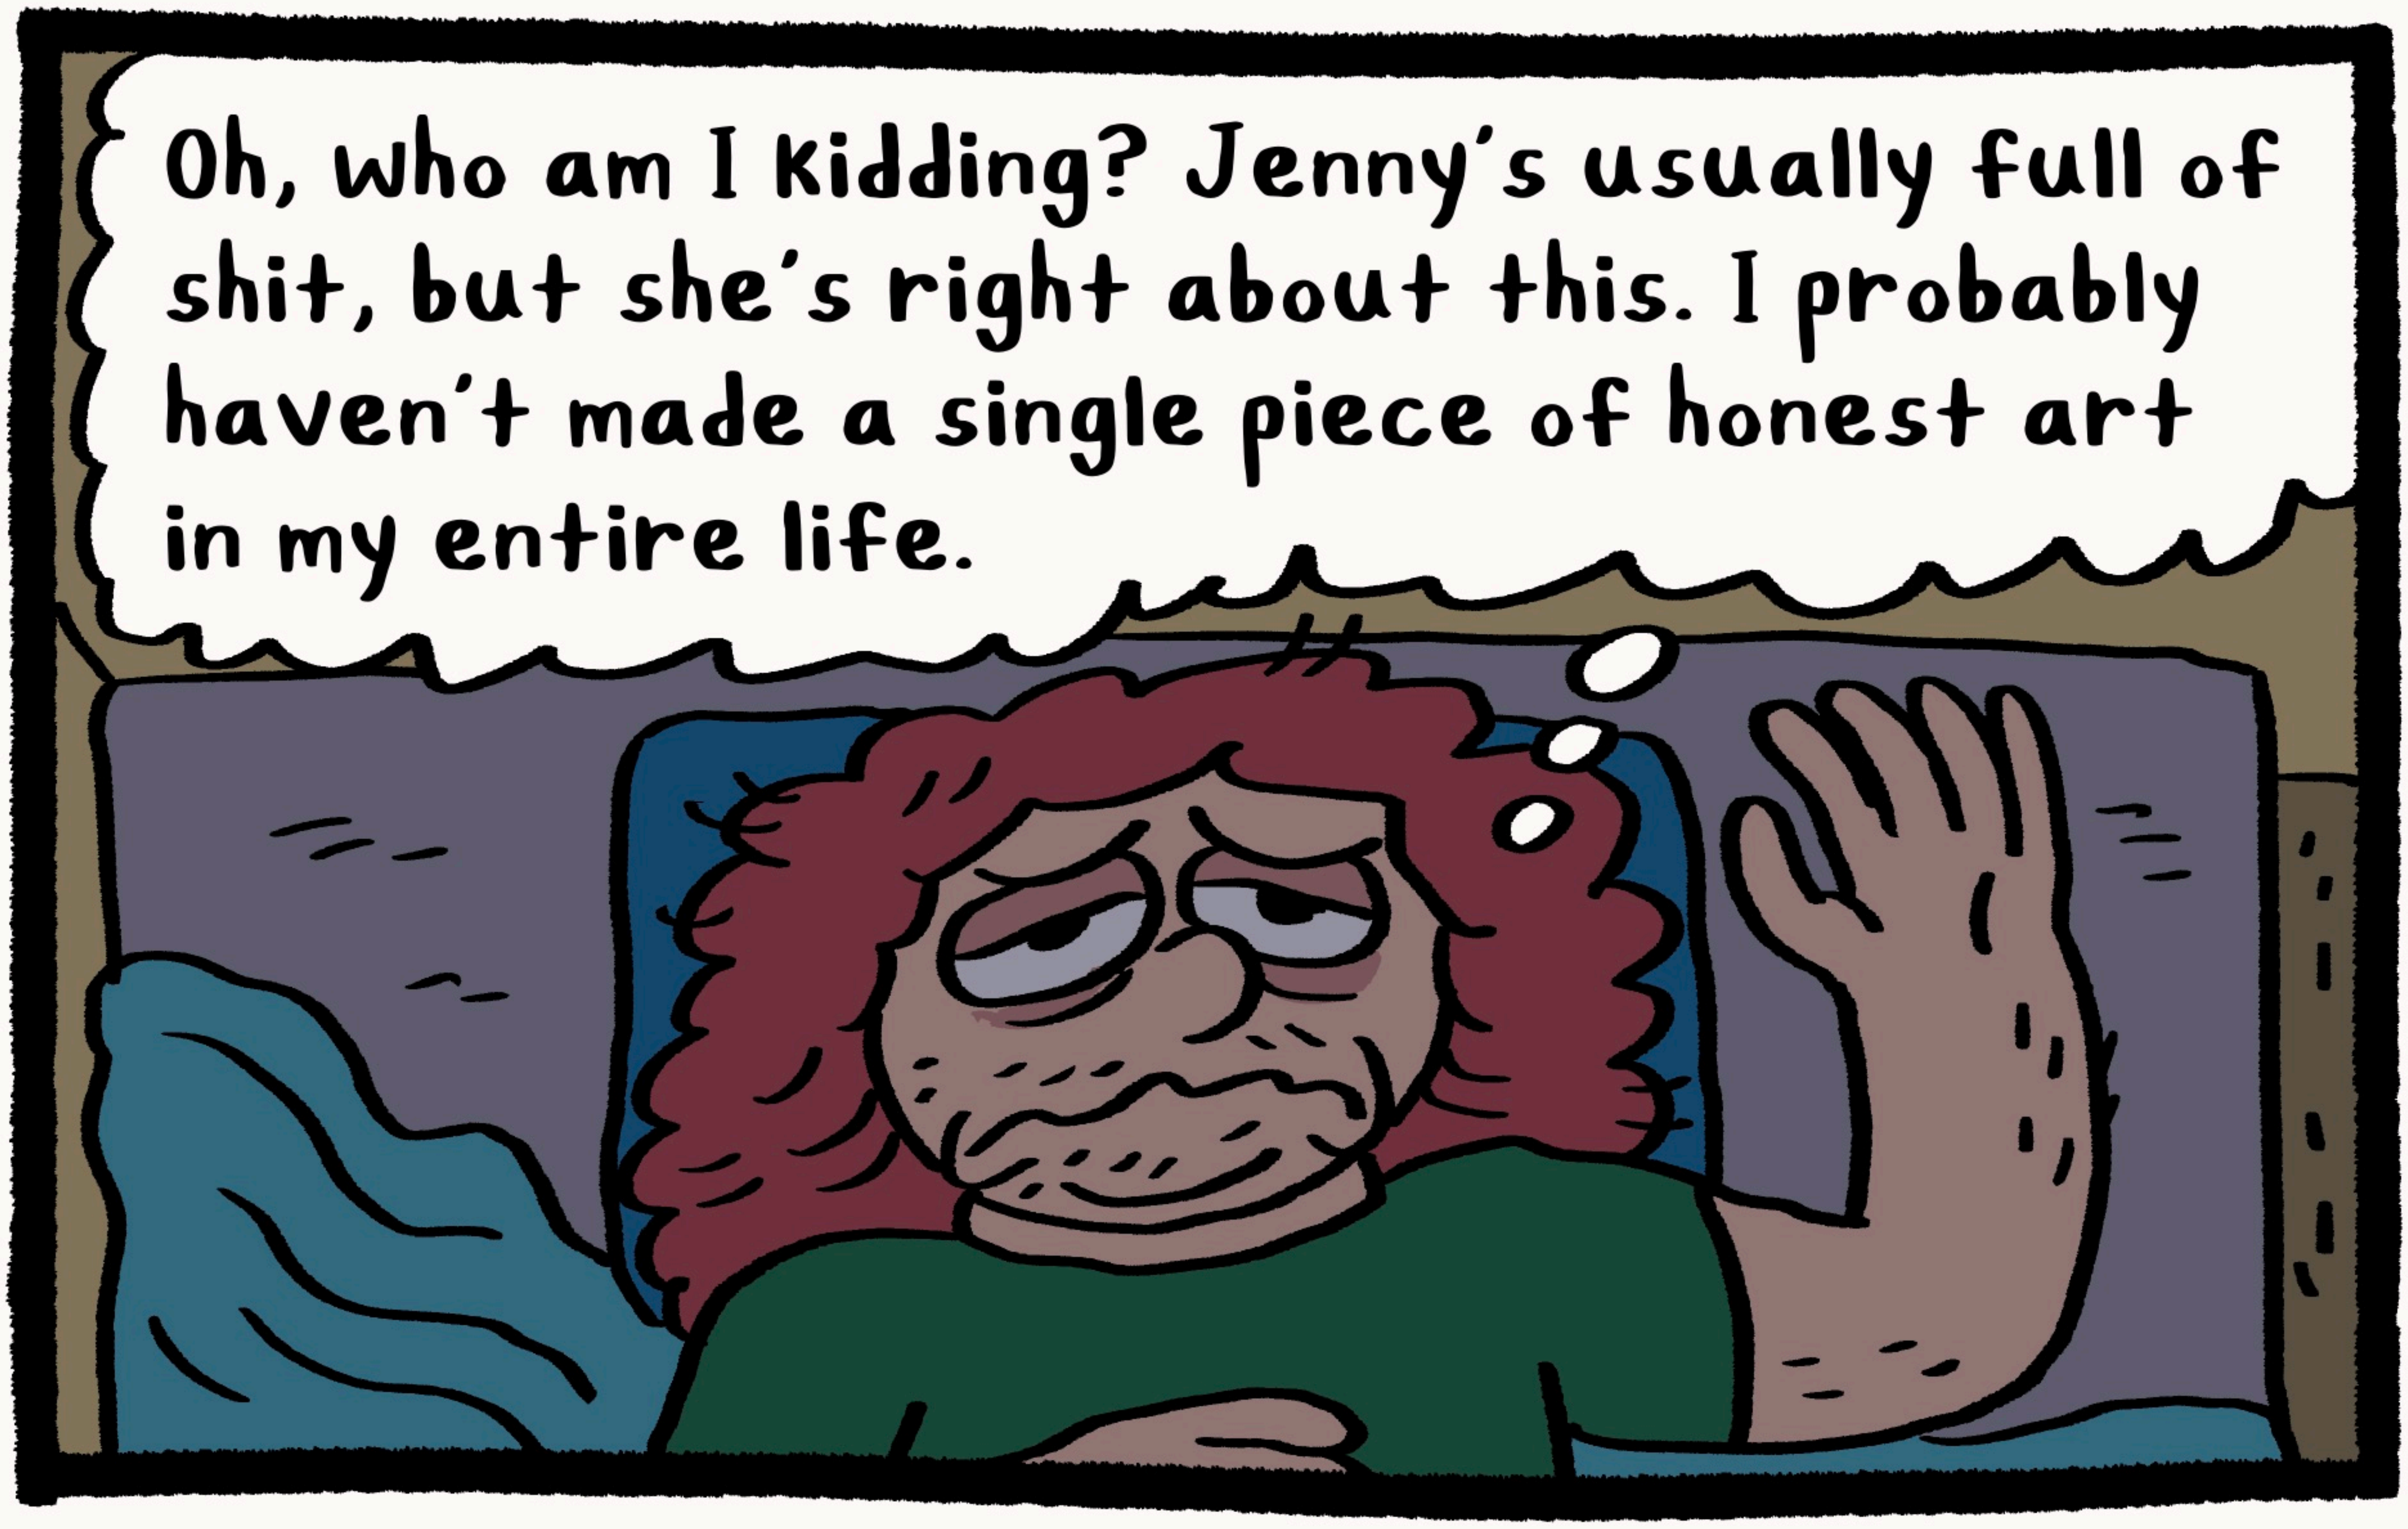
God, she's such a jerk! Everyone else enjoyed my movie.



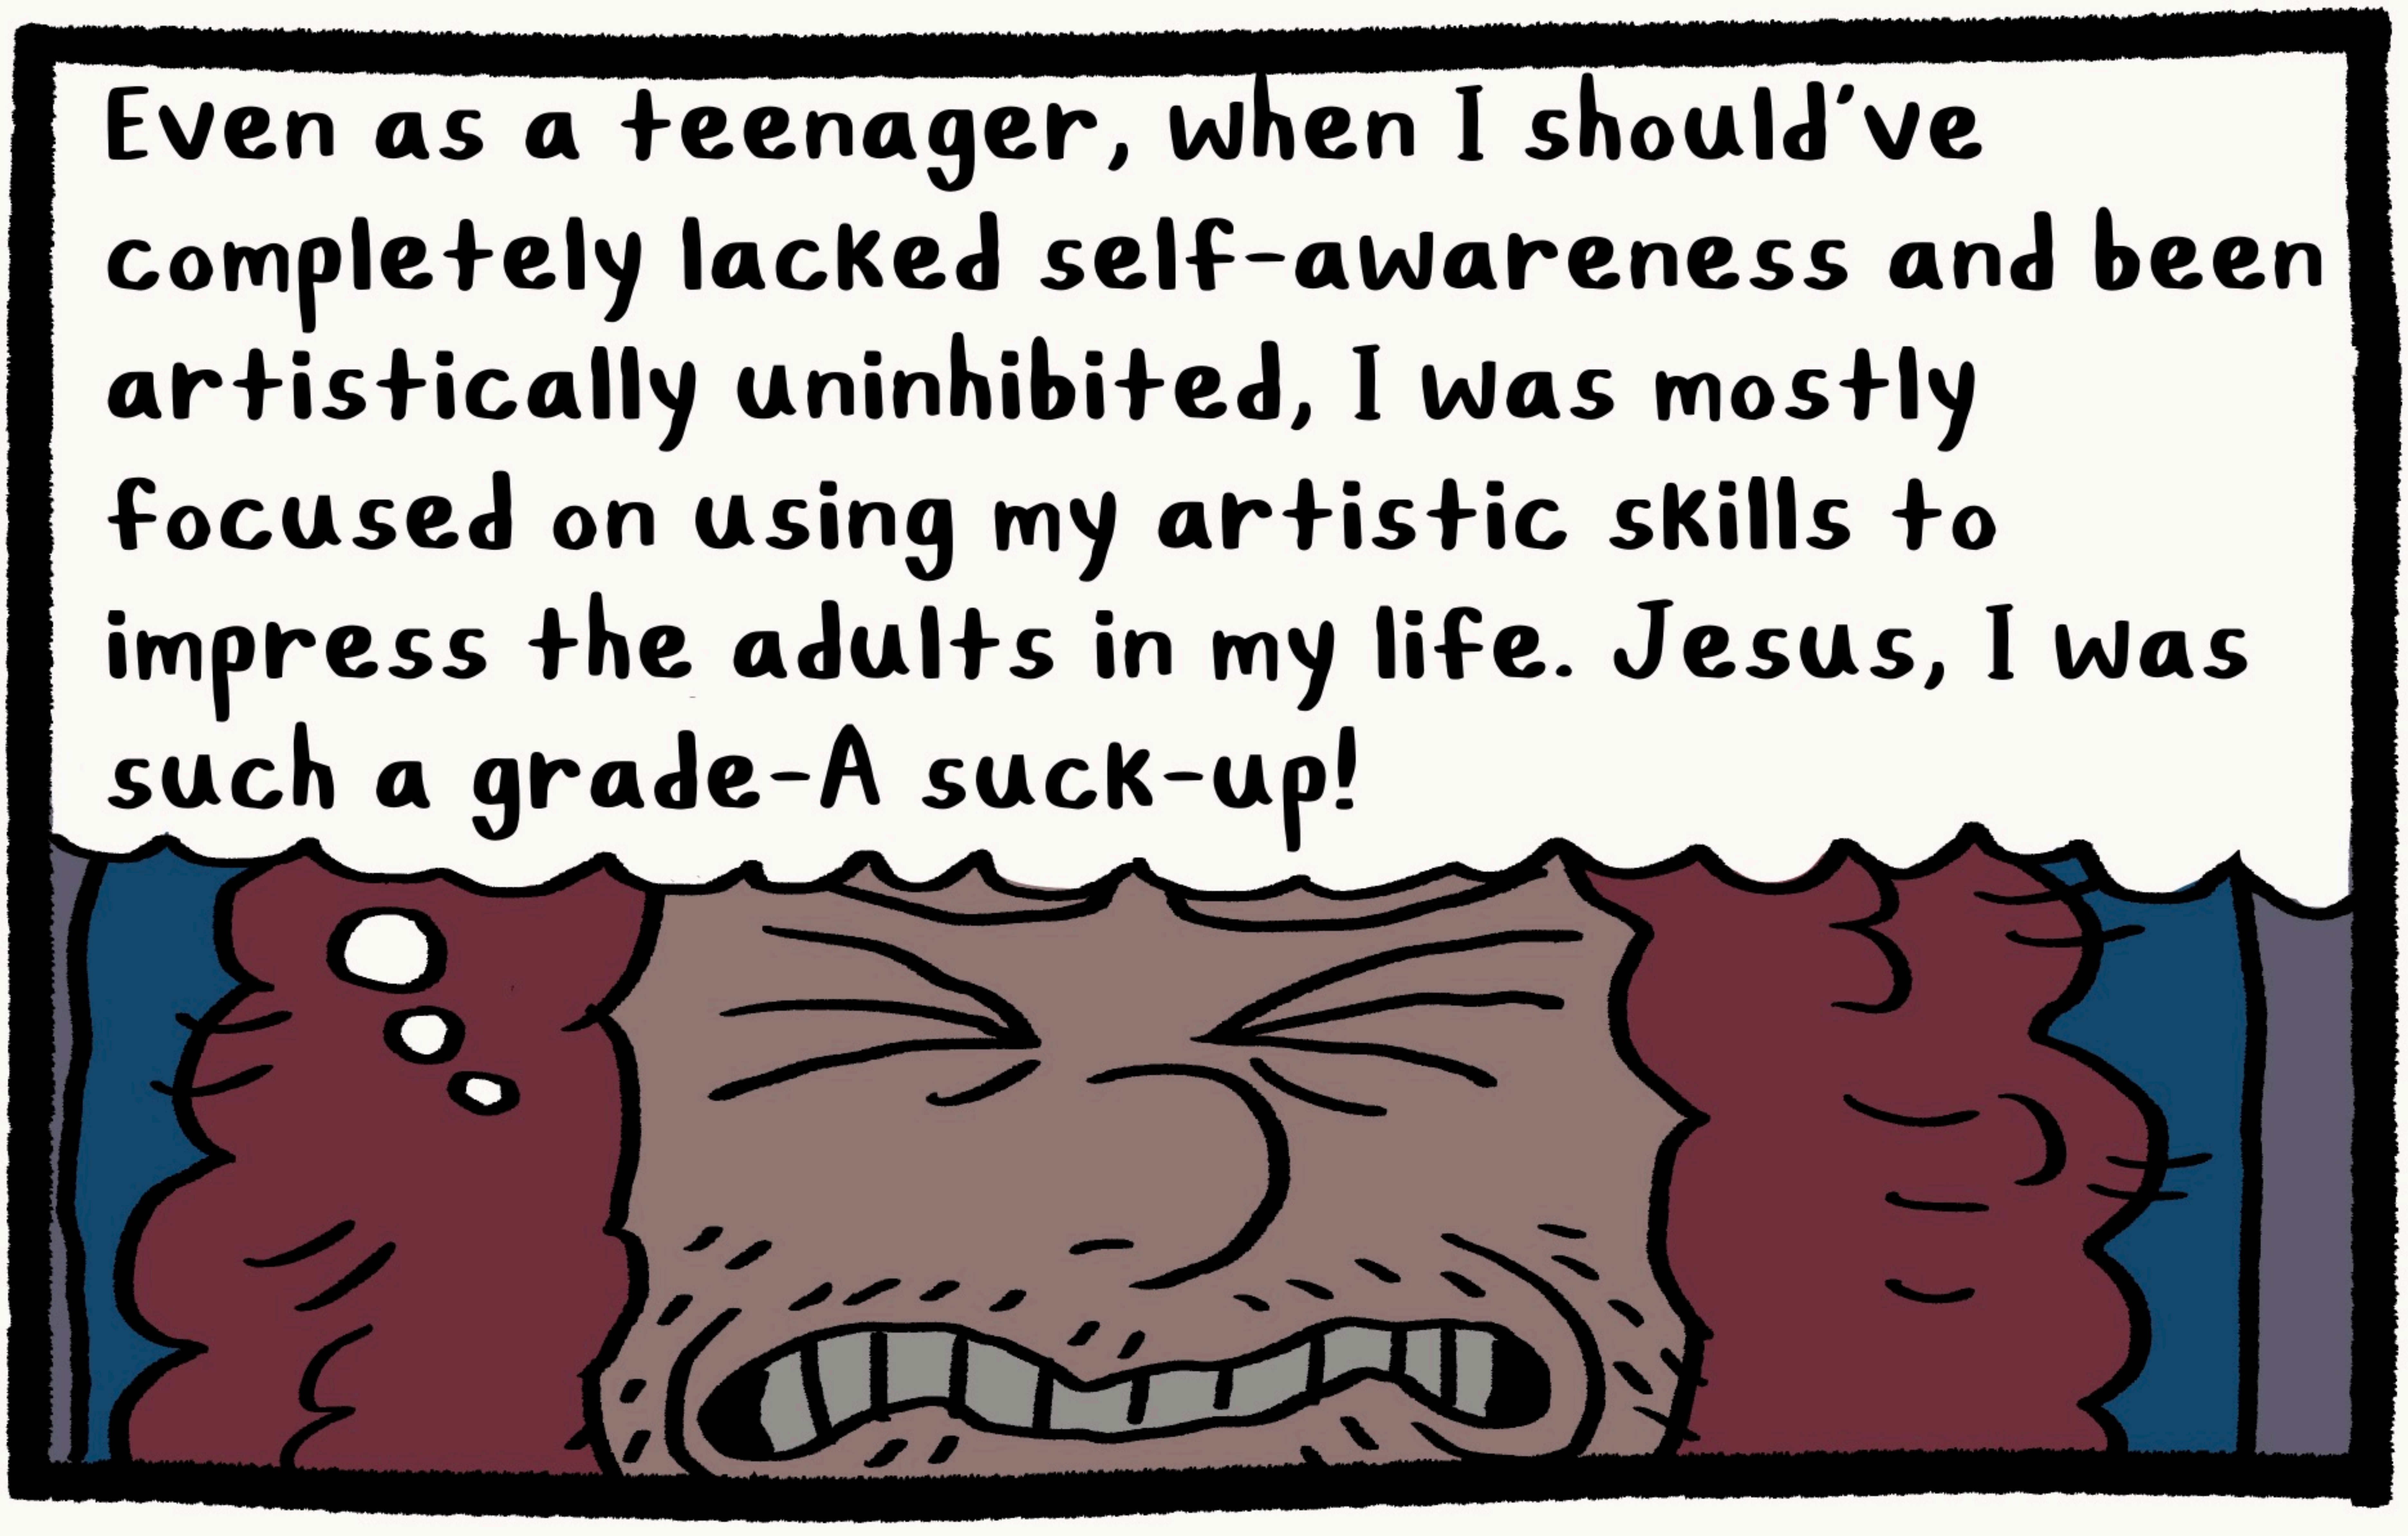
My mom thought it was very creative!
Ben LOVED it! Jenny's just a snob.



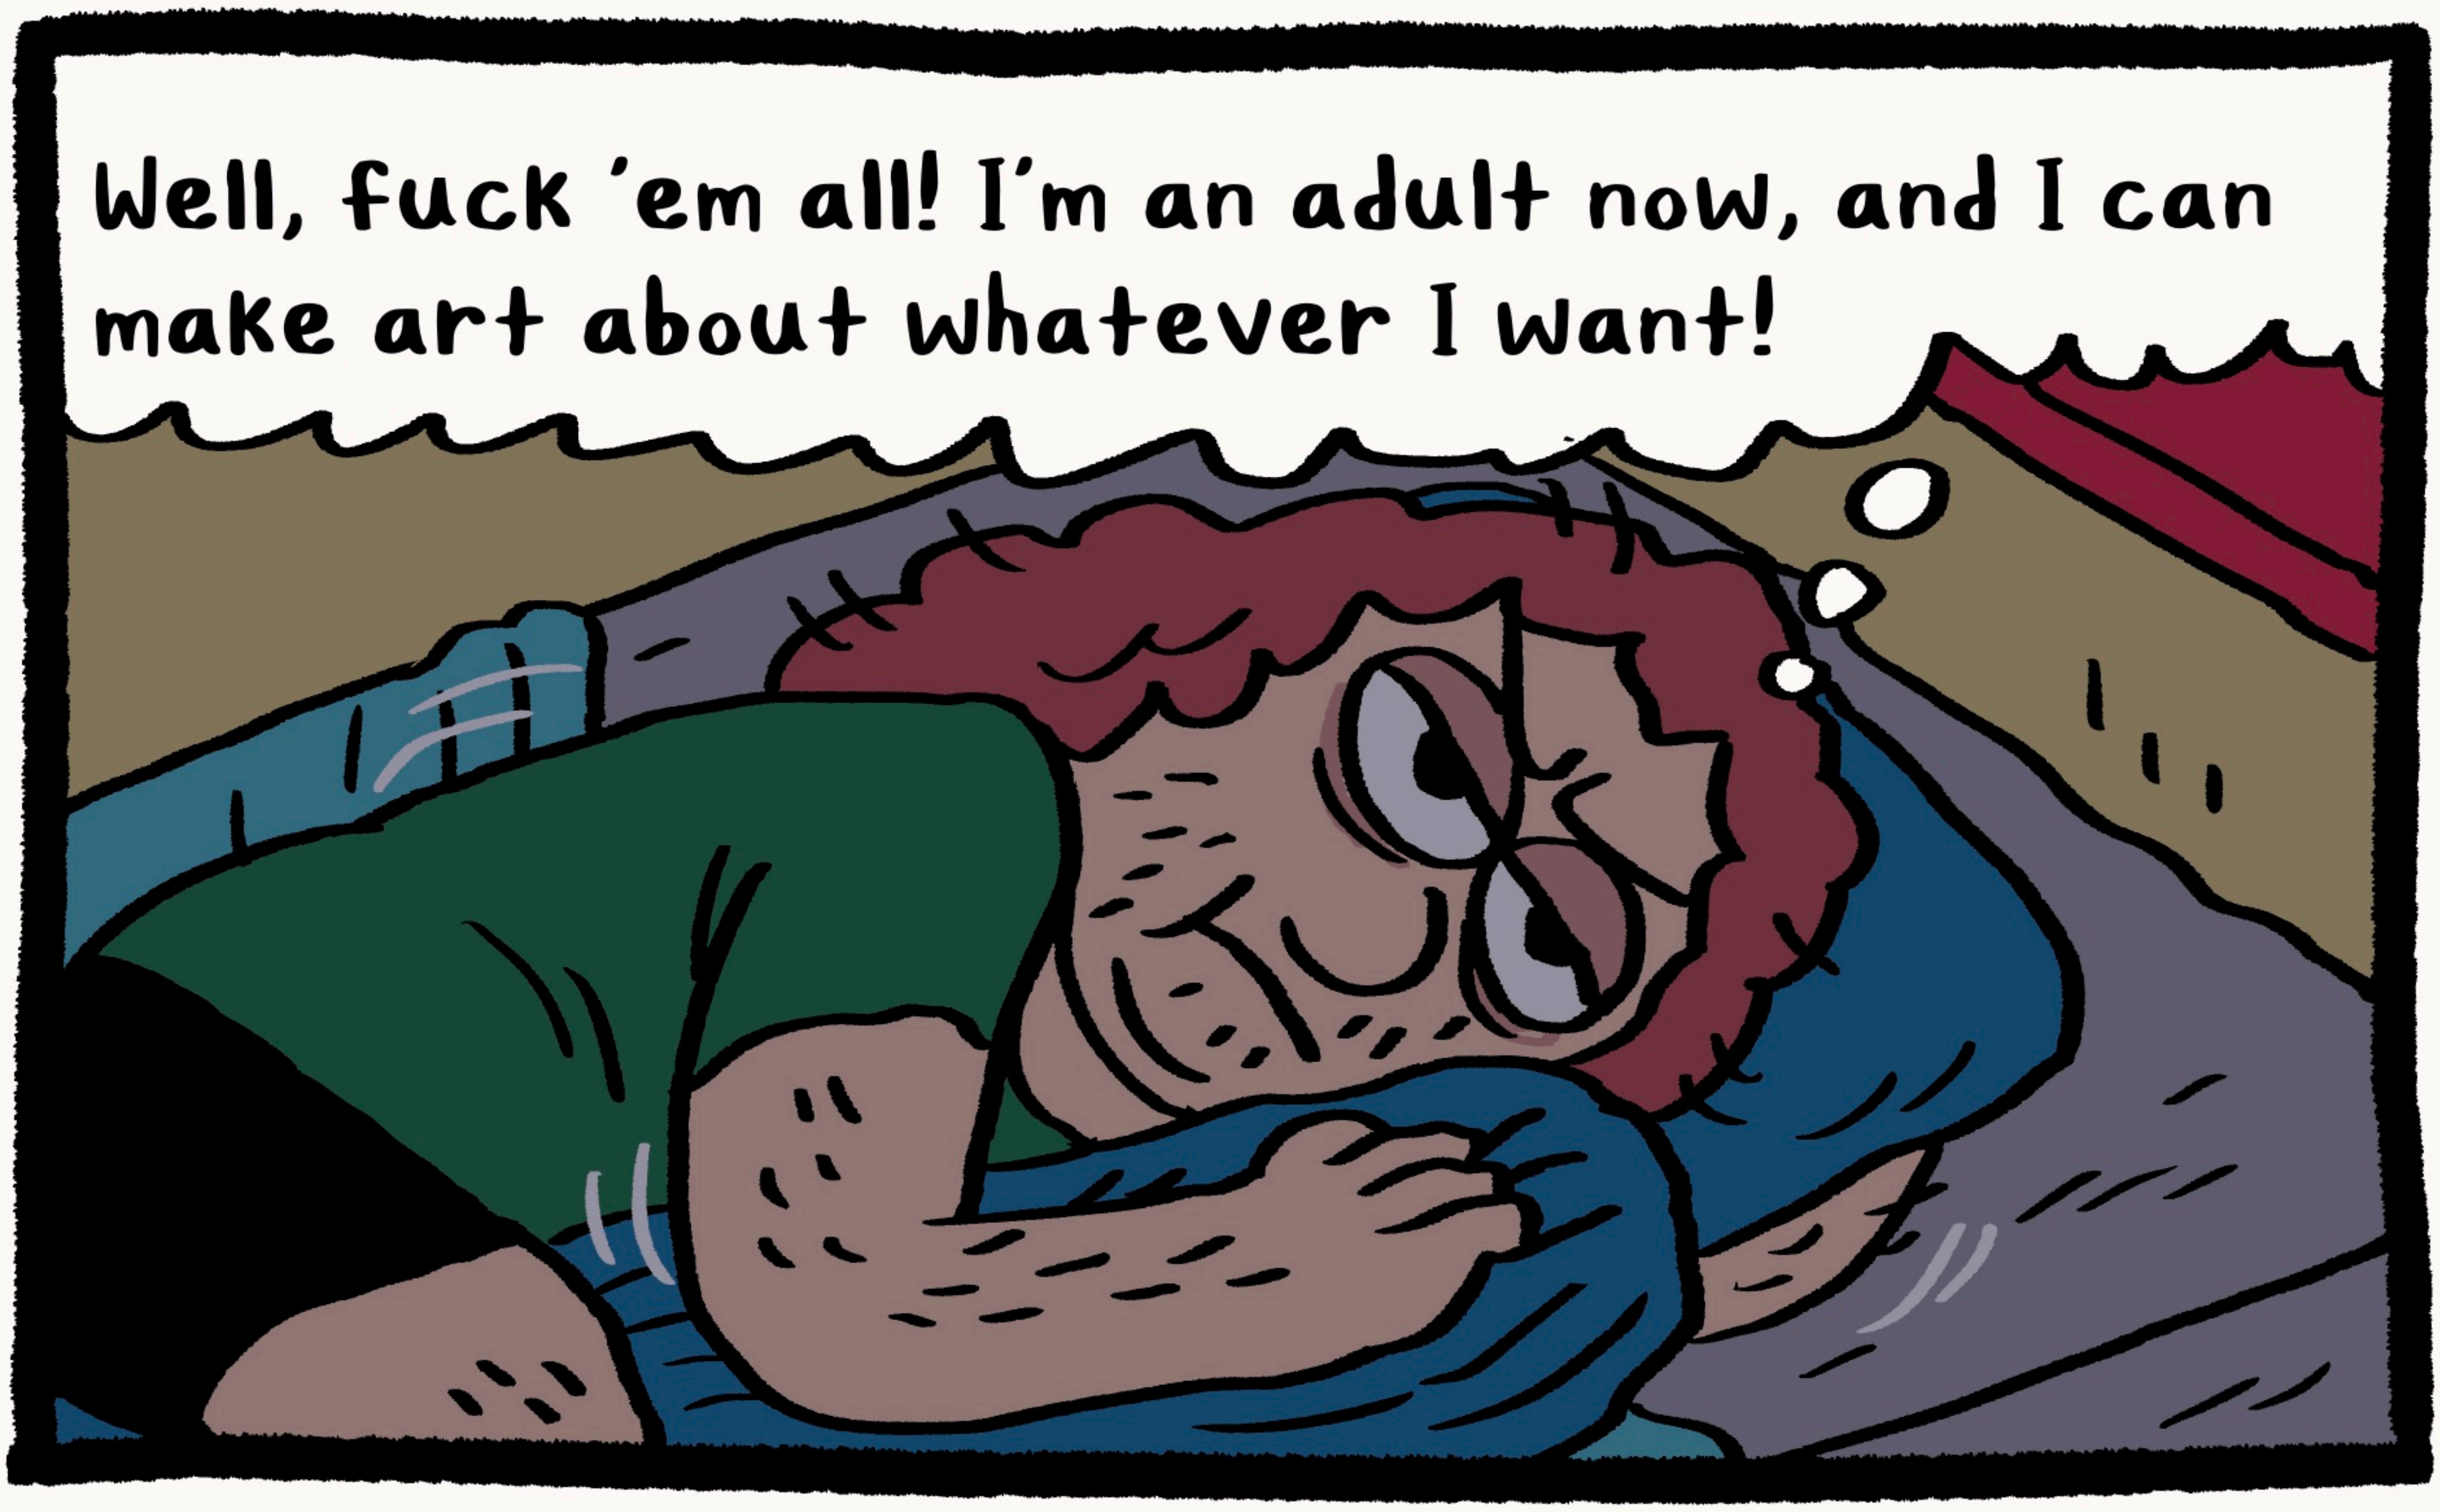
... I guess it could've used a bit more work, though. I wasn't fully satisfied with certain aspects of the finished product.
Jenny did have a point about the religious stuff being slightly derivative... Oh god, maybe my movie did suck! I suck!! I'M THE WORST ARTIST EVER!!!
AAAGH! NO NO NO! I'm letting her negativity consume my thoughts! She's a toxic person who doesn't know shit, and I can't let her bully me anymore!



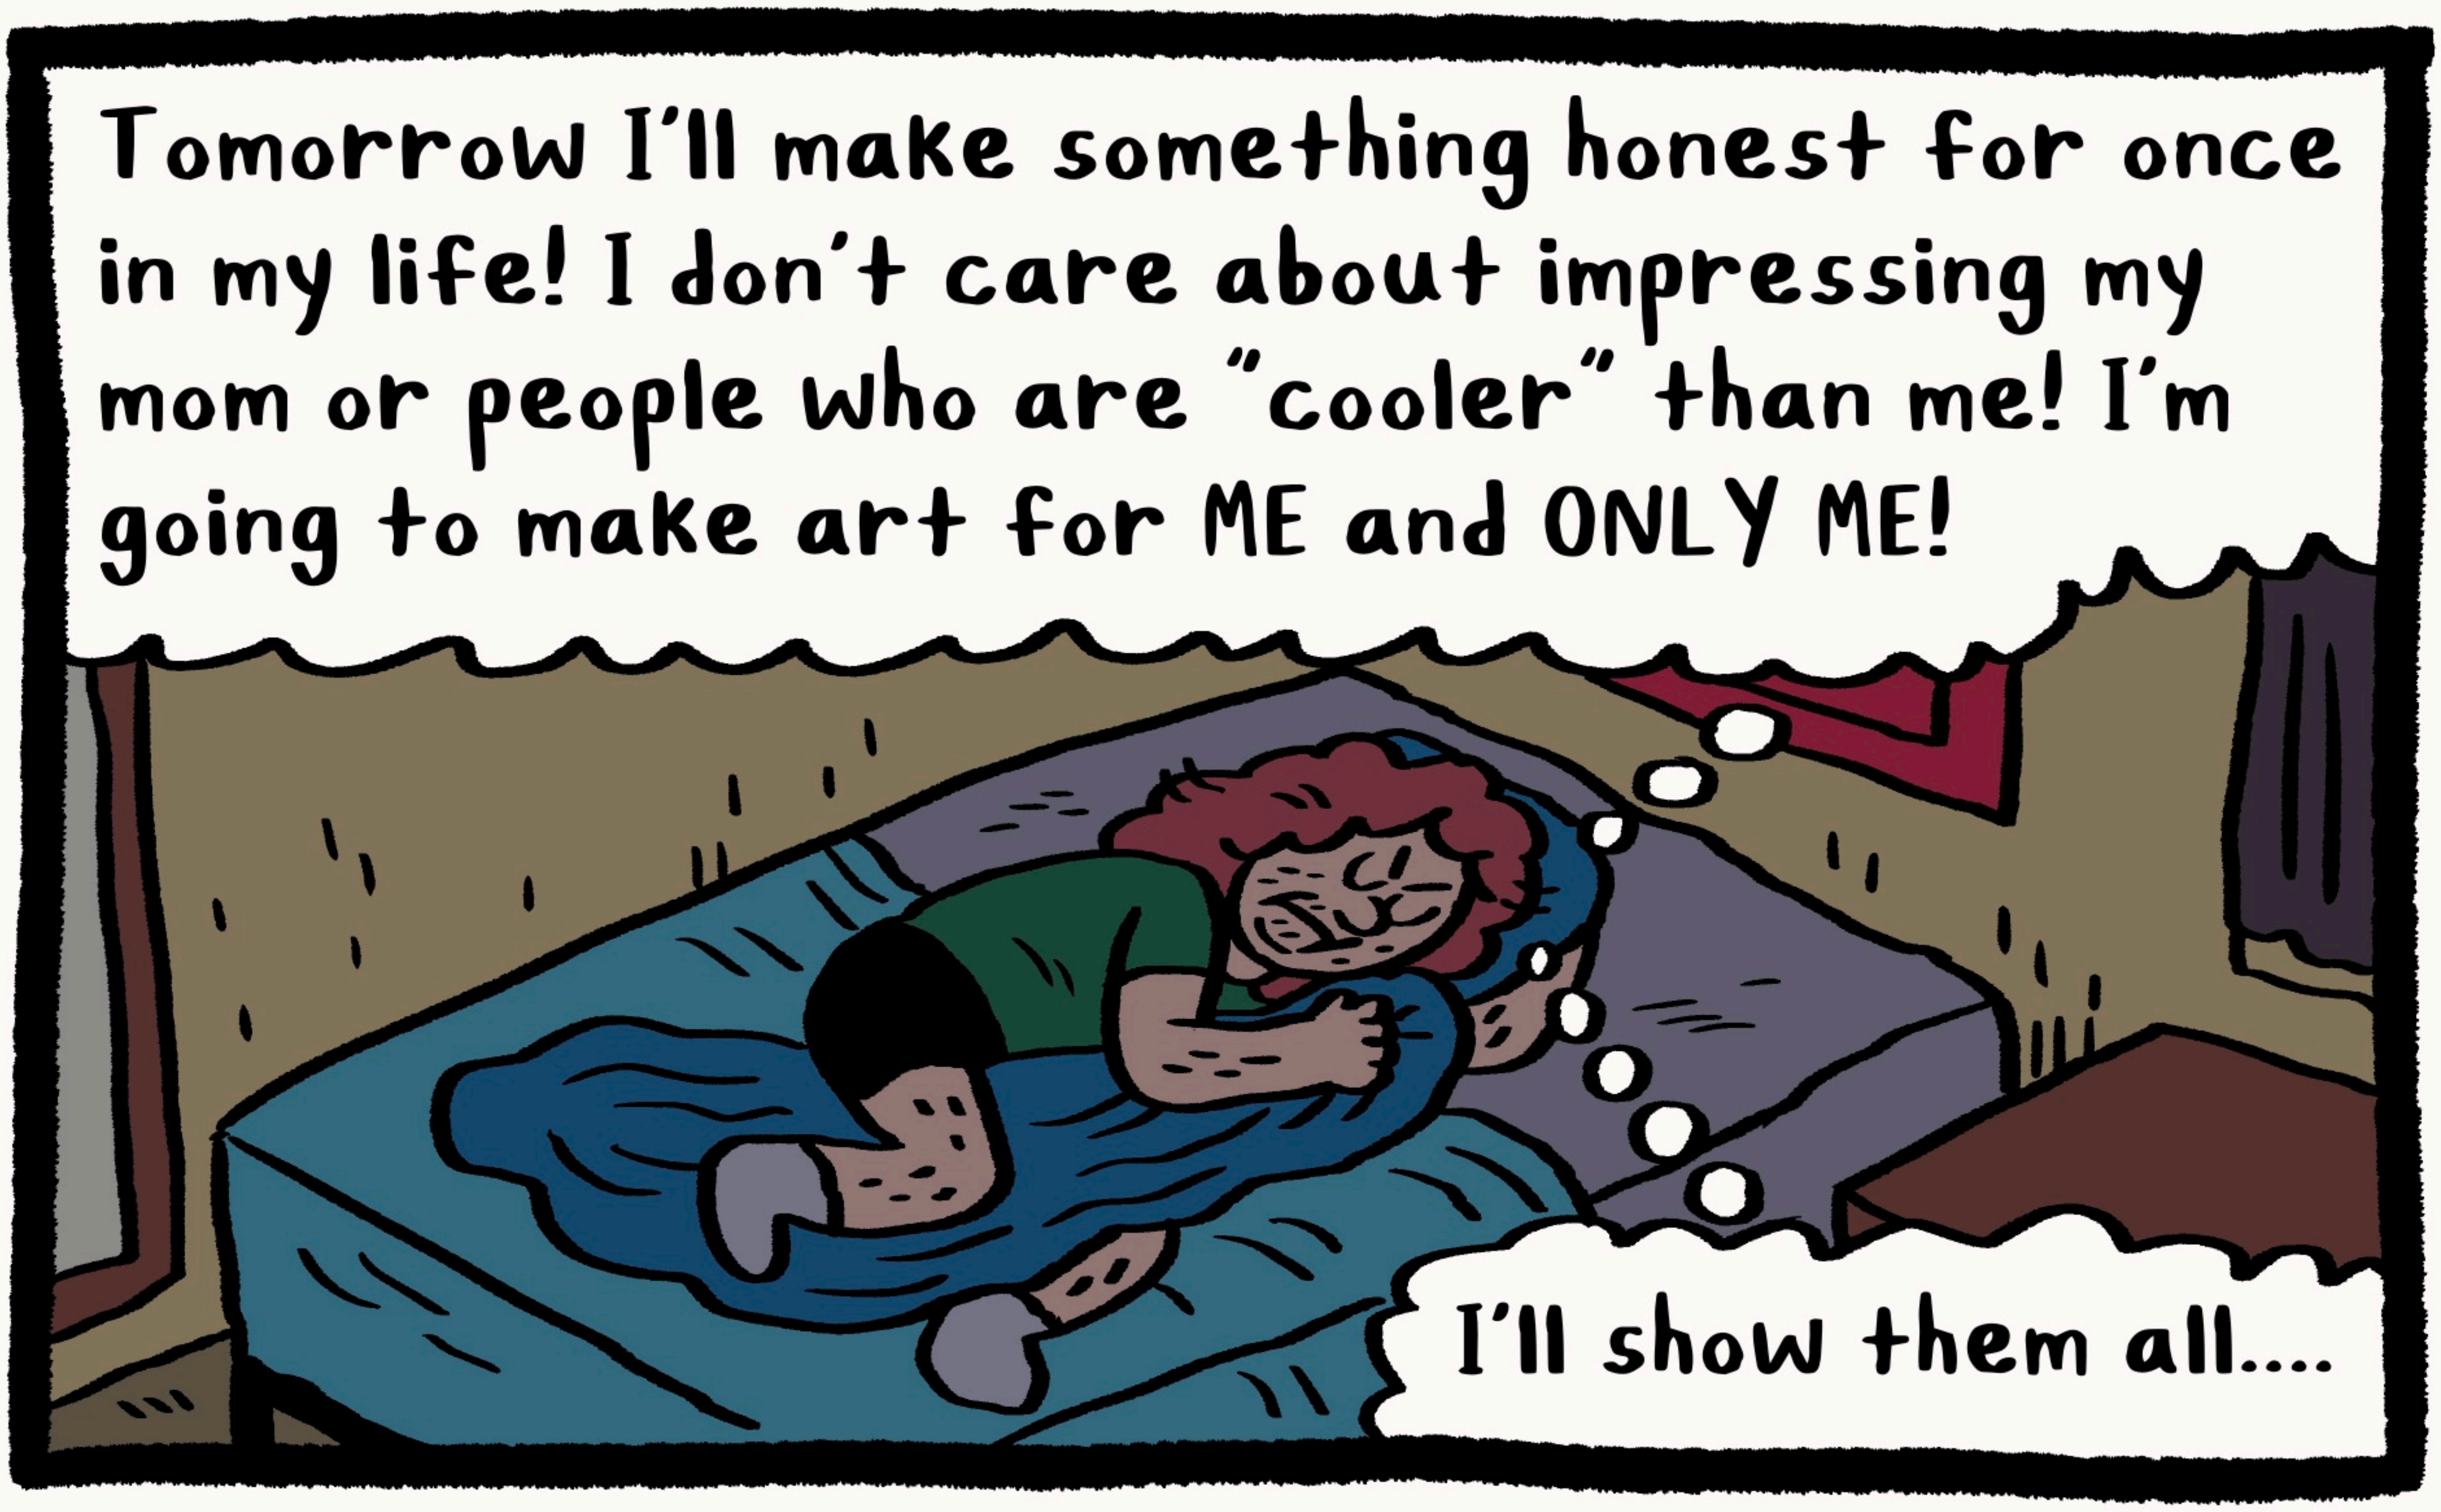
Oh, who am I kidding? Jenny's usually full of shit, but she's right about this. I probably haven't made a single piece of honest art in my entire life.



Even as a teenager, when I should've completely lacked self-awareness and been artistically uninhibited, I was mostly focused on using my artistic skills to impress the adults in my life. Jesus, I was such a grade-A suck-up!



Well, fuck 'em all! I'm an adult now, and I can make art about whatever I want!



Tomorrow I'll make something honest for once in my life! I don't care about impressing my mom or people who are "cooler" than me! I'm going to make art for ME and ONLY ME!
I'll show them all....
